## RELAY TEAM SHAKES JUNIATA JINX WITH THIRD PLACE IN FAST EVENT

**Meyers, Hartman, Truckenmiller, Swarm, Form  
Speedy Combination, But Added Competition  
Proves Severe Handicap**

Placing third in its event at the Penn Relays last Saturday, Susquehanna's mile relay team shook off a persistent Juniata "jinx" of two years' duration only to trail Dickinson and Haverford to the tape. Both of the latter teams were added this year to the group with which Susquehanna contends.

Johnny Meyers, Paul Hartman, George Truckenmiller, and Bill Swarm turned in a fast performance for the Crusaders, running in the order named, but could not match the winning time of 3 minutes, 28 2-10 seconds registered by Dickinson.

Meyers took the Orange and Maroon baton into the lead with the opening gun and finished his leg practically in a tie with Day of Dickinson. The next two runners from the latter team, however, drew steadily away from the field, while Haverford moved into second place.

Swarm, anchor man for the Crusaders, gained second on Andrew of Haverford in the last leg, but could not quite overtake him in the battle for second place.

Juniata, Drexel, and Ursinus followed Susquehanna across the finish line, several yards in the rear throughout the duration of the race.

Coach Herb Snell's charges undoubtedly gave the best performance a Susquehanna relay team has put forth at the Relays in recent years, outdistancing all of her former competitors but being able to compete with the added entries of Dickinson and Haverford who have always been placed in a higher class.

Three seniors—co-captains Meyers and Swarm, and Truckenmiller, ran their last relay for the Orange team. Marvin, Paul Hartman, the fourth man, is a sophomore, while John Oberdorf is a third year man. Oberdorf accompanied the team as alternator in case of last minute illness or accident.

It was the third Penn Relay contest for Meyers and Swarm; Truckenmiller acted as alternator in last year's team. The team arrived in Philadelphia on Friday, witnessing many of the other Carnival events at Franklin Field, and returned to the campus on Sunday.

## Artistic Dancer Will Be May Day Feature

May Day at Susquehanna this year should be one of the most interesting days of the college year.

At 5:30 May 13th the procession and the court will proceed from Seibert Hall. The Queen, Miss Mary LaHaza, and Miss Diana Lidas, the Lady-in-Waiting will precede the court composed of the Misses Moody, Walborn, Fultz, Hoy, Gentler, and Lee.

The program will be for the Queen's entertainment. The band will play during the entire program. Jack Potteiger will do a "Goliwog Cake Walk" as the first number. Jack is the coach for the "Country Gardens" dance which has been put to music by Percy Granger. It is based on old English Folk Dances. Those taking part in this will be: Lillian Diehl, Naomi Stone, Bernice Harding, Alice Smith, Ludlow Nichols, Daisy Reese, Frances Marks, Esther Geisel, Mary Patterson, Sara Ulrich and Mary Eltringham.

Then from the pages of dusty old books will step Ruth Plummer as the historian of Susquehanna. She will be the connecting link between then and now and she will announce the day's events. All things here are so different now from the time when she was on the campus. She will turn the pages back and will display events that happened which were of such great importance when Susquehanna was founded. There will be (1) the Maryland Synod Meeting with Dr. Kurtz; (2) the offer of Miss App and her father of either land or money; (3) the inauguration of Dr. Kurtz; (4) Missionary Institute and its plans. The finale will be the "Pirates of Penzance" by the conservatory of music.

Dr. Franklin P. Manhart, Dr. John I. Woodruff and Miss Agnes Selin Schoen will assist Luke H. Rhoads with the historical plots.

Bucknell and Susquehanna will meet on the baseball diamond prior to the May Day exercises. The activities of the day will culminate in the Junior Prom.

## Council Poll Returns

The men from following clubs will act on the Men's Student Council for the coming year:

### Bond and Key

Lee Rishel, '34

Richard Fisher, '34

Phi Mu Delta

Harold Rowe, '34

Epsilon Sigma

Nelson King, '34

Kenneth Anderson, '35

Non-Fraternity

Alexander Youngerman, '34

Ralph Rishel, '34

## Campbell Selected For Junior Prom

Annual May Day Festivities to Close  
With Dance in Alumni Gym; Popular  
Orchestra: From Utica Secured

Jan Campbell and his Washington and Lee orchestra have been engaged to play for the annual Junior Prom on May 13. The orchestra recently completed an engagement at the Riverside Club in Albany, New York, during which it broadcasted regularly over the Columbia Broadcasting network. It will come directly from Utica, New York, to play this one-night engagement. The Prom Committee is under the direction of Chairman Ted Hutchison.

The Junior Prom will culminate the events of the annual May Day ceremonies. It is expected to be an even bigger event than last year. Dancing will continue from eight o'clock till midnight in the Alumni Gym.

Tickets are on sale for three dollars per couple. A different policy is to be put in effect this year. In previous years, each Junior was required to buy two tickets, and tickets were sold by the individuals in the class. This year, each Junior is required to buy one ticket, and the remaining tickets are being sold by the class through the committee.

The annual Prom has always been one of the major dances on the Social Calendar at Susquehanna.

## Valedictorian

MISS MARIAN WALBORN

## Kutztown Is Host to Y. M. C. A. Group

Susquehanna Sends Most Delegates to  
Annual Conference; Harold Rowe Is  
Chosen as Student Secretary

Nine Susquehanna delegates were in attendance at the annual spring Y. M. C. A. Training Conference, held this year at the Kutztown State Teachers College from April 27 to 30, inclusive. Dr. A. William Ahl, Harold Rowe, Luther Boyer, Robert Clark, John Stouffer, James Grossman, Charles Mitchell, John Nagell Ralph Shockey and John VonKondy were the Susquehanna representatives.

Reverend Calvin N. Ellis, professor of Biblical studies at Juniata College, was in charge of the devotions, while the principal speakers included Walter M. Wood, general executive of the Young Men's Christian Association of Philadelphia; Reverend Edwin Faye, Jr., Norristown pastor and graduate of Ursinus College; and Leo H. Kohl, state student secretary of Y. M. C. A. in Pennsylvania.

Leroy Brininger of Albright, brother to Hughes Brininger of Susquehanna baseball fame, was named as president of the state council for the coming year. Other officers elected at this time were: Alan Ranck of Lebanon Valley, vice-president; Harold Rowe, of Susquehanna, secretary; and Robert Miller, of Gettysburg, treasurer.

Susquehanna had the largest number of delegates, with ten of the total number of 94. Among the other colleges represented were Albright, Bloomsburg, Elizabethtown, Gettysburg, Juniata, Kutztown, Lebanon Valley, Mansfield Millsville, Muhlenberg, Shippensburg, and West Chester.

## SENIOR EXAMS EARLY

Examinations for the Seniors will start on Wednesday, May 24, at 1 o'clock, and will close on Saturday, May 27, at noon.

The other classes will have their examinations from May 31, at 8 o'clock until June 2, at 1 o'clock.

## P. M. C. AND DELAWARE DEFEATED BY CRUSADERS IN WEEK-END CONTESTS

**Captain Brininger and Al Meyer Pitch Orange to  
Victory by Allowing Four Hits; Eisenhower and  
Benner Hit Homers; Many Double Plays**

## Noted Artists Appear With Chorus Tonight

Susquehanna University Choral Society, consisting of seventy voices, under the baton of Professor E. Edwin Sheldon, will present its annual concert this evening, Tuesday, May 2, at 8:15 in Seibert Chapel. Miss Margaret E. Keiser, soprano, and Mr. Daniel L. Healy, Jr., tenor, are assisting the organization as the guest artists in the cantata, "The Four Winds," by Carl Busch.

The text of "The Four Winds" is taken from "The Song of Hiawatha," written by the New England poet, Henry Wadsworth Longfellow. The story is of Indian lore, being the tale of the legendary way in which the various winds found their genesis in the (Concluded on Page 4)

## Students Elect New Publishing Heads

**First Officers Elected Under Revised  
Constitution; Electoral Committee  
to Select Staffs in Future**

Harold Rowe was elected to succeed Luke Rhoads as president of the Susquehanna Publishing Association on Wednesday morning, April 26, during Chapel. At the same time, Herbert Hohman and James Bonnell were elected vice president and secretary, respectively, of the Association.

These men are the first officers to be elected under the revised constitution of the Association.

Under the new constitution the editorial staff and the managerial staff are selected by the Electoral Committee. This Committee selects members of both staffs according to a definite scale of rating.

The Electoral Committee for next year is composed of Penn Dively, editor-in-chief; Daniel McKelvey, business manager; Dr. Arthur H. Wilson, faculty advisor to the editorial staff; Dr. Charles Lease, faculty advisor to the business staff; and Harold Rowe, president of the Susquehanna Publishing Association.

This Association is made up of any student, professor, or alumnus of Susquehanna University paying one of more subscriptions to the Susquehanna for the current year. However, every student becomes automatically a member of the association upon his enrollment in the University.

## Announcement!

An election for four (4) Sub-Assistants for Football will be held in the near future. Freshmen who desire to be candidates are requested to present their names in writing at the Gymnasium Office on or before May 10.

Signed,  
JOHN J. HOUTZ,  
President, Athletic Board

Susquehanna's small but efficient baseball team displayed a batting and a fielding ability that earned for them victories in each of their first two games of the season with Pennsylvania Military College and the University of Delaware, both at Chester, Pa., and Newark, Del., respectively, Friday and Saturday, April 28 and 29.

Significance can be placed upon the fact that in each game the Orange and Maroon defense was strong. It was noticed in both games that the Orange and Maroon team is a very consistent one, in that they committed no especially bad blunders and they kept up their pep throughout the entire game. This was shown in their game with the Delaware "Blue Hens" whom they battled on even terms until the sixth inning, at which time Delaware's defense crumbled and Susquehanna tabbed nine runs to sew-up the game and insure them of a successful trip.

Friday's game with P. M. C. was close and quite tense until the fourth inning when Benner, the first man to bat for Susquehanna in this inning, singled; Sassaman was retired but Eisenhower singled to left, advancing Benner to third and taking second on the throw-in; Anderson singled to left scoring Benner and Eisenhower; Alexander singled to left and Anderson took third on the play; Maguire filed out and Freddy Carl walked, filling the bases. This was a grand opportunity for Brininger to win his own game, but he ended the inning by fanning. Susquehanna made four hits and two runs this inning and was never headed thereafter. The Ullerymen played heads-up ball throughout the rest of the game and managed to chalk-up six more runs before the game ended; two of these coming in the fifth inning when Benner singled after Morrow flied-out to right field; Sassaman hit (Concluded on Page 4)

## Nine Initiated to Pi Gamma Mu at Banquet

The annual meeting and banquet of the local Gamma chapter of Pi Gamma Mu, National Science Honors society, was held on Monday, May 1, in the social rooms of Seibert Hall.

A business meeting was held at 5 P. M. which included a summary of the year's achievements in social science, and the election and installation of officers for the coming year. The business session was in charge of the returning president, Daniel Shockey. The guest speaker of the evening was Rev. C. Gail Norris, pastor of the local Methodist Episcopal Church. He spoke on a subject of interest to members of the society.

After the business session the annual society banquet was given to members of the fraternity in Horton Dining Hall. At the annual reception of new members, the two seniors and seven Juniors were initiated into the fraternity. The new members are: Paul Edwards, Quinto Glonta, Anna Benner, Eleanor Browne, Penn Dively, Edith Frankenstein, Margaret Hausman, William Morrow, and Ruth Plummer.

## WALBORN AND ROYER SELECTED AS HONOR STUDENTS IN CLASS OF '33

**Miss Marian Walborn Honored as Valedictorian  
With Grade of 2.78; William Royer Places Sec-  
ond With Total of 2.73; Close Race**

Miss Marian Walborn and Mr. William Royer have been selected as valedictorian and salutator of the class of 1933 respectively. In the announcement, made from the office of the Dean last yesterday afternoon, it was significant that there was only a difference of four one-hundredths of a point between the two winning averages.

Both of these students have attended Susquehanna for the full four year course in the bachelor of arts degree. Miss Walborn has received an average of 2.78 for the entire course and Mr. Royer earned 2.73. They are both residents of Sunbury, Pennsylvania, and commute every day. The valedictorian is a graduate of Sunbury High School, while her runner-up attended the Altoona area Lock Haven high schools, although he has lived at Sunbury during his college career.

Chemistry, strangely enough, is Miss Walborn's preferred field; Mr. Royer is majoring in English. Both will be qualified as teachers in addition to their selected courses.

In addition to their scholastic achievements, both the valedictorian and the salutatorian have been prominent in several campus activities. Miss Walborn is president of Kappa Delta Phi, a member of Women's Student Council, and has been a capable participant in women's athletics and May Day programs. She was recently elected as a member of the May Court for this year.

Mr. Royer was art editor of the 1933 Lantern, and has been an active member on the cheering squad since his freshman year. He is a member of the Bond and Key Club.

## TRACKMEN HAVE NARROW ESCAPE IN AUTO CRASH NEAR LANCASTER

**Coach Snell, George Truckenmiller, Bill Swarm,  
and John Oberdorf In Accident, Returning  
from Relay Carnival at Philadelphia**

While returning from the Penn Relays Sunday afternoon, Coach Snell, accompanied by three members of Susquehanna's relay team, narrowly escaped death, when Snell's car was forced from the highway. The accident occurred on the Lancaster Pike about three miles beyond Lancaster.

With Coach Snell were Bill Swarm, George Truckenmiller, and John Oberdorf.

The wreck was caused, according to Coach Snell, who was driving, by his being forced off the road by a car which passed him on the crest of a

hill. When Snell's Peerless roadster left the road, it struck a concrete culvert, which practically demolished the rear end of the car. Only the presence of trolley tracks, which acted as a curb, kept the car from leaving the highway and upsetting.

Fortunately none of the trackmen were injured. The party returned to Selinsgrove Sunday evening in the car of one of their fellow students.

Snell's car is at present in a Lancaster garage, where it is being repaired.

## NOTICE! ATHLETIC BOARD

One step has been made to improve the status of tennis on the campus. The Athletic Association has purchased a number of rackets and furnishes them to the students who wish them at no additional cost. The students may have access to these rackets on the same principle as the golf clubs.

However, one limiting feature still remains. There is a premium on courts. With only four accessible courts for the use of approximately 300 students, it is clear that there is an insufficient number for the whole group. It amounts to this: there is only one court for every seventy-five possible tennis players.

With the arrival of spring and elective gym courses the few courts that are in condition will be filled at all hours of the day. Many students will be deprived of a chance to play tennis. Some few faculty members who are interested in the sport will be unable to play. During the few hours between the last afternoon class and dusk every available court will be over-run with tennis players.

There is no necessity for an elaborate system of clay courts, but a smooth surface of any kind would serve the purpose in this time of crisis. The Intramural Board could also assist by getting student workers. Let's try to supply some definite answer to this problem of insufficient courtage.

## —AND NOW WE LOOK AHEAD

A new Student Council will soon step into the positions of the old. These new men should beware of the many pitfalls into which they may fall. During recent years the Student Council has fallen into a very dangerous habit of allowing itself to become segregated. In the formulation the rules for the incoming Freshmen the Council permits itself to look at the problem from an introspective standpoint. With never a thought of what other student councils were doing with the Freshmen in neighboring colleges, the past councils, in a very casual manner, continued to accept what had gone on before as being university tradition.

Susquehanna Councils in the future should examine what other colleges and universities are doing with various campus problems and make their decisions from knowledge, not from a legendary lethargy. The new Council, just elected, has the "seat of honor." They should examine what has gone on before, what goes on in other colleges, what precedents have been set, and then construct definite, intellectual answers to our campus problems.

We don't want Freshmen rebellions every year over rules and regulations. A thinking body never makes the same mistake twice. Councils in the past have served their purpose and served them profitably. The scope is now widening and the new Councils must similarly broaden their vision to cope with the problems that arise.

## S. U. PEPYS

Spring  
 Bursting of buds, windows, and ambitions  
 ... shaded walks, buzzing g-nats, and menacing starlings  
 ... fluttering flimflies of pink and silver, sport shoes which unneringly find dirty heels and rough edges to scuff against  
 ...  
 May ... and R. V. Nertz peeps forth and stretches like a scraggly bear who has hibernated and now stands blinking in the warm rays, or perhaps a painted butterfly emerging from its silken nest—once a year, now a ... oh, alright, if you're going to get nasty about it ...

And who is that big, bad boy who sends post-cards to the baseball heroes sweeties with remarks intended to be of compromising nature?  
 Not William Warner—U guess!

Speaking of baseball—well, just about

everybody is ... why not? We've already won a fourth of our games ... Which just goes to show, you never can tell about diamonds in the rough ... or was it rough diamonds?  
 At Delaware, it's said, the boys made so many errors during fielding practice that they had none left to use during the game ... Delaware must have had excellent fielding practice ...

Dickinson won and lost within an hour the shining silver cup which they earned at the Penn Relays in defeatless Susquehanna among others in their event. One of the runners placed the mug the first the Carlisle collegians had ever thus gained. In his bag while he cavorted beneath the stimulating play of a shower. Returning, he found cup, bag, clothing, and all had mysteriously vanished, as it were, into thin air. So Dickinson was possessor of a championship cup for less than an hour.  
 Highlight of the I. N. A. convention

Hess running ... Doer Bender claiming a point on the tennis court ... Sassaman listening to his victrola records ... Manager Hassay predicting an undefeated season ... Manager Lauver not predicting anything ... YonKondy wearing a tulip in his lapel ... The angry mob descending on the tennis courts ... sunshine ... birds ... bees ... buzz ... buzz ... zzzz ... R. V. NERTZ.

## AMUSEMENTS

Tonight you can see George Stone in an intense drama. But the death house in an extremely morbid setting. "The Last Mile" portrays a vivid and well acted tale with George Stone.

Carole Lombard presents a smart treatment of an heiress chasing a poor fellow in "No More Orchids." Columbia presents a well rounded cast of performers featuring Lyle Talbot.

First National shows plenty of thrills and adventure in "Central Park." You'll enjoy Joan Blondell and Wallace Ford in exceptional roles. Entertainment that will keep you on the edge of the seat. Remember Thursday night!

On Friday and Saturday night you will have a chance to see Eddie Cantor in "The Kid From Spain." An excellent supporting cast, featuring Lyda Roberti, excels everything in the line of humor. It is lavish and humorous in the usual Cantor style. A good story about a famous bull matador. Produced by United Artists.

"King Kong," another thriller, typical of horror, will greet you on Monday and Tuesday of next week. Mark it down on your calendar. If you liked "Island of Lost Souls," Fay Wray is outstanding in this fine role. It's an RKO.

## SORORITY NOTES

**Omega Delta Sigma**  
 Miss Mary Eltringham spent the past week-end at State College.

Miss Helen Hite was the guest of Miss Ruth Bergstresser at her home in Hazleton over the past week-end.  
 Miss Sara Ulrich and Miss Aberdeen Phillips spent the week-end with Mrs. Horace Vought.

## Muhlenberg College Host to Newspapers

Fifteen member colleges of the Intercolligate Newspaper Association of the Middle Atlantic States convened at Muhlenberg College over the week-end of April 28 and 29, Friday and Saturday, as guests of the staff of the Muhlenberg Weekly.

The Allentown institution furnished suitable entertainment for their guests with a convention dance on Friday evening and a Triangle Drama Tourney on Saturday evening.

Robert C. Horn, Dean of Muhlenberg College, delivered the address of welcome at the first session, Friday afternoon at 2:30. The remainder of the first session was spent in a business conference.

The informal convention dance was held on Friday evening in the spacious reading rooms of the library. Henry Johns' Orchestra, a local band, furnished the music for the affair.

President DuRelle Gage, business manager of the Haverford News, called to order the opening meeting of the Saturday session at 9:15 in the Old Chapel. Divisional meetings took up the morning hours. The editorial group met under Executive Secretary Maubly, University of Pittsburgh, and discussed editorial policies, type phases, and feature articles. Jerome Lentz of Haverford College discussed feature articles on the editorial page; Hyman Levin of Johns-Hopkins gave an interesting talk on the editorial policies of the Johns-Hopkins "News Letter"; and Joseph Shelly of Cooper Union illustrated the different possibilities of type usage. Every delegation was greatly interested in all of these topics.

The business group met under President DuRelle Gage and questions of advertising and circulation were discussed at length by staff members of Dickinson, Polytechnic Institute, and Lehigh.

The afternoon business session resulted in the following elections: president of the association, Mr. Hyman Levin of the Johns-Hopkins "News Letter"; vice president, Mr. Jerome Lentz of the Haverford News, and secretary, Miss Mary Harris of the Drexel Triangle. It was further voted that the following convention should be held in Baltimore. The Johns-Hopkins "News Letter" will be the host paper.

Fredrick S. Bigelow, former associate editor of the Saturday Evening Post, addressed the convention, at the banquet in Muhlenberg Commons on Saturday evening, on the "Development of Magazine Journalism." The entire speech was very well arranged and he discussed at length the policies of the Curtis Publishing Company. The toastmaster for the banquet was Dr. Anthony S. Corbieri, faculty advisor of the Muhlenberg Weekly. The presentation of the cups to the winning newspapers resulted as follows: The News Competition Cup was won for the first time by the Pett Weekly. The Editorial Competition cup was won for the third time in four years by the Lehigh "Brown and White." Professor Win. S. Maubly, executive secretary, presented the cups.

Following the banquet the convention was entertained at the Triangle Drama presentation at the Civic Little Theatre, "The Rise of the Moon," by Lady Gregory, was presented by Lafayette C. Hage; "Aria da Capo," by Edna St. Vincent Millay, was staged by Cedar Crest College and the Muhlenberg dramatists produced "Moon of the Caribbees" by Eugene O'Neill.

The staff of the Muhlenberg Weekly were definitely responsible for the success of the spring convention of the I. N. A. Paul Gerhard, business manager of the Muhlenberg Weekly, acted in the capacity of chairman and organized a well planned meeting.

"Your time seems to be divided between the furnace and your son?"  
 "Yes; if I keep my eye on one, the other is sure to go out."

## Susquehanna Staff Undergoes Revision

New Rating Scale and Style Book Are Prepared by Editorial Heads: Work to be Checked and Graded

Organization, through the medium of interlocking responsibilities and a concrete "style book" represents the beginning of the new SUSQUEHANNA year from the viewpoint of the editorial staff.

Editor-elect Penn Dively, rethling Editor Jay Worthington, and Faculty Advisor Dr. Arthur H. Wilson have united in driving up this new system for shifting the responsibility of news material from the shoulders of one or two persons to its equal distribution over the entire staff.

This has been effected by placing the various reporters in groups which are responsible to the various editors, who are in return responsible to the News Editor and Managing Editor, with the Editor-in-Chief acting in the capacity of final judge. As a check to the efficiency of these people, a rating scale has been drawn up by which the various duties may be checked and graded each week. The final rating of the individual depends upon an average of efficiency instead of an accumulation of points.

The "style book" represents a text or handbook for all members of the editorial staff of THE SUSQUEHANNA. This information is being put into a pamphlet which the staff must use for reference in writing their articles. It covers the entire process or reporting, arranging material, writing, and preparation of copy which is necessary to produce the finished article ready for the hands of the printer.

These two factors make it possible for the members of the staff to know just what is expected of them and in what manner they may accomplish it, with comparative scoring to use as a basis.

The system was inaugurated at the first meeting of the new editorial staff in the Journalism class held last Friday afternoon.

## POTPOURRI

Here is a bit of advice to those profs who are bothered with having students come in late to their classes. Because of tardiness on the part of his pupils, a member of the faculty of the University of British Columbia invented a punctually machine which flashes a cheery welcome to those that are prompt and to the students that are tardy it emits a sarcastic "late again."

What-ho, the King. When speaking of May Day one naturally thinks of the Queen of the May. It seems that at Westminster College the women had a nasty dispute over the coveted position of Queen, so the male portion of the school took a drastic stand and they elected a King.

Figure out this one, you math students. If you cannot get the proof of this statement, ask Dr. Boeder. Cotter College advances the theorem that a "co-ed's" ardor varies in intensity directly with the inflation of money and the velocity of circulation. This can no doubt be proved by differential calculus.

## DIAMOND JUBILEE PLAYERS PRESENT SUSQUEHANNA ANNIVERSARY PROGRAM

### Troupe Appears in Williamsport and Harrisburg During Past Week; Performance to be Given in Sunbury May 4; "Man in Bowler Hat" Pleases

The Susquehanna Diamond Jubilee Players, celebrating Susquehanna's seventy-fifth anniversary, gave their program at Williamsport, on Monday, April 24. The students were afterwards entertained at the Y. W. C. A. Cafeteria by the local Alumni group.

On Thursday, April 27, the troupe motored to Harrisburg, where they performed in the Camp Curtin Junior High School. Following the program, the students were entertained by Dr. Smith.

The troupe will make an appearance in Sunbury, on Thursday, May 4. Watsontown is also a possible future date. The following professors and students comprise the entire troupe:

#### Chorus

(Prof. E. Edwin Sheldon, Director)  
Sopranos—Miss Marcella Chaya, Mrs. Mildred Grossman, Mrs. Margaret Hemphill, Miss Isabella Horn, Miss Margaret Ide, Miss Irene Mengel, Miss Anna G. Moody, Miss Audra Martz, Miss Mary Potter, Miss Elizabeth Shupe, Miss Beatrice Shively, Miss Frances S'ambaugh, Miss Elva Winkelbrech.

Altos—Miss Ruth Blair, Miss Dorothy Eastep, Miss Mary Hummel, Miss Mary J. Kehler, Miss Mary LaHaza, Miss Anna G. Moody, Miss Audra Martz, Miss Mary Potter, Miss Elizabeth Shupe, Miss Beatrice Shively, Miss Frances S'ambaugh, Miss Elva Winkelbrech.

Tenors—Mr. Fred Billman, Mr. Peter Blackwood, Mr. Robert Clark, Prof. W. D. Hemphill, Dr. Paul Overbo, Mr. Roland Pritchard, Mr. Richard Shade, Prof. F. C. Stevens, Prof. P. M. Line-

baugh.

Basses—Prof. E. L. Allison, Mr. Kenneth Blyler, Mr. William Caruth, Mr. Paul Edwards, Prof. L. D. Grossman, Mr. Horace Hutchison, Mr. Robert McNally, Mr. Erie Shobert, Mr. Wesley Stirling.

The one-act play included the following: Howard Rowe, Estelle Pearl, Erie Shobert, Louise Mehrling, Luke Rhoads, Robert Sassaman and Robert McNally.

Although this is Susquehanna's first attempt at any such type of entertainment, it is by no means a new thing. Schools and colleges everywhere have celebrated anniversaries in Jubilee programs. Indeed, the managers and directors are to be complimented in the thorough execution of such a fine program. This opening celebration of Susquehanna's seventy-fifth anniversary will be culminated on Founder's Day in November, 1933.

The one-act play, entitled, "The Man in the Bowler Hat" by A. A. Milne, proved quite novel and unique because of the fact that it did not require any scenery. The whole significance of the play hinged upon the few spoken words of the mysterious gentleman, who sat on the stage, with his hat on, during the entire performance. The audience was at loss to decide whether he was actually taking part in the play, or directing. This was made obvious in a quite humorous manner after the gentleman stated that the play was "fairly well performed, but a bit rough in spots," and then called for the curtain.

### Ullerymen to Meet State Nine May 10

Schedule Not an Easy One; First Home Game With Bucknell; State Seeking Revenge for Last Year's Defeat

Susquehanna has settled down to the task of winning a majority of her baseball games. The opponents this year are worthy of Susquehanna's mettle, and each player on the team will have to keep on his toes every game in order to make the season a successful one.

The first game of the season was scheduled to be played at Bucknell on April 19, but this game was postponed and will be played at Lewisburg on a date to be announced later. The game scheduled for next Friday, May 5, with Washington College has been definitely cancelled.

The next opponent is Penn State at State College on Wednesday, May 10. Susquehanna defeated Penn State last year, 17 to 16. This was Susquehanna's first baseball victory over State in all the games between the two schools.

The first game at home is to be played with Bucknell on Saturday, May 13. The other games on the schedule are Lebanon Valley, home, May 17; Lebanon Valley, away, May 23; and Delaware, home, May 27, making a total of eight games in all for this season.

### Sweeney Not to Return To W. Liberty Teachers

Harry Sweeney, 23, traditional figure in the athletic annals of Susquehanna University, is reported to have been discharged from his position as coach of athletics at West Liberty College, West Virginia, where he has established records for producing winning teams in football, basketball, and baseball.

An article in "The Wheeling Intelligencer," hints that politics is behind the move to oust "the most successful athletic mentor that the Hilltop school has ever known." His plans for the future were not revealed.

Sweeney left a brilliant record at Susquehanna a decade ago, dishing 103 yards for a touchdown in a gridiron contest with Colgate in 1922, and captaining four varsity sports during his college career.

At West Liberty his coaching record is also outstanding. Since his arrival in 1926, his football teams have won 65

### Announcement

The annual meeting of the Athletic Association for the purpose of electing four (4) undergraduate members of the Association as representatives on the Athletic Board will be held immediately following Chapel on Thursday, May 4th.

#### Method of Election

From Article 4—Section 2.  
Each active member of the Association may vote for any of the four eligible students on the first ballot and on the subsequent ballots for as many as there are places to fill.

A vote equal to a majority of the ballots cast shall be necessary for an election.

On any ballot, that may be necessary after the first, twice as many candidates shall be eligible to vote for as there are places to fill, these to be chosen from those highest on the ballot but not elected by the preceding ballot.

NOTE: All Sophomores or Juniors are eligible for election.

Signed  
John J. Houtz, President,  
Athletic Board.

out of 70 games; three years—1930, '31, and '32—his basketball teams have been undefeated; his baseball teams have lost only one game in five years. This year his football team gained national fame by defeating Cedarville College by a 134 to 0 score.

It is reported that students at West Liberty have started petitions to have Sweeney reinstated, and will put these into circulation this week.

### Y. W. Installation is Impressive Service

Newly elected officers and cabinet members of the Y. W. C. A. were installed by Esther Geisel, retiring president, as an impressive candle-light service held in the Social Room of Seibers Hall, April 26. On the following Sunday, the new cabinet held its first meeting in the form of a luncheon served in Horton Dining Hall. Plans were discussed and suggestions were offered for the program of the coming year. Among the important matters considered were as follows: (1) An attempt to make the program more flexible by planning it for only three months at a time, (2) provisions for securing speakers to bring messages on both different vocations, (3) a means for doing something definite as a world fellowship project—probably contributing to the work of some of our alumnus who are in the mission field of India. In relation to our devotional services, Isabella Horn, chairman of the program committee, suggested that we make a study of the church year. This idea was favorably accepted by the entire group.

The Y. W. C. A. officers for next year are: president, Edith Frankensfeld; vice president, Hazel Naugle; secretary, Mary Anna Cressman; treasurer, Eleanor Brown. The Cabinet and Committee Chairman are: Program, Isabella Horn; Membership, Pauline Crow; Social, Alice Smith; Vespers, Ruth Bergstresser and Helen Keller; Publicity, Frances Hubler; Pianist, Dorothy Eastep; World Fellowship, Louise Mehrling and Lois Long; Day Student Representative, Mary Griesemer. Miss Hade, Miss Reeder, and Mrs. Kretschmann will be the Faculty Advisors.

Two of our new officers, Edith Frankensfeld and Eleanor Brown, are to represent Susquehanna as delegates to a student conference to be held at Camp Hilltop near Downingtown, Pennsylvania, from June 9 to 17.

—S—  
Must Come for Him  
Joe's wife asked him if she should take him to the zoo.  
"No," replied Joe; "if they want me they can come after me."

### S. U. Alumnus Publishes Form Book on Patents

Robert Seidler has had published his book "Patents and Trad. Law," a form book on this particular branch of law, and the only work of its kind. He is a son of Dr. William A. Seidler of the Theological Seminary at Nazareth.

Sadler graduated from Susquehanna University in 1926. He attended the University of Pennsylvania School of Medicine in 1927-28; New York University in 1928-29; and the Cumberland University Law School in 1929-30, receiving an L.B. and a B.C. degree from that university in January, 1930.

He is a member of the Phi Alpha Sigma Medical fraternity, the Scabbard and Blade Military Fraternity, and the American Chemical Society. He has been an instructor in the Manhattan School in Manhattan, N. Y., a Chemical Warfare Instructor in the U. S. A. in 1927-28, and has held a teaching fellowship in Washington Square College, New York University. At present he is connected with the University of Florida.

His previous writing includes articles in Popular Mechanics, Science and Invention, Popular Chemistry, and the various publications of the United States Army, in which he is a First Lieutenant.

## Seniors Win Outdoor Meet for Second Time

Seniors completely outdistanced the field in the Inter-class Meet, held on University Field, Monday and Tuesday afternoons of last week.

Johnny Meyers and Bill Swann, co-captains of Susquehanna's track team, easily led the field for high scoring honors. Each collected three first positions and two seconds for a total of twenty-one points apiece. Martinec and Hanna did well in the field events for the Sophomores. Hanna collected two first positions and Martinec gained a first and a second.

Total points scored by the Seniors, 58; Sophomores, 34; Freshman, 23; and Juniors, 7.

**Summary:**  
High jump won by J. Worthington, Sr.; second, Youngman, Jr., and Evans, Fr., tie. Height: 5 ft. 2 in.

Shot put won by Martinec, So.; second, Naugle, Jr.; third, Wienberger, Fr. Distance: 32 ft. 9 in.

Mile run won by Finn, Fr.; second, Stouffer, So.; third, Shockey, Fr. Time: 5 min. 23 sec.

Broad jump won by Meyers, Sr.; second, Swann, Sr.; third, Martin, Fr. Distance: 19 ft. 10½ in.

440-yard dash won by Swann, Sr.; second, Truckenmiller, Sr.; third, Hartman, So. Time: 52.2 seconds.

220-yard low hurdles won by Meyers, Sr.; second, J. Worthington, Sr.; third, Webber, Fr. Time: 29.2 seconds.

Discus throw won by Tanna, So.; second, Martinec, So.; third, Oberdorf, Jr. Distance: 114 ft. 2 in.

120-yard high hurdles won by Swann, Sr.; second, Meyers, Sr.; third, Clark, So. Time: 16.4 seconds.

Pole Vault won by Jones, So.; second, Dorsett, So.; third, Wruble, Fr. Height: 9 ft. 3 in.

Javelin throw won by Hanna, So.; second, Oberdorf, Jr.; third, Blackwood, Jr. Distance: 137 ft.

100-yard dash won by Swann, Sr.; second, Meyers, Sr.; third, J. Worthington, Sr. Time: 9.9 seconds.

880-yard run won by Martin, Fr.; second, Hartman, So.; third, Leltzel, Fr. Time: 2 min. 16.1 seconds.

2-mile run won by Finn, Fr. Time: 11 min. 35 sec.

## NOTED ARTISTS APPEAR WITH CHORUS TONIGHT

(Continued from Page 1)  
universe. The music is of Indian atmosphere, lending the weird effect of the tom-toms, blending with the irregular tonal dispositions for which the Red Man is known.

The program consists, also, of special music given by the soloists, Miss Keiser, who is a graduate of Susquehanna Conservatory of Music, and Mr. Healy, who is a member of the faculty at the Curtis Institute of Music, and by the Choral Society.

## Program Part II

Chorus—"Song of the Angels"—Liszt-Dickinson

Assisted by: William Caruth and Frank Bennardi, trumpets; Charles Meekins and William Miller, trombones; Peter Blackwood, tympani. Solo—Liebesbriefchen ..... Korngold Ave Maria ..... Bruch

Miss Keiser  
Solo—A Group of Irish Songs  
Mr. Healy

(Two years ago Mr. Healy was sent to Ireland by the Curtis Institute to look into music typical of that country and people.)

Chorus—Hallelujah from "The Mount of Olives" ..... Beethoven

## Part II

The Four Winds—Carl Busch (1862)—from the Song of Hiawatha—Longfellow

Introduction

Chorus—Honor be to Mudjakeewis

Tenor Solo—Hark you, Bear!

Chorus—Then again he raised his war-club

Tenor Solo—Young and beautiful was Wabun

Chorus—Every morning gazing earthward

Soprano and Tenor Solo and Chorus—For they both were solitary

Chorus—But the fierce Kabibonokka

Tenor Solo—There among the reeds and rushes

Chorus—And at night Kabibonokka

Soprano Solo—Showandasee, fat and lazy

Tenor Solo—Once as he was gazing northward

Soprano and Tenor Solo and Chorus—Till one morning

Professor P. M. Linebaugh at the organ

Professor E. L. Allison at the piano

## S. U. TRACKMEN IN MEET WITH DREXEL SATURDAY

(Continued from Page 1)

the mainstays on Susquehanna's team. Three years ago, Myers set an unofficial record of 9.8 seconds in the 100 yard dash. Swann's main events are the

380 yard and 440 yard dashes. Both he and Meyers are also broad jumpers. In the two-mile run, Fred Finn, a Freshman, turned in the best time in recent years in the inter-class meet.

Al Youngman and Dave Evans will enter the high jump, while Dorsett and Wruble do the pole vaulting. Weinberger and Ventura, both Freshmen, will back up Jerry Schlegel in the weight event, and Ken Keady and Blackwood will throw the javelin. Susquehanna should give Drexel some keen competition.

Grade school events and the high school trials will be conducted in the morning, beginning at 9 A. M., while the high school finals and the collegiate events will be held in the afternoon, beginning about 1:30 P. M.

Entered in the scholastic meet are the following grade and high schools: Middleburg, Selingsgrove, McClure, Beaver Vocational, Shamokin Dam, and Hummel's Wharf.

## P. M. C. AND DELAWARE DEFEATED BY CRUSADERS IN WEEK-END CONTESTS

(Continued from Page 1)

to first baseman who threw to second retiring Benner; Eisenhower singled again for his third hit of the day, advancing Sassaman to third and himself taking second on the play; Anderson again came through with a short to left field, just inside the third base line, scoring Sassaman and Eisenhower; Alexander then hit to the shortstop retiring the side. Coming to bat in the seventh and last inning the nine collected four more runs on a hit by Morrow, a sacrifice by Benner, an error by the right fielder on Sassaman's punch; a base on balls by Eisenhower, Anderson's third hit and Maguire's triple to left. P. M. C. never got started in this game. Brainerd pitched superbly, allowing only one hit and striking out three men. Three snappy double-plays were in a great measure responsible for P. M. C.'s negative score. Morrow, Benner and Eisenhower figured prominently in two of these, while Morrow and Eisenhower were se-sonable for the third.

The game at Newark Saturday was played under ideal baseball conditions, a glaring hot sun and a clear, blue sky. Delaware took the lead in the first inning when they scored a run with cut making a hit. Hudson, first man up, walked; G. Thompson was hit; O'Connell hit to Meyers who tossed out Thompson at second; Hudson taking third on the play; E. Thompson sacrificed to Anderson and Hudson came home, Brady filed out to Anderson.

Susquehanna tied the score in their half of the second inning when Maguire reached first on an error; Carl sacrificed and Maguire came home on a wild toss into centerfield by the pitcher; Meyers and Morrow were thrown out by the shortstop. The scoring ceased until the fourth inning when Benner hit hard and far between the center and right fielders for a home run. Susquehanna's lead did not last very long, for Delaware came back in the fifth inning and tied the score by virtue two bases on balls and a sacrifice hit. This seemed to fire the "Crusaders," for in the next inning with the Coach's instructions to bait they went to work on Riley, the Delaware pitcher, and with the aid of several errors scored nine runs in the following fashion: Eisenhower, first man up in the inning, reached first on an error by the shortstop who dropped his high infield fly; Anderson, following the Coach's instructions, bunted along the third base line and reached first safely; Alexander also reached first safely and Maguire hit to the shortstop who muffed the ball, permitting Eisenhower and Anderson to score; Freddy Carl next up, bunted safely and filled the bases; Meyers singled through the box, scoring Alexander and Maguire; Morrow reached first on an error and Carl scored; Meyers scored as Benner sacrificed; Sassaman struck out but Eisenhower hit into left field for a home run, scoring Morrow ahead of him; Anderson singled through short, but was caught trying to reach third on Alexander's hit, thus ending the inning. This practically ended the scoring, except for the seventh inning when Susquehanna scored three more runs on hits by Carl, Meyers, Morrow and Sassaman, combined with an error by the Delaware shortstop. Delaware threatened in the ninth when Meyers lost control for a moment and walked three men, but the rally was cut short when Newman fouled to Sassaman.

This game was also featured by three double plays. Meyers pitched a fine game in lieu of the fact that he walked nine men.

## Miss Hade Appoints Council Officers

Ruth Nelson Heads Revised Student Council; Members Chosen Regardless of Politics; New Plan Formulated

Miss Naomi K. Hade held a meeting of all the women affiliated with the college on Thursday, May 4, in the chapel of Seibert Hall. The purpose of the meeting was to announce the names of the new student council and also to explain the new system that she has studied and with which she has decided to experiment.

The members of the newly appointed council are Ruth Nelson, Eleanor Brown, Sara Margaret Ulrich, Mary Eltringham, Mary Patterson, Mary Elise Spiggle, Mary Anne Cressman, and Edith Frankenhof. These women were chosen irrespective of sorority to represent various phases of dormitory life.

Each member of the new council will appoint a committee with the approval of Miss Hade. Ruth Nelson, who was appointed president of the council, with her committee, will have full charge of disciplinary matters. Eleanor Brown will be in charge of current events. Sara Margaret Ulrich, with her appointed committee, is to work in conjunction with the President of the Inter-Sorority Council in order to take charge of the social events of Seibert Hall. Mary Eltringham will represent the athletic activities of the dormitory. It will be her duty to arrange hikes and to work with the President of the (Concluded on Page 4)

## LUNCHEON HELD FOR MAY QUEEN AND HER COURT

May Day luncheon was held in honor of the Queen of May, Ladies-in-Waiting and the Court, on Saturday noon, May 6, at Horton Dining Hall. A violet color scheme was used, and the Court table was decorated with violets. Individual bouquets of violets, and original place cards, done in violets, made quite an appropriate setting for the Queen and her attendants. There were eighty people in attendance.

The May Queen, Miss Mary LaHaza; the Lady-in-Waiting, Miss Diana Liza; and the Court, composed of Misses Moody, Walborn, Fultz, Hoy, Gentzler, and Ide, were all formally presented at Saturday's luncheon.

Miss Esther Geisel, toastmistress, introduced Miss Hade, Dean of Women, who gave a short talk on May Day and its consequent festivities.

Jack Pottelger, professional dancer, will be featured on the May Day program in a presentation of a "Golliwog Cake Walk." The University Band, under the direction of Prof. Elrose Allison, will furnish the music.

## Orange Defeated by Drexel's Trackmen

Swarm Breaks 440 Record as He and Meyers Take 30 of the Crusaders 47 Points on a Muddy Track

Susquehanna's Orange and Maroon track team, led by Co-Captains Johnny Meyers and Bill Swarm, was defeated on a muddy and treacherous track in their initial meet with Drexel, twenty-eight and two-thirds to forty-seven and one-third, on the University field, Saturday, May 6th.

Both Drexel and Susquehanna garnered seven first places and Pete Blackwood took an honor position. Oberdorff and Martin were the only two Susquehannans to take a second place position and to this can be attributed the edge in scoring. Doolittle and Breida led the Drexel team in scoring by placing eight times.

Probably the most outstanding event of the afternoon was the 440-yard dash, which was won by Bill Swarm in the record-breaking time of 52.3 seconds. The record which had previously been established was 52.8 seconds, set by Ray Scott, a Susquehanna Alumnus. Swarm's performance was really a remarkable one, due to the fact that the track was damp and soggy. Swarm was also tied for scoring honors along with Johnny Meyers, both having collected a total of fifteen points a piece.

Drexel completely outclassed Coach Helle's athletes in the field events. (Concluded on Page 4)

## JUNIOR CLASS IN EVENING RECITAL TOMORROW NIGHT

Juniors of the Conservatory of Music who are majoring in voice, piano, or organ, will give the annual Junior Recital on Wednesday evening, May 10, at 8:15, in Seibert Chapel. Mr. Robert McNally, a senior, is giving an organ recital at this time. Every one is cordially invited to attend. The program for the recital is as follows:

1—Organ—Allegro Maestoso, J. E. West

—Mr. Robert McNally

2—Aria—Vissi d'arte, vissi d'amore, Puccini—Miss Josephine Pifer.

3—Songs—a. "Ich Liebe Dich," Grieg; b. The Dawn has a Song, Phillips—Miss Margaret Williams.

4—Piano—Concerto in C Major (Allegro vivace), Mozart—Mr. Russell Goodling

5—Aria—"Dove Sono" (Marriage of Figaro), Mozart—Miss Isabelle Horn

6—Songs—a. Dawn, Curran; b. Chivalries, Valverde—Miss Andra Martz

7—Piano—a. Chant d'Amour, Stojowski; b. Serenade Levantine, Alpheraky—Mr. Richard Shade

8—Organ—a. Clair de Lune, Karg-Elert; b. Piece Heroique, C. Franck—Mr. Robert McNally

9—Aria—"Deh vieni, non tarda" (Marriage of Figaro), Mozart—Miss Margaret Williams

10—Songs—a. Lullaby, C. Scott; b. Hol Mr. Piper, Curran—Miss Josephine Pifer

11—Piano—a. Romanze, Niemann; b. Prelude, E. Laros—Mr. Russell Goodling

12—Aria—O Don Fatale (Don Carlo), Verdi—Miss Andra Martz

13—Songs—a. Water parted from the sea, Arne; b. In Herbst, Franz—Miss Isabella Horn

(Concluded on Page 4)

## Crusader Nine to Meet State Foes Tomorrow

Susquehanna's next diamond opponent will be Penn State whom they will play at State College, Wednesday, May 10. The Crusaders defeated State last year, 17 to 16, for the first victory they have ever gained over State.

The first home game will be played with Bucknell, Saturday, May 13 at 2:30. Last year Susquehanna won from the Bisons, 11 to 3, at Bucknell and lost at Selinsgrove, 9 to 3.

## Baccalaureate Speaker For Seminary Service

DR. HARRY C. MICHAELS  
Susquehanna alumnus, who delivered the Baccalaureate address to the graduates of the Theological department on Sunday morning at Trinity Lutheran Church.

## WOMEN'S TENNIS TOURNEY TO BEGIN WITH SIX ENTRIES

Announcement was made by Diana Liza, manager of tennis that this year, as in previous years, there would be a Women's Tennis Tournament sponsored by the Women's Athletic Club.

To date there are six entries and possibly several others will be made before the tournament is staged. The entries already made are about equally skilled and the tournament should be very interesting. As yet no definite date has been set nor schedule made out, but it will be announced soon.

## Senior Women!

Cap and gown measurements will be taken for senior women at 6:30 tonight in Seibert Hall parlors.

All resident senior women are asked to appear at this time, as well as those day students who might find this hour convenient.

## COMMITTEE SELL TICKETS IN NEW PROM POLICY

The Junior Prom, held in the Alumni Gymnasium on May 13 from eight o'clock to twelve p. m., will be a very fitting culmination of the May Day festivities. It is expected that the event this year will be even bigger than that of last year.

Chairman Ted Hutchison has been fortunate in securing Jan Canpbell and his Washington and Lee orchestra for the dance. This orchestra is quite famous not only for its distinct style of music, but also for its arrangement of novelty numbers and entertainments. In recent years, this orchestra has played in R. K. O. vaudeville, two seasons in European cafes, one complete season in Miami's Million Dollar auditorium, and also in the Baker chain hotels in Texas.

There will be an entirely different policy used this year in regard to the sale of tickets. In previous years, each Junior was required to buy two tickets and the tickets were sold by individual members of the class. This year each Junior is required to buy only one ticket and the remaining tickets are being sold by the class through the committee only.

The following people comprise the committee which is assisting Chairman Ted Hutchison in completing the plans for the Prom: Aberdeen Phillips, Leona Kaufman, Josephine Pifer, Ruth Nelson, Jerald Schlegel, Calvin Naugle, Nelson King, and Martin Graykoskie.

## Alumnus Presents S. U. With Football Trophy

B. Randolph Harvey recently presented a unique trophy to Susquehanna's undefeated football eleven in the form of a regulation football made of hard coal and highly polished. It is a clever piece of art and is made of a single block of coal.

Mr. Harvey is a graduate of Susquehanna University and is now a teacher in the Coaldale high school.

The Coaldale Colliery furnished the anthracite coal block that was used. Several years ago the same concern, presented a similar trophy to the famous Notre Dame football team in honor of their late coach, Knute Rockne.

## "Daisy Chain" to be Feature of May Day

Dramatization of Great Moments in History of Susquehanna University to Follow Crowning of May Queen

An entirely new feature of Susquehanna's May Day will be the "daisy chain," which follows the custom of Vassar and other women's colleges. The chain will be a long line of white-clad girls bearing the traditional chain of flowers. Seventy-one co-eds are expected to take part in this chain.

The program for next Saturday has recently been completed. May Day will open with the appearance of Ruth Plummer, as a co-ed of long ago, and Millie Hines, as a co-ed of today. Following their entrances, the court will proceed from Seibert Hall, preceded by Mary LaHaza, the Queen, Diane Liza, her Lady-in-Waiting, and followed by the new "daisy chain." The children of Selinsgrove will perform the dance around the May Pole, followed by a dance by Jack Pottelger, and a group of dancers under his direction.

The second part of the program will be a dramatization of great moments in the history of Susquehanna University.

Episode I is the scene of the meeting of the Maryland Synod, with a cast as follows: President of Synod, Robert Sala; Dr. George Diehl, Harold Rowe; Dr. Kurtz, Luke Rhoads; Dr. Anspach, Erie Shober, and thirteen others to make up the meeting.

Episode II is a scene on the lawn of (Concluded on Page 4)

## MORROW, BENFER HEAD PI GMMA MU NEXT YEAR

Susquehanna University's chapter of Pi Gamma Mu Social Science Honor Society held its annual business meeting and banquet in Seibert Hall social rooms and Horton dining hall on Monday evening, May 1. It was the seventh annual meeting of the society on Susquehanna's campus.

J. Donald Steele, the retiring president, presided at the business meeting. Elections of officers for the ensuing year was held, and the persons elected were William Morrow, president; Miss Anna Benfer, vice president, and Dr. Theodore W. Kretschmann, of the Theological Seminary, secretary-treasurer.

New members initiated into the Society at the business meeting were: Anna Benfer, Eleanor Brown, Penn Dively, Edith Frankenhof, Margaret Hausman, William Morrow, Ruth Plummer, Paul Edwards, and Quinto Gloria.

Donald Steele also officiated in the capacity of toastmaster at the banquet, which followed the business meeting. The feature of the banquet was an inspiring address by the Rev. C. Gail Norris, pastor of the First Methodist Episcopal Church, of Selinsgrove.

## Choral Society is Aided by Artists

Large Chorus Gives "Four Winds" With Assistance of Miss Keiser, Soprano, and Mr. Healy, Tenor

The annual spring concert of the Susquehanna Choral Society, consisting of seventy voices, was given under the baton of Professor E. Edwin Sheldon on Tuesday, May 2, at 8:15 p. m. in Seibert Chapel. The chorus, which performed "The Four Winds," a composition by Carl Busch, with words from Longfellow's "Hiawatha," was assisted by Miss Margaret Keiser, soprano, who is a graduate of the Susquehanna Conservatory of Music, and Mr. Daniel Healy, Jr. tenor, who is a member of the Curtis Institute of Music.

Miss Keiser sang two numbers in German, for which she was readily applauded. As an encore, Miss Keiser offered a composition written by Dr. Nicholas A. Douly, vocal pedagogy of Philadelphia and her teacher, Professor Percy M. Linebaugh accompanied Miss Keiser.

Mr. Healy, who was sent to Ireland by the Curtis Institute to study their music, favored the audience with four of their lyrics which are full in their human appeal. Mr. Healy was accompanied by Professor Elrose A. Allison

**"New Women's Government"**

The revision of the Women's Co-operative Government is based upon standards commendable and practical. This experimental plan may be reduced to several major issues. These major issues are primarily steps in the proper direction for a more unified and plausible manner of student government.

It is apparent that all the new council members have been selected with the thought of dividing the system of government, with all divisions equally responsible to the main body, the Women's Co-operative Government. Such a division of supervision is made possible by committee appointments of Council heads. This plan is theoretically possible and has worked with success at many women's colleges.

A second factor which will feature this plan is certainly commendable. It gives the Council a broadened power in the organization of student activities. The divisional plan will assume power over disciplinary matters, current social events for women students, health programs, dramatics, and religious activity. The big danger that confronts the small-town college is provincialism and it is almost assured that this broadened council authority will help to destroy the tendency towards provincialism on our own campus. Each year the scope of student needs enlarges and this step will help the women to cope with these increased demands.

Lastly, the new system of selection marks a change in student government. The aim of this change is to abolish any chance of student social politics marring the workability of the "new deal." Social organizations on the campus tend toward the coalition of power and thus may manufacture an unpleasant situation; a compromise that the new revision does not wish to countenance. The plan throughout is commendable, if the women will favor it with support. The support of selection may be unfavorable to the "social sorority" and for that reason, be a step in opposition to what is commonly known as student organization.

Those persons who have formulated the new revision have done a systematic and informative piece of work, and it is hoped that this experiment will be for the betterment of student control.

**"Another Step Forward"**

The Athletic Board has willingly enough stepped to the breach in the tennis court problem. In collaboration with the Administration, a solution to this serious question has been offered. Already the Board has come to a definite conclusion as to possible locations for more tennis courts, but one problem of some proportion still remains.

Now that the Athletic Board and the Administration have taken action to remove a long felt need, the students should reflect a similar interest in a cause closely associated with student recreation. Without sufficient university aid from the persons that the change will affect it will be impossible to build more courts.

In realization of this interest THE SUSQUEHANNA advises the cooperation of every student in the future in the work necessary to the building of these courts.

RE-ELECTION FOR ATHLETIC BOARD AT CHAPEL TODAY

Re-election for the purpose of selecting members for the Athletic Board was held in chapel this morning. In the first election, held last Thursday, none of the candidates received enough votes to elect them to the positions.

The eight candidates who received the largest number of votes were eligible to have their names placed on the second ballot. They were Lee Rishel, Kenneth Anderson, Kenneth Byler, Luther Boyer, Elmer Devereaux, William Reger, John Stouffer, and Richard Reger.

The results of this election were not made known in time to be printed in this issue.

K. D. P. Pledges Entertainment Students  
With Novel Initiation Antics

The students on the campus were treated to strange sights last Wednesday afternoon, when the pledges of Kappa Delta Phi took their outdoor initiation.

Wearing a pair of men's shoes that were several sizes too large for her, Naomi Stonestier was seen picking raisins from a loaf of bread and distributing them to a crowd of hungry on-lookers.

Mary Geinett showed her housewife potentialities by industriously cleaning the sidewalk in front of Steele Science with a broom and bringing water from the neighboring pool.

Phyllis Engle was seen wheeling around a small baby of dubious coloring, while Bernice Harding collected dandelions to the rhythm of the mouth organ played at intervals. Gouth Schlegel was heard expounding her advice to the lovers' "poetry" through a megaphone, midway between Selinsgrove Hall and G. A. Wearing pretzels in her ears, Ruth Cherrington was seen fishing in a small pail. Dora Stitzer took typing practice in front of G. A. With a great deal of patience, June Weaver measured the distance from Seibert to Hassinger and made a chalk mark after every inch. Dorothy Gaskins counted the windows in Hassinger and checked up on the stones in the quadrangle to see that none were missing.

AMUSEMENTS

Tonight, for the last time, you can see "King Kong," an RKO thriller. With Pay Wray in an outstanding role the picture is one you should not miss. If you liked "Island of Lost Souls," mark this down on your calendar.

First National presents "Employee's Entrance" on Wednesday evening, with Warren Williams playing the part of a warren department store manager, who makes life miserable for his employees. Wally Ford and Loretta Young are exceptional in lead roles.

Nils Asther and Barbara Stanwyck present "The Bitter Tea of General Yen" on Thursday evening. A Shanghai battle picture in which the conversion of a Christian causes a death.

"Those We Love" will entertain you on Friday evening at the Stanley. Lillian Tashman, Mary Astor and Kenneth MacKenna portray the self-sacrificing love and another woman.

On Saturday night "Man's Land" presents a two-fisted westerner with cattle rustlers and plenty of villains. Plenty fast. Hoot Gibson plays a hero part.

The long-awaited "42nd Street" will be at the Stanley next Monday and Tuesday. Be prepared to see a real musical-dance festival with Warner Baxter, Bebe Daniels, Ruby Keeler and an all-star supporting cast. A real merry-making musical about.

SORORITY NOTES

**Sigma Alpha Iota Notes**

A bridge-dinner was held Friday, May 5, at the Homestead Tea Room by the senior girls of Sigma Alpha Iota and their escorts. The party consisted of Beatrice Gentzler, Jo Hoy, Margaret Ide, Frances Stambaugh, Professor Elmer, Bebe Daniels, Jack Maguire, Richard Allison and Arthur Weber.

Due to a death in the family Miss Margaret Williams went to her home in Mount Carmel on May the third.

Miss Margaret Ide spent the past week-end visiting friends in Harrisburg.

The Misses Frances Stambaugh and Beatrice Gentzler of Springrove and York spent the week-end at their homes.

Miss Ruth Rammacher visited friends at Hood College, Frederick, Maryland, the week-end of the fifth.

Miss Pearl Mette visited Phyllis Engle at her home in Sunbury.

**Omega Delta Sigma**

Omega Delta Sigma was very happy to have two of its alumnae, Miss Sara Rhoads and Miss Elizabeth Vorlage, visit here for a brief time.

Miss Louise Mehring spent the week-end visiting her home in Littlestown, Pennsylvania.

Miss Edith Frankenkfield entertained her parents, Mr. and Mrs. O. Roy Frankenkfield, of Philadelphia, over the past week-end.

Miss Janet Leitelt also spent one day at Susquehanna visiting various members of the sorority and its hon oraries.

**Kappa Delta Phi Notes**

Diana Lizards spent the week-end at her home in Hunlock Creek.

The following pledges also week-ended at their respective homes: Naomi Stonestier, Hanover; Dora Stitzer, Ashland, and June Weaver, Westwood N. J.

Flo Hostetler, of Thompsonston, Pa. was a welcome guest of Ruth Nelson, last week-end.

The officers for the coming year were installed last Wednesday evening.

CAMPUS CLUB LUNCHEON

The final meeting of the Campus Club of the year will take the form of a Spring luncheon at the Homestead Tea Room in Sunbury on Saturday, May 20, 1 p. m. The Committee in charge consists of Mrs. Kretschmann, Mrs. Brungart, Mrs. Fisher, Mrs. Sadtler, Mrs. Manhart, Mrs. Wood and Mrs. Beck.

POET'S CORNER

**Autumn Rain**

The rain is falling down upon my face  
As though a needle held in gentle hands

Were picking it. The hot tears trace  
A stream along my cheeks to other lands  
And other waters far below—the lakes  
The rain has made. It is the time of year

When every dark and frowning cloud-  
let takes  
Its time before deciding it should clear  
Itself of ballast weight, by dropping rain

Which will be warm and soothing to  
my mind,

Or flaky mists of snow. Between the  
twain  
They leave a chilly drizzle. I can find  
A syllogism in the rain. It is the time  
When he debates the pros and cons.

Should he  
Keep love within the heated, summer  
clime,  
Or freeze it to a flaky memory?

**Villanelle of Spring and Winter**

Ah, Spring is charming, blithe, and gay,  
And east in such a lovely mold;  
From longing, Winter wastes away.

Spring came to Winter one March day,  
Arrayed in bright green, blue and gold;  
Ah, Spring is charming, blithe and gay.

Impetuous his first essay  
To woo her. He's no longer bold;  
From longing, Winter wastes away.

He'd not succumb to her you say?  
Yes? Winter is too bleak and cold?  
Ah, Spring is charming, blithe, and gay.

And even tho' he's aged and grey,  
There is no fool like one that's old;  
From longing, Winter wastes away.

Poor man, he is the hapless prey  
Of charms that age dare not behold.  
Ah, Spring is charming, blithe, and gay;

From longing, Winter wastes away.

Crusaders Squeeze Out  
Victory Over Norry

Although they played a listless brand of baseball, Susquehanna managed to defeat the Northumberland Athletics, 3-2 in a practice game on Friday afternoon. Had Susquehanna displayed the alertness with which she defeated P. M. C. and Delaware, the score would have been much higher.

A three-base hit by Benner and two two-base hits by Sassaman constituted Susquehanna's chief offensive activities, and accounted for three out of the scant five hits made by Susquehanna. Carl and Benner each singled.

What might have been a serious accident turned out to be of little consequence when Keener was knocked out by a blow on the head from the first ball pitched by Yaros. The Norry player's injuries were not serious.

WOMEN'S BASEBALL LEAGUE  
WILL SOON BE FINISHED

Most of the Women's Baseball League games have been played, and to date the Juniors are leading The Seniors are second and the Frosh take third place having beaten the Sophomores this past week.

The remaining games on the schedule will be played this week.

McGeehan Allows Only Five Hits as His Teammates Pounded Out 29 Runs in One-Sided Contest

Susquehanna's seniors defeated the sophomore nine in the first inter-class baseball game of the season on University Field, Thursday afternoon. The game was a one sided affair, with the score 20-3 in favor of the seniors.

The batteries were as follows: For the seniors, McGeehan pitched and Truckenmiller caught; for the sophomores, Henry started in the pitcher's box, but was later relieved by K. Wasilewski, and Reger caught.

McGeehan allowed only one hit, but several errors on the part of the seniors and two free passes by McGeehan enabled the sophomores to score their three runs. An evident lack of experience in the sophomore's pitchers was responsible for the seniors' slugging order, which netted them twenty runs.

The highlights of the game were three home runs, one by Bruce Worthington with three men on base, another by McGeehan with one man on base, and the third by Kramer with one man on base. It is also interesting to note that Harold Kramer batted 1,000 per cent, making three hits out of three times at bat. Gemberling, Petry, Ahl, and Truckenmiller also had perfect batting averages, but each of them received one or more free passes from the opposing pitcher.

An amusing point in the game was the incident in which Schoffstall made a nice hit just beyond second base and arrived safely at what he thought was first base. Imagine his chagrin when the umpire calmly announced that he was out. He had mistaken a jacket lying on the ground for the "bag."

The game, which was scheduled for Wednesday, May, between the freshmen and juniors has been postponed until a later date.

## Frosb Co-Eds Trample Traditions and Win Ball Game From Sophomore Foes

Breaking all standing traditions that have existed in women's inter-class sports for years past, the Freshman women, these inexperienced females just out of high school, finally broke through and won a hard fought ball game from their hated rivals, the sophomores.

Wonder of wonders, the yearlings even made several feature plays that are considered good if not spectacular in any women's league. In the second inning, with two nobsy reclining on the bases and nobody out, the first year women pulled that play of plays, the triple play, retiring the side and gaining for themselves immortal fame.

In the very next inning they easily retired the sophomores by completing a double play with lightning-like rapidity.

The freshmen women have tried their best in the past to break that ever present Jonah, but to no avail. The fact that they had never won a game before probably defeated them before they started. But never again. Now that they have broken into the winning column they should surge forth like a lion that has just found its strength and whitewash the other three classes. Women of the Freshman class, you are to be congratulated.

## Players Present Last Show in Sunbury H. S.

With the performance at Sunbury, Thursday, May 4, the Diamond Jubilee Players of Susquehanna University, concluded their period of celebration for this year. The troupe, including a musical chorus, orchestra, and a cast of performers for the play entitled "The Man in the Bowler Hat," gave their production in the Sunbury High School auditorium.

"The Man in the Bowler Hat" was a very popular feature of every performance. The play, written by A. A. Milne, has its opening scene in the home of John and Mary, an elderly couple. John is reading the newspaper, and Mary is doing some needlework. John reads a few news items, and they complain that nothing really exciting ever happens. At this point, an unnamed man enters, and takes a seat on the stage with his back toward the audience. He retains his derby hat which he is wearing, throughout the entire performance. Suddenly the hero bursts into the room, and hands a gun to both John and Mary, gesticulating and telling them to remain there. He leaves, and the villain enters, suavely handling his mustache. John makes a weak effort to use the gun he is holding. The villain leaves, and John declares if he ever enters again he will shoot him. Again the hero enters, this time accompanied by the heroine. They embrace several times, and John confirms his opinion of their being in love. There is some talk about a ruby, and then the hero leaves at the request of the heroine. She sends him away before the villain returns. Suddenly the lights go out, and some screaming is heard. The lights go on again, and the hero is found bound in a chair with the villain and his bad man in charge of the situation. The bad man disarms both John and Mary, and he and the villain question the hero concerning the place where Rajah Ruby is hidden. The hero tells them it is in a hatbox in a station. Then he is asked where the ticket for the hatbox is to be found. This, he tells them, is in a hatbox in another station. After several lines of such questioning, the hero creates a great stir by his telling them that he has lost the ticket. At this point, the mysterious gentleman, who sat unobtrusively in one corner of the stage, arises and declares that the dress rehearsal is "a bit ragged in spots," and calls for the curtain.

## Grossman Doing Much Traveling For S. U.

Some time next week, Professor Grossman will start on an extended trip in the interest of the Alumni Association. He will visit high schools in the vicinity of Scranton and Wilkes-Barre, following an itinerary arranged for by the Dean's office.

Professor Grossman has already visited eighty-five high schools in various parts of the State. At each of these he follows much the same program, speaking to the school in general and showing moving pictures of the university campus. Usually a talk with the senior class on the advantages of a college education, especially at Susquehanna, follows, and all prospective students are interviewed.

This is the first year that a program of speeches such as this has been undertaken by Susquehanna, but favorable reports are coming from many schools that Mr. Grossman has visited. This program should draw a larger number of freshmen to Susquehanna next year.

## Nine Shows Ability in Two Practice Games

The Ullerymen were confined to three appearances on the diamond last week, but two of these happened to be in the form of practice games with Mifflinburg and Northumberland nines, respectively.

The Orange and Maroon defeated the Mifflinburg team of the West Branch League Wednesday afternoon 4 to 3. Gray, Maimon and Yaros did the pitching, each working three innings.

The Crusaders were again victorious when they met the Northumberland nine, Friday afternoon, and defeated them, 3 to 2. Meyers and Yaros hurled five and four innings, respectively, and both pitched fine ball. Sassaman and Benner starred at bat; the former having two doubles and the latter a long triple over the center fielder's head.

## Pre-Theogors Install Officers for the Year

The Pre-Theological Club held its final meeting of the school year at the home of Dr. and Mrs. Ahl, on Friday, evening, May 5. The meeting was called to order by the retiring president, Edwin Clapper, at which time he installed the president-elect, Ernest W. Huston. In turn the newly-elected president installed the newly-elected vice president, Henry Cassler, and secretary, Jerome Guss.

Following a brief business meeting there was a very interesting and enthusiastic discussion on the topic, "Appreciation of Our Religious Liberty." Such interesting phases as "Is Religious Liberty a Good Thing?", "A Brief History of Religious Liberty," and "From the Standpoint of Religious Liberty, Are We Justified in Sending Missionaries to Heathen Lands?" brought out many valuable thoughts and comments. The devotional meeting was terminated by a closing prayer offered by Dr. Ahl.

## New Officers Elected For Campus Sororities

The various sororities on the campus recently held their elections of officers for the coming year. The results are: Kappa Delta Phi: President, Eleanor Browne; vice president, Millie Hines; secretary, Katharine Stetler; financial secretary, Ludwig Nichols; and treasurer, Frances Hubler.

Omega Delta Sigma: President, Daisy Reese; vice president, Mary Ann Cressman; secretary, Anna Benfer; and treasurer, Lillian Diehl.

Sigma Alpha Iota: President, Margaret Williams; vice president, Elva Winkelblech; secretary and editor, Alma Myers; treasurer, Dorothy Eastep; chaplain, Elizabeth Shipe; and corresponding secretary, Ruth Blair.

Sigma Sigma Delta: President, Leona Kauffman; vice president, Helen Keller; secretary, Phyllis Chimchow, and treasurer, Pauline Crow.

## Actives of O. D. S. Are Feted by Neophytes

Neophytes of Omega Delta Sigma Sorority entertained their active members at an informal party and dance at the Bond and Key Club house on Saturday evening, May 6. Dancing and bridge were the main features of the evening. The music was furnished by the radio and victrola.

Professor and Mrs. Reitz and Dr. Tucker were the selected chaperons for the happy occasion. The sorority was pleased to have Mr. and Mrs. O. Roy Frankenfien, parents of Miss Edith Frankenfien, as presiding guests.

## Inter-Class Baseball Schedule Announced

Wednesday, May 3. Frosh vs. Juniors  
Thursday, May 4. Sophomores vs. Seniors  
Monday, May 7. Seniors vs. Frosh  
Wednesday, May 9. Juniors vs. Seniors  
Thursday, May 10. Frosh vs. Seniors  
Monday, May 15. Juniors vs. Sophomores  
All games are scheduled for 3:15 p. m.

## ATHLETIC CLUB ELECTIONS NEW OFFICERS AT PICNIC

Officers for the succeeding year were elected at a regular meeting of the Women's Athletic Club, held on Thursday, April 27. Those elected were: President, Lillian Diehl; Vice President, Mary Patterson; Secretary-Treasurer, Pauline Crow. The meeting was held outdoors at the Eltringham cottage, "Nitschell," along Penn's Creek. All the members present had a lovely time cooking their supper over the open fireplace.

## SENATOR PRESENTS CAMPU WITH PINE TREES

Senator Charles Steele, of Northumberland, has very generously presented Susquehanna University with twenty-one trees, ranging from three to six feet in height, for the beautification of the campus. The ascertment consists mostly of different varieties of pines. The trees have been planted and have already added to the appearance of the campus.

winning four of the six events and placing ten men in either second or third positions.

**Interscholastic Meet**  
The University Field was mrenched by a downpour Saturday morning and

the rains continued throughout the day. Officials of the Snyder Interscholastic decided to postpone the Junior Meet which was to have taken place in the forenoon. The trials for the Senior meet and the girls' events were also postponed. At the last minute McClure and Beaver Vocational schools withdrew from competition and Middleburg, Selingsgrove and Freeburg remained to compete for honors.

Coach Snyder's Middleburg team took permanent possession of the Snyder County Interscholastic Cup when they won the meet for the third consecutive year, aggregating 50½ points. Selingsgrove finished second with 41½ points and Freeburg was a poor third with seven points.

Sampell, of Middleburg, led the contestants in scoring, with 20 points. It was his record breaking broad jump, which was next to the last event, and which put Selingsgrove out of the running. He also made a new record in the high jump.

Dick Forster led the Selingsgrove lads with 13 points and Miller won the 440 yard dash to lead Freeburg's athletes. Summary: Intercolligate:

100 yard dash won by Meyers, S; second, VanHorn, D. and third, Wirth, D. Time: 10.2 seconds.  
220-yard dash won by Meyers, S; second, VanHorn, D. and third, Truckenmiller, S. Time: 23 seconds.

120-yard high hurdles won by Swarm, S; second, Brevda, D. and third, Test, D. Time: 16.3 seconds.  
220-yard low hurdles, won by Meyers, S; second, Guyenheilm, D. and third, Test, D. Time: 27.1 seconds.

440-yard dash won by Swarm, S; second, Fisher, D. and third, Eckelhart, D. Time: 52.3 seconds (new field record).  
880-yard run won by Carl, D; second, Martin, S. and third, Eckelhart, D. Time: 2 min. 12.9 sec.

1 mile run won by Doolittle, D; second, Raben, D. and third, Stouffer, S. Time: 5 min. 11 sec.

2-mile run won by Lockhart, D; second, Doolittle, D. and third, Finn, S. Time: 11 min. 11.5 sec.  
Broad jump won by Swarm, S; second, Ballentine, and tie for third, Meyers, S. and Wirth, D. Distance: 21 ft. 1 in.

High jump won by Russel, D; second, Brevda, D. and third, Bear, D. Distance: 5 ft. 4½ in.  
Pole vault won by (tie) Shafer and Fisher, D tie for third place, Yon Kandy, S. and Bear, D. Height: 10 ft.

Shot put won by Finnerty, D; second, Bear, D. and third, Schlegel, S. Distance: 39 ft. 4½ in.  
Discus won by Martin, D; second, Brevda, D. and third, Bear, D. Distance: 114 feet, 1 in.

Javeline won by Blackwood, S; second, Oberdorf, S. and third, Shafer, D. Distance: 140 ft. 8½.

Summary—Interscholastic meet:  
100-yard dash won by Good, Middleburg; second, Forster, Selingsgrove; third, Ditzler, Selingsgrove. Time: 11.3 sec.  
220-yard dash won by Forster, Selingsgrove; second, Good, Middleburg, and third, Kissinger, Freeburg. Time: 24.8 sec.

120-yard low hurdles won by Ditzler, Selingsgrove; second, Helsler, Middleburg, and third, Snook, Middleburg. Time: 15.5 sec.

High jump won by Sampell, Middleburg; second, Snook, Middleburg, and third, Forster, Selingsgrove. Height: 5.4 in. (New record).

440-yard dash won by Miller, Freeburg; second, Stauffer, Selingsgrove, and third, Charles, Selingsgrove. Time: 58.5 sec.

880-yard run won by Ramer, Middleburg; second, Ritter, Selingsgrove, and third, Walters, Middleburg. Time: 2 min. 18.5 sec.

Discus throw won by Sampell, Middleburg; second, Swope, Selingsgrove, and third, Kahler, Selingsgrove. Distance: 97 ft. 7 in.

Pole vault won by Sampell, Middleburg; second, Keyser, Selingsgrove, and tie for third, Gelnet, Selingsgrove and Snyder, Middleburg. Height: 10 ft.

Broad jump won by Sampell, Middleburg; second, Ditzler, Selingsgrove, and third, Good, Middleburg. Distance: 19 ft. 7 in. (New record).

Shot put won by Forster, Selingsgrove; second, W. Snyder, Middleburg.

and third, Kahler, Selingsgrove. Distance: 29 ft. 7 in.  
Medley relay won by Middleburg (winning team—Heiser, G. Snyder, W. Snyder, Dieffendarrer). Time: 3 min. 57.2 sec.

## MISS MADE APPOINTS COUNCIL OFFICERS

(Continued from Page 1)  
Women's Athletic Club in order to provide a healthy outdoor program for Selbert Hall women. Mary Elise Spiggle, who was elected secretary-treasurer of the council and who has studied dramatics at Marion College, will endeavor to place dramatics on a higher level at Susquehanna than it has been in the past. Mary Anne Cressman will be in charge of housing conditions in the dormitory. Edith Frankenfien, who is president of the Y. W. C. A., will represent the religious aspect of Selbert Hall and Mary Patterson will be in charge of the problems of non-resident women.

Miss Made is modelling this plan after that which is used at the University of Pittsburgh. She has received the full consent of the old council members to waive the constitution of that organization for one year in order to alter the unfavorable conditions of the dormitory. Everything will be conducted rather slowly at first until the students get used to the new system. The council, with the approval of Miss Made, plans to make a number of revisions in rules and in the general conditions of the dormitory.

With the cooperation of every woman student, it is certain that next term Susquehanna will be able to compare more favorably with other colleges of its size in regard to its disciplinary, cultural, social, physical, and religious aspects.

## May Day Actors in Colorful Pageant

**Historical Drama Is Novel Feature In Annual Coronation Ceremony; Mary LaHaza Is 1933 Queen**

Miss Ruth Plummer and Miss Millie Hines opened the May Day exercises on Saturday, May 13 at 1:30 o'clock. These two girls, the former representing a co-ed of years ago, and the latter representing a modern co-ed, proceeded from Seibert Hall and made their appearance before the audience where they related to it a little history of the college. Ruth Plummer wore a dress which is seventy-five years old.

After the appearance of the two co-eds, the "Daisy Chain," minus the daisies, was carried by about seventy girls and placed on the ground to form an aisle in which the Queen and her court walked to the throne. Following the entrance of the chain, the Queen, Miss LaHaza, her Lady-in-Waiting, Miss Diane Lidas, and the court composed of the Misses Fultz, Walborn, Hoy, Ide, Moody, and Gentzler entered. Miss LaHaza was dressed in a modern white organdie dress with huge puffed sleeves and a long train carried by "Buddy" Smith, "Jack" Grossman, and "Danny" Reitz. Her bouquet was red roses. Her Lady-in-Waiting was dressed in green organdie and carried an arm bouquet of pink snapdragons and larkspur. She gave her proclamation and crowned the queen before the audience while the queen knelt on the cushion until Professor Allison finally signalled his hand to stop the music. Miss Anna Gage Moody and Miss Marianne Walborn were dressed in yellow organdie. Miss Beatrice Gentzler and Miss Margaret Ide were dressed in blue organdie, and Miss Mabel Fultz and Miss Josephine Hoy were in pink organdie. All the members of the court carried arm bouquets of snapdragons tied with different colored ribbons.

After the Queen and her court had seated themselves on the throne and platform, the program began. The dance around the May pole was performed by children of Selingrove. Following the winding of the May pole, some co-eds of the college, the Misses Phillips, Harding, Geisel, Bolig, Reese, (Concluded on Page 4)

## Lebanon Valley Nine Meets S. U. Tomorrow

Susquehanna's baseball schedule was given another jolt when the game with Bucknell, scheduled for Saturday afternoon, was postponed by Prof. Grossman until next Tuesday or Thursday. This was the second game that was called off because of inclement and foreboding weather. The Penn State game, which was to have been played Wednesday, May 10, was postponed until Thursday, May 11. But this game was definitely cancelled when the team journeyed to State College Thursday morning, but returned in the afternoon without playing the game when unfavorable weather interfered.

Susquehanna's next definitely scheduled game will be played on the University field, Wednesday, May 17, at 2:30 p. m. The visitors will be the Lebanon Valley College from Annville.

## Prom Announced as Financial Success

**Committee Well Pleased With the New Plan Adopted for Ticket Sales; Jan Campbell Pleases**

The Junior Prom, for which Jan Campbell and his Washington and Lee Orchestra supplied the dance music, proved to be a colorful affair. The dance committee, of which Ted Hutchison was made chairman, announced that the Prom was a financial success.

Mr. Hutchison was especially pleased with the result of the ticket sales plan, which limited the sale of tickets to members of the committee. Jan Campbell and his band were well received by the dancers. A number of features were presented after intermission which delighted the many dancers present.

The Alumni Gymnasium, which was the scene of the dance, was appropriately decorated to suit the spring weather. Long, green and pink paper streamers formed a canopy over the heads of the dancers.

## Juniors Give Recital Featuring Soloists

Juniors of the Conservatory of Music who are making in voice, piano, or organ, gave the annual Junior Recital on Wednesday, May 10, at 8:15, in Seibert Chapel. Mr. Robert McNally, a senior, gave an organ recital at this time. The program is as follows:

- 1—Organ—Allegro Maestoso, J. E. West
- 2—Aria—Vissi darte, vissi d'amore, Puccini
- 3—Songs—A. "Ich Liebe Dich," Grieg
- 4—The Dawn has a Song - Phillips
- 5—Miss Margaret Williams, Mt. Carmel
- 6—Piano—Concerto in C Major (Allegro vivace) - - - - - Mozart
- 7—Mr. Russell Goodling, Cocolamus
- 8—Prof. P. M. Linebaugh at the Organ
- 9—Aria—"Dove Sono" (Marriage if Figaro) - - - - - Mozart
- 10—Miss Isabella Horn, Tokyo, Japan
- 11—Songs—A. Dawn - - - - - Curran
- 12—b. Clavellitos - - - - - Valverde
- 13—Miss Audra Martz, Sunbury

Daisy Reese

(Concluded on Page 4)

## Honor Science Club Holds Last Meeting

**Program at Northumberland in Honor of Joseph Priestley; C. Warren Guelius Will be Guest Speaker**

Tonight the Honor Science Club will hold their final meeting of this school year at the Unitarian Church in Northumberland in honor of the two hundredth anniversary of the birth of Joseph Priestley, noted preacher and scientist.

Dr. Priestley was the pastor of the Unitarian Church of Northumberland for many years and it was in this place where he made his world renowned discovery of oxygen. This church is located on Front street.

(Concluded on Page 4)

## Nelson Gray Is New Council President

**Men's Student Government Will Consider Changes in Freshman Rules for Next Year**

The Men's Student Council was reorganized for the coming year, Friday night, April 26. At this time new officers were elected to serve during the next year. Nelson Gray was elected president. Lee Rishel, vice president; Nelson King, secretary, and Robert Sala, treasurer. The officers whom they succeeded were Bruce Worthington, president; Selon Dockey, vice president; Paul Edwards, secretary, and Robert McGeehan, treasurer.

The new officers represent all four fraternities on the campus, Gray being a member of Phi Mu Delta; Rishel is a Bond and Key man; King is a member of Epsilon Sigma, and Sala is a member of Phi Lambda Theta. Seven of the ten student councilmen, Rowe, King, Anderson, Lee Rishel, Fisher, Youngerman and Ralph Rishel, will serve their first year on the council. Gray, Sala, and Bonnell will both be serving their second year as members of the Council.

The new Council, feeling that the retiring organization was too limited in its activities, intends to cover a much broader field. Gray, Sala and Bonnell attended a conference at State College, April 21 and 22, where they assisted in organizing the Pennsylvania Association of College Students, the purpose of which is to further interests of student government in Pennsylvania colleges. The new Council expects to make use of some of the ideas put forth at the conference. It is possible that some changes may be made in freshman regulations for next year, but it is certain that those regulations will be strictly enforced.

## S. S. D. Becomes Member Of the Sorority Council

Sigma Sigma Delta sorority has recently accepted an invitation of the Inter-sorority Council to affiliate with that group.

The year 1933-34 will be the first time since the organization of the Council that Sigma Sigma Delta has been a member.

The new program of the Inter-sorority Council will feature a common outdoor rush party for all sororities, a feature which attracted the Sigma Sigma Delta to this governmental group.

## New Sorority Heads Elected by Council

**Representatives Under President-Elect Reese Decide on One Outdoor Rush Party for Next Year**

Inter-sorority Council elections were held during the past week and the following officers were elected: Daisy Reese automatically became president when she was elected president of Omega Delta Sigma sorority; Millie Hines is vice president, and Margaret Williams is secretary-treasurer. Representatives from each sorority were elected. Omega Delta Sigma—Daisy Reese, Aberdeen Phillips, and Sara Ulrich. Kappa Delta Phi—Eleanor Browne, Millie Hines, and Ruth Nelson. Sigma Alpha Upsilon—Margaret Williams, Dorothy Eastep, and Elva Winkleblich. Sigma Sigma Delta—Leona Kaufman, Helen Keller, and Pauline Crow.

This is the first year that Sigma Sigma Delta has been a part of this council.

The social calendar for next year has been prepared by President Reese and her council.

Next year there will be the new policy put into effect concerning the outdoor rush parties of the different sororities on the campus. There will be one outdoor party only and that will be under the supervision of all the sororities.

The retiring council, at their last meeting, decided to get charms with the Inter-sorority seal on them.

## SENIORS NOTE

All Seniors who have not made arrangements for their caps and gowns are requested to appear for measurements no later than Thursday of this week at Wm. G. Phillips, on Market street, Selingrove.

## Synod Moves to Adopt Merger of Seminaries

Dr. G. Morris Smith, Dr. Theodore Kretschmann, Dr. William Sadler, Dr. Franklin P. Manhart, Dr. George E. Fisher and Dr. A. William Ahl attended the convention of the Susquehanna Lutheran Synod in Williamsport last Tuesday to Thursday inclusive, at which time the Synod adopted an amendment approving the merger of the Seminaries of the United Lutheran Church. It also approved of the naming of a committee which shall meet in conferences with committees from other seminaries to arrange an acceptable basis for the merger.

Directors of Susquehanna University from this synod were chosen as follows: Rev. J. P. Harinks, State College; Rev. H. Clay Bergstresser, Hazleton; Dan Smith, Jr., of Williamsport, and P. M. Headings, Lewistown.

Several Susquehanna graduates were ordained into the ministry. Dr. I. S. Sassaman, of Williamsport, reporting as chairman of the committee on ministerial education, said that thereafter ministerial aid will not be granted to Freshmen, and that all ministerial candidates who manifest a spirit of indifference toward the worship services of the Church and Sunday school will be regarded as sufficiently delinquent for the withdrawal of aid.

A resolution that all beneficiaries of the Synod are urged to take their college courses at Susquehanna was passed. The Synod made the usual appropriation for Susquehanna.

## Retiring President

BRUCE WORTHINGTON

## SENIOR RECITAL TO BE GIVEN BY BURNS, McNALLY

Miss Margaret Burns, soprano, and Mr. Robert McNally, pianist, seniors of the Conservatory of Music, will give a joint Senior Recital on May 17, at 8:15 P. M. in Seibert Chapel. Everyone is cordially invited to attend. The program is as follows:

Pecchi

(Concluded on Page 4)

## Lanthorn Editorial Staff Is Announced

**Contracts Completed for Photography, Printing, and Engraving of Next Year's Annual**

## LANTHORN EDITORIAL

Donald K. Henry, newly-elected Editor-in-Chief of the 1935 Lanthorn, has announced the following staff:

- Assistant-Editors, Kathryn Stetler, Alfarata Stamets; Art Editor, Louise Mehning; Statistician, Helen Keller; Assistant Statistician, Dorothy Clegg; Historian, Frances Hubler; Sports Editor, Kenneth Anderson; Assistant Sports Editor, Mary Ann Cressman; Typist, Mary Eltringham; Associate Editors, Luther Boyer, Ruth Barr. (Concluded on Page 4)

## Spring Dances Set For June 1 and 2

**Six Bands Will be Featured for Gala Events; Many Students and Alumni Expected to be Present**

The commencement dances, to be held June 1 and 2, will be, undoubtedly, the biggest and most anticipated event of the college year.

Sigma Sigma Delta will hold their dance on June 1 at the Epsilon Sigma house, when Carl Ramage and his orchestra will entertain. The following night, Epsilon Sigma will entertain with Charlie Koons and the Original White Koons. The band will feature Georgia Lee, crooner and dancer.

Sigma Alpha Theta and Kappa Delta Phi will both hold their Thursday night dance at the Phi Mu Delta house. Frankie Carr and his Eleven Bell Hops will furnish the dance rhythms. The Bell Hops are well known throughout this region for their pleasing, varying types of dance tunes, and their clever bell-hop uniforms.

Omega Delta Sigma will entertain at the Bond and Key house where "Doc" Getkin will furnish the music. Bond and Key will also feature "Doc" on the following night, June 2. This band has just closed quite a successful winter season at Island Park, having been featured there at the Saturday night dances.

On Friday night, June 2, Phi Lambda Theta will hold their Commencement Dance with the Club Chateau Orchestra supplying the music.

The annual commencement dances, being the last dances held on the campus for the year, are always well attended. They climax the social events of the graduating class for their entire stay as students at Susquehanna. It is believed that there will be a larger number in attendance this year. The dancers will include a great many alumni, who return to make new acquaintances and renew old ones.

## English Head Acts as Judge of Short Plays

Dr. Arthur Herman Wilson, Susquehanna's professor of English, acted as chairman judge at the final contest for the best one-act play given by the high schools of Perry county. The winners will be held Friday, May 12, in the high school at Newport.

The contestants were Ickesburg with the play of "Circumstances Alter Cases," Millerstown with "The Wonder Hat," and Duncannon with Duncannon's "A Night at an Inn." Duncannon won first place, and Millerstown second.

## Track Team Will Go To Carlisle May 20

**Susquehanna to Compete in Annual C. P. C. T. C. Medley Relay New Feature for Freshmen**

Susquehanna's track stars will journey to Carlisle on Saturday, May 20, to participate in the Central Pennsylvania Collegiate Track Conference with Dickinson College acting as host.

The entire track team will be entered in the meet, which is scheduled for 1:30 P. M. Freshmen are not eligible for varsity competition, but a medley relay race for them is to be held in conjunction with the C. P. C. T. C. and Susquehanna's budding geniuses of the track will have an opportunity to display their prowess. Track Coach Herb Snell will accompany the team to Carlisle.

The varsity track men will be entered in their accustomed events. For the freshmen, either Dave Evans or Ralph Shockey will run the first lap (20 yards) of the medley relay. He will run the baton to Roy Letzel, who will run the 440 yard lap. Milton Martin, the third man, will run 880 yards, and Jim Finn, as anchor man, will run the last lap of one mile.

Among the teams entered in the meet are those from Dickinson, Ursinus, Albright, Juniata, Drexel, and of course, Susquehanna.

Coach Snell's proteges are training diligently so that they will be in excellent condition for the meet. Susquehanna should win several first places, as well as quite a few second and third places.

## A Non-Scalp Prom

Without using any "scalping" or "cut throat" tactics the Junior class financed a Prom. This is something unusual for any campus. This plan was not only a "new deal," but was also a "square deal." No one could buy a Prom ticket at the last minute at a decreased rate from some junior that was not attending the dance. Every ticket sold to people outside of the Junior class was paid for in full.

For weeks the Prom committee suffered the jibes of the student body, but it appears that the committee knew what they were about. Not only did they finance the dance squarely, but they financed it successfully. It was indeed a lucky Prom committee that "broke even" in this financial crisis—but the class of '34 managed to break even and more.

After viewing the disastrous results of "scalping" for Prom tickets in the past several years it was decided by this committee to avoid such tactics in the best way possible. Accordingly the group decided that outside tickets could be purchased only from members of the committee, thus avoiding the last minute decrease in prices. This fair plan has resulted in a very creditable manner and the committee can feel pleased with their efforts.

After the first opposition to this new sales program the student body settled down complacently and awaited the outcome. The size of the crowd at the Prom definitely proved the success of the plan and removed any doubt of the advisability of such tactics.

## Will We Get More and Cheaper Dances?

The Inter-fraternity Council is contemplating a revised social calendar for dances next year. This program will include features to decrease the cost of fraternity parties, especially dances, and still further enliven more week-ends.

For some time fraternity mid-winter dances have been held on the same date, thus eliminating any possible chance of combining the cost. The proposed plan will allow two fraternities to combine their dances on one week-end and the other two groups on a following date. Invitations will be given to all fraternity men to each of the two dances, thus promoting a friendly spirit and most certainly enlivening more Saturdays.

Much of the success of this proposed program depends on the cooperation of the fraternities in general. With the cost divided, decreasing the number of hands and encouraging proper social atmosphere, this revised idea should meet with common acclamation.

The Inter-fraternity Council has seen the need for decreasing the costs of dances on the campus. The council has, moreover, contemplated a definite appeal for more social activities. With this need and this appeal foremost in arranging the social fraternity calendar for next year, they have finally suggested the above solution to a much felt need.

More dances will not only stimulate a social relationship on the campus, but they will act as a deterrent against the "five day week," a problem which has always faced the administration and student-governing bodies.

Should the administration and the council arrive at the conclusion that this plan be adopted, three immediate advantages would result: 1. The cost of fraternity dances would be decreased, even to the point of cutting the expense in half. 2. The number of fraternity dances will be increased, thus stimulating a true social spirit. 3. The "five day week" will receive a definite setback by the increased number of week-end social activities.

## Lest We Forget

THE SUSQUEHANNA has always had lengthy editorials about the value of concentrated study and the dangers of procrastination immediately before final examinations. This editorial will not be verbose nor long. It merely tells you that the examination schedule will be found in this issue and that exams are less than two weeks away.

## THE GRAB-BAG

### Watch Your Step

Since the days of Greece and Rome, people have been devising ways and means of acquiring grace and charm. We have changed the appearance of our hair, our hands, our speech, and our laugh. We have been criticized for practically everything, but somehow our walk has been taken for granted.

It is almost impossible to classify walks carefully, for there are as many different types as there are people. However, it is possible to classify them in a very broad sense by taking the outstanding walks in each sex.

Probably the most characteristic walk of the male is the long stride, which generally covers about a yard of territory with each step. This is just another way of flaunting their ego, for it is practically impossible for the average girl to keep pace with them. However, if the majority of men would actually see themselves in motion, the long stride would go the way of the miniature golf course.

The feminine heritage seems to be the short, dainty step, which is to be representative of her grace and charm. Sad to say, instead of adding to a girl's appearance, it detracts from it, because in most cases it appears to be short and choppy.

A slight deviation from the long stride is the stiff step which is so common among gentlemen. In their effort to be polished and refined, they become so tense that even their walk is unnatural, looking very much like the drill walk one sees at a military academy. It looks interesting, but not without the uniform.

Many girls, in their effort to be graceful achieve an undulating rhythm in their walk, effective among a fortunate few, but take the opposite among the majority—E. P.

### A Challenge

Unsettled, somewhat chaotic, social life in America has led too many of us to depend upon external agencies for our entire private life.

If we find ourselves alone with ourselves for a moment, we immediately seek escape from the poverty of our personalities. We race to a movie, to a party, to any place where we are saved the necessity of entertaining ourselves.

Consequently, we have little intellectual life and are never on congenial terms with our minds and spirits. A day entirely spent alone, with study, with a book, with writing, with thinking, spells ineffable ennui.

It's all in the mental attitude. Happiness comes only from within, not from without. America is too much occupied with the external business of life to appreciate the spirit and art of living. And that is a challenge for each American—R. I.

### Property

What is the mentality of the average College Student?

If an outsider were to ask this question we would all arise and denounce him. What a thing to ask!

But just for our own edification let us ask ourselves: what IS our mentality? Are we acting as intelligent young men and women or are we trying to outdo each other in childishness?

Destruction of property, whether it be of the best living room suite at home or the furniture in Hassinger, which doesn't belong to us anyway, whether it be the new car we're showing our pals or the hedge to which a certain gentleman has devoted years of his time and energy, is a childish trick.

After all, property is property because someone owns it, and it is worth something to him. What right have we, who are outsiders, to intrude our passing whims upon the property of others? We have a perfect right to expand our savagery upon anything that belongs to us. We all have many things which will lend themselves to our childish acts. We have ruined all our own articles we may find it possible to obtain a quantity of destructible commodities from other sources. On the other hand, we may have exhausted our inclinations toward spoiling things after we see how well we like it on our own belongings.

We can not claim to be Savages. Actions speak louder than words. It is up to us to convince each other and those whose eyes are upon us, that the mentality of the least of us is above the reproach of savagery—D. L.

### On and On

Lecturer (who has spoken for two hours): "I shall not keep you much longer. I am afraid I have spoken at rather great length. There is no clock in the room, and I must apologize for not having a watch with me."

A Voice: "There's a calendar behind you, mister!"

## SORORITY NOTES

### Kappa Delta Phi

Miss Katherine Stetler spent the week-end at her home in Milfittown. Pledge Lois Long visited her home in Port Royal.

Miss Alfarrata Starnets visited her parents in Harrisburg.

Kappa Delta Phi is proud of having a member as Lady-in-Waiting in the May Court, and three other girls as members of the court.

Lady-in-Waiting Miss Diana Lidas received as visitors over the week-end, the following: Mrs. John Lidas and Miss Adda Lidas of Hunlock Creek; Mrs. Charles Lidas, of Nanticoke; Mrs. O. H. Volcanis, and Mrs. M. H. Volcanis, of Hazleton, and Miss Sarah Shaulis, of Carnegie Tech.

The parents and friends of the other members of the court also attended May Day, namely Miss Marian Walborn, Miss Mabel Pultz, and Miss Anna Gage Moody.

Mrs. Roy Nelson and Miss Marian Harley, of Thompsonstown, visited Ruth Nelson over the week-end.

The parents of Miss Alfarrata Starnets, Miss Ruth Cherrington and Miss Lois Long also attended May Day.

Miss Esther Geisel is confined to her room with a severe sore throat.

### Sigma Alpha Iota

The girls of Sigma Alpha Iota had as their guests of the week-end Mr. and Mrs. J. G. Gentzer, York; Mr. and Mrs. Joseph Ide, Easton; Mrs. Joseph Hoy and Miss Mary Hoy, of Ashbury, N. J.; Mrs. Allen Bair, of Ashland, and Mrs. Mette, of Austin.

### Omega Delta Sigma

Omega Delta Sigma was very happy to welcome back to the May Day exercises the following alumnae: Miss Ruth Pace and Miss Lucille Smith, and Miss Dorothy Pritchard.

Miss Ruth Jacobs, an alumna, of the sorority attended the May Day exercises and the Junior Prom.

Miss Mary Ann Cressman visited her home in Lewistown, over the past week-end.

### Sigma Sigma Delta

The pledges of Sigma Sigma Delta sorority entertained the actives at a theatre party on Tuesday evening, May 9. After the movie, which was "Today We Live," with Joan Crawford and Gary Cooper, the girls were treated to refreshments at the "Crystal Palace."

Miss Helen Keller spent the week-end at her home in Mowry.

Miss Marguerite Vogel visited her parents over the week-end.

Miss Barbara Jones spent Sunday in Paxtonville.

Pledge Ann Apichell visited her home over the week-end.

Mrs. LaHaza and family visited Susquehanna University for the May Day festivities.

Mrs. Lewis Pearl visited her daughter and also attended the May Day celebration.

The Sigma Sigma Delta girls were glad to welcome back the following alumnae: Miss Martha Gessner, Miss Thelma Crebs, Miss Catherine Boyer, Mrs. Frank Ramsey, and Mrs. Frank Bennard.

## Fraternity Row

### Phi Mu Delta

At a recent election of officers the following men were elected: Nelson Gray, president; William Reger, vice president; Harold Rowe, secretary; Edwin Clapper, chaplain; Ted Hutchison, librarian; Al Meyers, master of ceremonies, and Morgan Schreiner, comptroller.

Nick Ricciardi, '29; Dick Sharpe, '31; George Moser, '31; and Jack Auchmuty, '32, were among the alumni who returned for the Junior Prom and who visited the chapter house during the week-end.

### Bond and Key

The new officers that were installed after a recent election at the fraternity house are: William Morrow, president; John Oberdorf, vice president; William Caruth, secretary; Timothy Barres, treasurer; Penn Dively, alumni treasurer, and Peter Blackwood, sergeant-at-arms.

The following men were recently initiated into active membership: Allen Eyer, Fred Billman, Roland Pritchard, Reginald Seaver, Walter Hertz, Albert Hess, Robert Sassaman, Harry Shumaker, James Yaros, Roy Lettlich, Charles Price and David Evans.

Alumni who attended the Junior Prom and visited at the house are Adams, Speer, Spigelmyer, Malasky, and Hess.

## Dr. Bruestle Gives Address on Drama

Temple English Professor Stresses Superiority of Legitimate Stage Over Talkies; Well Attended

According to Dr. Beaumont S. Bruestle, of Temple University English Department, the American professional drama is at the present time in a serious state of decline. Dr. Bruestle spoke on Saturday, May 7, at 8 o'clock in Saxe Science Lecture Hall to a group of literature devotees.

After a necessarily brief resume of the history of the American theatre from the performance of the first American play, "The Prince of Parthia," he passed to a discussion of the present state of the American stage.

He discussed briefly the increasing respectability of the acting profession in the present time, when actors are considered as excellent additions to any social gathering.

This increasing respectability has been detrimental as well as beneficial to drama. It has encouraged swarms of people, to become amateur actors. While amateurs are not so good, they steal the professional thunder. High schools, colleges and churches produce all kinds of plays. This amateur drama has been a most potent factor in the decline of the contemporary movement.

There are, however, other important factors in this fall. The depression is a contributing factor, but not a major one, for large theatres are confined to twelve or fifteen of the larger cities. A more serious problem is the radio play, but these are not as fine as stage productions because the listener cannot see the actors. Plays are to be seen as well as heard and for that reason the radio play is a bad influence.

The last great menace to the professional theatre is "the hybrid" art, known as "the talkies." It is felt, however, that the stage will finally kill the movie craze, the talkie will kill the theatre, or the talkie will kill the talkies.

Most movies are loosely constructed and one may stay in to see a movie at any time. The stage play is a production which demands that the first, second and third act shall be viewed in that order.

In concluding, Dr. Bruestle said that there was in the American theatre of today one item of infinite encouragement, the American playwrights have fought against the indifferent attitude of the playgoer and succeeded in winning. Chief among these dramatists are Eugene O'Neill, George Kelly, Philip Barry, and Rachel Crothers.

### PRESIDENT SMITH ADDRESSES PHILADELPHIA WOMEN'S CLUB

President G. Morris Smith will address the Philadelphia Lutheran Women's Club at their annual spring dinner at the Manufacturers' and Bankers' Club in Philadelphia this evening. His subject is "Our Education: Its Perils and Its Opportunities."

Dr. Smith addressed a meeting at St. Paul's Lutheran Church in Williamsport, on Sunday evening, May 14, on "Religion as I See It from the Standpoint of a College President."

## Students at Danville Institution on Friday

The psychology classes under Dr. George F. Dunkelberger visited the State Hospital for the Insane at Danville, Friday afternoon, May 12.

The head of the institution, Dr. Jackson, welcomed the classes in the auditorium, by stating the reasons for inviting them there, as future taxpayers. Following his short talk, moving pictures were shown of the buildings and grounds of the hospital, and the treatment of a patient from the time of his entrance to the time of his discharge.

Following the moving pictures, the students, in segregated groups, were taken on a tour of inspection through the dormitories and work shops of the institution. The psychology classes from Bloomsburg State Teachers College visited the institution at the same time.

### STUDENT MADE DIRECTOR OF WILLIAMSPORT PLAYGROUND

Frank Bernardi, well-known conservatory student, was recently chosen director of the Williamsport playgrounds for the coming summer.

Mr. Bernardi will direct the work of the playgrounds and will have charge of all playground supervisors.

The city council has undoubtedly chosen Mr. Bernardi on the strength of his admirable record for work done in the past summer.

Last year Mr. Bernardi's baseball teams won three out of four city championships.

### S. U. AUXILIARY HEARS "TEA HOUSE OF SING LO"

Part of the operetta, "The Tea House of Sing Lo," was presented by Miss Mary Nesbit, as staged by the local high school recently. The play was given before the members of the Susquehanna Auxiliary on Saturday afternoon, May 6.

Jack Potteiger presented his dancing number and Mrs. L. D. Grossman sang several numbers, accompanied on the piano by Mrs. Stuard Flickinger.

### LONE INTERCLASS DIAMOND TILT ENDS IN 7-7 TIE

Inter-Class baseball was confined to one tilt last week, this being a game between the Juniors and Seniors Wednesday afternoon, which resulted in a stalemate, with both teams scoring seven runs. The game will be re-played on a future date; an announcement to this effect will be placed on the bulletin board in the gym by the manager of Inter-Class baseball.

**The Purist**  
Pretty School-teacher (having written sentence on blackboard: "It's a month since I been to the cinema"): "Johnny, what must I do to correct that?"  
Johnny: "Tell your young man."

The Stanley is privileged to offer you this Warner super-production at regular prices.

The Stanley will be closed on Wednesday evening pending directions from the main offices.

On Thursday evening you will be able to see Barbara Stanwyck in her most talked about picture, "Ladies They Talk About." It is a colorful drama, well directed and well acted. Be sure to see it at the Stanley, and remember it is another Warner production.

Friday night the Stanley will again be closed through instructions from the main offices.

Saturday night John Wayne will be the hero in a Warner western. A good story with the usual thrills. Remember the Saturday sub-features and the serial.

## SEMINARY GRADUATES ARE ENTERTAINED AT SADDLER HOME

Dr. and Mrs. W. A. Sadler, of West Pine street, were host and hostesses to the present graduating class of the Lutheran Theological Seminary at their home on Friday, May 5.

All of the members of the class were present. They were Paul Ashby, Luke Rhoads and Park Wagenbach.

Not Himself

The Congressman's sister was accustomed to keep an eye on him while at home. On this occasion she called him up at Washington by long distance. "What have you been doing?" she demanded.

"What do you mean?"  
"Don't try to fool me. I read the papers. Yesterday they said the Speaker didn't recognize you."

## S. U. Bursar Commended For Her Welfare Work

Dr. G. Morris Smith has expressed his appreciation to Miss Beatrice Herman, Susquehanna's bursar, who has donated her services as accountant for the County Emergency Relief Committee, and thereby given many hours of her time each day in compiling the data, concerning food orders, etc., and preparing reports to be submitted to the Commonwealth at Harrisburg. Miss Herman served in this capacity from last December 1 to April 15, when both she and Dr. Smith were forced to resign due to the increased tax on their time.

Dr. Smith paid his compliments to Miss Herman recently, when he presented figures to the Rotary Club members concerning the money spent on relief work in the county.

## Noted Professor Is Convention Speaker

Mrs. William Lingebach, professor of history at Temple University, and president of the New Century Club of Philadelphia, addressed the Susquehanna Valley Federation of Women's Clubs at Seibert Hall, Susquehanna University, Friday, May 5, when that organization held its annual spring meeting.

The Women's Club of Selingsgrove was hostess to the visiting clubs from the Susquehanna Valley Federation, which territory includes clubs from Darville, Turbotville, Lewisburg, Northumberland, Sunbury, Middleburg, Bloomsburg, Millifield, and Selingsgrove.

Dr. Lingebach's speech was prefaced with comment on the beauty of the apple blossom season in the Susquehanna Valley, the deliciousness of Susquehanna University's ice cream, and the beauty of the campus. She recounted the pleasure of her first address before the Federation at Turbotville two years ago.

And then, Dr. Lingebach launched into her message, first painted a picture of the world today, its background, the light and dark of American government ideals—religious freedom, democracy, and public school education; its foreground a parade of characters debunking American heroes, warring on religion around the world, and disregarding the value of human life by their lawlessness.

But more personally appealing were her moments of description of how American college students are striving for education, and getting it, knowing not exactly which way to turn to seek employment. She climaxed with comparison of this May with the May of her wedding trip through flower-covered Italy, and the May of 1914, in the British Isles when war flared.

## CO-EDS BUY TICKETS BUT FIND NO BIKES TO RIDE

Do Co-eds want wheels? For the last few weeks tickets have been on sale for bicycle rides—six one-hour rides for fifty cents. But how can we ride without bicycles? We have the promise of the Physical Education Department of a number of wheels if enough girls show their interest in riding by buying tickets in advance.

It's being done—Professors at Oxford bicycle to classes, stars to their studios in Hollywood, so why can't Susquehanna be next?

## LOIS LONG LEADS REGULAR Y. W. DEVOTIONAL MEETING

Lois Long as Freshman representative, led the regular Y. W. meeting with the interesting topic "Stewardship of Time." As the girls were assembling, Dorothy Eastep played "Jesus Calls Us O'er the Tumult," to portray the idea of being a steward. Lois stressed the necessity of prayer in our college life as well as a rounded sense of obedient servitude to the ideal example of Christ.

## HONOR SCIENCE CLUB HOLDS LAST MEETING

(Continued from Page 1)  
The Science Club is very fortunate to have as its guest speaker, Mr. C. Warren Gutelius, editor of the Susquehanna Press, and an authority on the life and activities of Dr. Priestley. Mr. Gutelius has written a book on

Dr. Priestley, which contains the major facts of his life and work.

After the talk by Mr. Gutelius, a tour will be taken to the different points of historical interest of the town. The main points of interest will be the old home of Dr. Priestley and Priestley museum. The museum contains many interesting objects that at one time belonged to this noted scientist. All of his chemistry apparatus and his books are there just as he left them one hundred and twenty-five years ago. All members of the school are invited to attend this meeting. It should be of great interest to everybody and especially to the students of the chemistry department.

Those persons who desire to go to this meeting are requested to see the president of the Science Club, Mr. Harry Carl, so that proper reservations can be made. The group will meet at the Steele Science building at 6:40 p. m. this evening, where transportation will be provided. The meeting will begin at the Unitarian Church at 7:00 P. M.

## NEW RULES FOR WOMEN TO GO INTO EFFECT FOR REMAINDER OF TERM

### Women's Cooperative Council Makes Changes in Student Regulations; Group to be Elected by New System Next Year

New rules for Women's Student Council have gone into effect for the remainder of the year, so that the older girls will be accustomed to them, by next year. Certain important changes have been made in the constitution.

Freshman regulations remain the same as last year, but in addition, the first two weeks of the new women will wear identification tags for the convenience of the older students.

Quiet rules will be enforced throughout the dormitory during the day. Study hour will be enforced from 7:30 to 10:30 p. m. There must be absolute quiet from 10:30 p. m. to 6:30 a. m. Radios and victrolas must conform to quiet hours. If a student is silenced twice in the same day, she shall have a demerit. Official busy signs will be issued by the Student's Association. Students will please respect these signs.

On leaving the campus, students must sign out their name, where they are going, and when they will return.

Permission to remain out of the dormitory until 10:00 on week-days remains the same for all the classes, but women with high scholarship will be granted advance privileges. Students shall be allowed one-half hour after church on Sunday evenings, provided they do not loiter down-town. Any girl may be out of the dormitory over dinner hour provided she is back in the building by 7:30. 10:40 p. m. week-end permission will be granted to women desiring to go to Sunbury, but this permission will be given to students having dinner permission.

Women are allowed to go car-riding with their parents without permission. Women shall be allowed to go car-riding with an out-of-town man provided they have permission from home and from the Dean of Women. No women may keep a car at the college except during Commencement week. During this time they may go riding with campus men with permission from home and from the Dean. Women may go to and from dances in automobiles.

Women are never permitted to dance downtown, enter any fraternity house on this campus. Violation of this rule may lead to expulsion. Women students are not allowed to hold off-campus parties without permission. Girls must always call the dormitory when they are unable to return at the specified time. Each girl must sign out for herself only, thus making void the previous practice of one student signing out for a group.

There will be a list of approved eating places in Selinsgrove and in Sunbury.

These rules are under the control of the new Women's Co-operative Council. Although the Council has been appointed this year, in future years, the members will be elected by a system not yet formulated. Miss Ruth Nelson, president of the council, and her committee are in charge of disciplinary measures.

## Debating Club Holds Annual Election

On Thursday evening, May 18th, the Susquehanna Debating Club held their annual election in their rooms in the G. A. building. Henry Cassler was chosen as manager, with Kenneth Anderson as assistant manager.

Coach R. W. Gilbert, professor of German, is well pleased with the fact that his teams have enjoyed a large measure of success during the past season, having won eight out of eleven decision debates.

It is true that a debating club does not receive the cheers and applause enjoyed by a football team, but such an organization is a very desirable asset to any school. Our club has done much for Susquehanna in the way of publicity and advertising. They have made several trips to various schools, and have often returned victors. They are deserving of much credit.

Next year, Coach Gilbert will attempt to start inter-fraternity debates, and prizes are to be given to the victorious clubs. He also hopes to organize a women's team for the coming season of 1934.

## Past Graduations Hold News Items

1915 Features Separate Exercises for Each Department; In 1916 The Susquehanna Had Daily Issues

Commencement exercises for the class of 1933 will be held in Seibert Chapel, June 8.

It is interesting to note that back in 1915, separate commencements were held for each department of the school. On Saturday, June 12, 1915, the Commencement of the Academy and School of Business was held in Seibert Hall. On Sunday, the Baccalaureate sermon was delivered by Rev. J. T. Hudle of Washington, D. C., followed in the evening by an address to the Y. M. C. A. and the Y. W. C. A. On Monday morning one of the great events of 1915's Commencement week, the Junior Oratorical Contest was held. That afternoon, the Conservatory of Music held its commencement in Seibert, followed at 3:30 by the annual baseball game between the Alumni and the Varsity. That evening, the annual receptions of the Literary Societies of the campus were held in the gymnasium and in Seibert. On Tuesday was Alumni Day, with the Commencement of the School of Theology at Trinity in the morning and the Senior Class Play at Seibert in the evening, with the various Alumni meetings, including an open air meeting on the steps of Seibert at 7:00 P. M. during the day. Wednesday were the Commencement exercises for the College, with Rev. H. D. Hoover, the president of Carthage College, talking on "A Twice Born Nation." At 12:30 the annual Alumni dinner was held.

In 1916, Commencement week was unusual on account of the first daily editions of the Susquehanna.

In 1921, Commencement week opened with the Baccalaureate Sermon on June 12. On Monday, the Conservatory held its Commencement Recital, followed by sports on Warner Field. The School of Theology held its Commencement on Tuesday morning. Wednesday, Alumni Day, was filled with alumni activities, topped by a concert of the S. U. Choral Society in the evening. Thursday was Commencement Day, with Dr. W. D. Lewis, state superintendent, as speaker. Again, issues of the Susquehanna were issued daily. On June 14 of this year, during Commencement Week, the cornerstone of Hassinger Hall was laid by William A. Hassinger, who with his father, Martin L. Hassinger, had given the building to the school.

By 1926, the Commencement of the School of Theology had taken the place of the customary talk to the religious organizations on the campus, on the evening of Baccalaureate Sunday. Commencement week was marked by a University Parade on Alumni Day, with alumni and actives of the various societies, fraternities, and other organizations taking part, exercises on the location of a proposed Alumni Memorial Library, and fraternity and sorority receptions. Commencement was on June 9, fully a week earlier than in previous years.

In 1929, the annual banquet of Pi Gamma Mu, opened Commencement Week. Class Day was held on June 7. Alumni Day was brought to a close by the presentation of the play, "Hamlet" as given by the Drama class. The Commencement address was given by Dr. M. G. Brumbaugh, president of Juniata College. Commencement was held in the chapel, June 9.

## Dr. Follmer Buried Tuesday Afternoon

Dr. Smith, Dr. Manhart, Dr. Houtz and Rev. Baer Have Charge of Funeral Services for Late Professor

Funeral services for Dr. Harold N. Follmer, 72, beloved Susquehanna University professor, were held from his home Tuesday afternoon. Classes were suspended during the afternoon in order to give the students and faculty an opportunity to attend the funeral.

The services were in charge of President G. Morris Smith, Dr. Franklin P. Manhart and Dr. Thomas Houtz, of Susquehanna University, and the Rev. Dallas C. Bair, pastor of the Trinity Lutheran Church in Selinsgrove.

## DIAMOND JUBILEE COMMENCEMENT TO FEATURE DISTINGUISHED ALUMNA

### Dr. Thomas Dornblaser, Oldest Living Alumnus, to Come from Potsdam, Germany; Dr. Weygandt, of U. of P., to be Speaker

#### University President

DR. G. MORRIS SMITH who will be in charge of the 75th Anniversary Commencement, June 6, when 54 Susquehanna men and women receive degrees.

Susquehanna University Commencement Exercises will open officially Friday, Senior Class Day, at 10:30 A. M. Samuel Pascoe, president of the graduating class, will present to the president of the university, the class memorial gift. The exercises will be opened by prayer and music. Following this, the class will go to the Susquehanna Valley Country Club, where they will be guests of President and Mrs. Smith at an informal luncheon.

Saturday, Alumni Day, will be of more than usual interest this year because of the seventy-fifth anniversary of the institution. Several distinguished alumni are expected to be feted, among whom will be Reverend Dr. Thomas Dornblaser, oldest living alumnus, who will come from Potsdam, Germany. It is also possible that Dr. John A. M. Ziegler, son of the second president of the university, will come from Los Angeles, California, for the program. Reverend Harold Ditzler, of Edinburgh, Scotland, representing the younger generation, will also speak. Mr. Ditzler has had unusual success abroad while engaged at the University of Edinburgh. He was appointed assistant to Dr. Black, distinguished pastor of that city.

The various classes will hold their reunions about the old trees on the campus. In the afternoon, following the alumni luncheon, the old grads will engage in athletic sports. From 4:00 to 5:30 P. M. the President's reception will be held on Pine Lawn, at which time the Susquehanna University Band will give a concert. The public is invited to attend. In the evening, the alumni banquet will be held in the college dining hall, at which time several items for entertainment will be presented. A report on the results of the second annual alumni fund will also be given by Dr. George E. Fisher, who is president of this fund. The last event of Saturday will be an alumni entertainment in the chapel, by the Selinsgrove alumni. Scenes of bygone days will be presented.

On Sunday morning, June 4th, in the Trinity Lutheran Church, at 10:30, Reverend John Harkins, a Lutheran student pastor at State College, will deliver the baccalaureate sermon. In the afternoon, at 4:00 o'clock, cemetery services will be held about the grave of Dr. David A. Day. Student vespers will be held in the evening immediately after supper.

The final graduation exercises will be held in the college chapel, Monday morning at 10 o'clock. Dr. Cornelius Weygandt, professor of English at the University of Pennsylvania, will deliver the address on "The Education for Our Keystone State." Incidentally, Dr. Weygandt is a notable teacher of English, and an excellent platform lecturer. Dean Dunkelberger will recommend the graduates for their degrees, and also those who are to receive honorary degrees. The commencement exercises will be culminated by a dinner in Horton Dining Hall, given by the university to the graduates, their parents and friends.

## ROYER RECEIVES NATIONAL RECOGNITION AS POET

William E. Royer, who will graduate from Susquehanna this week, has just received national collegiate recognition as a poet. He will have the manuscript of one of his poems, "Rondelet," exhibited at the Century of Progress exposition this summer. And the poem is also scheduled to be published by E. P. Dutton in a volume called "An Inter-collegiate Anthology of Poetry," which will be brought out in July.

One hundred and fifty-seven colleges competed by submitting manuscripts to the national judges who selected fifty-nine poems from the entire number. However the fifty-nine poems do not represent an equal number of colleges, since several colleges are to be represented by two and three selections. William Royer's poem is listed as the eighth one in the table of contents, according to Dr. Arthur H. Wilson, who has released this information.

The book when published, "An Inter-collegiate Anthology of Poetry," will be available for inspection at the university library.

## Bisons Trip Track Men on Muddy Field

### Bucknell Breaks Three Year Jinx With Crusaders by Taking Eleven of the Fourteen First Places

Susquehanna bowed in defeat to Bucknell, 83 to 43, in a dual track meet held on University Field, May 17. This was Bucknell's first victory over Susquehanna in three years.

"Greyhound" Wilkinson, the Bison's star track man, gave his team an early lead by capturing three first places in the 100, 220, and 440 yard dashes. Bucknell took first place in eleven out of fourteen events.

The efforts of co-captains Meyers and Swarn accounted for 23 of Susquehanna's points. Swarn won one first place and two second places, and Meyers won four second places. Milton Martin won the half-mile run in an excellent exhibition of judgment and endurance.

Bucknell won six track events and five field contests, while Susquehanna won only two track events and one field contest.

Summary of events:  
100 yd. dash—Won by Wilkinson. B; 2nd, Meyers. S; 3rd, Szyplulski. B. Time 10.5 sec.  
120 yd. high hurdles—Won by MacKenzie. B; 2nd, Swarn. S; 3rd, Selafani. B. Time 18.1 sec.  
One mile run—Won by Wildes. B; 2nd, Romig. B; 3rd, Stouffer. S. Time 5 min. 23.5 sec.  
220 yd. dash—Won by Wilkinson. B; 2nd, Meyers. S; 3rd, Gray. B. Time 22.3 sec.  
Half mile run—Won by Martin. S; 2nd, Donovan. B; 3rd, Clark. S. Time 2:17.  
Two-mile run—Won by Romig. B; 2nd, Wildes. B; 3rd, Finn. S. Time 11 min. 17 sec.  
440 yard dash—Won by Wilkinson. B; 2nd, Swarn. S; 3rd, Winery. B. Time 51.7 sec.  
Pole Vault—Tie, Wells and Everett. B; 3rd, Dorsett. S. Height 9 ft.  
High Jump—Won by MacKenzie. B; 2nd, Worthington. S; 3rd, Oberdorf. S. Height, 5 ft. 7 in.  
220 yard low hurdles—Won by Caruth. S; 2nd, Meyers. S; 3rd, Selafani. B. Time 51 sec.  
Javelin—Won by Elias. B; 2nd, Ramaley. B; 3rd, Blackwood. S. Distance, 145 ft. 8 1/2 in.  
Broad Jump—Won by Swarn. S; 2nd, Meyers. S; 3rd, Myers. B. Distance, 21 ft. 9 1/2 in.  
Shot put—Won by James. B; 2nd, Dempsey. B; 3rd, Hutch. B. Distance, 36 ft. 1 in.

WEDNESDAY, MAY 31, 1933

## The Class of 1933

Commencement always brings about a separation from four years of pleasurable life. Life is constricted chiefly on contracts and friendships. Reasonably, the graduating student looks into the future with three questions lurking in his mind. These questions may be easily answered or they may require the utmost consideration.

The first question to face the senior is, "Will I be able to get a position in these days of financial crisis and unemployment? This query, based upon mathematical facts must be answered in the negative. From recent reviews it is expected that only one-fourth of all seniors graduating from colleges in the United States will be able to step into positions. This means that only fifteen of the fifty-four graduating seniors of our university will be employed immediately. Surely this is not a pleasant outlook after spending four years of specialized preparation to meet the exigencies of life.

Another equally important question to each and every member of the class of '33 is, "Am I properly prepared to step into a position in my chosen field; am I capable of meeting the complexities of the industrial maze which has grasped the professional world; has my college education fitted me to fulfill my duties to the specialized sphere that I may be called to fill?" Susquehanna graduates have always been foremost in every professional activity, ranging from the diplomatic to the scientific. Recently, among the honor students of a nationally known medical school there were found three Susquehanna graduates who successfully and honorably met with the strict requirements of this profession. Susquehanna has always rightfully been proud of it's alumni and has striven honestly to prepare men and women to fill responsible positions. In this effort she has been successful and every member of the senior class, who has faithfully served his four years' apprenticeship under Susquehanna professors may feel confident in their knowledge to meet every professional requirement.

The most important query of all—"Is it worthwhile?" "College affords for every student a chance for growth, enlarged and enriched experiences, happiness, and the development of character that will stand in good stead throughout life"—said Dean George F. Dunkelberger in a recent publication of the LANTHORN. The graduate that feels his college experience worthwhile is certainly preparing himself for the best that may come to him. The patience with which a successful student looks upon the world for opportunities is largely responsible for the success that may come his way.

To the graduating senior class the best of wishes cannot further opportunities in the outside world, but a patient understanding of the critical position of employment conditions at present may help to make the waiting a bit more bearable. Education gives man at least one aid against boredom and inipatience—the power of intelligent thought and understanding. Success and farewell to the Class of 1933.

## The Commencement Sports Issue

The SUSQUEHANNA usually publishes a commencement issue for commencement day, but tradition has given way to a more economical plan of combining the final issue with the commencement issue. This present edition will be the final issue for this school term. One page will be devoted to a resume of the campus elections for the coming school term, one page to the spring sports, and another page of this enlarged edition will be devoted to commencement week activities. We hope, in this manner to fill the need of a commencement issue and still keep within our budget.

## Junior Elections

The Class of 1934 is the only class on the campus that has not already held election of officers for next year. Interest in the class organization is dependent upon constant contact with each member of the class. Only one more week of the school term remains and that will be filled with examinations and commence-

# THE SUSQUEHANNA PRESENTS YEARS' REVIEW OF NEWS FEATURES IN BRIEF

THE SUSQUEHANNA is privileged to present a review of the outstanding events of the school year 1932-1933. This review includes eight months of the year, dating from September 15 to May 15. The material has been gleaned, in its entirety, from the files of THE SUSQUEHANNA.

### September

September 15—Susquehanna opens its seventy-fifth year of active scholastic attainment. Dr. G. Morris Smith and Dr. William Reick address the student in the opening chapel exercises. Large freshman class.

September 21—Athletic board announces the captains of spring sports: Baseball, Hughes Brininger; track, John Meyers and William Swann (co-captains); tennis, Jerald Schlegel.

September 22—Boston Sinfonietta will receive. First Star Course number is presentation of selected members of the Boston Symphony Orchestra.

September 23—Football scrimmage ends hard initial week of workouts. Five injuries sustained. Successful season predicted.

September 28—Dr. George F. Dunkelberger, Miss Evelyn Allison, and Miss Naomi K. Hyde return from travels abroad. Deliver interesting talks in chapel concerning travel experiences.

September 30—Bruce Worthington elected to the presidency of Men's Student Council to fill office vacated by the resignation of Joseph Maimon.

### October

October 1—Ullerymen defeat Moravian in last quarter rally, 12-7. Sassaman and Rischel score the touchdowns for the Crusaders.

October 3—Edwin Clapper, editor of the Lanthorn and James Bonnell, business manager, appoint staffs for the coming year.

October 8—Susquehanna grid machine rolls up 37-0 victory over Haverford to net largest Crusader score in 12 years.

October 8—John C. Oberdorf, Sr., purchasing agent and superintendent of grounds and buildings dies suddenly from complication of diseases.

October 15—Susquehanna is host to many parents on annual Parents' Day. Crusader victory march continues at the expense of Hartwick College, 45-0. Coach Ullery uses three teams in this one sided fray.

October 15—Sixty-five couples attend Inter-fraternity ball in Alumni Gymnasium. Harvey Marburger furnishes the music.

October 18—Lutheran seminaries plan important merger; Susquehanna senior may combine with those of Gettysburg and Hartwick.

October 21—Orange and Maroon elect down Washington, 6-0, for fourth straight victory. Opponents show plucky defense.

October 24—William D. Upshaw, prohibition nominee for presidency, speaks to students in chapel.

October 26—THE SUSQUEHANNA holds straw vote for presidential candidacy. Hoover is favorite and carries all states by large majority.

October 29—Crusaders conquer Swarthmore, 13-10. Fifth consecutive win marks new record for gridiron teams at Susquehanna.

October 31—Bond and Key leads in fraternity scholarship with 191 average for second semester of last year.

October 31—Classes dismissed as victory forward. Dr. Smith congratulates the football team in chapel on its fine showing.

### November

November 3—Omega Deltas present "The Perfect Alibi," a mystery play before an appreciative audience in Seibert Chapel.

November 5—Susquehanna deadlocks with P. M. C. O., as Crusaders repulse fighting cadets before a Homecoming Day crowd of 2,000. Homecoming Day attracts 200 grads to see the undefeated football in action and to attend the various house dances.

November 12—Crusaders whitewash Wagner, 26-0, to give the New York team its first defeat.

November 13—Miss Margaret Sittig, honorary member of the local A. L. E., gives a violin recital in Seibert Chapel.

November 16—Dr. Lothrop Stoddard lectures in Seibert Chapel on internationally known characters.

November 18—Varsity "S" Club raises \$500 to dedicate the Crusader Quadrangle to the football team.

November 19—Susquehanna ends undefeated season by defeating Juniata, 12-7, before Founder's Day crowd.

November 21—Dr. Paul Boeder replaces Dr. Williams as head of the mathematics department.

November 28—Edwin Markham, America's renowned poet, speaks to students and makes reading of his poetry.

### December

December 6—Basketball team practicing daily for opening game with Alumni on December 9, under the direction of Captain McGeehan and Coach Ullery.

December 6—Nor-fraternity men win Inter-fraternity basketball championship by winning every league conflict.

December 9—Varsity cage team defeats Alumni in a one-sided contest in Alumni Gymnasium.

December 14—Twenty football men receive varsity awards at special chapel exercise, as Crusader Quadrangle is dedicated to the undefeated football team of all history at Susquehanna.

December 15—Sigma Sigma Delta play, "The Patsy" is well attended.

December 16—Crusader cage team drops game to Osteopathy, 36-28.

### January

January 4—Penn State Lions trip up Crusaders, 43-24, at State College.

January 27—Ullerymen drop game to Lebanon Valley in Alumni Gymnasium, 34-29.

January 7—Sororities hold annual "rush parties" for Freshman women.

January 9—Lee Rishel chosen captain of the 1933 football team at a special meeting the Athletic Board.

January 11—Team loses another tilt to Osteopathy, 39-32.

January 24-27—Semester Examinations.

January 24-31—Susquehanna drops games to Bucknell and LaSalle, but takes hard-fought match from Haverford, 37-35.

### February

February 6—Fraternity "rush week" actively begins with smokers at all houses.

February 10—Crusaders crush Elizabethtown in court match by the score of 38-25.

February 11—Lutheran Student Association sends 100 delegates to convention on campus.

February 17—Junior class basketball team clinches first half title in the inter-class league.

February 14—Twenty-seven freshman women pledged to the four campus sororities.

February 16—Ullerymen pull a close one and defeat Lebanon Valley, 36-37.

February 17—Sorority Pledge Dances at the various fraternity club homes.

February 18—Susquehanna squelches Elizabethtown again by the score of 31-26.

February 18—Thirty-six men pledged to the four eligible campus fraternities.

February 16, 17, 18—University Band plays three day stage engagement at Lewistown theatre.

February 23—Maurice Hindus, noted lecturer and author, addresses students on Star Course number.

February 24—Affirmative debaters lose their first debate to Mansfield Teachers, 2-1.

February 25—Miss Marian Walborn makes enviable record—a straight "A" average for the first semester.

February 26-28—Crusaders drop two games to West Chester Teachers and Delaware.

February 28—Bond and Key awarded the Inter-fraternity Scholarship Cup for the second consecutive year.

### March

March 2—Negative debaters win from Waynesburg, 3-0, in a fine exhibition of forensic ability.

March 3—Fraternities hold their annual pledge dances at the respective club homes.

March 4—Strong P. M. C. quintet demolishes the Crusaders in a home match, 52-38.

March 7—Omega Deltas win the Inter-sorority Scholarship cup.

March 7—James Cooke, editor of the Etude, addresses the conservatory students at a banquet.

March 9—Both debating teams drop decisions to the Ursinus men.

March 10—Affirmative debaters take one from the Franklin and Marshall men, in an audience decision.

March 14—Juniors win the inter-class basketball championship by winning every league tilt.

March 21—1933 football schedule announced. Includes five 1932 rivals and two newcomers.

March 22—Ladies' Gluee Club presents the "Persian Princess," an opera, before a large audience.

March 23—Negative debaters win from St. Francis and Geneva in week-end contests.

March 23—Freshmen rebel against wearing of dinks, but Student Council

quells uprising.

March 23—Juniors capture Indoor Track Meet as co-captains Meyers and Swann set new records.

### April

April 1—Affirmative debaters take Vermont into camps by judge's decision.

April 6—Orchestra in annual concert under the direction of Professor Hempel, before large crowd.

April 12—Mary LaHaza elected May Queen and Diana Lizas as Lady-in-Waiting by all the women in annual election.

April 19—Diney and McKelvey elected to head THE SUSQUEHANNA staffs for the coming year.

April 21—Henry and Whiteley elected to edit the LANTHORN for 1933.

April 24—Jerald Schlegel elected to captain the 1933-34 basketball team.

April 25—Seniors win the outdoor track meet in a decisive manner.

April 26—Nelson Gray elected to head Men's Student Council for the next year and plans for government reorganization.

April 28—Crusader nine defeats P. M. C. in opening game, 8-0.

April 29—Susquehanna came through again with a victory over Delaware, 15-5. The Relay team breaks a three year jinx by taking third in the Penn Relay Carnival.

### May

May 1—Marian Walborn and William Rorer selected as Valedictorian and Salutatorian, respectively, of the class of 1933.

May 2—Choral Society, assisted by noted artists, presents "Four Winds" at annual concert.

May 4—Women's Government reorganized; Ruth Nelson elected president.

May 6—Drexel defeats trackmen as co-captains Meyers and Swann take 30 points on a muddy track.

May 13—Junior Prom, with music by Jan Campbell, adjudged a social and financial success.

May 15—Daisy Reese elected president of the Inter-sorority Council.

### S

## SORORITY NOTES

### Omega Delta Sigma

Miss Ruth Cherrington entertained Miss Evelyn Allison at her home in Hazleton over the past week-end.

Miss Edith Frankenhoff and Miss Isabella Horn visited Miss Janet Leitzell, an alumna of Omega Delta Sigma, at her home in Williamsport, over the past week-end.

Miss Sara Ulrich visited her home in Downingtown this past week-end. Omega Delta Sigma was very happy to welcome back for a week-end Miss Enza Wilson.

The Misses Anna Mease, Rose Runk, and Natalie Pritchard were initiated into active membership on Wednesday, May 23.

Omega Delta Sigma sorority was entertained by its honorary members at a bridge and dinner at the Homestead Tea Room in Sunbury on Saturday afternoon from 3:00 to 7:00. First and second prizes for bridge were won by Sara Ulrich and Mary Ann Cressman, respectively. First prize for "500" was won by Anna Benfer. There were about twenty-five honorary members in attendance and twenty-one members of the sorority.

Mrs. William W. Ullery was elected president of the honoraries for the next year. She succeeded Mrs. George Seidel.

### Kappa Delta Phi

Miss Ruth Cherrington visited at the home of Miss Naomi Sonesifer in Hanover, over the week-end.

Miss Anna Geisel visited her sister, Esther Geisel, the latter part of last week.

Miss Dorothy Hutter was visited by her parents on Saturday.

Last Wednesday evening, the following pledges were initiated into active membership: Ruth Cherrington, Phyllis Zeiler, Bernice Harding, Dorothy Gaskins, Evelyn Geinelt, and Gwendolyn Schlegel.

Phone 68-W

ment week activities. If this work is to be completed, the election must be held sometime this week. Come on, Juniors—wake up!

# SUSQUEHANNANS IN LEADING ROLES IN THE COMING YEAR

## NEW OFFICIALS FOR FRATERNITY AND SORORITY GOVERNMENTS

DAISY REESE

will head the Inter-sorority Council for the 1933-1934 term. Daisy has had experience on the Council, serving as vice president in her junior year. She is a prominent figure in women's athletics and at all social functions. Daisy is at present an associate editor on the staff of THE SUSQUEHANNA, which has received her services during the past three years. The Council is now laying its plans for the coming year under the direction of Daisy. She is a member of language clubs and the Omega Delta Sigma social sorority.

D. EDGAR HUTCHINSON

was recently elected as president of the Inter-fraternity council for next year. Ted has had a chance to show his executive abilities as Chairman of the 1933 Junior Prom. Advertising manager of the 1934 LANTHORN and his previous one year term on the Council. He has a college band, under his direction, known as the Crusaders, who have furnished music for dances on and off the campus. With the organization of the rest of the council Ted should make the seven-day week a by-law on Susquehanna's campus.

## HUGH BRINGER CAPTAINS THE 1933 BASE BALL NINE

HUGHES BRINGER

retiring captain of the baseball team, pitched his last game for Susquehanna on University Field on Saturday against the Delaware "Hens." Hughes has been an asset to the nine during his entire college course and Coach Ullery will have a hard time bridging the gap made by Bringer's graduation. In his Sophomore year "Briny" got his name in the sports Hall of Fame by pitching a no-hit, no-run game against the Elizabethtown nine. Hughes is a golfer of no mean ability, and has played forward in Varsity basketball during his junior year. He is a member of Bond and Key fraternity.

## STUDENT GOVERNMENT HEADS FOR 1933 - 34 ORGANIZE SYSTEMS

RUTH NELSON

has been selected as president of the Women's Student Government for next year. Ruth has proved her executive ability with her activities in the Y. W. C. A. and her previous year's experience on the student government. She has taken definite steps in her work for next year and has already appointed the different committees which will take action under her tutelage next year. Ruth has also been a popular person at social gatherings and is a member of the Kappa Delta Phi sorority.

NELSON GRAY

will head the Men's Student Council for the 1933-1934 term. "Red" has been active in sports and extra-curricular activities, having served his first year on the Council during the past term. With Nelson as president, the Council has already adopted plans for the coming year. Nelson has stated the purpose of the 1933-34 by presiding over its activities as the junior year as president. He is a member of Phi Mu Delta fraternity.

## S. U. Debaters Get Honorary Election

Clapper, Cassler, Maimon, Morrow, Rowe, and Youngerman Become Members of Tau Kappa Alpha

Six men of the Susquehanna Debating Club were recently given the distinction of receiving honorary election to the Tau Kappa Alpha debating fraternity. The six men to be so honored are as follows: Edwin Clapper, Henry Cassler, Joseph Maimon, William Morrow, Harold Rowe, and Alexander Youngerman.

Up to this time all former members were required to pay their own membership fee, but in this instance, the Susquehanna Debating Club, feeling that its members had done such excellent work during the past season, financed the entire program as a reward for their untiring efforts. It is believed that this arrangement can be made for members of future debating teams, who are eligible for election to Tau Kappa Alpha.

## Seniors Give Joint Musical Recital

Mrs. Margaret Burns, soprano, and Robert McNally, seniors of the Conservatory of Music, gave a joint Senior Recital on Wednesday evening, May 17, at 8:15 in Seibert Hall Chapel. The following is the program:

- Songs: a. Old Italian Air ... Pergolesi
- b. J'air pleure un reve ... Hue
- c. The Raven ... Schubert
- d. The Post ... Schubert

Mrs. Burns

- Piano: a. Prelude, Suite III ... Debussy
- b. Minuet from "L'Arlesienne" ... Saint-Saens
- No. 1 ... Bizet-Rachmaninoff

Mr. McNally

- Aria: "Suicidio" from "La Gioconda" ... Ponchielli

Mrs. Burns

- Piano: a. Prelude, Suite III ... J. S. Bach
- b. Rhapsodie hongroise No. VI ... Liszt

Mr. McNally

- Songs: a. The Dana ... Chadwick
- b. The Little Brown Owl, Buzi Peccia
- c. Awakened ... Woodman

Mrs. Burns

- Piano: Concerto in A Minor, Op. 16 ("First Movement") ... E. Grieg

Mr. McNally

## CLARK PREPARES WORK FOR THE HANDBOOK

ROBERT CLARK

is editor-in-charge of next year's STUDENT HANDBOOK, the official publication of the Susquehanna Y. M. C. A. Robert is a pre-theolog and an active social campus worker. He has served faithfully on the track team as a hurdler and general utility man for the past two years. Bob has completed his first draft of plans, but he has not definitely decided on the printer.

## Interesting Facts Are Found In Old Records

Dusting off the past records that are in file, it is found that Susquehanna University was founded in 1858 under the name of Missionary Institute, and the first building to be dedicated was Selingrove Hall, which is now the official administration building.

Digging a bit deeper into the files the student-reporter has gathered a few statistics that should prove of interest to many.

Football seems to have been the first sport, as the first inter-collegiate match was played in October of 1892. Baseball, the second sport, was inaugurated in 1896. Athletics then waned until 1901, when track brought back some of the old enthusiasm to the campus. Basketball in 1902 made all of the athletic endeavors prosper until the World War.

The first edition of the Susquehanna, the college weekly paper, appeared in 1891 and five years later the Junior Class publication, "The Lanthorn" gave to the college world something new in school annals. In 1886 the college greatly benefited from the establishing of a Y. M. C. A. which emphasized the spiritual as well as the mental life. The women had their first "Y" meeting in 1902.

## FRESHMEN AGAIN WIN BALL GAME BY ANOTHER FORFEIT

The Freshman baseball team won the only interclass game of the week by a forfeit, when the Sophomores failed to appear at the scheduled time last Friday. This is the second game the Fresh have won by forfeit, the Juniors also having forfeited a game by non-appearance. Thus far, the Freshmen have had an undefeated season without playing a game. Their only remaining game is scheduled with the undefeated Senior team on Monday, May 22, at 3:15 p. m.

## Student Recital on Class Day Program

June 2, Conservatory Students Will Combine Instrumental and Vocal Numbers for Graduation Recital

Students of the Conservatory of Music will present a recital for the benefit of the commencement gathering on Friday evening, June 2, at 7:30 p. m. in Seibert Hall Chapel.

The recital will feature mostly unclass musicians and will combine instrumental and vocal numbers in contrast. Professor P. M. Linebaugh will assist throughout the program at the organ.

The program is as follows:

1. Orchestra—Overture, Magic Flute, Mozart
2. Aria—"Deh vieni, non tarda", Mozart (Marriage of Figaro)
3. Song—Waters Parted from the Sea, Ames Miss Isabelle Horn
4. Piano—Chant d'Amour ... Stojowski
5. Song—Dawn ... Curran Miss Andra Martz
6. Song—Ho! Mr. Piper ... Curran Miss Josephine Pifer
7. Organ—Allegro Maestoso, J. E. West
8. Piano—Prelude ... C. Laro Mr. Russel Goodling
9. Aria—Waltz from Romeo and Juliet ... Gounod Miss Margaret Benner Burns
10. Piano—Gavotte ... Clock-Brahms Miss Frances Stambaugh
11. Song—In the Silence of the Night, Rachmaninoff Miss Mary Hummel
12. Song—A Heart that's Free ... Robyn Miss Irene Mengel
13. Piano—Concerto in A Minor (First Movement) ... Grieg Mr. Robert McNally

—Fortune does not smile on those who wait. It laughs at them. —The hardest part of making good is doing it all over again every day.

## MEYERS AND SWARM, CO-CAPTAINS, END BRILLIANT CAREERS ON TRACK

BILL SWARM

Closing a brilliant track career at S. U., William Swarm ran his last race for his Alma Mater in the C. P. C. T. C. meet on May 20. Bill, as he is known to his many friends, holds the C. P. C. T. C. record of 15.7 sec. in the 120 yd. high hurdles. This is also the record at Susquehanna. He likewise holds the local record in the outdoor running broad jump (21 feet 9.5 in.), the 440 yard dash (50.4 sec.) and the indoor 910 yd. run (2 min. 9.4 sec.).

Bill was a varsity track man all four years of his college life, and he had the honor of being co-captain of track his senior year. He was anchor man on the Penn. Relay team for three years and he played class football two years, soccer four years, and received pugilistic training as a boxer in his sophomore year. He was a member of the Varsity "S" Club for three years, and was president this year. He was also a member of Pi Gamma Mu, Phi Kappa, Men's Student Council, the Band, the Glee Club, German Club, Ass. Editor of the Lanthorn, and vice president of his class during his sophomore year.

Aside from his collegiate activities, Bill spent four years in the Citizens Military Training Corps at Fort Hoyle, Md. He has been commissioned as a second lieutenant in the 578th Field Artillery Officers Reserve Corps.

Bill hails from Millheim, Pennsylvania.

JOHNNIE MEYERS

John Meyers, co-captain of track, sang his swan song to athletic competition in the C. P. C. T. C. meet at Carlisle on May 20. Johnnie, who came to S. U. from State College, Pa., established the C. P. C. T. C. record of 10.2 sec. for the 100 yd. dash in 1933, and an unofficial 100 yd. record of 9.8 sec. in 1931. He was the starting runner on the Penn. Relay team for three years, and he set what is probably a curved track record of 26.8 sec. for the 220 yard low hurdles. The record for a straight track is only four seconds less than Johnnie's time on the curved track.

Johnnie was a member of the varsity track team and of the varsity football team all four years of his college career. He established the local records in the 220 yd. dash (22.4 sec.), and in the indoor 210 yd. dash (23.4 sec.). He played halfback on the football team the first two years, and quarterback his junior and senior years.

Johnnie participated in class track for four years, boxing two years, baseball two years, he was a member of the Varsity "S" Club for four years, the Intra-Mural Board, the Business Administration Club, French Club, and he was class treasurer during his sophomore year.

Johnnie has accepted a position to teach and coach at Cooper Township High School this fall.

## ULLERYMEN WIN PRACTICE TILT WITH SUNBURY

Maimon, Gray, and Meyers each pitched three innings in a practice tilt against Sunbury, Thursday afternoon, May 18, and the Crusaders came out on the long end of a 4-3 score.

The Ullerymen hit more frequently and farther than in the Lebanon Valley game. Al Meyers came through in the ninth inning, hitting one of Dewire's pitches out to the fence for a two-base hit, and then scoring the winning run on Morrow's triple.

Box score:

Sunbury	AB	R	H	E
Weaver, ss	4	0	0	1
Wingert, 3b	3	0	0	0
Reitz, cf	4	2	1	0
B. Dewire, p	4	0	0	0
P. Dewire, 1b	4	0	1	0
Slough, c	4	1	2	0
Campbell, 2b	4	0	1	0
Scotchly, rf	3	0	0	0
Hess, lf	3	1	0	0
Wynn, lf	3	0	0	0
Totals	34	3	6	1

Susquehanna	AB	R	H	E
-------------	----	---	---	---

Morrow, 2b	4	0	1	0
Benner, ss	4	0	1	0
Sassaman, c	4	0	1	0
Eisenhower, 1b	4	1	1	0
Carl, rf	3	1	1	0
Hess, lf	1	0	0	0
Alexander, rf	4	0	0	0
Fassold, 3b	2	1	1	1
Maguire, 3b	2	0	1	0
Maimon, p	1	0	0	0
Gray, p	2	0	1	0
Meyers, p	1	1	1	0
Totals	33	4	9	1

Two base hits—Morrow, Dewire. Double play—Morrow to Eisenhower. Stolen bases—Maguire, Sassaman. Umpire: William Warren Ullery.

## WHITELEY AND HENRY PREPARE FIRST DRAUGHT ON ANNUAL

DONALD HENRY

editor-in-charge of the 1935 LANTHORN has recently announced his appointments for the coming term. Donald has had journalistic ability on the SUSQUEHANNA staff and as business manager of the STUDENT HANDBOOK. Henry has already completed his plans for the art theme. He is a member of Epsilon Sigma.

WILLIAM WHITELEY

has been elected as business manager of the 1935 LANTHORN, the annual yearbook published by the Junior class at Susquehanna. Bill has already appointed his staff for the coming year and has signed contracts for printing, engraving and photography. He is a Selingrove lad and is a member of Epsilon Sigma fraternity.

## FOLKS PROMINENT IN 75th COMMENCEMENT WEEK NEWS

S. U. Concert Group  
Presents Program

Company Well Received in Watstown: Jack Pottfeiger and Other May Day Features Presented

A representative group of Susquehanna, for the first time under the name of the Susquehanna Concert Company, gave a concert on Thursday evening, May 18, at 8 o'clock, in the Watstown High School. There was an appreciative audience, who responded enthusiastically all evening. The sponsors of the concert, citizens of Watstown, gave the performers generous and delectable refreshments in token of their appreciation. The program was as follows:

Chorus:  
Alma Mater .... E. Edwin Sheldon  
O'er Forest, O'er Mountain, Rossini  
String quartet—Canzonetta from Quartet in E flat ..... Mendelssohn  
William Caruth, first violin; Marcella Chaya, second violin; Robert Clark, viola; Erie Shober, cello  
Vocal duet—"Quisessé Homo" (Power Eternal) from Sabet Mater, Rossini  
Misses Irene Mengel and

Mary Hummel  
Vocal quartet—a "Wake! For the Sun Who Scattered Into Flight"

Mr. Jack Pottfeiger  
A Scene from "The Pirates of Penzance" ..... Sullivan  
Scene: A rocky seashore on the coast of Cornwall  
Dramatic Personae:  
Mabel—Miss Alma Myers  
Frederic—Roland Pritchard  
Kate—Miss Audra Martz  
Edith—Miss Mary Hummel  
Isabelle—Miss Isabella Horn

GRADUATES WITH  
HIGHEST HONORS  
ON MONDAY

MARIAN WALBORN

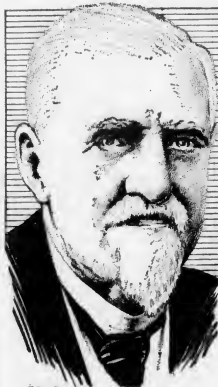

has received the highest scholastic rating that Susquehanna University has to offer. She has been selected as Valedictorian and will graduate at the commencement exercises with a "summa cum laude." The title of her valedictory speech is "A RETROSPECT OF SUSQUEHANNA'S SEVENTY-FIFTH ANNIVERSARY." Marian has been an active member of the Y. W. C. A. for four years and is the retiring president of the Kappa Delta Phi social society.

Conservatory Students  
Hold Picnic at Green

On Monday, May 22, the Conservatory of Music held its annual picnic at Rolling Green Park. The procession left the Conservatory at four o'clock for the park where the outing was to be held. There were 52 of the "Con family," as Professor Sheldon put it, present, and all reported having an enjoyable evening.

The earlier part of the evening was spent in playing games that were arranged for by the chairman of the program committee. The highlight of this part of the evening was a baseball game between two teams chosen from those present. A combined pitching duel between Robert McNally and Frank Bennardi was the result, but a final hitting spree brought about such conflicting information that it is supposed that the final score was a non-decision.

The picnic was in charge of Miss Margaret Ide, chairman of the outing committee.

SUSQUEHANNA'S  
OLDEST LIVING  
ALUMNI HERE

REV. T. F. DORNBLASER

Language Clubs Hold  
Outdoor Picnics

The modern language clubs held their outdoor picnics on Monday, May 15. The French and Spanish clubs combined and held their picnic at "Nutshell," an attractive summer cottage along Penn's creek. The German club went to Blue Hill to enjoy their picnic. Some of the members played while others engaged in hiking and in viewing the scenery. The members of the clubs motored to their destinations, and for some it seemed that "The shortest way home was the longest way around."

Miss Evelyn Allison and Miss Lucy Irving sponsored the French and Spanish club picnic, and Professor Russell Gilbert sponsored the German club picnic.

KAPPA DELTA PHI PLEDGES  
ENTERTAIN ACTIVE MEMBERS

Kappa Delta Phi's eleven pledges entertained the active members at a luncheon in the sorority room, last Friday noon, May 12. The color motif of green and yellow was carried out in the decorations and to some extent in the menu itself.

After the luncheon, the pledges presented an electric clock to the sorority. Honorary members, Miss Evelyn Allison, Miss Alice Bickerstaff, and Miss Millie Arbogast, were also present.

CAPTURES HIGH  
HONOR IN THE  
CLASS OF 1933

WILLIAM ROYER

has been honored as second in the graduating class of 34. Bill has been selected as Salutatorian and will receive a "magna cum laude" at the annual exercises next week. His speech will be: "WHY THE LIBERAL COLLEGE?" He is a member of Bond and Key fraternity and was art editor of the 1933 LANTHORN. Bill is a member of Phi Kappa, the honorary Greek club, and a member of Pi Gamma Mu, national honorary social, science fraternity.

Science Club Travels  
To Priestley Museum

Members of the Honor Science Club and their instructors held their last meeting of the year, last Tuesday night in Northumberland. The Club was celebrating the bi-centennial birthday of Dr. Joseph Priestley by visiting his home, and museum.

After the tour they gathered at the Priestley Unitarian Church, where Mr. C. Warren Gutelius delivered an interesting address on "Joseph Priestley and His Contributions to Modern Science."

MISS ALICE BICKERSTAFF  
CONDUCTS "Y" MEETING

"Y" Hour this week was under the leadership of Miss Alice Bickerstaff, who spoke on the "Folly of Keeping Too Close to the Shore." The text she used was found in Luke 10:38-42, the story of Mary, Martha and Christ.

Senior Recitalists  
In Joint Program

Miss Irene Mengel and Miss Frances Stambaugh to Present Vocal and Instrumental Selections

A joint Senior Recital was given by Miss Irene Mengel soprano, Miss Frances Stambaugh, pianist, and Miss Mary Hummel, contralto; all seniors, of the Conservatory of Music, on Wednesday evening, May 24, at 8:15 in Seibert Chapel. The program for the evening was as follows:

Classic Songs:  
a. Placee d'amor ..... Maitini  
b. Die lotusblume ..... Schumann  
c. Ouvre tes yeux ..... Massenet

## Lebanon Valley Swamps Dr. Ahl in Memorial Day Crusader Nine, 11 to 2 Service At Freeburg

Susquehanna's baseball team met their second defeat of the season when they journeyed to Annville Tuesday, May 23, and were overwhelmingly defeated at Lebanon Valley by the score of 11 to 2.

The "Crusaders" never got started in this game, perhaps due to the fine hurling of Wood, the Lebanon Valley pitcher, and the marvelous support which he received. He was never in any great trouble and allowed the "Orange and Maroon" only six hits, four of which were divided equally between the diminutive Freddy Carl and Alexander.

All Meyers started the game for Susquehanna and pitched good ball until he was taken out in the sixth inning and replaced by Gray. Up until this stage of the game Lebanon Valley had tumbled nine runs, chiefly through errors.

The game was played on comparatively even terms until the sixth inning at which time Lebanon Valley scored six runs on three walks, two errors and two triples to set up the game. Smith, first up in this inning, walked; Wood hit to Maguire who fumbled and both runners were safe. Whiting hit a triple to right field scoring two runs; Kraybill was safe on Maguire's second error of the inning and Whiting scored; Barthold walked; Konso tripled and two more runs crossed the plate; Konso came home on a passed ball; Rust walked; Boran was out on a fly to right field; and the disastrous inning was ended when Williams fled out to centerfield and Rust was doubled off first on the play.

This practically ended the scoring of our opponents except for the eighth inning when two walks and a double spoiled Gray's record and increased our opponent's total to eleven for the day. Susquehanna made a valiant attempt to stave off defeat in the eighth frame when Gray, first up, singled; Morrow also singled but Benner who was trying for a hefty wallop struck out, however, Sassaman was safe on the pitcher's error and Gray scored. Susquehanna's hopes were slightly dampened when Sassaman was caught stealing, and altogether, blasted when Eisenhower fouled to the catcher.

Rev. Sassaman and his son Ira, both Susquehanna Alumni, were onlookers at this game and used their vocal psychology with serious intent but with little effect in an effort to move the team to greater efforts.

Dr. A. William Ahl, Professor of Greek Literature and Art at Susquehanna University, delivered an address at the Memorial services held in the Lutheran and Reformed Church at Freeburg yesterday.

His subject was "The Price of Liberty" and the text was taken from Isaiah 61.1.  
He said in introducing his subject, that "we live in a busy age. Our land is the busiest land of the earth—may we never prove ungrateful nor let the ravages of time testify to the present or coming generations that we have forgotten as a people the cost of a free and undivided republic. This liberty," he continued, "had a price. The price has been paid with the best that man can offer—his life."

He pointed out in a forcible manner how brave, patriotic men and women have gladly given their lives in the various wars to keep this liberty. "How shall we retain this liberty," he asks, and answers his own question by saying, "Keep faith with the dead—faith in their God. O true patriot must be religious. We must return to the faith of our fathers—to their simple life and religion. We must keep faith with our fallen heroes—whether fallen on the battlefield of the nation or on the battlefield of life—by following the leadership of Jesus who gave his life that we might have eternal life."

## Commencement Week Program in Brief

Thursday, June 1—9:30 p. m. Sorority parties.  
Friday, June 2—10:30 a. m. Senior Class Day exercises. College campus presentation of 1933 class gift by Samuel P. Pascoe. Acceptance by President G. Morris Smith; 12:30 p. m. Senior luncheon with President and Mrs. Smith at Susquehanna Valley Country Club; 7:30 p. m. Reunion by students of the Conservatory of Music, Seibert Hall; 9:00 p. m. Fraternity parties.  
Saturday, June 3—Alumni Day—12:30 p. m. Alumni Luncheon and business meeting; 2:30 p. m. Class reunions; 4:00 to 5:30 p. m. President's reception and Susquehanna Band Concert at Elm Lawn; 6:30 p. m. Alumni banquet; 8:30 p. m. Alumni Entertainment.  
Sunday, June 4—10:15 a. m. Academic procession starts from Selinsgrove Hall; 10:30 a. m. Baccalaureate sermon in Trinity Lutheran Church by the Reverend John F. Harkins, State College, Penna.; 4:00 p. m. Memorial exercises in Union Cemetery; 5:45 p. m. Student Vesper service, College Chapel.  
Monday, June 5—5:45 a. m. Academic procession starts from Selinsgrove Hall; 10:00 a. m. Commencement exercises. Seibert Hall, address by Professor Cornelius Weygandt, Ph. D., Litt. D., Professor of English Literature, University of Pennsylvania, conferring of degree, announcements of honors and prizes; 12:30 p. m. University Dinner for guests and friends.

## CO-CAPTAINS SET UP NEW RECORDS AT CARLISLE IN C. P. C. T. C. MEET

### Susquehanna Runners Take Fourth Place at Fast Intercollegiate Meet as Swarm Lowers Hurdle Time and Meyers Clips Old Century Mark

Susquehanna University's co-captains of track, Johnny Meyers and Bill Swarm, hung up their spiked shoes amidst a blaze of glory Saturday afternoon at Carlisle where each shattered a record in the Central Pennsylvania Intercollegiate Conference track meet as the Selingsgrove institution captured a fourth position in a close line-up in the Class B events.

The order and number of points tallied by the colleges in Class B follows: Drexel, 44; Albright, 35; Juniata, 33½; Susquehanna, 31; Ursinus, 14½. Dickinson and Franklin and Marshall tied for first place in the Class A sector. Swarm gained additional laurels in the meet by tallying 15 points for high honors in the Class B events.

In the first event of the afternoon, the 120-yard high hurdles, Swarm dashed over the bars in the fast time of 15.7 seconds, to erase the mark set up by Groff of Juniata in 1926. The former record was good at 16 seconds. Later in the afternoon Swarm annexed the 440-yard dash and broad jump. In the quarter-mile event, Swarm was running within a fifth of a second of a new record, but unfortunately not realizing this, slowed up near the finish.

Meyers broke the century record in the second event of the afternoon as he negotiated the hurdles in 10.2 seconds, to lower the former mark by two seconds which was created by Steele of Ursinus last year.

Truckenmiller, another Orange and Maroon Senor, picked up two thirds in the 440-yard dash and 220-yard dash. Oberdorf took a fourth place in the javelin.

Officials and followers of the C. P. C. T. C. meet claimed this year's meet to be one of the fastest in its history. Another outstanding feature was that most of the times and records of the Class B sector surpassed those of Class A.

**Summary (Class B):**  
120-yard high hurdles won by Swarm, Susquehanna; second, Breda, Drexel; third, Ramer, Juniata; fourth, Test, Drexel. Time: 15.7 sec.  
440-yard dash won by Meyers, Susquehanna; second, Van Horn, Drexel; third, Wirth, Drexel; fourth, Jones, Juniata. Time: 10.2 sec.

100-yard dash won by Meyers, Susquehanna; second, Van Horn, Drexel; third, Wirth, Drexel; fourth, Jones, Juniata. Time: 10.2 sec.

100-yard dash won by Meyers, Susquehanna; second, Van Horn, Drexel; third, Wirth, Drexel; fourth, Jones, Juniata. Time: 10.2 sec.

Shot put won by Goss, Albright; second, Finnerty, Drexel; third, Hepler, Albright; fourth, Holsinger, Juniata. Distance: 42 ft. 8½ in.

Two mile run won by Cohick, Juniata; second, Lockhart, Drexel; third, Sutin, Ursinus; fourth, Sautter, Ursinus. Time: 10 min. 35.2 sec.

High jump won by Shipe, Albright; tie for second, Pole, Ursinus and McDonough, Juniata; fourth, Russell, Drexel. Height: 5 ft. 8½ in.

Discus won by Dittman, Albright; second, Goss, Albright; third, Martin, Drexel; fourth, Bear, Drexel. Distance: 133 ft. 4½ in.

Pole vault tie for first, Fisher and Sheaffer, Drexel; third, Dellinger, Juniata. Height: 10 ft. 11 in.

220-yard dash won by Van Horn, Drexel; second, Tropp, Ursinus; third, Truckenmiller, fourth, Fisher, Drexel. Time: 23.5 sec.

300-yard run won by Bartholomew, Albright; second, Christ, Juniata; third, Brian, Ursinus; fourth, Eckhardt, Drexel. Time: 2 min. 3.4 sec.

220-yard low hurdles won by Meyers, Susquehanna; second, Fletcher, Juniata; third, Shade, Ursinus; fourth, Guggenheim. Time: 26.8 seconds.

Broad jump won by Swarm, Susquehanna; second, Wirth, Drexel; third, Meyers, Susquehanna; fourth, Kennedy, Drexel. Distance: 21 ft. 3 in.

## Lebanon Valley Nips Winning Streak, 1-0

### Valley Nine Breaks Pitching Duel by Scoring Lone Tally on Errors in the Seventh; Yaros Stars

Susquehanna lost to Lebanon Valley in one of the best battles ever to be staged on the University Field, last Wednesday afternoon, by the score of 7-0.

The game was a pitching duel the entire way between Yaros of Susquehanna and Smith of Lebanon Valley, both pitchers allowing five hits each, but Yaros was by far the most effective of the two, having been credited with ten strikeouts as compared with five for his opponent.

The two teams fought on even terms until the seventh inning, at which time the Orange and Maroon defense went to pieces, and Lebanon Valley scored the line tally of the game. In this inning Smith, first man up for Lebanon Valley, struck out; Arndt, the third baseman, singled into center field and was advanced the whole way around on successive errors by Alexander on Barthold's fly to left field; by Maguire on Rust's bouncer down third, and by Morrow on Boran's slow roller to second. Kansas struck out and Williams was out at first. Maguire to Eisenhower.

Susquehanna came to bat in their half of the same inning with vengeance in their hearts and nearly tied the score. Samsaman, first man up, was thrown out at first by the shortstop; but successive singles by Eisenhower, Anderson and Alexander filled the bases. The situation looked pretty rosy for the Crusaders, three men on base and only one out—almost any kind of a tap would score a run, but Maguire, next up, took three healthy swings. Freddy Carl stepped to the plate and sent a shot just to the left of second base that looked like a sure hit, but Rust, the Lebanon Valley shortstop, coming in fast, took the ball and tossed it to second base, forcing Alexander and retiring the side without a score.

This practically concluded the threatnings of both teams for the remainder of the game and thus ended a most thrilling game and broke the Crusaders' heretofore unbeaten record.

## Nine Drops Final Tilt to Delaware Hens, 3-0

Captain Hugh Brininger denied the Delaware Blue Hens a single earned run in his farewell appearance in a Susquehanna baseball uniform, but came out on the short end of a 3-0 score on Saturday, in the season's final on University Field.

Infield misuses and batting weakness, especially in the pinches, led to the Crusaders' downfall at the hands of the team which they defeated so convincingly earlier in the season.

Brininger weakened in the sixth frame, after a brilliant pitching duel with Nickle, of the Blue Hens, which extended over five scoreless innings. Then he allowed a base on balls and fumbled Hudson's roller to place two men on base, both of whom scored when Maguire threw wild past the home plate in an attempt to thwart the ensuing squeeze play.

One hit, two more errors, and a sacrifice enabled the visitors to score their third run in the following inning.

Probably the most dramatic moment of the contest was earlier in the game, when Delaware placed a man on third base with only one batter retired, and threatened with the familiar squeeze play. Brininger, however, aimed two successive pitches directly at the batsman who was attempting to bunt, and the ball finally popped high in the air, enabling Samsaman to retire the hitter and double the runner off third base.

Susquehanna placed men in scoring position on several occasions but lacked the necessary punch to send them across the plate with the much needed rallies. Nearly every inning the Crusaders hit the ball hard, only to watch the Delaware ball hawks scurry far and wide in the outer gardens to gather in eleven such drives. Only Stan Benner succeeded in reaching the opposing hurler for two solid smashes for the Orange and Maroon.

Jimmy Yaros pitched the last two innings, retiring six batsmen in succession. A ninth inning rally was choked off when Benner died stealing, after his second hit.

The box-score:

## DR. ALLISON, SUSQUEHANNA PIONEER, DIES SUDDENLY DURING THE SUMMER

Late Professor of History and Political Science  
Stricken at Baltimore After Operation; Former  
Dean of College and Summer School Director

Susquehannans the world over have been saddened with the passing of Dr. Herbert A. Allison after an operation at the Johns-Hopkins University Hospital at Baltimore, July 17. Dr. Allison devoted thirty-seven years of his life in unstinting service to Susquehanna University.

Born near Gettysburg, Pa., July 24, 1873, Dr. Allison was the son of Samuel M. and Anna Allison. He was graduated from Gettysburg Academy in 1890, and received the degree of A. B. with honors, from Gettysburg College in 1894, where his ability in Greek, Latin, and Mathematics elicited the admiration of his teachers and classmates, winning for him honorable mention in the Freshman and Junior Latin prizes.

In 1897 he received the degree of M. A. from Gettysburg College; as a graduate student he attended Cornell University in 1900, and Boston University in 1909. Carthage College granted him the degree of Doctor of Literature in 1914.

From 1894 to 1895, Dr. Allison served as Professor of Mathematics in Palatine College (later Albright) at Myerstown, Pa. In 1895 he studied law, but in 1896 accepted a call to Susquehanna University where he held the chair of Greek and History, until he became Professor of History and Political Science, a field which he entered as a pioneer. For many years he was a member of the American Academy of Political and Social Science, and the American Historical Association.

Through his study at Cornell University, he conceived the idea of founding a summer school at Susquehanna, and in 1903 he organized the six-weeks summer session on the Seelingsgrove campus. Dr. Allison served as Director of the Summer School during several of its early years and, from 1918 to 1928 he held that post continuously. As Dean of the College and chairman of the committee on admissions, Dr. Allison inaugurated many improved methods of administration for student credits, admission to college, care of absences, student records and other regulations connected with the dean's office.

On August 15, 1900, Dr. Allison was united in marriage with Rosa May Wagner of Milton, Pa. The children are Dorothy Elaine, now Mrs. Samuel M. Stone, of Warren, Pa.; Samuel (Concluded on Page 4)

DR. HERBERT A. ALLISON

## Frosh Stage Annual "Get-Away" Quietly

Shaheen, Lucas, Richards, and Ayres  
Are Chosen to Lead First Year Students

Early Wednesday evening, September 27th, the freshmen once more upheld Susquehanna tradition by staging a "get-away." Following the custom of classes of former years, the frosh chartered a street car, which carried them to Sunbury, farm from the belligerent sophomores. There, in the car, a hurried voting took place, and as a result, Raymond Shaheen was elected president of the class. Paul Lucas was selected as vice president, and Mary Beth Richards, with Ruth Ayres, were given the offices of secretary and treasurer, respectively.

The big event was rather peaceful and without disturbance, with the exception of what happened to a popular member of the sophomore class. It seems this particular gentleman was treated involuntarily to a cold shower. In return, freshmen rooms in Hassinger were rather disarranged, and President Shaheen and his aid, Lucas, were "taken for a ride."

## "Dad" Elliot Holds Student Forums

Veteran Y. M. C. A. Workers Gather  
Students Around Him in Round-  
Table Discussion Groups

Dr. Elliot, prominent speaker and college worker of the State Y. M. C. A. is on our campus.

Yesterday morning he spoke before the faculty and student body in Chapel and opened his series of Chapel addresses upon the general subject of moulding Christian character while in college. Last evening he gave a thought-provoking talk to the fraternity men who assembled at the Bond and Key house. During the day many of the male students met him privately in the Y. M. C. A. room, and in the afternoon the athletes gathered behind the gymnasium to hear this former athlete from Northwestern speak on a subject of interest to them.

This morning he continued his chapel addresses with another inspiring talk, and plans to meet all the men in the Steele Science Hall this evening.

Tomorrow he will conclude his chapel talks and in the afternoon will discuss college problems with the members of the faculty.

Dr. Elliot has visited scores of colleges in the Y. M. C. A., and has met thousands of college men privately. These private interviews are his chief delight and those men on the campus who have not talked with him should take this opportunity while Dr. Elliot is here.

## Fraternity Council Announces Novel Dance Schedule

Faculty Social Committee Sanctions  
New Program of Seven Dances, Only  
Two of Which Are in Houses

"Fraternal organizations on the campus will have more dances during the coming semesters," announced President Ted Hershman of the Inter-fraternity Council, following a recent meeting of the group.

The faculty committee on social activities passed the dance schedule which the Inter-fraternity Council drew up last spring. The schedule includes the following dances:

Inter-fraternity Ball, Oct. 14, 1933.  
Homecoming Dance, Oct. 28, 1933.  
Christmas Dances, Dec. 9, 1933.  
Alumni Gymnasium; Dec. 16, 1933.  
Alumni Gymnasium.  
Pledge Dances: March 3, 1934, Alumni Gymnasium; March 10, 1934, Alumni Gymnasium.

Commencement Dance, June 1, 1934.

According to this schedule there will be four combined dances during the two semesters. The Christmas Dances, which have hitherto been "house" dances, will be taken care of in this manner. Two fraternities will divide the cost of holding a dance in the Alumni Gymnasium for all fraternity men on the week-end of December 9, 1933. On the following week-end the other four fraternities will combine to furnish another dance for all fraternity men. The Pledge Dance will be conducted in much the same manner.

This new system will take care of the two long felt needs of the fraternities. The program of combining two of the groups will cut the dance fees and the fact that dances are on consecutive weeks will most certainly aid materially in keeping the students at school over the week-end.

With this idea in mind the faculty social committee sanctioned the fraternity dance schedule.

The Social Committee of the faculty made the following suggestions to the Inter-fraternity Council for conducting the dances during the coming year.

1. Each fraternity and sorority should select in the beginning of the year the faculty guests for each of the dances to be held throughout the year or at least for one semester.  
2. Migration shall not be permitted during any of the dances, except the Commencement Dances, when Juniors and Seniors may be granted this privilege.

(Concluded on Page 4)

## Three Act Play to be Presented by K. D. P.

"A Woman's Way," a three-act play by Thompson Buchanan, will be presented by the Kappa Delta Phi Sorority in the college auditorium October 26. The play is under the direction of Dr. Paul Boeder. The cast is as follows:

Marian Stanton, Ruth Cherrington, Howard Stanton, Arthur Weber.  
Mrs. Elizabeth Blakemore, Gwendolyn Schlegel.  
Oliver Whitney, Daniel McKelvey.  
General Livingstone, William Morrow.

Mrs. Livingstone, Ruth Nelson.  
Bob Livingstone, Stanley Aughenbaugh.  
Sallie Livingstone, Millie Hines.  
Mr. Lynch, Penn Dively.  
Mr. Morris, Eric Shubert.  
Mrs. Belle Morris, Ludlow Nichols.  
Mrs. Stanton, Frances Hubler.  
Wilson, Robert Sala.  
The play is produced by special arrangement with Samuel French, of New York.

## Announcement

"The uncertainty of being able to secure a tennis court has caused considerable inconvenience. To eliminate this condition a daily court reservation plan is being introduced.

To reserve a court for a certain period call at the Alumni Gymnasium Office between 1:30 and 4:30 (no reservations will be made prior to 1:30), where reservations can be made for the following day.

"Reservations for Monday may be made Saturday morning between 9:00 and 12:00 noon."

## SUSQUEHANNA UNIVERSITY LAUNCHES SEVENTY-SIXTH SCHOLASTIC TERM

Dr. Chalmers W. Walck, Pastor of Sunbury Reformed Church, Principal Speaker at Exercises  
in College Chapel; Other Prominent Men Assist

MISS MARGARET KEISER

## Three New Members Join S. U. Faculty

Miss Keiser and Miss Borgwald Join  
Conservatory Staff, While Dr. Russ  
Succeeds the Late Dr. Allison.

Miss Margaret E. Keiser, who graduated from this conservatory in the class of 1926, has returned as a teacher of voice and theory. Miss Keiser comes here from Philadelphia, where she has taken the part of soprano soloist for many of the leading choral societies in and about Philadelphia in recent years.

While at Philadelphia she appeared six times at Temple University in concerts and as a soloist. Last spring, May 2, 1933, she appeared as guest soloist of the Susquehanna University Choral Society in a concert in Seibert Hall. Miss Keiser is a member of the Choral Art Society of Philadelphia, conducted by H. A. Matthews, famous teacher and composer. This society consists of seventy selected soloists of the city of Philadelphia. She is an active member.

## Dr. Houtz Celebrates Eightieth Birthday

Former S. U. Professor Has Been Active  
in College and Church for  
Almost 50 Years; Friend of Many

Dr. Thomas C. Houtz, retired Susquehanna Professor of Mathematics and Astronomy, celebrated his eightieth birthday on Thursday, September 28. The felicitations of the entire community are extended to the venerable professor, who, having reached the goodly age of eighty years, remains active and interested in college, civic, and church affairs. Today an enviable career may well be reviewed by this grand old man of Susquehanna University, beloved by hundreds of graduates of the college, and admired by all who have come in contact with him during nearly fifty years of continuous service in school and church.

It is only in the past two years that Dr. Houtz has not actively engaged in teaching Mathematics and Astronomy at the local institution. He has been connected with the college since 1885, a longer service than that of any other professor. Dr. Houtz has seen many changes during his years at the University, which in the early years was known as Missionary Institute.

That Dr. Houtz, recompensed as he must be by the satisfaction which comes in retrospect, may live many more years and continue graciously as he has in the past to accept life's changing order, is a birthday gift-wish to one of Seelingsgrove's most loved citizens.

The seventy-sixth year at Susquehanna University was formally opened by a special service held in the College Chapel September 21. Dr. Chalmers W. Walck, pastor of the First Reformed Church at Sunbury was the principal speaker. President G. Morris Smith presided at the opening exercises.

Susquehanna started its fourth quarter-century period with an enrollment that almost equalled that of last year, although according to the College Registrar, there has been a slight decrease in the Freshman class.

In addition to Dr. Walck's enlightening address at the opening exercises, greetings were brought by Dr. William M. Reardon, Milford, President of the Susquehanna Synod and President of Susquehanna's Board of Directors; Dr. Harry C. Michael, Johnstown, past president of the Allegheny Synod and also a member of the College Board of Directors; and Rev. John A. A. Ziegler, Los Angeles, California, son of Susquehanna's second president.

In the main address of the morning, Dr. Walck spoke on "The Mysteries of Life." In opening his fine talk, Dr. Walck stated that the unexpected and mysterious do not often cross our path but this is the time that something great happens.

"Mastery of self means success," said Dr. Walck. Adjustment is a great thing and there must be harmony between the individual and the laws of the world. He pointed out that if a reasonable degree of harmony be attained, then some success should also be the reward.

Dr. Walck blamed the many failures which are noticeable in our world today upon the misfits in society. He urged the student body to choose a vocation early in life, but to be certain of a wise choice. "Aimlessness in the ways of life is disastrous." "Put first things first." He closed his address by stating that today we talk too much of success and not enough of the success of failures.

In addressing the student body during his part of the opening exercises, President Smith stated that this institution looks hopeful to the laudable efforts of President Roosevelt and the national government to bring back employment systematically. "Our differences, if any, with the N. R. scheme (Concluded on Page 4)

## CO-CAPTAINS SET UP NEW RECORDS AT CARLISLE IN C. P. C. T. C. MEET

### Susquehanna Runners Take Fourth Place at Fast Intercollegiate Meet as Swarm Lowers Hurdle Time and Meyers Clips Old Century Mark

Susquehanna University's co-captains of track Johnny Meyers and Bill Swarm, hung up their spiked shoes amidst a blaze of glory Saturday afternoon at Carlisle where each shattered a record in the Central Pennsylvania Intercollegiate Conference track meet as the Selinggrove institution captured a fourth position in a close line-up in the Class B events.

The order and number of points tallied by the colleges in Class B follows: Drexel, 44; Albright, 35; Juniata, 33; Susquehanna, 31; Ursinus, 14; Dickinson and Franklin and Marshall tied for first place in the Class A sector. Swarm gained additional laurels in the meet by tallying 15 points for high honors in the Class B events.

In the first event of the afternoon, the 120-yard high hurdles, Swarm dashed over the bars in the fast time of 15.7 seconds, to erase the mark set up by Groff of Juniata in 1926. The former record was good at 16 seconds. Later in the afternoon, Swarm annexed the 400-yard dash and broad jump. In the quarter-mile event Swarm was running within a fifth of a second of a new record, but unfortunately not realizing this, slowed up near the finish.

Meyers broke the century record in the second event of the afternoon as he equaled the distance in 10.2 seconds, to lower the former mark by two seconds which was created by Steele of Ursinus last year.

Truckenmiller, another Orange and Maroon senior, picked up two thirds in the 400-yard dash and 220-yard dash. Oberdorf took a fourth place in the javelin.

Officials and followers of the C. P. C. T. C. meet claimed this year's meet to be one of the fastest in its history. Another outstanding feature was that most of the times and records of the Class B sector surpassed those of Class A.

Summary (Class B): 120-yard high hurdles won by Swarm, Susquehanna; second, Brevda, Drexel; third, Ramer, Juniata; fourth, Test, Drexel. Time: 15.7 sec.

100-yard dash won by Meyers, Susquehanna; second, Van Horn, Drexel; third, Wirth, Drexel; fourth, Jones, Juniata. Time: 10.2 sec.

100-yard dash won by Bartholomew, Albright; second, Myers, Juniata; third, Flegal, Juniata; fourth, Doolittle, Drexel. Time: 4 min. 37.1 sec.

400-yard dash won by Swarm, Susquehanna; second, Light, Juniata; third, Truckenmiller, Susquehanna; fourth, Jones, Juniata. Time: 50.4 sec.

Freshman medley race won by Drexel, Hoffman, 880; Stevens, 220; Graham, 440; Layton, mile; second, Juniata; third, Susquehanna. Time: 8 min. 25.6 sec.

Shot put won by Goss, Albright; second, Finnerty, Drexel; third, Hepler, Albright; fourth, Heisinger, Juniata. Distance: 42 ft. 8 1/2 in.

Two mile run won by Cobick, Juniata; second, Lockhart, Drexel; third, Sutin, Ursinus; fourth, Sautter, Ursinus. Time: 10 min. 35.2 sec.

High jump won by Shippe, Albright; tie for second, Pole, Ursinus and McDonough, Juniata; fourth, Russell Drexel. Height: 5 ft. 8 1/2 in.

Discus won by Dittman, Albright; second, Goss, Albright; third, Martin, Drexel; fourth, Bear, Drexel. Distance: 133 ft. 4 1/2 in.

Pole vault tie for first, Fisher and Sheaffer, Drexel; third, Dellinger, Juniata. Height: 10 ft. 11 in.

220-yard dash won by Van Horn, Drexel; second, Tropp, Ursinus; third, Truckenmiller, fourth, Fisher, Drexel. Time: 23.5 sec.

800-yard run won by Bartholomew, Albright; second, Christ, Juniata; third, Brian, Ursinus; fourth, Eckhardt, Drexel. Time: 2 min. 3.4 sec.

220-yard low hurdles won by Meyers, Susquehanna; second, Fletcher, Juniata; third, Shade, Ursinus; fourth, Guggenheim. Time: 26.8 seconds.

Broad jump won by Swarm, Susquehanna; second, Wirth, Drexel; third, Meyers, Susquehanna; fourth, Kennedy, Drexel. Distance: 21 ft. 3 in.

## Lebanon Valley Nips Winning Streak, 1-0

Valley Nine Breaks Pitching Duel by Scoring Lone Rally on Errors in the Seventh; Stars Stars

Susquehanna lost to Lebanon Valley in one of the best battles ever to be staged on the University Field, last Wednesday afternoon, by the score of 1-0.

The game was a pitching duel the entire way between Yaros of Susquehanna and Smith of Lebanon Valley, both pitchers allowing five hits each, but Yaros was by far the most effective of the two, having been credited with ten strikeouts as compared with five for his opponent.

The two teams fought on even terms until the seventh inning, at which time the Orange and Maroon defense went to pieces, and Lebanon Valley scored the line tally of the game. In this inning Smith, first man up for Lebanon Valley, struck out; Arndt, the third baseman, singled into center field and was advanced the whole way around on successive errors by Alexander on Barthold's fly to left field; by Maguire on Rust's boulder down third; and by Morrow on Burns's slow roller to second; Konko struck out and Williams was out at first. Maguire to Eisenhower.

Susquehanna came to bat in their half of the same inning with vengeance in their hearts and nearly tied the score. Sassaman, first man up, was thrown out at first by the shortstop; but successive singles by Eisenhower, Anderson and Alexander filled the bases. The situation looked pretty rosy for the Crusaders, three men on base and only one out—almost any kind of a tap would score a run, but Maguire, next up, took three healthy swings. Freddy Carl stepped to the plate and sent a shot just to the left of second base that looked like a sure hit, but Rust, the Lebanon Valley shortstop, coming in fast, took the ball and tossed it to second base, forcing Alexander and retiring the side without a score.

This practically concluded the threatnings of both teams for the remainder of the game and thus ended a most thrilling game and broke the Crusaders' heretofore unbeaten record. Score:

## Nine Drops Final Tilt to Delaware Hens, 3-0

Captain Hugh Brininger denied the Delaware Blue Hens a single earned run in his farewell appearance in a Susquehanna baseball uniform, but came out on the short end of a 3-0 score on Saturday, in the season's final on University Field.

Infield misuses and batting weakness, especially in the pinches, led to the Crusaders' downfall at the hands of the team which they defeated so convincingly earlier in the season.

Brininger weakened in the sixth frame, after a brilliant pitching duel with Nickle, of the Blue Hens, which extended over five scoreless innings. Then he allowed a base on balls and fumbled Hudson's roller to place two men on base, both of whom scored when Maguire threw wild past the home plate in an attempt to thwart the ensuing squeeze play.

One hit, two more errors, and a sacrifice enabled the visitors to score their third run in the following inning.

Probably the most dramatic moment of the contest was earlier in the game, when Delaware placed a man on third base with only one batter retired, and threatened with the familiar squeeze play. Brininger, however, aimed two successive pitches directly at the batsman who was attempting to bunt, and the ball finally popped high in the air, enabling Sassaman to retire the hitter and double the runner off third base.

Susquehanna played men in scoring position on several occasions but lacked the necessary punch to send them across the plate with the much needed rallies. Nearly every inning the Crusaders hit the ball hard, only to watch the Delaware ball hawks scurry far and wide in the outer gardens to gather in eleven such drives. Only Stan Benner succeeded in reaching the opposing hunter for two solid smashes for the Orange and Maroon.

Jimmy Yaros pitched the last two innings, retiring six batsmen in succession. A ninth inning rally was choked off when Benner died stealing, after his second hit.

The box score:

Delaware		AB	H	R	O	A	E
Hudson, 3b	.....	4	1	1	2	1	0
Benner, rf	.....	4	0	0	3	0	0
O'Connell, ss	.....	4	0	0	0	1	0

## DR. ALLISON, SUSQUEHANNA PIONEER, DIES SUDDENLY DURING THE SUMMER

### Late Professor of History and Political Science Stricken at Baltimore After Operation; Former Dean of College and Summer School Director

Susquehannans the world over have been saddened with the passing of Dr. Herbert A. Allison after an operation at the Johns-Hopkins University Hospital at Baltimore, July 17. Dr. Allison devoted thirty-seven years of his life in unstinting service to Susquehanna University.

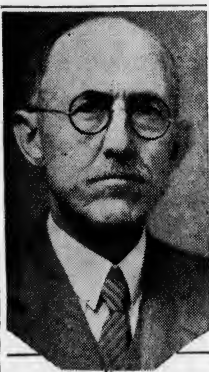

Born near Gettysburg, Pa., July 24, 1873, Dr. Allison was the son of Samuel M. and Anna Allison. He was graduated from Gettysburg Academy in 1890, and received the degree of A. B. with honors, from Gettysburg College in 1894, where his ability in Greek, Latin, and Mathematics elicited the admiration of his teachers and classmates, winning for him honorable mention in the Freshman and Junior Latin prizes.

In 1897 he received the degree of M. A. from Gettysburg College; as a graduate student he attended Cornell University in 1900, and Boston University in 1909. Carthage College granted him the degree of Doctor of Literature in 1914.

From 1894 to 1895, Dr. Allison served as Professor of Mathematics in Palatine College (later Albright) at Myerstown, Pa. In 1895 he studied law, but in 1896 accepted a call to Susquehanna University where he held the chair of Greek and History, until he became Professor of History and Political Science, a field which he entered as a pioneer. For many years he was a member of the American Academy of Political and Social Science, and the American Historical Association.

Through his study at Cornell University, he conceived the idea of founding a summer school at Susquehanna, and in 1903 he organized the six-weeks summer session on the Selinsgrove campus. Dr. Allison served as Director of the Summer School during several of its early years and, from 1918 to 1928 he held that post continuously. As Dean of the College and chairman of the committee on admissions, Dr. Allison inaugurated many improved methods of administration for student credits, admission to college, care of absences, student records and other regulations connected with the dean's office.

On August 15, 1900, Dr. Allison was united in marriage with Rosa May Wagner of Milton, Pa. The children are Dorothy Elaine, now Mrs. Warren M. Stone, of Warren, Pa.; Samuel (Concluded on Page 4)

DR. HERBERT A. ALLISON

## Frosh Stage Annual "Get-Away" Quietly

Shaheen, Lucas, Richards, and Ayres  
Are Chosen to Lead First Year Students

Early Wednesday evening, September 27th, the freshmen once more upheld Susquehanna tradition by staging a "get-away." Following the custom of classes of former years, the frosh chartered a street car, which carried them to Sunbury, farm from the belligerent sophomores. There, in the car, a hurried voting took place, and as a result, Raymond Shaheen was elected president of the class. Paul Lucas was selected as vice president, and Mary Beth Richards, with Ruth Ayres, were given the offices of secretary and treasurer, respectively.

The big event was rather peaceful and without disturbance, with the exception of what happened to a popular member of the sophomore class. It seems this particular gentleman was treated involuntarily to a cold shower. In return, freshman rooms in Hasinger were rather disarranged, and President Shaheen and his aid, Lucas, were "taken for a ride."

## "Dad" Elliot Holds Student Forums

Veteran Y. M. C. A. Workers Gather  
Students Around Him in Round-  
Table Discussion Groups

Dr. Elliot, prominent speaker and college worker of the State Y. M. C. A. is on our campus.

Yesterday morning he spoke before the faculty and student body in Chapel and opened his series of Chapel addresses upon the general subject of moulding Christian character while in college. Last evening he gave a thought-provoking talk to the fraternity men who assembled at the Bond and Key house. During the day many of the male students met him privately in the Y. M. C. A. room, and in the afternoon the athletes gathered behind the gymnasium to hear this former athlete from Northwestern speak on a subject of interest to them.

This morning he continued his chapel addresses with another inspiring talk, and plans to meet all the men in the Steele Science Hall this evening.

Tomorrow he will conclude his chapel talks and in the afternoon will discuss college problems with the members of the faculty.

Dr. Elliot has visited scores of colleges since he entered upon his life work in the Y. M. C. A., and has met thousands of college men privately. These private interviews are his chief delight and those men on the campus who have not talked with him should take this opportunity while Dr. Elliot is here.

## Fraternity Council Announces Novel Dance Schedule

Faculty Social Committee Sanctions  
New Program of Seven Dances, Only  
Two of Which Are in Houses

"Fraternity organizations on the campus will have more dances during the coming semester," announced President Ted Hutchinson of the Inter-fraternity Council, following a recent meeting of the group.

The faculty committee on social activities passed the dance schedule which the Inter-fraternity Council drew up last spring. The schedule includes the following dances:

Inter-fraternity Ball, Oct. 14, 1933.  
Homecoming Dance, Oct. 28, 1933.  
Christmas Dances: Dec. 9, 1933.  
Alumni Gymnasium; Dec. 16, 1933.  
Alumni Gymnasium.  
Pledge Dances: March 3, 1934, Alumni Gymnasium; March 10, 1934, Alumni Gymnasium.

Commencement Dance, June 1, 1934. According to this schedule there will be four combined dances during the two semesters. The Christmas Dances, which have hitherto been "house" dances, will be taken care of in this manner. Two fraternities will divide the cost of holding a dance in the Alumni Gymnasium for all fraternity men on the week-end of December 9, 1933. On the following week-end to furnish another dance for all fraternity men. The Pledge Dance will be conducted in much the same manner.

This new system will take care of the two long felt needs of the fraternities. The program of combining two of the groups will cut the dance fees and the fact that dances are on consecutive weeks will most certainly aid materially in keeping the students at school over the week-end.

With this idea in mind the faculty social committee sanctioned the fraternity dance schedule. The Social Committee of the faculty made the following suggestions to the Inter-fraternity Council for conducting the dances during the coming year.

1. Each fraternity and sorority should select in the beginning of the year the faculty guests for each of the dances to be held throughout the year or at least for one semester.
2. Migration shall not be permitted during any of the dances, except the Commencement Dances, when Juniors and Seniors may be granted this privilege.

(Concluded on Page 4)

## Three Act Play to be Presented by K. D. P.

"A Woman's Way," a three-act play by Thompson Buchanan, will be presented by the Kappa Delta Phi Sorority in the college auditorium October 26. The play is under the direction of Dr. Paul Boeder. The cast is as follows:

Marian Stanton, Ruth Cherrington. Howard Stanton, Arthur Weber. Mrs. Elizabeth Blakemore, Gwendolyn Schiegl.

Oliver Whitney, Daniel McKelvey. General Livingstone, William Morrow.

Mrs. Livingstone, Ruth Nelson. Bob Livingstone, Stanley Aughenbaugh.

Sallie Livingstone, Millie Hines. Mr. Lynch, Penn Dively.

Mr. Morris, Eric Shobert. Mrs. Belle Morris, Ludlow Nichols. Mrs. Stanton, Frances Hubler.

Wilson, Robert Sala.

The play is produced by special arrangement with Samuel French, of New York.

## Announcement

"The uncertainty of being able to secure a tennis court has caused considerable inconvenience. To eliminate this condition a daily court reservation plan is being introduced.

"To reserve a court for a certain period call at the Alumni Gymnasium Office between 1:30 and 4:30 (no reservations will be made prior to 1:30), where reservations can be made for the following day. "Reservations for Monday may be made Saturday morning between 9:00 and 12:00 noon."

## SUSQUEHANNA UNIVERSITY LAUNCHES SEVENTY-SIXTH SCHOLASTIC TERM

### Dr. Chalmers W. Walck, Pastor of Sunbury Reformed Church, Principal Speaker at Exercises In College Chapel; Other Prominent Men Assist

MISS MARGARET KEISER

## Three New Members Join S. U. Faculty

Miss Keiser and Miss Borgwald Join  
Conservatory Staff, While Dr. Russ  
Succeeds the Late Dr. Allison.

Miss Margaret E. Keiser, who graduated from this conservatory in the class of 1926, has returned as a teacher of voice and theory. Miss Keiser comes here from Philadelphia, where she has taken the part of soprano soloist for many of the leading choral societies in and about Philadelphia in recent years.

While at Philadelphia she appeared six times at Temple University in concerts and as a soloist. Last spring, May 2, 1933, she appeared as guest soloist of the Susquehanna University Choral Society in a concert in Selbert Hall. Miss Keiser is a member of the Choral Art Society of Philadelphia, conducted by H. A. Matthews, famous teacher and composer. This society consists of seventy selected soloists of the city of Philadelphia. She is an active member. (Concluded on Page 4)

## Dr. Houtz Celebrates Eightieth Birthday

Former S. U. Professor Has Been Active  
in College and Church for  
Almost 50 Fifty Years; Friend of Many

Dr. Thomas C. Houtz, retired Susquehanna Professor of Mathematics and Astronomy, celebrated his eightieth birthday on Thursday, September 28. The felicitations of the entire community are extended to the venerable professor, who, having reached the goodly age of eighty years, remains active and interested in college, civic, and church affairs. Today an enviable career may well be reviewed by this grand old man of Susquehanna University, beloved by hundreds of graduates of the college, and admired by all who have come in contact with him during nearly fifty years of continuous service in school and church.

It is only in the past two years that Dr. Houtz has not actively engaged in teaching Mathematics and Astronomy at the local institution. He has been connected with the college since 1885, a longer service than that of any other professor. Dr. Houtz has seen many changes during his years at the University, which in the early years was known as Missionary Institute.

That Dr. Houtz, recompensed as he must be by the satisfaction which comes in retrospect, may live many more years and continue graciously as he has in the past to accept life's changing order, is a birthday gift-wish to one of Selinsgrove's most loved citizens.

The seventy-sixth year at Susquehanna University was formally opened by a special service held in the College Chapel September 21. Dr. Chalmers W. Walck, pastor of the First Reformed Church at Sunbury was the principal speaker. President G. Morris Smith presided at the opening exercises.

Susquehanna started its fourth quarter-century period with an enrollment that almost equaled that of last year, although according to the College Registrar, there has been a slight decrease in the Freshman class.

In addition to Dr. Walck's enlightening address at the opening exercises, greetings were brought by Dr. William M. Reaick, Milliford, President of the Susquehanna Synod and President of Susquehanna's Board of Directors; Dr. Harry C. Michael, Johnstown, past president of the Allegheny Synod and also a member of the College Board of Directors; and Rev. John A. Ziegler, Los Angeles, California, son of Susquehanna's second president.

In the main address of the morning, Dr. Walck spoke on "The Mysteries of Life." In opening his fine talk, Dr. Walck stated that the unexpected and mysterious do not often cross our path but this is the time that something great happens.

"Mastery of self means success," said Dr. Walck. Adjustment is a great thing and there must be harmony between the individual and the laws of the world. He pointed out that if a reasonable degree of harmony be attained, then some success should also be the reward.

Dr. Walck blamed the many failures which are noticeable in our world today upon the misfits in society. He urged the student body to choose a vocation early in life, but to be certain of a wise choice. "Aimlessness in the ways of life is disastrous." "Put first things first." He closed his address by stating that today we talk too much of success and not enough of the success of failures.

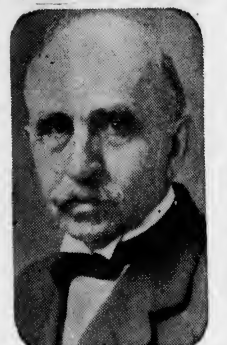

In addressing the student body during his part of the opening exercises, President Smith stated that this institution looks hopeful to the laudable efforts of President Roosevelt and the national government to bring back employment systematically. "Our difficulties, if any, with the N. R. scheme (Concluded on Page 4)

Introducing "Moment Musicale"

This week THE SUSQUEHANNA takes pride in introducing to its readers a new column . . . a new type of column.

What do the seniors of our university, or any other university or college of the liberal arts class, know about music?

Not to speak of the trends of music throughout the ages, but merely of the great music masters . . . which any public school student should know . . . Who was Wagner, and what did he write? Why was the younger Strauss known as the "Waltz Writer of the Kings?" What of the supreme struggle between the "elder and younger Strauss?" What bearing did this conflict have on the later writings of both of these men?

To show the incompetent knowledge of most graduates of colleges note the following illustration: A college graduate, holding a Bachelor of Arts degree, was seated in a room listening to the radio; a college sophomore was also in the room. The radio announcer was telling of the next selection. He said, "The next selection is a delightful waltz by the younger Strauss." The college graduate looked a bit surprised and said, "I never heard of his band. What kind of a sax section does he have? Something like Wayne King, I suppose?" The Sophomore walked out of the room to keep from laughing in his face. Does not this prove that the cultural background of the liberal arts student needs improving? This graduate is now teaching in some high school, flaunting his cultural ignorance to the world.

Barring the conservatory students, it is a fair wager to say that fifty per cent of the students in our university know nothing concerning Strauss, father and son, except that they were known for their waltzes.

Such ignorance as this is not reserved only to music . . . Knowledge of philosophy, metaphysics, art and literature are primarily uninteresting to the college student.

Culture is not hard to take . . . Let us try a teaspoon full with a tincture of the modern. Look for MOMENT MUSICALE.

Susquehanna

By Dr. George F. Dunkelberger

The functions of institutions of learning change with the changing social order. The older colleges of America were essentially training schools for the Christian ministry. In fact none but those destined for the so-called learned professions attended college at all. Now all this has changed. The college population today constitutes a heterogeneous group. Its interests are diversified and the goal of preparation ranges from farming to medicine and from business to the Christian ministry.

While the primary purpose of Susquehanna University at its inception was the training of young men for the Christian ministry, its purpose today is no longer restricted to that field alone. It provides a curriculum of a fundamentally cultural and liberal training preparatory to any one of the major professions as well as a few highly technical curricula leading to Business, Commercial Life, and Music. While Susquehanna must always remain a high-grade Liberal Arts College, it must be even more than that to justify its existence as a church college. It must be a standard "A" College plus, but this plus must not be something added to it by accretion or something superimposed upon it. This plus must be an integral portion of Susquehanna and yet be its differentiating characteristic from State institutions.

A graduate of Susquehanna should be all that a graduate from a first-class State institution is, to say the least, and still be something more than that. The church has a right to expect the church college to give its students during the four years of training something that makes for a growing Christian personality in the life of the community where they may choose to reside. Its graduates must constitute the Christian leadership of our country that will make possible an intelligent Christian following on the part of the masses.

"New Deal" In Tennis

In return to a plea in THE SUSQUEHANNA last spring for a better organization of the tennis courts the following plan

has been formulated in the Physical Education Department.

Students desiring to use courts during the day, must sign up for use of a court during a certain hour on the preceding day.

This plan will surely alleviate an uncertain playing time and will aid materially in keeping the courts in use at the most logical times. Likewise, there will be no bother or fuss in keeping your tennis engagements. Remember you must register yourself for court use at the Alumni Gymnasium on the day preceding the hour you wish to play. NOTE BOX ON PAGE ONE!

Being Polite

Carolyn's mother had taught her to be polite and always say "thank you" and "if you please."

She was making cookies, some of them dark and some light-colored, and told her little daughter to help herself. Carolyn took a light cookie and began eating it.

"Haven't you forgotten something?" asked her mother.

"I guess I did. I forgot to take one of those black ones," came the unexpected reply.

PROGRAM

## English Actor Opens Star Course For '33

Program Includes Drama, Debating and Vocal as Well as Instrumental Music; October 30 Marks Opening Date

Susquehanna's Star Course for the coming season will include drama, debating, and vocal as well as instrumental music, for the entertainment of the students and the general public. Monday, October 30, V. L. Garfield, the English actor, appears in a series of dramatic interludes, in costume and make-up, which are presentations of the principal characters from the drama of Job, Strepsades from Aristophanes, Francois Villon's Permet the Archer, Shakespeare's Hamlet, and William Congreve's Lady Wishfort. The second half presents Charles Dickens' Uriah Heap, Sienkiewicz's Nero, Gilbert and Sullivan's Lord Chancellor, and Japanese, Russian and French characters.

Tuesday, November 21, the Greek Byzantine Vocal Ensemble of five men will present a program of exotic music from the Far East, including strange melodies of Archalee Greek and Byzantine origin. Mr. Vronides, the director, and his vocalists, started as a singing group of soldiers in Macedonia during the World War.

Thursday, February 15, two talks will be offered, constituting a debate upon the China-Japan dispute about Manchuria. The viewpoint of China is to be given to America by Dr. No Yong Park, educated at Harvard and a native of Manchuria, who is a student of Chinese problems. Japan will be represented by Kinokuke Adachi, Japanese editor and international reporter. These two men are admirably able to present directly to Americans the sentiments and actual situation of their own people in problems that affect the whole world.

Tuesday, March 6, two instrumentalists of rare gift bring the Star Course to a close: Frank Mannheim, pianist, and Dr. Rollo Maitland, organist, of Philadelphia. One feature of their program will be a concerto for piano and organ.

### DR. DUNKELBERGER SPEAKS TO BEAVER SPRINGS P. T. A.

Dr. George F. Dunkelberger, dean of the college, was the speaker at the Beaver Spring Parent-Teachers Association on Wednesday evening, September 27. This was the first meeting of the year, and Mrs. Frederick Brennan, of Beaver Springs, presided.

## SORORITY NOTES

### Omega Delta Sigma

Omega Delta Sigma sorority was very happy to pledge as a member Miss Bessie Back.

The sorority entertained over the week-end Miss Enza Wilson. Miss Wilson is a member of the alumnae.

Miss Louise Mehring visited her home over the week-end.

Miss Mary Eltringham entertained Miss Rose Runk at her home over the week-end.

Miss Alice Smith, a pledged member of the sorority, visited her home in Virginia this past week-end.

### Kappa Delta Phi

Miss Ruth Cherrington spent the week-end at her home in Catawissa.

Miss Dora Stitzer was admitted to active membership in the sorority at a meeting last Wednesday evening.

Miss Naomi Stonerifer visited her home over the week-end.

The parents of Miss Lois Long visited her over the week-end.

## Publishes Sermons

DR. G. MORRIS SMITH

## Six Sermons of Dr. Smith Published

President Contributes Sermons to New Volume Entitled "Epistle Messages;" Seven Other Men Also Contribute

President G. Morris Smith has recently contributed to a new volume of sermons published by the United Lutheran Publication House entitled "Epistle Messages." The volume contains thirty-seven sermons written by seven clergymen, including Dr. Smith. Our president contributed six sermons on the following themes: Keeping the Feast, Overcoming the World, Patience Under Suffering, The Persuasive Power of Goodness, The Saving Power of the Word, and What Is Religion?

In publishing the anthology the publishers state that sermons on the appointed epistles of the church year have good assurance of being welcome. A supplementary edition to this volume will include the epistles for the Trinity Season. The contributors to this second volume will be drawn from various sections of the United Lutheran Church.

Other writers for the first anthology are: Oscar F. Blackwelder, D.D., Baltimore, Maryland; Charles B. Feelsch, Ph.D., Charleston, S. C.; Paul J. Hoh, S.T.M., Philadelphia, Pa.; Paul H. Krauss, D.D., Fort Wayne, Ind.; Herman F. Miller, Reading, Pa.; and Paul E. Scherer, D.D., New York, N. Y. A volume of this scholarly work can be found in the University Library.

## Moment Musicale

Being the Non-Technical Ramblings of a Music Lover

"Song of Songs," the movie starring Marlene Dietrich, shows what can be done with the addition of good music to good acting. Weaving in and out through the picture, is the Sixth, or Pathetic Symphony of Tschakowsky. This is one of the most beautiful symphonies ever written by this composer and it lends much of its beauty to the telling of a charming story. Anyone who claims to dislike "classical stuff" after seeing this picture most certainly is in a pitiful state of musical "disappreciation."

Most people like popular music; it's vibrant rhythm and "catchy" melodies set our toes tapping and our hearts singing. In spite of people who call it "tripe," "noise" and an "evidence of barbarism" I say that popular music can be beautiful. It doesn't always depend on rhythm, trite musical phrases, or on the weird, muted, twisted tones of the "wah wah horns"; once in a great while there comes an original, simple, yet intricate melody, which possesses real beauty, and which, when orchestrated in the full powerful manner of Paul Whiteman, or in the light, airy style of Guy Lombardo, really approaches the beauty and sub-

tlety of a classic. The almost forgotten "Star Dust" is such a melody. If only there were a "Home for Reserving Popular Tunes," where such a melody could be nourished and kept alive in its old age and not permitted to die along with the ordinary tunes which live their allotted span of weeks and are gone forever.

Anyone who wants to spend an uninterrupted hour, lost in music and his own thoughts, should listen to the Cathedral Hour on Sunday afternoons, from four to five o'clock. This program can be heard through WABC, New York; WCAU, Philadelphia, and other Columbia network stations. It will be an hour well spent.

One of the newer, and prettier of the new and pretty waltzes, is a piece called "Moonlight Madonna." Let's hope that it isn't played to death as so many good tunes have been. "The Shadow Waltz" has, I think, suffered this fate. The same has been true of

that clever tune by Harold Arlen, "Stormy Weather;" and now "Lazybones" is on the downgrade because it has been overdone. It is certain that a beautiful melody must pay the price of death for being too popular.

## DAN GREGORY AND HIS ORCHESTRA TO APPEAR AT INTER-FRATERNITY BALL

Decorations for the Gymnasium and Dance Programs to be Omitted in Accordance With the Dean's Request to Lower Expenses

The initial dance of the winter season, the Inter-Fraternity Ball, will be held in the Alumni Gymnasium on Saturday evening, March 14. Ted Hutchison, president of the Inter-Fraternity Council, announced that he had engaged Dan Gregory to furnish the music. President Hutchison was indeed fortunate to secure the services of such a "name" band as that of Dan Gregory. This dance unit has been, for some time, making records for Victory; they have just closed a very successful summer season at Lake Hopatcong, New Jersey, located outside of Newark, and have also broadcast many times over the Columbia Network. The band furnishes not only the best of modern music, but also a first-class entertainment. The feature entertainer was formerly connected with Floyd Mills, another dance unit of note. His program will consist of comedy skills and vocalizations. The entire orchestra, consisting of thirteen artists, presents many vocal numbers in dance rhythm.

President Hutchison also announced that in accordance with Dean Dunkelberger's request to lower unnecessary expenses, decorations for the Gymnasium and dance programs are to be omitted.

It is believed that because of the reductions in expenses, and the procuring of such fine music and entertainment, the attendance will exceed all previous years. The dance is open to both pledges and actives. Admission is paid by fraternity members and pledges to their own houses, and this, in turn, is handed over to the treasurer of the Inter-Fraternity Council.

## Dean Announces Faculty Schedule

Monthly Meetings to be Conducted in New Way This Year; Program to be Carefully Prearranged

The monthly faculty meetings at Susquehanna University for the current year will be conducted in a new way, Dean Dunkelberger announces. Usually, faculty meetings take the form of discussing current school problems that are largely individual in their nature and could better be solved in private conference or by small committee groups. This year a carefully prearranged schedule has been worked out with the problems dealing with college teaching, organization, and administration.

While assignments have been made to specific faculty members from month to month, all faculty members are requested to take a considerable amount of collateral reading paralleling these monthly assignments. Among the questions for study are the newer college plans in experimental operation in a few of our leading colleges and the desired nature and character of a liberal arts college in a constantly changing society. The objective of this faculty program of study is to effect such changes and re-organizations at Susquehanna as will make for a higher quality of service to her constituency.

—Susquehanna advertisers make this publication possible—patronize them.  
—Subscribe for The Susquehanna.

## Musicians Notice!

If there are any students who play (or at one time have played) violin, 'cello, or viola with or without orchestral experience, Professor Elroy L. Allison, conductor of the Susquehanna Symphony, is desirous of meeting with them. Auditions will be given by appointment to those who wish to enter the Susquehanna Symphonic Society. It is the purpose of the society to give frequent performances during the coming season. The programs will contain many interesting compositions of appreciable worth, and the study and experience derived from taking part in the society should prove most profitable.

## Annual Photography Recently Completed

Editor Henry Well Pleased With Progress of Lanthorn; Pictures Returned Within Three Weeks

Donald Henry, the editor of this year's Lanthorn, and his able staff, have already begun the work on the new Lanthorn. Mr. Henry gives a very favorable and encouraging report of the work already completed.

All the photography has been finished, with the exception of a few group pictures and those of the Conservatory of Music. A representative from the Zamsky Studio, in Philadelphia, has been working on the campus during the past week, and reports that all pictures will be returned within the next eighteen days.

The general outline of the book has been set up and the art theme completed. An Indian theme will be used this year, featuring Shikemey, the famous Indian chief. A store of information will be given based upon the folk lore of this section. No doubt all of us, including the new students, have heard about Shikemey's profile which can be seen at the edge of the mountain opposite the athletic field.

All indications point to an excellent publication this year.

## Fraternity Rushing Tactics Forced Into Shade as Mystery of Words Clio and Philo Is Dispelled

Room 302 in Gustavus Adolphus, to which freshmen went their way three times a week to learn more about pro nouns and commas which they were sure they knew all about in high school, and that same room to which sophomores and juniors go to discuss "Evidences of Christianity" was formerly the meeting place of the Philo Literary Society, the keen rival of the Clio Literary Society.

Every college student was a member of one of these groups. It was the custom for each organization to hold its meeting every Friday evening. At these meetings were discussed all the various events of the day. Each member was given an opportunity to play, sing, debate, talk extemporaneously, or display his talents in any form he chose. The societies were well organized, having a President, Vice President, Secretary, Treasurer, Musician, and Chaplain. It was considered quite a high honor to become an officer in one of these organizations—particularly of the Philo society, which, according to them, was the society of the campus.

There has been much discussion and criticism of the rushing tactics of the sororities and fraternities on the campus today. But if that is prevalent on Susquehanna's campus it is a tradition handed down to us from Philo and

Clio. They would go to any limits to have a new student join their society. Their methods on the whole were much worse than those used today as they had no limitations or restrictions, no by-laws or rushing codes. It was their custom to meet new students at the station, to tag those that they wanted continually until they joined their group. Much worse than our customary semester of observation of new students, was their method of encouraging students to join at their first meeting. The men on the campus would even date the girls that they wanted to join their society and afterward have nothing more to do with them.

All social events were under the jurisdiction of these two organizations. It was the good fortune of the Philos always to obtain the alumni gymnasium to hold their parties, while the Clios had to be satisfied with the old music hall, which is now the Horton Dining Hall. Among the social events of the year was a big masquerade party held every Halloween and also a large and elaborate reception at Commencement time to which every one went attired in full evening dress. When rivalry was not too keen, there was a joint meeting of these societies which was by far the biggest event of the year.

## MOTHERS AND FATHERS TO VISIT OUR CAMPUS ON ANNUAL PARENTS' DAY

President Smith to be Master of Ceremonies at Fifth Annual Parents' Day Banquet; Football Contest Also Arranged for Visitors

## Crusader Grid Team Meets First Defeat

Numerous Fumbles Mar Chances for Victory Over Intrepid Moravian Foe; Rishel and Martinec Star

Losing their first game since the 1931-32 season, the valiant Crusaders eleven went down before the superior passing attack of the Moravian grid-men in the final period of the game at the High School field in Bethlehem on Saturday. The game was the first of the season, and although the Crusaders lost by a very small margin of 6 to 0, the effect of this defeat should have no influence on the rest of the games this season.

Several fumbles ruined the chances for scoring by the Ulstermen. In the first period after five minutes of play the local gridders had the ball on Moravian's fifteen yard line, but were unable to score because of a fumble. This difficulty should be ironed out before we meet Haverford on University field in this week's game.

The only score of the game came in (Concluded on Page 4)

## University Debaters Decide Question for the Forensic Season

The twelfth annual meeting of the Debating Association of Pennsylvania Colleges, was held in Harrisburg, Penna., Saturday, October 7, at the Penn-Harris Hotel.

Twenty-one colleges were represented. There were eighteen faculty members present and twenty-eight students representatives. Professor R. W. Gilbert, coach of debating at Susquehanna, together with Professor G. N. Wood, and three students, Henry Cassler, Ralph Shockey, and Harold Rowe made up the delegation from Susquehanna University. Professor Gilbert, former secretary-treasurer of the association, was chosen vice-president of the organization.

The questions selected by the association were:

1. Resolved—That the essential features of the National Recovery Act should be adopted as the permanent policy of the United States government.
2. Resolved—That the Federal Government should own and operate all banking institutions in the United States.

(Concluded on Page 4)

On Saturday, October 14th, the fifth annual Parents' Day will be observed at Susquehanna University with a program that has been arranged by the Faculty to bring the parents of the students in closer touch with activities on the campus.

All classes will be dismissed at 11 a. m., and from 11 o'clock until 11:30 a special tour will be made of the campus and the various buildings will be open for the inspection of the parents, and members of the faculty will be in each building for the purpose of showing the parents the entire school and its activities. At eleven-thirty other members of the faculty will be in the social rooms of Seibert Hall and on the front porch to receive the parents informally and make them feel that they have a hearty welcome to the Alma Mater of their sons and daughters.

At 11:45, dinner will be served in Horton dining hall with President G. Morris Smith as the master of ceremonies. The program that has been arranged at this time is as follows: the speakers to represent the parents are Mrs. D. Edgar Hutchison and Rev. George B. Pfifer, and Dr. John L. Woodruff will represent the faculty. During the meal an organ recital will be given by student members of the Conservatory of Music.

After dinner the president of the Y. W. C. A., assisted by various members of the Cabinet will greet the mothers of all the students in Seibert Hall social rooms, where an informal program has been arranged. At 2:30 p. m. the Crusader eleven will lock horns with Haverford on University field.

(Concluded on Page 4)

## S. U. Opens Series of Radio Broadcasts

University to Present a Program Every Friday from WKOK at Sunbury; Under Supervision of Conservatory

Susquehanna University opened a program of broadcasts over station WKOK at Sunbury on Friday, September the twenty-ninth.

The program consisted of three songs sung by Professor Stevens, accompanied by Mrs. Stevens, and a talk "Character Education in America," by President G. Morris Smith.

No nation is stronger than its citizenry, was his theme. He showed that the finest thing an individual can do in behalf of his country is to help bring about in the average American the highest type of character. In the developing of a strong people there are three primary instrumentalities: first, the home; second, the school; and third, the church.

There is no substitute for proper home training. The principles of reverence and loyalty to high ideals are inculcated around the family hearth. If the atmosphere in the home is irreverent or irreligious, the young person is greatly handicapped in attaining a fine character.

In the school, the next source for character building, great emphasis is placed on the matter of character in the choice of public school teachers, and in the assembling of college faculties. A good life is chosen by young people partly through their taught, but also through the quiet influence of a noble and true teacher.

The last element in character forming, the church, and its agencies, are (Concluded on Page 4)

## Program for Parents' Day

- 11:00—Dismissal of all classes.
- 11:30—Visiting buildings.
- 11:30—Informal reception by Faculty at Seibert Hall.
- 11:45—Dinner, Horton Dining Hall.
- 1:30—Y. W. C. A. greeting to Mothers, Seibert Hall.
- 2:30—FOOTBALL GAME, Susquehanna vs. Haverford.
- 4:30—Informal Tea, Seibert Hall.
- 6:00—Inter-Fraternity Dance.

## Anemic "Bull Sessions"

Two New York University psychology professors recently declared that student "bull sessions" didn't weigh much. They claim that these unorganized sessions justify their existence primarily on the grounds that they furnish recreation and aid in the formation of opinions.

Allowing that these statements are true, most certainly the session is a definite aid to the educational institutions. The real aim of education is the formation of thinking men and women, and if the liberal arts curriculum stimulates an exchange of opinions, it most certainly has done much to improve the status of thinking.

What justifies classroom methods, if they are nothing of any value? The recitation period is nothing but a directed discussion, an "elevated bull-session." The best of intellect is brought into force in argumentation; otherwise why should the professor maintain that discussion periods are of value?

Attitude and opinion make the man and of these two the opinionated man far outdoes the man of attitudes. The student offers nothing to humanity so long as he crams his nose in a textbook . . . as soon as he steps to the front and discusses his knowledge with associates and friends his work is bearing fruit. As long as he keeps himself aloof from the knowledge of the mob he is one-sided, lop-sided, but at the moment he sets himself to the task of discussion he immediately aids his fellow-men, himself and his country . . . to say nothing of the value to his university. The "crammer," the exclusive student, the nose-to-the-grindstone can never do much to develop himself or his campus. The elevated "bull-session" is the answer.

## Is Columbia on the Verge

It appears that Columbia University is about to be plunged into another collegiate scandal. What can be the truth of the many turbulent uprisings which face this educational institution with regularity each year?

Every year the body politic of the collegiate world is rudely interrupted by the cry of "insurgent" from some Columbia publication. Last year THE SPECTATOR furnished headline material for the leading New York papers, and this year the entire Columbia student body is wrought up to fever heat because of an "outlaw" handbook which advised the freshmen to ignore the class regulations.

From the New York Evening Post: "The handbook lambasts the fraternities as snobbish and ultra-conservative. Charges were made of corruption in the undergraduate politics."

Dr. Nicholas Murray Butler was highly incensed at the vicious attacks on the institution and refused to write a welcome letter in the booklet. It appears that the material in the booklet is even more outrageous than at first suspected and may finally lead to a complicated disruption of the class rules.

It is hardly possible that the editor of this insurgent handbook can be hoping to gain for himself some notable recognition for his culpable slander of university regulations. After the sad ignominy of the late editor of THE SPECTATOR such a plan would be foolish. If he is expecting to gain publicity on the front pages of daily newspapers as a vociferous, blatant monger of collegiate radicalism, he will succeed. It is a far cry, however, from the present day traditionalism of university life to a new, sentimental type of socialistic "insurgency." He would have done better, if his reforms had faced the formed intellect of the mature students rather than the ribald, effervescence of the first-year men.

## Question of Tradition

Susquehanna holds many traditions, dating from the distant past of the Missionary Institute to the present of last year's undefeated football team. Even now tradition is in the making, but we let these time honored things pass by unnoticed.

It shall be the effort of THE SUSQUEHANNA in the next four issues to review the misty traditions of the past and point out the paths of embry traditions. In this edition a discussion

will be found pointing out the misty records which have been known in the past as CLIO and PHILLO.

Even at this early date the notable record set up by last year's year's grid machine is falling into a gradual decay. It is doubtful if the new students have received any information concerning the CRUSADER QUADRANGLE . . . the commemoration of Susquehanna's first undefeated sports team.

The CRUSADER QUADRANGLE was built last fall with funds that were pledged by the student body to preserve for posterity the record of the iron men of 1932-33. This football eleven most certainly deserves recognition for such a notable feat. The Quadrangle is tradition in the making and its history should become part of every student; just as surely as the chorus of our Alma Mater becomes part of every student.

## THE GRAB-BAG

### A Letter Persuading a Student to Stay in College

Dear Harry:

I have just finished reading your letter for the third time. I have placed myself in your position, and have carefully weighed and explored every sentence. I sympathize with you.

Harry, have you ever heard of the man who wrote western stories, while seated in his New York apartment overlooking the East River? You remind me very much of this man. You see, he had never been out of New York City, and in his imagination, all his hero cowpunchers were, without exception, gifted with a set of beautiful sparkling teeth, you good looking point for the story, but not a truth. His point of view was horribly distorted when it came to painting a western atmosphere in words. All he ever knew of the great west was that which he extracted from books. His perspective was pitiful. I say you remind me of this man—let me explain.

In your letter, you complain of being made to take such terrible courses as psychology and philosophy. You have taken and applied courses of both of them twenty-four hours a day, ever since you were born, and probably never realized it! How about the day you were about to ask dad for a dollar, and found him in his office all upset about the stock market? Do you ask him? Not then—you waited until the storm clouds passed, and then your request was granted. Quite a practical application of both psychology and philosophy! You will meet similar situations in your battle with life later on, and your college courses of psychology and philosophy, by giving you new facts, are going to show you how to get that dollar!

I read very carefully the paragraph in which you say you are not progressing. That every statement tells me you are! Have you ever ridden in a train, and seen from the window another train alongside you, moving in the same direction at the same speed? If it were not for the clicking of the wheels and swaying of the coaches, it might be a very difficult thing for you to determine if you were actually moving forward. I shall never forget the time when I became discouraged with my music lessons. I felt exactly as you do now—felt that I was not progressing. I told my teacher so, and he immediately asked me to sing the first exercise in my book. I was rather puzzled, but did as he requested, and as I played, to my own astonishment, realized the great ease with which I could finger those few whole note in comparison with my first attempt a few months ago. Do you see the point, Harry? You move with yourself; you do not definitely determine progress. Take some fixed point and use it as a means of measuring your progress. Do you know more about the brain today than you did a year ago? Do you understand life a little better than you did a year ago? You are progressing!

After you have read the above, I hope that I have been able to show you that you are writing western stories while looking at the East River for inspiration. Do you see my analogy? I write western stories too, but I have moved from my New York City apartment to Texas!

Always your friend,  
DON.

## ALUMNI NOTES

Miller Gerhardt, '30, is now employed as a chemist at the Cambria Plant of the Bethlehem Steel Corporation in Johnstown. However, he has not given up his musical career. His string trio may be heard over several radio stations in the western part of the State.

William M. Schnure, '99, had the honor of projecting the first Susquehanna film at the capital of the film industry, Hollywood, California, while recently visiting his mother and sister in that city.

Dr. P. J. Herman, '71, of Selinsgrove

celebrated his eighty-second birthday on September 13th. Dr. Herman is one of the oldest practicing physicians in the State, having had his Snyder county practice for over fifty years.

One of the recent visitors on Susquehanna's campus was the Reverend John A. M. Ziegler, of the class of '63. He is the son of Dr. Henry Ziegler, second president of Susquehanna. He is now a resident of California. He gave a very inspiring talk at our seventy-sixth formal opening, September 21st.

Samuel E. Ziegler, of the class of '32, was recently injured in an automobile accident near Tamaqua. His many friends at Susquehanna are glad to hear that he is on the road to a speedy recovery. Dr. Foster U. Gift, '93, director of Religious Education in the Lutheran Deaconess Motherhouse Training School at Baltimore, Md., is the author of a recent textbook on psychology. The book sets forth those elementary principles of psychology that are generally applicable to work of the school, particularly schools of religion.

Mary Weaverling, of the class of '32, was unable to resume her work as a member of the Roaring Springs High School faculty this year. She has been very ill with typhoid fever. We wish for her a rapid recovery.

Edna Williamson, '32, is now a member of the Danville High School faculty. Her duties as a Latin teacher began with the opening of the fall term in September.

Two prominent Susquehanna alumni were united in marriage on September 5, 1933, when Miss Margaret A. Hoffmeister, daughter of Mr. and Mrs. Theodore Hoffmeister became the bride of Mr. Fred R. Fisher in St. Michael's Lutheran Church, Brick Church, Pa. Both Mr. and Mrs. Fisher were members of the class of 1931. While at Susquehanna Mr. Fisher was manager of Varsity Track and a member of Phi Lambda Theta fraternity. Mrs. Fisher was also well known on the campus.

## SPORT SAUCE

By "CHIEF"

Susquehanna's unfortunate defeat at Moravian should relieve the team and the student body of a great strain, at least. No more need we sit in an agony of suspense before the radio, for the fateful news that we dread to hear (i. e.) that our team has had its string of victories broken.

But the loss of one game does not mean a poor season. This is the time for the student body to rally behind the team, cheer them one hundred per cent, and by a true fighting spirit literally to push forward to a glorious successful season. I know that our team is going to fight harder than ever, if we only show them that they have something to fight for.

Just think what might have happened if Moravian had muffed that pass as they had done a few plays before; or if Captain Lee Rishel could have evaded that last man in his path to the goal line. A different story would have resulted.

But this is no time to be ruminating in the past. We must look forward to winning the game that remains to be played. Yet, win or lose, we should always keep in mind the prayer of the true sportsman:

"Dear Lord, in the battle that goes on through life,  
I ask but a field that is fair,  
A chance that is equal with all in the strife.  
To struggle to strive and to dare,  
And if I may win, let it be by the code,  
With my faith and my honor held high;  
And if I must lose, let me stand by the road,  
And cheer as the winner goes by."

## SORORITY NOTES

Kappa Delta Phi

Miss Alfarata Stelmas spent the week-end at her home in Harrisburg. Miss Norma Stelmas was taken to active membership of Kappa Delta Phi sorority at a meeting last Wednesday evening.

## Moment Musicales

Being the Non-Technic Ramblings of a Music Lover

Leopold Stokowski, conductor of the Philadelphia Symphony Orchestra, is finding the music for a forthcoming film drama entitled "The Great Dictator," starring Kathryn Hepburn and John Barrymore. It will be interesting to see what this great musician will do for "the movies."

From time to time, people with a dislike for popular music point out that it is "all the same," and, indeed, with the exception of a few real, original, beautiful pieces in the popular class, they are right. In the modern jazz of today, we do find much that is the same. Probably the most consistent point of sameness is in the utilization of a few basic rhythmic patterns from which the modern "Tin Pan Alleyites" seldom deviate. But this, I think, is more the fault of the people who demand these types of rhythm than of the writers themselves. It's just another case of giving the public what it wants.

The other, and more important element of sameness, however, is that of melodic parallels. You can find one or two in almost every popular song. But these parallels can neither be blamed on the public nor the composers, except to a small degree. In writing a melody, it is very easy for a person unconsciously to use some bit of another tune which he has heard sometime, somewhere, and which, because of its appeal, has remained with him, to reappear, without his realizing it, in a piece of his own composition. A striking example of two melodies identical in their first lines is the similarity of that beautiful piece of a few years ago called "Only a Rose" and this recent not so beautiful number, "Marching Along Together." The first phrases of each are identical. I don't say or think that there was any intentional plagiarism committed here. It is just an outstanding example of how an appealing musical phrase will be unconsciously repeated. One of the unconscious parallels is in that new bit of modern sentiment, "Good Night Little Girl of My Dreams," which upon hearing for the first time, I took to be the old song which its tune closely resembles, "The Spanish Cavalier." And a newer ballad, "The Night We Met," starts off with a tune like that of the classic "Barcarole," from the Tales of Hoffman. Personally, I like Mr. Offenbach's composition best . . .

I am indebted to Paul Lucas for some information about the supposedly new waltz, "Afternight Madonna," which I mentioned here last week. It seems that it is not at all new, but merely a new arrangement by Ted Weems of a Bohemian composition, "Poem," by Zdenko Fibich.

We've been used to getting popular tunes from musical comedies and big musical screen productions for quite some time, but now we get a song hit from a Walt Disney animated cartoon. It is "Who's Afraid of the Big Bad Wolf," and the cartoon is a Silly Symphony called "The Three Little Pigs."

The New York Philharmonic Symphony Orchestra, with Bruno Walter conducting, can be heard now on Sunday afternoons through the Columbia Network. This week, the works interpreted by this great orchestra organization were Beethoven's Sixth Symphony, the tone poem by Richard Strauss, called "Death and Transfiguration," and three excerpts from "Faust." Those who have learned to appreciate real music, and those who want to learn to appreciate and love it, should hear this world famous orchestra next Sunday. Excerpts from Wagner's "Die Gotterdammerung" will be a feature of the broadcast.

Y. M. C. A. DISCUSSES FODSICK'S "TWELVE TESTS OF CHARACTER"

The Y. M. C. A. met in the "Y" room on Sunday afternoon at 1:30 to study the second chapter of Harry Emerson Fod's book, "Twelve Tests of Character." The topic for study was "Seeing the Invisible." Raymond Shaheen was in charge of the discussion; he brought out such thoughts as "Jesus could see the invisible" and "The main difference between man and animal is that man can see the invisible." He also brought out many other equally interesting thoughts.

The Y. M. C. A. meets every Sunday afternoon to discuss some important question. Harold Rowe led the first discussion of the year. Ernest Huston will lead the meeting next Sunday afternoon at which time the topic for discussion will be "The Privilege of Living."

—Subscribe for The Susquehanna.

## Scibert Hall Echoes

Thoughts at Random—It's funny how rain set people to singing "Stormy Weather." Wonder if the waiters enjoy the conversations they hear at the tables—Three campuses last week and I didn't know it till three days afterwards. What is Scibert coming to?—Those little hammers beside the "In Case of Fire—Break Glass" always tempt me—There's always a Freshman who looks like somebody somebody knows—Selbert has a new clock. It's about time—These thin sets of sweat suits the girls are wearing—Wish someone would donate some water and gold fish to chase the cobwebs from the pool in front of Steele—Speaking of gold fish, where are the two who inhabited the Quadrangle pool?—Wonder how many Freshmen know what the Quadrangle commemorates?—The multi-colored napkins in the dining room—Why don't the Freshman girls hold a Dean's Dance this year? Now when we were Freshmen—These embryo Jeannie Langs who harmonize from 10:00 to 10:30 every night in Scibert—It's surprising how many Freshman girls go home over the week-ends—Hassinger has already inaugurated the annual business of phone money calls to Scibert—They must have their little jokes—Those mirrors on Market street are handy at times—The Ye College Inn sign is still hanging—Hear some of the Freshmen have the desert schedule down to a system already—How many hearts were broken when the football tables went into effect? Why do phone calls and caters always come when I'm out?—Who ever heard of Welshis?—And I got up at six o'clock to prepare a nine o'clock class last Wednesday—Wonder what will appear on the ruins of Phi Mu's old house?—It seems to be the season for broken noses on the football squad this year—Friday night movies are popular with co-eds. They furnish talk over week-ends—Those archery targets remind me of Grendel in Beowulf—The oppressive heat in the rooms at Scibert—Wonder why I'm writing this anyway.

## "A Woman's Way" to be Presented by K. D. P.

"A Woman's Way" will be presented by the Kappa Delta Phi sorority in the college auditorium, October 26.

Peter Blackwood has replaced Daniel McKelvey in the cast for the role of Oliver Whitney. Otherwise, the cast remains the same.

"A Woman's Way" is a comedy of smart people, with a flavor of character study to give it dignity.

Thompson Buchanan, the author, was a college graduate and a newspaperman. Two of his novels, "The Castle Comedy," and "Judith Triumphant," were published by Harpers. His other plays include "Life" and "The Intruder."

Mr. Buchanan's comedy was produced in the Harris Theatre in New York in 1909 with Grace George in the leading role. Since then it has been in great demand by American stock companies, averaging to the present about twenty-five weeks a year. It has also been produced in London.

## Women's Council Holds First Dinner Meeting

On last Wednesday night, October 4, Scibert Hall's governing body, The Women's Student Council, held a dinner meeting, where plans were laid for this winter's activities. The members of the Council were seated at a separate table in the dining hall with Miss Hade and President Ruth Nelson at the head. At this meeting suggestions were offered for improvements which might be made in Scibert Hall and on the campus in general. Each member of the council was appointed head of one of various committees whose duty is to improve conditions here at Susquehanna.

## Local H. S. Grid Stars on '33 Crusader Squad

Five former local high school football players are battling for jobs on Coach Bill Ulery's Crusader eleven. The local candidates for posts on the team are Captain Lee Rishel, Dick Fisher, captain of the local scholastic team four years ago; Jim Sholly, Harry Swope, and Jimmy Grove. All these boys received their elementary grid training from Coach Pete Bollig, an alumnus of Susquehanna. Ken Badger, another Snyder county boy who had great possibilities this season, will be off the gridiron for the major portion of the season through an attack of scarlet fever.

Captain Rishel and Dick Fisher are veteran Crusaders. Rishel is a half-back and earned varsity "S's" for the past three seasons. Fisher has played with the varsity since his freshman year. Both will end their collegiate careers this season. Jimmy Grove is a candidate for a guard berth and is also a senior, but did not report for the grid sport during his sophomore and junior years. Jim Sholly and Harry Swope are two of the best-looking piebald prospects on the squad. Sholly is a halfback and Swope plays at tackle. Sholly was also a member of Mount Carmel High School's championship team several seasons ago.

Coach Ulery gave his charges their first test of scrimmage this year, last Saturday, and has repeated this order several times since then. Although quite a few members of the squad are green as to the ways of the Orange and Maroon, several teams are developing rapidly and a new forward wall is gradually taking shape. A backfield has also taken on polish but the quantity of backs is the alarming element to Coach Ulery.

The first game with Moravian at Bethlehem, was played Saturday, October 7. The first home game is scheduled with Haverford on October 14, Parents' Day.

A young man was doing his own shopping. He said to the pretty girl behind the draper's counter: "I want a pillow case, please." "Yes," said the girl. "What size?" "The young man looked awkward. "Why—er—I'm not sure," he said, "but I take a 7 1/4 hat!"

## Ernie Nevers Refuses To Direct Grid Film

Hollywood, Cal.—(IP)—Because he said he believed the film would reflect on the national college game, Ernie Nevers, assistant football coach at Stanford University, and former all-American fullback, last week quit his job as technical director of a football movie being filmed here.

Nevers had been employed to direct a movie designed to show a college badly in need of money hiring a great football coach and a squad of stars to pull the institution out of the red.

"I don't want to be identified with such a picture," Nevers said after ten days on the job. "Such a thing is the exception rather than the rule. It would reflect on the college game."

## Sorority Women Picnic Frosh Women at Green

Scarcely a member of the "Fair Sex" could be found about the campus on Saturday afternoon between the hours of three to seven. It was the day of the Inter-Sorority picnic, and practically all the girls had emigrated to Rolling Green park. The guests of the event were the members of the Freshman class and other new students. The several sororities joined hands this year

in their "rushing season" as the event was sponsored by all the sororities. This plan gave the new students an opportunity to enjoy the fellowship of all the members of the sororities of the campus. This departed from the previous custom of rushing season, as in former years each sorority acted individually.

Having arrived at the park at 4:00 o'clock, the girls spent the time, until the evening meal was served, by playing the popular game, "Hare and Hound" chase. Following the serving of the meal, the real fun began. The several sororities presented stunts. First on the program was the act of the Sigma Sigma Delta girls with Pauline Crow playing the part of a school mistress in a Deaf and Dumb school room scene. "The Ballad of Waller Lot" with Elva Winkelmbeck playing an important role was the contribution of the Sigma Alpha Iota group. Third on the program came the "Mock Wedding Ceremony" of the Kappa Delta Phi girls. Frances Hubler starred in this dramatic presentation. The represen-

tatives of the Omega Delta Sigma brought the series of playlets to an effective conclusion with their enactment of the skit, "The Fatal Quest." This Inter-Sorority picnic was under the general chairmanship of the president of the Council, Daisy Reese.

## BIOGRAPHY OF LATE DR. MANHART IS PREPARED BY SON, GEO. B. MANHART

**Late Dean of Seminary Was Graduate of Gettysburg College, First President of University, and Superintendent of Missionary Institute**

Franklin Pierce Manhart was born in Catawissa, Pa., August 30, 1852. His father, George Manhart, had been brought to this country from Alsace in early boyhood, and during most of his life was a shoemaker in Catawissa. His mother, Elizabeth Bates Manhart, was of Pennsylvania German stock. After attending the public schools and the Academy of his native town, he taught for two years in ungraded one-room schools nearby. He graduated from the two years course then given at Missionary Institute in 1875, and from Gettysburg College in 1877. For the next three years he was teacher and principal in the Bloomsburg, Pa. High School, studied theology privately, and did supply preaching. He was ordained by the Susquehanna Synod in 1881, and then served as pastor in Bloomsburg for eight years. From 1889 to 1893 he was pastor of All Saints Lutheran Church in Philadelphia. He then became superintendent of Missionary Institute, and while the course was changed from two to four years and the name of the school changed, he became the first president of Susquehanna University. From 1895 to 1897 he did graduate work in History and Philosophy in the University of Pennsylvania. He served as pastor of the Lutheran Deaconess Motherhouse in Baltimore from 1897 to 1904, and took advantage of the opportunity to do further graduate work in Johns Hopkins University. He was professor of Systematic Theology and Church History and dean of the School of Theology of Susquehanna University from 1904 until June, 1933, when he was made professor emeritus. In the midst of plans for new activities, he died on September 13, 1933.

In 1889 he married Catharine Born, daughter of Rev. Dr. Peter Born, who for forty years was a teacher and administrator in Missionary Institute and Susquehanna University. She survives, together with a son, George B. Manhart, professor of History in DePaul University, and a daughter, Sarah B. Manhart, formerly a teacher in the Sunbury Public Schools and now conducting a kindergarten in Selinsgrove.

His interests and activities were always much broader than the prescribed fields of his immediate duties. While an undergraduate student, he began attending meetings of various organizations of the Lutheran Church. While a pastor at Bloomsburg, he initiated the movement that led a few years later to the establishment of the Deaconess Motherhouse in Baltimore. In 1901 he visited Europe, attending a conference of the heads of deaconess institutions, and studying various phases of the work of the Lutheran Church, especially in Germany. From youth on he was impressed by the division of the Lutheran Church into fragments, and took a special interest in all efforts to unite the various groups. His "Theses on Present Day Lutheranism" plead for more unity in spirit and

## College Calendar

### October

- 17—Tuesday—Rehearsal Class, 4:15 p. Chapel
- Band Rehearsal, 6:45 P. M., Gym
- Girls' Glee Club, 6:45 P. M., Chapel
- 18—Wednesday—Campus Club, 3:00 P. M., Pine Lawn
- Fraternity and Sorority meetings, 6:00 P. M.
- 19—Thursday—Ladies' Auxiliary to Fire Co., 2:00 and 8:00 P. M., Chapel
- Orchestra Rehearsal, 6:45 P. M., Gym
- 20—Friday—Ladies' Auxiliary to Fire Co., 8:00 P. M., Chapel
- Susquehanna Staff, 3:30 P. M., G. A. 103
- Phi Kappa Club, 6:30 P. M., G. A. 205
- Halloween Party, 8:00 P. M. Gym
- 21—Saturday—Football game—St. Joseph (away)
- 22—Sunday—Vesper Service, 5:30 P. M., Chapel
- 23—Monday—K. D. P. Play Rehearsal, 6:30 P. M., Chapel.

## Crusaders Trample Haverford Eleven

**Eisenhower's Pass Interception and 55 Yard Run Accounts for Locals 6-0 Win Over Visitors on Saturday**

A galloping Crusader intercepted a Haverford pass and trampled 55 yards for a lone victory in the first Susquehanna victory of the season, defeating Haverford 6-0, before a fair-sized Parents' Day crowd. Susquehanna displayed a better brand of football than the preceding week, but lacked a certain push necessary to mark them as a winning aggregation.

In the opening play of the game, Wasilewski ran Haverford's kick-off back 18 yards to his opponent's 2-yard line. Following this spectacular run the Haverford line tightened and the Crusaders lost the ball on downs. This was most certainly the first index that the men lost to the line by injuries were sorely missed. Hanna recovered a blocked punt on the 25 yard line, but Susquehanna again lost the ball on downs. Captain Pleasant punted again and Steve Martinec did some fine line plunging to net the Crusaders two first downs. From that time on the game developed into a punting duel between Pleasants of Haverford and Martinec, local kicking ace.

Haverford attempted to break through the Crusaders' pass defense in the second quarter, but due to inaccuracy they were unable to complete their aerial attempts. Martinec made a beautiful punt from his own 30, which rolled into the end zone. Pleasant kicked from regular formation, which was destined to save the Haverford contingent from a much worse defeat. The quick punting of their captain most certainly played a major role in staving off Crusader threats all through the game.

Near the end of the second period, Haverford's captain pulled back to throw a pass, but Russ Eisenhower, a lanky tackle and one of the outstanding Crusader linemen, knocked down this pass, caught it, and dashed from his own 45 yard line to the goal line, making the only touchdown of the game. The locals failed in a rush attempt for the extra point.

The third and fourth quarters were purely punting duels between the two kickers, who averaged very nice kicks for their respective elevens. The monotony of the kicking was again broken up when Rich Fisher, Crusader center, intercepted an opponent's forward and ran 25 yards towards his goal before he was called back. Holding by the line, Fisher was responsible for a penalty at this juncture of the game. Hanna did some nice ground gaining in the last period, but the game ended without further scoring.

The line up:

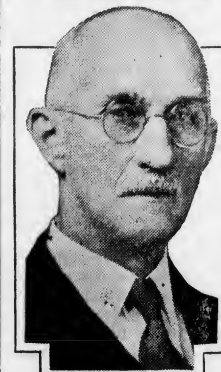

Susquehanna	Haverford
Roach	..... L. E. ....
Eisenhower	..... L. T. ....
Fisher	..... G. G. ....
Barni	..... R. G. ....
Swope	..... R. T. ....
Schlegel	..... R. E. ....
Wasilewski	..... Q. B. ....
Rishel	..... L. H. B. ....
Martinec	..... R. H. B. ....
Hanna	..... F. B. ....

## LARGE NUMBER OF PARENTS VISIT CAMPUS FOR ANNUAL CELEBRATION

**Mrs. D. Edgar Hutchison and Rev. George Pifer Speak for Parents at Banquet, While Dr. J. I. Woodruff Offers Greetings from the Faculty**

### Addresses Parents

DR. JOHN I. WOODRUFF  
Acted as Faculty Representative at the Parents' Day banquet held on Saturday noon at Horton Dining Hall.

## English Actor To Open Star Course

**Mr. V. Granville to Present Principal Characters from the Drama of All Ages; Actor to be Costumed**

Mr. V. L. Granville, the English actor, will open the first Star Course number in a costume recital of dramatic interludes on Monday evening, October thirtieth, at eight fifteen o'clock. Mr. Granville's most interesting presentation of the principal characters from the drama of all ages will be given in Selbert Hall Chapel.

The representative selections are given from the classical dramatists; the works of Shakespeare and other Elizabethan playwrights; the old comedies of manners and intrigue; and the plays of modern times. Admission to each member of the Star Course is seventy-five cents for those other than college students. These tickets may be procured in the near future at the office of the Conservatory of Music.

Culture and appreciation is life outcome and fulfillment of education. Susquehanna, realizing the necessity of acquiring this certain, subtle refinement, has inaugurated the Star Course.

The Star Course is comprised of several artistic presentations interpreted by the most talented artists of our day. These are golden opportunities to widen the horizon of appreciation in drama, music, and lectures of varying interests, as well as an extended privilege to be an auditor of the world's most worthy performers.

Susquehanna's Annual Parents' Day was celebrated in grand style on Saturday, October 14. Members of the school and faculty were well pleased in being able to greet so many of the parents and friends of the students. All classes were dismissed at 11:00 o'clock when the visitors were given the opportunity to tour the campus and inspect the various buildings. Dinner was served at 11:45 in Horton dining hall. The dining room was crowded to capacity. After the meal was served, President G. Morris Smith, acting as toastmaster, introduced Mrs. D. Edgar Hutchison, who gave a very brief address on Parents' Day activities. Reverend George B. Pifer then addressed the guests. He brought out a very significant analogy, showing that nothing good was obtained by short cuts. Dr. Woodruff, representing the faculty, delivered a talk which might properly be titled "Tolerance." The guests were entertained by organ solos played by Miss Marcella Chaya and Mr. Horace Hutchison, members of the Susquehanna Conservatory of Music.

Promptly at 2:00 Haverford kicked off to Susquehanna on the University field. Amid a galaxy of cheers, colors, and stirring band music, the Susquehanna eleven retired from the field with a victorious score of 6-0. Immediately after the game an informal tea was held in Selbert Hall for the faculty, their wives and visiting parents.

The day was climaxed by the Inter-Fraternity Ball, featuring Dan Gregory and his music.

Parents and friends who journeyed here Saturday were well pleased with the campus and its activities, and a hearty invitation was extended to all to again be visitors of Susquehanna in the near future.

## Abbot, Stauffer and Yaros to Head Men's Intra-Mural Board

An election of officers for the year was the feature of the initial meeting of the Men's Intra-Mural board of athletics which was recently held in the office of the Alumni Gymnasium. Prof. Luther D. Grossman, director of athletics, presided at the meeting. Those in attendance at the meeting were the representatives of the several classes and the fraternities of the campus. The work of the board, which is to arrange for all inter-class athletic activities, was explained by Prof. Grossman. The board will consider plans for inter-class soccer and football games to be played in the near future. The officers elected are Saviour Abbot, president; John D. Stouler, vice president, and Jacob Yaros, secretary.

## VICE PRESIDENT OF LOCAL Y. W. ATTENDS COUNCIL CONFERENCE

Hazel Naugle, the vice president of the local Y. W. C. A. and a member of the Central Pennsylvania Area Committee of the National Student Council of the Y. W. C. A., attended a meeting of this committee at Bloomsburg State Teacher's College this past week-end. The conference had representatives from many colleges in this section of the state.

## News Flashes

- Tuesday, October 10—N. R. A. acts to halt all profiteering in Buy-Now Drive. Counties to have Consumers Councils.
- Wednesday, October 11—McClure is named as Boss of Graft at Liquor Trial. Testimony so far links 53 with ring.
- Thursday, October 12—Raids by police halt march of Khaki Shirts. Action is taken after plot is discovered to steal weapons.
- Saturday, October 13—Any expansion of U. S. opposed by Roosevelt. President tells women in third annual Conference of Current Problems meeting in New York that we have no wish to annex neighbors' lands. He held that Imperialism is the sole peril to peace.

## Quartet of Brothers and Sisters Hail Susquehanna As "Family" College In Perusal of Musty Records

Susquehanna University may be called a "family" college, judging from the result of a recent investigation into the families that have sent more than one representative here.

The enrollment for this semester includes four complete sets of sisters and brothers. The Pritchard family has three representatives, all of whom are sophomores, Natalie, Roland and Robert. The Schlegel family has sent two members, Jerauld, a senior, and Gwendolyn, a sophomore. The Barnes family also present a brother and sister duo, Timothy, a junior and Mary, a freshman. Then there are the Hutchison brothers, Ted, a senior, and Horace, a sophomore. Each class in school has at least one member representative of these family groups.

In addition, the first three families mentioned have sent other students here. The Pritchards have an older sister, Dorothy, who graduated here. The Schlegels have an older brother, Martin, who graduated here in '29. The

Barnes have an older brother alumnus. The Phillips family is another family who has been well represented here, although at present, only one member, Aberdeen Phillips, a senior, is enrolled. In the generation just preceding, of the family of twelve, twelve were enrolled here at one time or another. It is interesting to note in this case, that of the twelve, there were six boys and six girls; six could sing well, and six couldn't sing at all; six were red-headed and six had black hair; six were born in Wales, and six in the United States. All twelve came to Susquehanna University. Of the present generation, the Phillips family has been represented in recent years by Henry Phillips, Elizabeth, and Margery Phillips, Adeline Wingard, and of course, Aberdeen.

Closely related to this family is the Ulrich family, that has also sent a number of students here, Helen Ulrich, Paul Ulrich, and at present, Sally Ulrich, another senior.

In addition there are many students on the campus who are the second or third representative of their family on the campus. Everyone knows the Wasilewski brothers of football fame last year. The older "Wasie" has gone to a school of dentistry, but young Walter still remains, as shown in his recent work on the football squad. Ernie Elmore, a junior, has a sister, Florence Elmore, who attended here two years ago. Mary Gelmett has two brothers who are alumni of Susquehanna, Clarence and Arthur Gelmett. Eleanor Oshesky's older sister, Edna, graduated here two years back. Just last year, Charles Jones' sister, Barbara, graduated here. Dorothy Baepke's sister, Mary, studied here at one time. Charles Mitchell has an older brother who graduated here. Penn Dively, editor of The Susquehanna, is the last of the Dively family, being preceded by two sisters, Ruth and Janet.

Even the Freshman class has its full

TUESDAY, OCTOBER 17, 1933

## A Study Hint

The library will now be open every Saturday evening for the usual period, from seven until ten.

The outcome, of course, is problematic and is dependent upon the attitude with which the students face this new opportunity. For library assignments over the week-end, this new period will most surely be valuable. For recreation and entertainment, this plan will allow freedom of time. In the past students wishing to do reference work over the week-end were handicapped by the noon closing of the library and students could not spend a "dead" Saturday night perusing the wealth of literature which can now be found on the shelves of the library.

The most common plea of the "week-end transient" was: "We have nothing to do over the week-end; no place to go; nothing to occupy our time." This excuse has played itself out, under the most recent plan of the administration.

This library plan has been adopted in many universities and colleges in order to aid their students to use the library more often. Dickinson College has even gone so far as to open the college library on Sunday evenings for the reading of the best literature that the centuries can offer. This may be an extreme measure, but it surely shows the trend of the collegiate world towards a better utilization of the library facilities offered. Wilson College has also adopted the Saturday night plan for student reading, merely to improve the reading conditions of the students.

If the students of Susquehanna whole heartedly utilize this new opportunity for the preparation of week-end assignments and for the improvement of their reading intellects the plan will be a success.

## Hassinger's New Deal

In a meeting held last Friday night, the resident members of Hassinger Hall decided to make their dormitory a better place in which to live by improving the conditions in general and electing representatives who will carry out the plans approved at the meeting.

For many years Hassinger Hall has been known as the noisiest place at Susquehanna and various "rough-housers" have made studying difficult at times. Miniature wars have been held in the corridors and practical jokes have upset many a studious individual's plans for the evening. Thoughtless individuals have used the social room for sleeping quarters and cushion-throwing contests.

Under the new regime all of this will be at an end. A representative has been elected from each floor to preserve the peace and see that the halls are kept in order. A program has already been planned for the beautifying of the Hall and its surroundings. The various members of the faculty that reside in the dorm have given the new plans their heartiest approval and have pledged their support in the carrying out of all of the measures.

But there are different phases of the project to be considered. Although the men in Hassinger turned out to the meeting practically one hundred per cent last Friday night and were unmistakably in favor of the reform, it must be brought to mind that those rules and suggestions that have been made must be obeyed and if they are infringed upon, or if there is a passive neglect to the surroundings, the plan will drop through and conditions will remain the same as before. It is necessary for every member of the dormitory to abide by the rules and to see that every one that breaks them is reprimanded. This is the first time that any such measures have been taken in Hassinger Hall and for all concerned the living conditions should be improved one hundred per cent.

## FORMER FACULTY MEMBER GIVES ANNIVERSARY TALK IN DELAWARE

Dr. W. A. Sadler, a former member of Susquehanna's faculty, spent the past week-end in Wilmington, Delaware. On Sunday he preached the

forty-fifth anniversary sermon at St. Stephen's Lutheran Church, the church he founded.

Rev. Park Huntington, who extended the invitation, is an alumnus of Susquehanna, and present pastor of this congregation.

## THE GRAB-BAG

### I Have Fed a Celebrity

My life has been a drab affair. I have never attended a first night. I have never been rescued from a watery grave, and I have never danced with the Prince of Wales or with anyone even slightly resembling that glamorous gentleman.

I have, however, fed a celebrity. Glorious retribution!

Celebrities are those creatures who columnists would have us believe live on a plane far removed from the rest of us, and eat perfumed rose leaves off upon gold-plated, or better than that, spurn food as an essential for the common variety of mortal.

Illusions die hard.

I approached my table—the same table I had approached in the same way for sixty-two meals—gently placed a menu upon an ordinary service plate and left to get my water-pitcher. Returning, I reached for the glass and filled it. Then it happened.

With pitcher in one hand and glass in the other I began to answer, "Yes, the roast beef is very fine tonight, sir." I looked, I gasped, a very lady-like gasp, but did not drop the pitcher.

I was gazing into the most photographed face of the moment. Unsteadily balancing the pitcher, I replaced the glass, gripped the order sheet, and fled. In the kitchen I incoherently shouted orders and was very bitter at the chef's lack of appreciation of the honor conferred upon him. He was not impressed, not he. "What do you think this guy is? Ain't he eating the same food as the rest of the mob's eating, huh?"

He couldn't understand that to me the consommé was pure liquid from the wild orchid; the meat, tender parts of sacrificial lambs offered to the gods; and the mousse, frozen, crushed moon-beams.

I finally got my order, and bearing my tray on high, advanced into the great room's presence.

It was a bit disconcerting to find him hidden from view behind a newspaper. I forgave him that and placed the consommé in front of him.

I hovered near until I saw that he had successfully finished it and then I departed for the rest of the dinner. Each course, as it was served to him, was consumed completely and very properly. I kept my vigil, grimly warning all those who started in the direction of my station that he was mine and that his table was to be held sacred at any cost.

Most anything could have happened, but it did not. He did not compose a sonnet to the rose in the center of the table, he did not rise suddenly, between the salad and the dessert and sing several rhyming couplets at the unsuspecting diners. I was a bit disappointed, but I kept faith.

Dramatically I turned to him and in a deep, hollow voice I spoke for his ears alone. "Would you like another cup of coffee?"

I should have liked to have offered him the moon, but did the best I could. He smiled, rose and very gallantly nodded to me while I gripped the back of the chair.

His place was empty. Lovingly I brushed the crumbs away and absently raised the plate for the customary tip.

It didn't matter a bit to me that the place was bare. I had served my idol. Everything else was empty.

## CERTAINLY!

### BY OBOE

Notice on wall: "Cheer leaders wanted; must be intelligent, neat in appearance, honest and diligent." Notice on same wall a week later: "Cheer leaders wanted; no qualifications necessary."

—The Polytechnic Reporter  
(Speaking of cheer leaders—couldn't Seibert Hall be represented on the cheering squad? How about it girls? Surely some of you fair sex are not too sophisticated to lend a hand to Ernie and the boys!)

Believe it or not: William Shakespeare attended the Economic Conference for Engineers at Johnsburg this summer.

—The Stute

How about each fresh being required to wear a large 37 on the seat of his pants? A date on every can, so you know it's fresh!

Dine and dance at the Red Onion Ballroom, just off the Volga, Smellingbad, Russia. (adv.)

Architect: "Now here is a room without a flaw."

Buyer: "My gosh, what do you walk on?"

## SPORT SAUCE

### By "CHEFF"

Eisenhower basulally admits that his 55-year dash led to the first touchdown he ever made in his life. This big tackle comes from Norry High.

Haverford didn't look any better than they did last year when Susquehanna defeated them 37-0, but the Crusaders hated too much bloodshed on Parents' Day.

Tice and Neff, both out on injuries, enjoyed the game from the sideline on Saturday because of the injuries. . . wonder if they enjoyed it more on the bench???

Then, too, Hanna and Schlegel have weak knees.

Wonder who the little chap was who seemed so attached to Bennardi during the band maneuvers between halves? The young fellow caused a lot of laughter from the crowd.

Incidentally, the suggestion was made that the selections, such as "MY DARLING," as played by our band, were rather inappropriate for a football game. Why not . . . "Marching Along Together," "You Gotta be a Football Hero" . . . pep . . . vigor . . . life.

## Moment Musicales

### Being the Non-Technical Ramblings of a Music Lover

People, often, in trying to find fault with jazz, point out the fact that it is never lasting; it's here today and gone tomorrow, whereas the classics have remained for years. This I admit, but I do not think that because popular tunes are soon forgotten they therefore serve no purpose. Of course, I don't put "Frankie and Johnnie" in the same class as the music from "Tristan and Isolde," but I do think that the so-called "hot" tune has its place. And I believe a person should be able to appreciate both types of music. Most people, however, are musically one-sided; they either like all classical or all popular music. And a person who likes one type, has no use for the other. Personally, I like both, with the classics having a greater appeal to me than jazz. Most young people in this day and age are rhythm-crazed; the general attitude toward classical music is that it is high-brow, dull, and uninteresting. Paul Whiteman and Guy Lombardo and some others in the field of jazz, realizing the beauty of some of the classics, have made dance arrangements of them, thus bringing them down to the level of the rhythm-seeking younger generation. I think, however, that the two are best left apart. The great music has so much more to it, that to "jazz it up" always spoils its beauty. But maybe I'm wrong; it's all very confusing.

I wonder how many know that there were two Johnnies Strauss, father and son, and that each of them strove for the title of "Waltz King." The elder Strauss, it was, who first introduced the real Viennese waltz. Feeling that his sons, Johann, Joseph, and Edouard might exceed his fame, he tried to divert them into banking and other non-musical pursuits. The battle between

father and son began when the younger Strauss announced in Vienna that an orchestra, conducted by himself, would play both his and his father's compositions, and the world could decide which were the greater. This battle raged in the world of music until, a short time before the death of the elder Strauss in 1849, a reconciliation took place. The verdict of Time has seemed to be in favor of the younger Johann, because his waltzes have survived and his father's have not.

This new, sprightly, rhythmic tune with the catchy lyrics, "Thanks," is at its best, I believe, when played by that smooth Lombardo outfit. It reminds us a little of "Please," but what matters that?

Another very appealing melody is the new one called "The Day You Came Along." And, of course, Mr. Lombardo can give "everything" to that too.

Out of the tunes of last summer, two seem to stand out in my mind. They are "Under a Blanket of Blue" and "Love is the Sweetest Thing." I wonder why? The latter is still popular with the better bands; it came from England, by the way.

## ALUMNI NOTES

Prof. Calvin V. Erdly, of the class of 1920, is the new Superintendent of Hanover Public Schools. Previous to this time he has served as Supervising Principal at Phillipsburg, and Superintendent of Schools at Hollidaysburg. Professor Erdly is an American Legion officer, having served in the World War. While at Hollidaysburg he was president of the Kiwanis Club and president of Central Pennsylvania Conference District of the State Education Association.

Rev. Park Huntington, class of 1917, is at present pastor of St. Stephen's Lutheran Church in Wilmington, Del., of which Dr. W. A. Sadler is founder.

He is State Chaplain of the American Legion, a member of Phi Delta Kappa, professional educational fraternity, which is composed of men who are making education their profession. At present he is also working for his Ph.D. at the University of Pennsylvania.

## Fifty-Five Girls Join Y.W.C.A. Organization

According to present indications, the Y. W. C. A. will have an interesting and active year. Fifty-five girls so far have shown their interest in the organization by becoming members. As regular activities of the "Y," weekly devotional meetings are held on Thursday evening at ten P. M., a Sunday School Class for women students is sponsored at Trinity Lutheran Church, and vesper services are conducted with the Y. M. C. A. every Sunday in the Chapel at 5:30 P. M. In addition to the special activities mentioned in this year, plans are being made with the Y. M. C. A. for a Halloween Party and the presentation of a Christmas Play. Besides these contributions on the campus, the Y. W. C. A. is interested in the World Fellowship Movement and is planning a project which will broaden our scope of interests and influence.

The income of the Y. W. C. A. is derived from membership fees, a portion of the profit from the Handbook, and any special money-making project that might be conducted. The receipts this year have been \$109.00; from this must be paid the national dues which are \$25.00, and all expenses connected with the business of the organization, parties, entertainments, and a World Fellowship Project. It is also our hope to send delegates to several student conferences.

We feel that this program is worthy of every student's support because of its endeavor to aid the spiritual and social life of the campus, not to mention the opportunity it offers for leadership and to broaden our outlook by its connection with other colleges and the work in a foreign field.

## DISTINGUISHED ALUMNUS GIVEN GREAT HONOR AT CARTHAGE

Dr. Ira W. Bligman, a member of the class of 1907, has been made President of Carthage College, at Carthage, Illinois.

This distinguished alumnus of Susquehanna has rendered his community a varied, unselfish, and effective service. He is at present pastor of the Luther Memorial Church, president of the Mineral Association, a Director of the Y. M. C. A., a Director of the Chamber of Commerce, District Governor of the Rotary Club, and Chairman of the Civic Department.

Susquehanna extends congratulations and best wishes for success in his new undertaking.

## Professor Sheldon and Rev. Keister Compose And Publish Two Songs

Professor E. Edwin Sheldon, director of the Conservatory of Music at our University, has just received published copies of "Two Songs," music which he has recently composed.

Rev. Dr. Lawrence Keister, former president of Lebanon Valley College, wrote the words for the two poems that Prof. Sheldon set to music. "A Color Scheme," and "His Autograph" are the two songs. The first is dedicated to Mrs. Keister, and the second to Mrs. Sheldon.

Words of the songs are as follows:

### A Color Scheme

Winter snow is nature's white,  
None is ever squandered;  
Green takes rank in summer days,  
And is often launder'd.

Blue is always in the sky,  
With its friendly greeting  
For the green or for the white;  
One or other meeting.

Nature has a color scheme;  
You may long have known it;  
For in all the broad domain,  
She has surely shown it.

All the colors nature knows,  
All her tints and blending,  
Are arranged to furnish us  
Loveliness unending.

### His Autograph

When morning stillness earth enshrouds,  
I see God's writing in the clouds;  
And I believe much more than half,  
That this is His own autograph.

So fine the hand, so bold in use,  
It must impress, if not induce  
Each honest heart to see up there  
A friendly call to early pray'r.

Before the stress of toll begins,  
And men confess each other's sins,  
Methinks 'tis well for men to try  
To read God's writing in the sky.

## Lutheran Students Assemble at Wagner

The fifteenth annual conference of the North Atlantic Region of the Lutheran Student Association of America will be held at Wagner College, Staten Island, N. Y., on Nov. 3-4-5, 1923.

The theme of the conference, "Christ on the Campus," will be discussed by many able leaders, including Dr. Conrad Hoffman, who is at present the executive director of the International Missionary Council's Committee on Christian Approach to the Jew; Dr. Ralph Long, executive director of the National Lutheran Council; Dr. Raymond Seeger, of the faculty of George Washington University, and others.

Harold Rowe is treasurer of the North Atlantic Region and anyone desiring further information should consult him or write to Otto Bonchert, Wagner College, who is the conference chairman.

## PRE-THEOLOGICAL CLUB HOLDS FIRST MEETING OF THE TERM

The first pre-theological meeting of the school year was called to order Tuesday evening, October 10 at 7:30 in G. A. 205 by the president, Ernest Huston. The devotions were in charge of Harold Rowe and Marlin Bottiger.

After a very brief business meeting Rev. Dallas Baer of Trinity Lutheran Church was presented. He told the pre-theologs to read their bibles more, to pray more, to get acquainted with the world's best literature, and to keep morally straight and clean. There were eighteen members in attendance.

## Senator Steele Gives Pine Trees to S. U.

Senator Charles Steele presented one hundred and fifty evergreen trees to Susquehanna University this week. The trees are being planted at this time under the direction of a newly appointed faculty committee for the planting of trees on the campus. This committee of two consists of Dr. George E. Fisher and Prof. F. W. S. Seudder.

Dr. John Houtz, instructor in surveying, gave the location of the road which, according to the projected development of the campus, will encircle the quadrangle. It is along this contemplated road that the trees are being planted.

Senator Charles Steele has always had a strong interest in Susquehanna University and has done much toward beautifying the campus. He has given many gifts to the school on previous occasions.

## Arrival of Bicycles Hailed With Joy By Members of Fair Sex

New hazards have been added to those already endangering the life and limb of pedestrians cautiously navigating the shaded walks of this sedate campus, said hazards being in the form of whooping, hard-riding co-eds mounted on shiny metal steeds. Upon the arrival of the bicycles at the Gymnasium office, last week, the campus took on an atmosphere closely resembling that of the "gay nineties," while an observer might ever hear the notes of "A Bicycle Built for Two," hummed by some faculty member who was reminded of days gone by.

At least one faculty member was seen acting the gay caballero, demonstrating the proper technique of avoiding bumps for the benefit of an admiring group of feminine "rough-riders." The bikes are kept at the Gym office and may be reserved for periods in advance by the girls. At present cycling is a very popular form of recreation in the best social circles, and will continue until some other innovation takes the place of "sitting down to walk."

## Hallowe'en Party to Be Held Next Friday

A typical Hallowe'en party under the joint sponsorship of the Y. M. C. A., the Y. W. C. A., and the Student Council, will be held in the Alumni Gymnasium on Friday evening, October 20, at seven-thirty o'clock. This social function, which promises to be one of the most colorful of the season, is open to all. Members of the Y. M. C. A. and the Y. W. C. A. will be admitted without charge. A nominal fee of fifteen cents will be charged non-members. Members of the faculty are invited as honor guests.

Only those in costume and mask will be admitted. There will be a parade, and prizes will be awarded to those in the most unique costumes. With the active reception of this announcement by the students and faculty of the campus, an enjoyable evening is in store for all. Ghosts, goblins, and spooks will reign supreme!

## Dan Gregory's Band Entertains Dancers

Susquehanna University students enjoyed the first dance of the winter season—the Inter-Fraternity Ball on Saturday evening, October 4. The dance was held in the Alumni Gymnasium, where Dan Gregory and his band furnished the music. The attendance was not quite as large as was expected.

The Inter-Fraternity Council is indeed to be complimented on its selection of Dan Gregory and his music. One of the features particularly liked by the dancers was the practical arrangement of dances. Each dance was made up of four numbers, all of which were short of duration. The nature of the entertainment, formerly with Floyd Mills, brought roars of laughter from the crowd. The skit presented on "I Love Mountain Music" was enjoyed especially. The Gregory boys were smartly attired in grey suits.

Decorations for the Gymnasium, and dance programs for the dancers, were, by the recommendation of Dean Hunkelberger, omitted for the purpose of cutting down additional expenses. While these are always welcome additions, it is safe to say that their omission not in any way marred the gala climax of Parents Day.

## University Band Makes Its Initial Appearance

The University Band made its first appearance of the year on Thursday afternoon, October 12 in the N.R.A. parade, which promenade all of the main streets of Selingsgrove. Their second showing was made at the football game with Haverford. Between the halves of the game on Saturday the band formed the letter S in front of Susquehanna's grandstand, which was very pleasing to the supporters of our team. They also received applause from the Haverford loyal fans when they formed the letter H in front of their stand.

Twenty-eight men made their letters S and H on Saturday. The band has learned a new repertoire and drills under the direction of Professor Elrose Allison. Sumner Clouse succeeded Donald Dorsett as drum major.

This evening at 7:30 the band will go to the C. C. Camp in the Fall Timbers to present a program which will last one hour. The camp will furnish the transportation.

The set-up of the band is as follows: Trumpets—Frank Bernardi, William Caruth, Foster Salkeld, David Shellenberger and Wesley Sterling; Baritone—William Caruth and Robert Hart; Trombones—Charles Gering and William Miller; Basses—Francis Gelnett and Arthur Webber; Horns—Charles Barnett, Robert Clark and Eugene Mitchell; Clarinets—Steven Azary, Kenneth Blyler, Leonard Newfield, Walter Poyck, Richard Shade and Richard Showers; Saxophones—Edgar Hutchison, Horace Hutchison and Peter Blackwood; Flute—James Grossman.

## S. U. to be Represented At Y.M.C.A. Conference

Susquehanna University will be represented at the district meeting of the State Student Council of the Y. M. C. A., which will be held in Williamsport on Wednesday afternoon and evening, October 18. President Harold Rowe and Faculty Advisor Dr. A. William Ahl, together with Robert Clark, Luther Boyer, and John D. Stouffer will make up the delegation representing the local organization. This district, of which Susquehanna is a part, is composed of four other schools, namely: Mansfield, Bloomsburg and Lock Haven State Teachers' Colleges, and the Williamsport Dickinson Seminary. The purpose of the meeting of the key men of these organizations from the several campuses is to study and prepare plans for effective Y. M. C. A. work in each institution. President Rowe of the local Y. M. C. A. is secretary of the State council sponsoring this meeting in Williamsport.

## NEW YORK UNIVERSITY FINDS DIPLOMA OF FIRST GRADUATE

New York—(IP)—New York University last week came into possession of its first diploma, issued 100 years ago to James Josephum Achenson.

The faded parchment was obtained from Russell A. Chapin of Santa Monica, Cal., a grandson of the first graduate.

When Achenson was a student at the University, the professor of painting and sculpture was Samuel F. B. Morse, later the inventor of telegraphy.

Achenson later became a prominent doctor in New York and Brooklyn.

## Pi Gamma Mu Prepares Program For This Term

Pi Gamma Mu, the National Social Science Honor Society, held a short business meeting Thursday, October 8 in Seibert Hall.

William Morrow presided, while Dr. Kretschmann, secretary-treasurer, gave several reports.

The primary accomplishment was the following program, planned for 1933 and 1934.

Thursday, October 12, 6:30 p. m., G. A. 102, Business meeting.

Monday, November 6, 6:30 p. m., G. A. 102, "Economic Policies in Europe," by Professor Wood.

Monday, December 11, 6:30 p. m., Seibert Hall, Pi Gamma Mu anniversary program to be arranged by social committee.

Monday, January 8, 6:30 p. m., G. A. 102, Magazine Review by Dr. Kretschmann, assisted by William Morrow, Edith Frankensfeld, and Margaret Hausman.

Monday, February 12, 6:30 p. m., G. A. 102, Business Meeting.

Monday, March 5, 6:30 p. m., G. A. 102, Book Review by Professor Brungart.

Monday, April 9, 6:30 p. m., G. A. 102, Magazine Review by Anna Benfer, Ruth Plummer, Eleanor Brown, and Penn Dively.

Monday, May 7, 5:00 p. m., Seibert Hall, Banquet, address by President Smith, "Rambles in the British Isles."

## Faculty and Students Of S. U. in NRA Parade

Susquehanna University, with her faculty, students, and impressive band, played a prominent part in the N.R.A. parade, sponsored by the Selingsgrove Chamber of Commerce, held on Thursday afternoon, October 12.

Through flag-lined streets the N.R.A. parade, led by the Selingsgrove High School band, under the direction of Professor Elrose Allison, followed by N.R.A. officials, public school pupils, representatives of Susquehanna's board of administration, faculty and students, made its way from the railroad station through the streets of Selingsgrove, shortly after four o'clock.

The Honorable Benjamin K. Focht, member of Congress from this congressional district, delivered the main address to the assembly in front of the Sterner Hotel, where the line of parade had halted.

President G. Morris Smith, of Susquehanna University, also spoke concerning the plan of the National Recovery Act.

## RUTH NELSON LEADS DISCUSSION AT REGULAR Y. W. C. A. SESSION

The regular Y. W. C. A. hour was held on Thursday evening, October 13, with Ruth Nelson as leader. The meeting was opened by the use of that familiar hymn, "Take My Life and Let it be Consecrated," followed by a short prayer by the leader. "What Shall We Expect of Each Other?" was the vital question discussed at this time. References from the Bible were read and the members entered into a free discussion on their individual ideas and thoughts pertaining to the topic. Then everyone joined in singing "O Jesus, I Have Promised" after several readings, the meeting was concluded by the use of the Mizpah benediction.

## NOVEL EXPERIMENT PERFORMED BY MEMBERS OF SCIENCE CLUB

Susquehanna science students held the initial meeting of the year on Tuesday evening, at 7 o'clock, in Steele Science Hall. At this meeting plans were discussed to include a larger number of students as members.

After the business meeting, President Shobert conducted the members to the Physics laboratory, where a most interesting experiment was performed. Concentrated hydrochloric acid, aqua regia, acetic acid, tannic acid, calcium hydroxide, and sodium hydroxide were the reagents employed in this unusual experiment. The "end-products" proved to be tea and the residue was cake. Everyone was provided with a beaker and glass stirring rod for the tea and the sugar was measured on a balance.

## ROWE ANNOUNCES "Y" PROGRAM FOR YEAR

(Continued from Page 1)  
ing of each month as scheduled on the College Social calendar.

During the next few weeks a representative of the organization will enlist each student and faculty member who is not already a member to become one of the organization and share in the privileges and duties of the Y. M. C. A. group.

## CRUSADERS TRAMPLE HAVERFORD ELEVEN

(Continued from Page 1)  
Substitutions

Susquehanna: Walsh for Wasilewski, Chervanik for Barni, Sholly for Hanna, Hanna for Sholly, Yon Kondy for Schlegel, Hattress for Rishel, Wasilewski for Batress, Maguire for Roach, Barni for Chervanik, Walsh for Wasilewski.

Haverford: Morgan for Gouthorp, B. Smith for skne, Bevan for Conn, aWkins for Evans, Wright for Pleasants, Fraser for Lentz, Gibbs for G. Smith, Rohrer for Evans, McNeary for Boyle, Evans for Tiernan, Wolfe for Smith, Lentz for Fraser, Watkins for Hale.

## QUARTET OF BROTHERS AND SISTERS HAIL SUSQUEHANNA AS A "FAMILY" COLLEGE

(Continued from Page 1)  
share of representatives. Ralph Geigle is a brother of Francis Geigle, who graduated in last year's graduating class. Beulah Herold is the last of her family, being preceded by three brothers and one sister. Wilhelmina Moody is the last member of the Moody family, being preceded by several sisters, Anna Gage Moody, the next in line, having graduated last spring.

The Cressman family, at present represented by Mary Ann Cressman, is another family who has sent many students here. Mary Ann's father, Paul Cressman, and her two aunts, Olivia and Esther, all graduated here.

The parents of Frances Hubler, Josephine Pifer, and Ruth Williamson, for illustration, all graduated from here.

Other families who have sent more than one person here in recent years, but who are not at present represented include the Worthingtons, brothers, Bruce and Jay, who graduated here last year, and the Royer family, whose last representative was William Royer, also a graduate from last year's class.

Other students, not brothers and sisters, who are closely related, are Helen Keller and Dora Stitzer. Mary and Francis Gelnett. Two freshmen who are cousins of recent graduates are Paul Schreckengast, a cousin of William Swarm, and Arlene Marshall, a cousin of Olive Forcay.

And so it goes. The summary is by no means complete. But Susquehanna does seem to be a "family" college. Families have been well represented here in the past. Families are well represented at present. Will our families be well represented in the future? How many of us will be sending younger brothers and sisters to good old S. U.? How many of us will be coming back a quarter of a century from now on Parents' Day, showing what we have done to keep Susquehanna a "family" university?

## BIOGRAPHY OF LATE DR. MANHART IS PREPARED BY SON, GEO. B. MANHART

(Continued from Page 1)  
in organization. He served on many commissions and made frequent visits to the meetings of Lutheran bodies and to Lutheran leaders in the interest of unity, and had the satisfaction of serving on the ways and means committee and the committee on constitution which arranged the uniting of the General Synod, the General Council, and the United Synod of the South into the United Lutheran Church in 1918. He was a delegate to the World Conference of Lutherans in Copenhagen in 1929.

He served on several boards of the General Synod and the United Lutheran Church, notably the Board of Inner Missions, the Deaconess Board, and for thirty-eight years on the Publication Board, where he took a great interest in the development of its publications. He was a diligent student of Lutheran Church history, and served as president of both the Lutheran Historical Society and the Lutheran Historical Academy from 1911 until his death. He was also interested in local history, being president of the Snyder County Historical Society from 1913 on. He edited a "History of the Susquehanna Synod," and published numerous articles in Lutheran magazines. He was awarded the degree of D.D. by Gettysburg College in 1890, and the degree of LL.D. by Wittenberg College in 1925.

He was always much interested in the work, problems, and success of his students and former students, and during the last years took a special interest in his classes for active ministers, attended by men of several denominations from much of central Pennsylvania. He considered his main work, after all, that of a preacher, and greatly enjoyed preaching. He ministered to congregations at Millville and Shamokin Dam for several years while teaching in Susquehanna. He had the great satisfaction of preaching the last Sunday of his life.

With all of his interests in church history and secular history, in theological systems and ecclesiastical organization he maintained constantly a deep interest in every activity of his fellowmen.

## CRUSADERS VANQUISH ST. JOSEPH'S IN CLOSELY CONTESTED BOUT, 7-6

Pass from Waslewski to Yon Kondy in Final Period Nets Locals Lone Touchdown and Kicks Extra Point to Win Battle; Both Teams Score

Two forward passes, Waslewski to Basset and Waslewski to Yon Kondy, gave Susquehanna a narrow margin of victory, 7 to 6, over St. Joseph's at Philadelphia on Saturday afternoon.

Neither team scored in the first three quarters of the closely contested game. In the breath-taking final period, both teams took to the air via the forward pass route in a desperate attempt to score.

St. Joseph's was the first to succeed in scoring. A pass, Kane to McCusker, placed the ball on Susquehanna's 46 yard line. An end run gained St. Joe's a first down, but they were penalized 15 yards for holding. After two scrimmage plays, Kane again heaved a pass to McCusker, who crossed the goal line for the first score of the game. St. Joseph's failed in their try for the point.

Waslewski returned the kickoff 34 yards to his opponents' 30 yard line. A determined St. Joseph's line caused Susquehanna to lose 6 yards on the next two plays. The Crusaders then completed a pass, Waslewski to Basset, for a first down. After a scrimmage play, Quarterback Waslewski again called for a forward pass, and threw the pigskin into the waiting arms of Yon Kondy, who was wide open in the end zone. With the score tied, 6 to 6, Waslewski quickly called the signals and kicked the ball cleanly over the cross-bar on the goal posts to make the winning point.

St. Joseph's went into the air immediately after Susquehanna's kickoff in a frantic effort to win a victory that had seemed to be theirs. Basset intercepted one of Kane's passes and the ball was in Susquehanna's possession as the game ended.

The lineup:  
Susquehanna St. Joseph  
Yon Kondy . . . L. E. . . . McCusker  
Eisenhower . . . L. T. . . . Silvka  
Tice . . . L. G. . . . Palmer  
Fisher . . . C. . . . Pluck  
Sullivan . . . R. G. . . . Sellinger  
Swope . . . R. T. . . . Riley  
Schlegel . . . R. E. . . . Mancuskas  
Waslewski . . . Q. B. . . . Chesman  
Sholly . . . L. H. B. . . . McDevitt  
Martinez . . . R. H. B. . . . MacGonegal  
Hanna . . . F. B. . . . Kane  
Touchdowns: McCusker and Yon Kondy.  
Points after touchdown: Waslewski.

## University President Visits Dickinson and Washington Colleges

President G. Morris Smith of Susquehanna University was the guest of two colleges over the past week-end.

Dr. Smith went to Carle on Friday to attend the sequential celebration of Dickinson College and a conference of the eastern division of Liberal Arts Colleges which was being held there, where he was called upon to speak.

Saturday, President Smith represented Susquehanna at Chestertown, Maryland, at the inauguration of Dr. Meade as president of Washington College. President Roosevelt attended and received the honorary degree of Doctor of Laws.

## Former Students Are Heard Often on Air

Former students of the Susquehanna University Conservatory of Music have become quite popular as soloists over station WKOC at Sunbury.

Miss Esther Thurston, a student at Susquehanna two years ago, is now residing at Sunbury and broadcasting regularly from Sunbury's station.

Mrs. Margaret Benner Burns and Mr. Robert McNally, both members of the class of '33, have also been broadcasting regularly.

Mrs. Burns has her home in Selinsgrove, where she instructs a large number of piano and voice students.

Mr. McNally, who lives in Sunbury, is the organist of St. Luke's Evangelical Lutheran Church at Sunbury, and is building a class of piano pupils there.

## Hallowe'en Party is Declared a Success

Faculty Members Prove to Have Best Disguise as Dr. Dunkelberger and Prof. Allison Take Prizes

The Y. W. C. A. and Y. M. C. A. held their annual masquerade Hallowe'en party on Friday evening. It proved to be a very successful party and its success was probably due to the fact that both the students and faculty participated and that everyone came in masquerade costumes. This lent atmosphere truly Hallowe'en in nature. The Alumni Gymnasium was properly decorated for the occasion. Corn stalks were placed about the gym, giving everyone the feeling of autumn.

An air of mystery prevailed in the beginning of the evening. There was an old man in the crowd who needed the aid of a cane to walk. Everyone wondered who this student might be. However, the mystery was solved at the conclusion of the grand march, for this cleverly disguised person was called forward to receive the first prize. Dr. Ahl presented the prize and asked this man of mystery to reveal his identity. It proved to be not an undergraduate, but Dr. Dunkelberger. The second prize was awarded to the "street cleaner," Professor Allison. The next prize was given to a sweet and venerable old woman, Sally Ulrich. Topsy and her mother were there in all their glory. The judges awarded another prize to this gay pair, who revealed themselves as Mary Ann Cressman and Molly Fox. Honorable mention was given to the Arab, Lester Karschner.

All nations and societies were present at this party and judges had a difficult time in awarding the prizes. Rudy Gelnett and his orchestra furnished the music for this pleasant occasion and the latter part of the evening was devoted to dancing.

Refreshments of cider, apples, ginger cake, and candy corn were served later in the evening, after which a few more dances were enjoyed and then the end with everyone proclaiming it a successful and joyous affair.

The recital program was as follows:  
1—Piano, Salute the Flag, Aaron—Mr. Harold Pollmer, Jr.  
2—Song, In the Luxembourg Garden, Manning—Miss Mary Jane Kehler.  
3—Piano, Elegy in C flat Minor, Nollet—Miss Jeanne Ditzler.  
4—Song, You in a Gondola, Clark—Mr. John Ulp.  
5—Piano, Nocturne, Op. 70, Chopin—Mr. Fred Billman.  
6—Song, Do You Know My Garden? Wood—Miss Joan Hoffer.  
7—Piano, Valse, Levitsky—Miss Marcella Chaya.  
8—Piano, Concerto in D Minor, Mozart; Organ, (last movement)—Miss Kathryn Louise Delsher, Prof. P. M. Linebaugh at Organ.

## Local Artists Aid Kappa Delt Actors

Startle Dancers and Stringed Trio Will Furnish Entertainment Between Acts of "A Woman's Way"

The initial dramatic presentation of Susquehanna for the present semester, "A Woman's Way," a three act play by Thompson Buchanan, will be given in the Seibert auditorium, Thursday evening, October 26 at 8:00. The play is sponsored by the Kappa Delta Phi society and is under the direction of Dr. Paul Boeder.

The cast is as follows:  
Marian Stanton . . . Ruth Cherrington  
Howard Stanton . . . Arthur Webber  
Mrs. Stanton . . . Frances Huber  
Oliver Whitney . . . Peter Blackwood  
Mrs. Elizabeth Blackmore, Gwendolyn Schlegel

General Livingstone . . . William Morrow  
Mrs. Livingstone . . . Ruth Nelson  
Bobbie Livingstone, Stanley Aughenbaugh

Sally Livingstone . . . Millie Hines  
Mr. Edward Morris . . . Erle Shober  
Mrs. Belle Morris . . . Ludlow Nichols  
Mr. Harry Lynch . . . Penn Dively Wilson

Special features between the acts will include dances from the Starlet School of Dancing, Sunbury, and instrumental music by the ladies' trio, consisting of the Misses Mary Pottelger, Lois Brungart, and Marcella Chaya.

The play is produced by special arrangement with Samuel French of New York.

## Price and Sala Plan Intra-Mural Tourneys

This week will mark the opening of the golf and tennis tournaments sponsored by the men's intra-mural board of athletics. The tennis tournament is being arranged by Charles Price, and the golf tourney will be in charge of Robert Sala. The tournaments will be conducted for a period of three weeks. A goodly number of students have signed up already for the tournaments, and a number of later registrations are expected this week.

## STUDENTS FORM ELABORATE PROGRAM FOR VISITORS ON HOME COMING DAY

Washington College Football Contest and Intra-Mural Sports Feature Plans for Gala Day; Fraternities and Sororities Plan Parties

## First Music Recital Given Last Evening

University Orchestra, Under Baton of Prof. Allison, Makes First Appearance of Present Season

The advanced students of the Conservatory of Music gave an evening recital Monday, October 23, at 8:15 in Seibert Chapel. The Susquehanna Symphony, under the baton of Professor Elrose Allison, made its seasonal bow at this time. The very splendid program is as follows:

1—Orchestra, Waltzes for String Orchestra, Steck—University Orchestra.  
2—Song, None But the Lonely Heart, Tschakowsky—Miss Ruth A. Bir, Ashland, Pa.  
3—Song, The Moon Behind the Cottonwood, Cadman—Miss Alma Myers, New Oxford, Pa.

4—Piano, All-Even, Godowsky—Miss Dorothy Turner, Kingston, Pa.  
5—Organ, Sonatina (First Movement, Rogers—Mr. Horace Hutchison, Downingtown, Pa.

6—Piano, Minstrels, Debussy—Mr. Fred Billman, Herndon, Pa.  
7—Song, Viel Traume, Henschel—Miss Isabella Horn, Tokyo, Japan

8—Song, The Fisher's Widow, Edwards, Mr. Wesley Stirling, Hazleton, Pa.  
9—Song, The Bird of the Wilderness, Horsman—Miss Elizabeth Ship, Sunbury, Pa.

10—Piano, Prelude from Suite Modern, Op. 15, A. Whiting—Mr. Richard Shade, Lewistown, Pa.

11—Organ, Intermzzo, L. Verrees—Miss Marcella Chaya, Allentown, Pa.  
12—Piano, A Haunted House, MacDowell—Mr. Russell Goodling, Cocalamus, Pa.

13—Song, In Volkston, Hildach—Miss Margaret Williams, Mt. Carmel, Pa.  
14—Violin, Russian Dance, Zimbalist—Mr. William Caruth, Wilkes-Barre, Pa.

15—Song, Bird Song, P. Curran—Miss Josephine Pifer, East Bangor, Pa.  
16—Song, L'Heure Exquise, Poldowski—Miss Audra Martz, Sunbury, Pa.

17—Piano, Scherzo in B sharp Minor, Chopin—Miss Beatrice Shively, Selinsgrove, Pa.  
18—Provençal Carol, Three Men Trudging, arr. by H. Gaul—Misses Mary, Barnes, Williams, Bair, Yeager, Corson, Messrs. Pritchard, Ulp, Stirling, Howells.

## Miss Hade Addresses Williamsport Club On Mind Reactions

A splendid talk on practical psychology for the business woman was given by Miss Naomi K. Hade, dean of women at Susquehanna University, at the regular meeting of the Business and Professional Women's Club at the Y. W. C. A. Tuesday, October 17.

In her address Miss Hade showed the close relationship between mind and body, pointed out the effect of mental disorders on one's physical being, and gave suggestions for the correcting of mental disorders.

In speaking of the close connection between mental and physical health, Miss Hade stressed the point that bodies must be healthy in order to give the mind full play. Quoting a well known authority on psychology, Miss Hade stated that one out of every seven persons is a mental case. She named as the three main causes of mental breakdown, anxiety, worry and fear.

She emphasized that the well balanced life should equally cover the four fields of love, play, work, and worship. She urged the study of one's own situation and upon the realization of the impossibility of having some things, to find another outlet into which one's energy and ability might be directed.

In conclusion Miss Hade stated that our lives are in constant conflict between thought and feeling, and that a self understanding must be taken into account in order to obtain self integrity and normal peace and happiness.

Elaborate plans are being made for Susquehanna's homecoming celebration on Saturday, October 28. A varied program of events, beginning with the traditional bonfire on Friday evening and continuing until the fraternity dances on Saturday evening, is planned to make the day an enjoyable one for all. Susquehanna, acting through her students, the administration, is hoping to make this day a memorable one for the alumni who will return to their alma mater. The thoughts of the graduates will be enlivened with fond memories as they stroll once more over the campus of S. U., or revel in the joy which is theirs when they meet again old pals and comrades.

The re-union to the celebration will be the bonfire on Friday evening. The frosh are planning to make this year's bonfire "bigger and better than ever."

Of interest to all will be the alumni and the all campus soccer and hockey games to be played at 11:15 o'clock on Saturday morning. The feature of the afternoon will be the football game between the S. U. Crusaders and the team from Washington College. During the evening there will be the fraternity dances. During the course of the day the several sororities have planned for their activities. Among these will be teas, dinners and buffet luncheons.

The program of the fraternities, as prepared, calls for their dances at 8 o'clock in the evening. At the Bond and Key fraternity the music will be furnished by Ted Brownage and his orchestra from Harrisburg.

Duke Badenford's orchestra from Scranton will feature the evening's entertainment at the Phi Mu Delta house. Their program will also include a "get-together" meeting of all alumni on Friday evening, a smoker on Saturday evening, and a dinner for the alumni on the same day. At the Phi Lambda Theta house the music for the dance will be furnished by the Sana Noma orchestra. Plans for the dance at the Epsilon Sigma house have not been completed.

## University Band Gives Concert at C. C. C. Camp

The Susquehanna University Band, under the capable direction of Prof. Elrose Allison, presented a concert last Tuesday evening at Conservation Corps Camp, number sixty-nine, situated at Beaver Springs, Pa. This was the first concert of the season and was very well received by the one hundred and fifteen men now resident at the camp.

Prior to the band concert, Reverend George H. Toadvine, the rector of All Saints' Episcopal Church, Selinsgrove, conducted a prayer service and preached to a large congregation.

The twenty-eight members of the band and their instruments were transported to the camp by three C. C. C. trucks and two automobiles. After the concert, they were escorted into Selinsgrove by members of the C. C. C.

The men at camps of this kind appreciate diversion and entertainment after the hard routine of the day. Any persons interested in lending their aid to the program for this winter are asked to communicate with the Rev. George H. Toadvine, Selinsgrove, Penna. Games and magazines are also acceptable contributions.

## Symphony Group Elects Shade to the Presidency

The Susquehanna Symphony, no longer known as the orchestra, organized on October 19 at the weekly rehearsal. The following are the officers for the year: President, Richard Shade; vice president, Frank Bernardi; secretary, Dorothy Eastep; treasurer, Peter Blackwood; librarian, Horace Hutchison; stage manager, Walter Poeyck; business manager, Erle Shober. Many revisions to the constitution were made under the guiding hand of Professor Elrose Allison, the conductor.

## Civilization Progresses

Silence reigns supreme through the corridors and social rooms of Hassinger during study hours in the evening since the quick-acting committee of "Hassinger's New Deal" made it known that the recent rulings of the committee are to be adhered to.

No longer can one see papers and rubbish in the halls, making the place look like a "third rate boarding house." Instead of being victims of rubbish, noise and disquietude the members are now surrounded by clean corridors and quiet study hours. Hassinger now stands out in her rightful place among the other buildings of the campus.

Another great improvement of the committee was the list of room-numbers on the bulletin boards. No longer need the parents and friends of the students go from door to door inquiring the room number of the desired student.

The president of the Committee deserves credit for his efforts in this matter, the entire committee for its staunch support, and the residents for their cooperation. Don't forget that the Hassinger Students' Association meets on the first Monday of each month, and their program of activities is certain to accomplish worthwhile improvements.

## Vernacular Versus Parlance

Speaking ability can be traced to education . . . illiteracy of the English language has been crushed out by the emergence of the American University; withal, there is still such a thing as "collegiate parlance."

Students gather in universities and colleges with the aim of being able to express themselves and "sell" themselves to the world outside. Nevertheless, a majority of these same students arrive on the campus with a local "vernacular" and leave the campus filled with "sub-collegiate parlance." They try to combat the competition of the older and more experienced men with a language which is nothing more than a "lingo."

Perhaps it is nothing more than a "vicious circle" which has grasped the language of English speaking students. However, the students invariably try to meet the demands of an older and static civilization with a colloquial parlance which is understandable only in the collegiate sphere.

It should be the aim of every graduating student and undergraduate student to develop a fine sense of propriety in his or her speech, in an endeavor to meet the needs of a cold business and professional sphere.

## Seen and Not Heard

The old adage, "Children are to be seen and not heard," has become a campus reality.

Whether or not the men and women of our student body have become child-like cannot be definitely decided from the effects of the "cheering" and the Haverford game. A well-filled grand stand was easily "seen" at this game, but you certainly could not "hear" the voices of this crowd.

Three much-vaunted cheer leaders were depressed in the devastating silence of some three hundred clam-like rooters. The band courageously played the Alma Mater to its end with a grand chorus of seven voices singing the words. We should actually have a "pep" meeting; at least before the Homecoming crowd.

Let us try to recount the overflowing feelings of last season! Last year the crowds made the "yells" mean something. By all means, let us have a "pep" meeting and "parade" on Friday night to show the alumni and visitors that the spirit of the victorious Crusader is not yet dead!

## ALUMNI NOTES

Wendell H. Phillips, '27, has been chosen supervising principal of Clement, N. J., public schools. In 1951 he received his M.A. degree from New York University and is now working for his doctor's degree.

Reverend George Martin, '25, pastor of First Church, Bladell, N. Y., relinquished his post there to assume charge of the mission at Bayside West, Long Island.

Andrew Kozak, '32, has been elected a member of the faculty of the Greenbrier High School at Rinecorte, W. Va. Reno Knouse, '31, heads the Com-

mercial Department at the Titusville High School, beginning with the new fall term.

George H. Kline, '28, has accepted a position as instructor in the Science department in the Montoursville High School.

The Rev. Edward T. Bollinger, '30, was installed as pastor in the rural parish near New Market, Va., on August 27th. The congregations of Rev. Bollinger are Mt. Zion, St. Mark's, and St. Martin's.

Rev. James H. Goss, '21, Sem. '24, completed his first year as pastor of St. John's Lutheran Church in Lewis-town, Pa., on Oct. 15th. During the past year Rev. Goss received 250 members into the church, and in the Easter report of the Lutheran his congregation stood sixth in membership occasions among the 3,800 congregations of the U. L. C. The Sunday school enrollment is the second highest in the Susquehanna Synod, numbering 1,250. The Rally Day service, conducted Oct. 15th, was the largest on record with an attendance of 1,187, an increase of 211 over last year.

## Moment Musicales

Being the Non-Technical Ramblings of a Music Lover

Most young people today like music in some form; the majority of them like the jazz, pop, ballads, blues and the like, while some are seriously interested in the classics. But whatever type of music a modern boy or girl listens to, he or she has, at some time, heard the "Rhapsody in Blue." It is a completely modern composition, and probably the best known of the works of the modernists. Always with the "Rhapsody" is the name of George Gershwin, the man who wrote it; Paul Whiteman, the man who first presented it and who has since made it famous; and Ferde Grofe, the man who undertook and handled superbly the job of orchestrating this piece of "classical jazz." There is a story connected with each of these names.

Thirty-five years ago, in Brooklyn, George Gershwin was born. In his early youth, he showed no interest in the jazz, pop, ballads, blues and the like. But when his brother, Ira, began taking piano lessons, George displayed such an interest that the lessons meant for his brother were given to him. In four years, through constant study, George became a real pianist. So great was his affinity for music, that, at sixteen, he left high school to become a song plugger. This work in Tin Pan Alley led him from playing other people's songs to writing his own, and he soon had a long string of musical comedy successes to his credit. In 1924, Paul Whiteman was planning his now famous Aeolian Hall concert: "An Experiment in Modern Music." In this concert, the purpose of which was to show what modern jazz arrangements could do for the classics, and what symphonic treatment could do for popular tunes, Paul Whiteman wanted something that the critics would talk about; and thus the "Rhapsody in Blue" was born. George Gershwin wrote it in ten days, and to Ferde Grofe, Whiteman's arranger, was given the gigantic task of orchestrating it. The night of the concert, February 12, 1924, George Gershwin's "Rhapsody in Blue," orchestrated by Grofe, played by Whiteman with the composer at the piano, made musical history. It also "made" Gershwin as a modern composer and Grofe as a master of modern orchestration. Since the "Rhapsody," Gershwin has written several other "jazz classics," notably the following: "Concerto in F," "An American in Paris," "Piano Preludes," "Second Rhapsody," and "Rhapsody in Rivets." He has also made a name for himself in the musical comedy field, with his brother, Ira, who has become famous for his lyrics.

Paul Whiteman was born in Denver in 1891. He first played in the Denver Symphony Orchestra, and in 1915, Paul and his viola were a part of the World's Fair Orchestra in St. Francis, Mo. He then conducted orchestras in various hotels and finally landed in the Palais Royal Cafe in New York. From there he took his men to England where he was severely criticized for "jazzing" the classics; notably "Song of India," by Rimsky-Korsakoff. Paul returned to America, and in 1924 started the musical world with a unique concert in the old Aeolian Hall in New York. It was at this concert that he introduced Gershwin's "Rhapsody." His program also included "Whispering," "Limehouse Blues," three pieces by Irving Berlin and some standard selections such as "Pale Moon" and "To a Wild Rose," which were dressed up in jazz arrangements. He concluded, in part, to pacify the more conservative of the critics, or perhaps to further provoke them, with "Pomp and Circumstance," by Elgar. Since this concert, Paul Whiteman's

popularity has increased, until today, he is recognized as the foremost exponent of Jazz in America. There is probably no one who has done so much for modern music as Whiteman.

And last, but not least, in this story of the "Rhapsody in Blue," we must mention Ferde Grofe. He was born in New York City in 1892, and, after playing in saloons and traveling with medicine shows, got a job as pianist in Whiteman's orchestra which was playing in the Hotel Alexandria in Los Angeles. He soon retired as piano player and devoted his whole time to making arrangements for Whiteman. In 1924 his big chance came when he was given the "Rhapsody" to orchestrate. Anyone who has heard it will testify to his having done it perfectly. It is doubtful that this composition would have won the acclaim that it did if it had not been for Grofe's masterful orchestration. Since then he has himself written a number of works in the modern mode. Among them are "Grand Canyon Suite," "Broadway at Night," "Three Shades of Blue," "Metropolis," "Mississippi Suite," and "Tabloid."

The next time you hear the "Rhapsody in Blue," think of George Gershwin, Paul Whiteman, and Ferde Grofe, the men who brought this distinctively different composition to the world that it might listen to the throbbing rhythm of modernity.

## CERTAINLY!

By OBOE

Sign on a movie theater: "Mae West in 'She Done Him Wrong,' and 'The Three Little Pigs.'" A novel, but enjoyable combination.

(Johns-Hopkins News-Letter)

It is reported that Elmer Zlich, Jr., smoked cigars and fooled around when he was three years old. (YLNATRECI!)

"Eliminate home work and save both the teachers and children from being over-worked, and they will both be better prepared for life." Dr. Henry Schumacker, psychiatrist.

Mr. Albert Hess, student at this university, and popular right end of the Jay Vees, is, despite his injured finger, resting quietly. Bromo-Seltzer did the trick!

Scientifically we would call attitude a cataclysmic action, which, when applied produces quick reaction and quick results.

—Maroon and Gold.

News Item: Cider glut Susquehanna campus.

Why not give a ball to each of our football squad to avoid confusion when playing? . . . I know, but I won't tell.

"Let me kiss those tears away sweet-heart," he said tenderly.

She flung into his arms, and he was very busy for a few minutes. The tears flowed on.

"Can nothing stop them?" he asked, breathlessly.

"No," she murmured. "It's the hay fever; but carry on with the treatment."

—Magazine Digest.

Customer: "Your dog seems very fond of watching you cut hair." Barber: "It isn't that, sir. Sometimes I clip a bit off a customer's ear."

Dickey: "My dad is an Elk, a Lion, and a Moose."

Mickey: "What does it cost to see him?"

Mouth-Organ Instruction—L. Hartzel (ADV.)

Believe it or not: There is a village in Wales by the name of LlanfairPwllgwyloggygerphyrndrobwillantylisillogogoch. There are more letters in the name than there are houses in the village. The name contains 57 letters.

## The Old Man's Corner

. . . wherein are discussed the divers mysteries and vagaries of life as seen through the eyes of a recent Susquehanna graduate . . .

An Old Man, in the vernacular of the undergraduates, is one of those forlorn souls who has long ago unpacked his trunk as an innocent freshman, frittered away his allotted four years in more or less profitable fashion, packed up the trunk for the last time, and been tossed into what native youngsters are wont to call "the old man's home."

Or instead of Old Man, perhaps he is sometimes referred to as Old Grad, as in the Homecoming article in The Susquehanna (which is very easy to

write, because one just takes the write-up of the previous year and changes the date, the football opponent, and the name of the dance orchestra). In more formal instances he may even be spoken of as an Alumnus, or if discovered in groups, Alumnus.

Actually, however, he is just an Old Man.

The Old Man has only one palpable advantage over the undergrad, which is one excuse for writing these otherwise insignificant lines. It is this:

We no longer must contemplate with awe and trembling where we shall be or what we shall be doing when we have been pushed through the gates of learning for the last time into the cruel world without. We remember how solemn and mysterious it all seemed. We are relaxed now, because we have found out. We know. We feel very wise and aged—although perhaps not wildly enthusiastic. It is our humble desire to pass on this knowledge (such as it may be) to those of you who may tremble at such thoughts as we once did.

Of course, we are not really Old Men because it was very long ago that we were scrambling to keep an appointment with an eight o'clock class or a chocolate milk shake. But this, we feel, qualifies us even better. The first few years are always the hardest; any aren't they? We want to guide you along every step from the time that you first step forth timidly with your diploma.

The optimistic undergrad will not want to picture himself as a really Old Man. Rather, he conjures an image of himself at about thirty—a healthy creature who has waved his diploma at the world, accepted a Position, dabbles in Business, is a Pillar of Society, probably sports a Mustache, and rides in a Packard.

First we must deal with the Diploma, gently but firmly. It is pretty to look at, although we discover that we do not know as much Latin as we thought we did. We gaze at it affectionately for a few minutes, after unpacking the trunk, and then pack it away in a seldom used drawer with the intention of framing it and hanging it upon our wall some day.

The summer months are pleasant enough, because they are about the same as they always have been. We loaf about and think of all the fine things we shall do some day.

But then the first autumn rolls around and sudden yew awake to the awful realization that we are now Old Men.

Life has begun! Very soon, certainly, we shall be able to reveal the Star Truth.

## SORORITY NOTES

Kappa Delta Phi

Miss Ruth Williamson was taken into active membership at a meeting last Wednesday.

Miss Millie Hines spent the week-end at her home in Pittston.

Miss Naomi Stonestier spent the week-end at her home in Hanover.

Miss Mary Gensert spent the week-end at Princeton, N. J., attending Princeton-Columbia football game and a Princeton University dance.

Miss Berenice Harding spent the week-end with friends in Selingrove.

## President of Miami U. Suggests New Degree

Oxford, O.—(IP)—A college degree of M. C. (Master Citizen) for young college alumni who make good in public life was suggested by President Alfred H. Upham of Miami University in his opening address to Miami students, an address in which he deplored the lack of intellectual living on the part of college graduates.

"Through all this scathing criticism directed toward higher education," Dr. Upham said, "there runs an unpleasant thought which must come to all of us. Are we sending out into life young men and women who use their brains in matters of public concern?"

"To my mind the gravest reflection on our American education is the pitifully small number of our graduates who continue to lead anything like an intellectual life. I am not asking for prizes nor highbrows, but merely for men who read good books and enjoy them, who have opinions of their own which go deeper than newspaper headlines, who take a responsibility for the welfare of their community and state which goes further than crabbing about the baseball team and taxes."

The Miami president asserted that the curricula of American colleges needed a thorough overhauling.

## News Flashes

**Germany and the Peace Conference**  
On October 23, the National Socialist Government of Germany announced the Reich's withdrawal from the disarmament conference and from the League of Nations. On October 19th she formally notified the Secretariat of the League of her withdrawal. Chancellor Hitler says Germany has suffered bitter disappointment through the action of other governments putting her into the League of Nations and the Conference. He proposes, however, that the German people will uphold the determination to bring about pacification of the world. "The claim that the German people are preparing for war is a misunderstanding."

When Hitler was asked his opinion of the League of Nations he said: "If the League acts as recently, I do not believe in its future."

**The Stand of the United States and Great Britain**  
Ambassador Davis, the United States representative at the Geneva Conference, definitely opposes re-arming. We are backing the British stand for substantial cuts.

Sir John Simon, British representative, says: "A system of agreed disarmament promptly entered upon and loyally carried out, would be of great value to the world, but nothing is gained by the interminable discussions which do not face the essential matters on which differences still exist."

**Wave of Strikes**  
The Labor Board is rapidly extending its operations but in response to its efforts a great wave of strikes is resulting. The total lockouts now reaches 250,000.

It appears that the immediate readjustments caused by the NRA can not be met in every industry with the same ease. One thing is certain: the principles that are being evolved out of the present negotiations hold large implications for the future.

**Rebels Reputed at the Capital in Siam**

The Siamese Government has been besieged by rebellious forces apparently recruited from out-country forces. So far the scurrage has favored the government artillery.

The rebel leader, Prince Bovar-Dei, has escaped in a plane and the enemy's quarters at Donnang Airdrome have been captured. This rebel leader was formerly the Siamese Minister to London.

## MEDITATION OF A SEIBERT MAIDEN (Extraction from her diary)

Monday—

What would the evening be without the Seibert Canary's weekly warbling with the aid of the Hassinger Heroes! O, diary, how I rushed to get that book into the library, and just too late! Ten o'clock comes all too soon but I do just live for the 10 to 10:30 tea parties.

Wednesday—

And did I learn about fire drills and mops after dinner! Only to be disappointed that we didn't have that fire drill, and I stayed up until almost midnight waiting—O, don't misunderstand me. Incidentally I was "exposed" to several assignments, but I don't think they "took." I just had to stop studying earlier—the Firemen had to practice and I was so afraid I'd miss the "Susquehanna Hour." Peggy Corson's rabbit skeleton was on exhibition—really, I tried to appreciate it! Ted's and Kitty's birthday party was a real surprise. They returned laden down like Christmas shoppers and were equally as enthusiastic on into the evening.

Thursday—

When these Seibertarian Athletics all have hockey games, where does the hot water go? You're right. It almost inspires me to read Chauver. The results being 3-0 both times, and in favor of the upper classes, appetites of an appreciable size were displayed at dinner. Seibert Hall got into the Firemen's Jubilee, free gratis, too. The "Y" goers were feeling slightly embarrassed that the dates lingered to see the Grand Finale as we all wanted to. After 10:30 and Ruth still trying her best to calm us down! A tough job. Am I right,

Friday—

Mallman Bob besieged for mail and all of us anxiously awaiting the arrival of our costumes for the Hallowe'en Party. What a pleasant surprise to see the faculty out. Dr. Dunkelberger was the last one I'd have guessed. "Topsy" was surely the "Belle of the Ball," followed by the sweet old lady in black. And those Frosh men, are they heart breakers!

Saturday—

And still the Frosh are preferring home to Seibert for the week-end. What will their bites lead to? Mary, Rose, Louise, and Pat are getting their money's worth, but aren't we all! Here's a hint to the Lanthorn photographer! Saturday night supper and the pilgrimage to Sunbury, with only a fire at 11:45 to break the monotony, or was it slumbers?

Sunday—

**Might be Mistaken**  
Scotch Urchin (as teacher passes with her pet): "Oh, what a bonnie wee dug!"  
Teacher: "John! How often must I tell you it's not a 'dug', it's a 'dog'!"  
Scotch Urchin: "Fancy that now. It's awful like a dug!"

## Psychologists Attack Unorganized Sessions

Two New York University psychologists recently announced that, after weighing the value of fraternity "bull sessions," it was decided that they didn't amount to much.

Professors Hoopingartner and Weinland had submitted a series of questions to students above-average and below-average in grade ratings to reach some conclusion on the value of unorganized discussions.

Their report is that "bull sessions" justify their existence primarily on the grounds that they furnish recreation and aid in the formation of opinion.

## FRESHMEN GIVEN SPECIAL TEST AT MATHEMATICS CLUB MEETING

The Mathematics Club met last Monday evening, October 9, in Steele Science Hall. At this time several new members were added to the enrollment of the club. Dr. Boeder spoke on "Astronomy," and gave some very interesting data. A "true and false" test was given to all the students present, and a special test was taken by the freshmen. The program ended with the playing of a mathematical game. A cordial invitation is extended to all those interested in mathematics to attend these monthly meetings which will undoubtedly prove worthy of the time and energy spent on them.

## Washington Primed To Avenge Defeat

Homecoming Day For Has Veteran Team and Plans to Get Revenge for the Defeat by Crusaders Last Year

The game scheduled for Homecoming Day, October 28, with Washington College, promises to be one of the stiffest tests of the season for the current edition of Crusaders. Washington will come to Susquehanna on Saturday with practically the same aggregation which almost checked last year's undefeated team. Last year, outweighted and outplayed by a powerful Orange and Mason eleven, Washington allowed only one touchdown. A week ago Washington swamped Galloway College 48 to 0, and last Saturday played before President Roosevelt at Chestertown, Md.

The Crusader assemblage has picked up confidence with the return of Bill Sullivan and Dick Tice to the lineup, after their absence from most of the first two games on account of injuries. Tice has been converted from a mainstay at a tackle post to a position at guard as a running mate for Sullivan. The return of these two veterans will do much to bolster up Susquehanna's forward wall. With Eisenhower, who scored against Haverford on an intercepted pass, and Harry Swope at tackles, and Rich Fisher in the center position, the only thing bothering Coach Ullery is the lack of material at end. Roach's injured knee, which he received in the Haverford game, kept him out of Saturday's contest with St. Joseph's and may keep him out of this week's game. However, Yon Kondy has shown himself capable of filling the wing post in Roach's absence.

Washington is known here determined to avenge last year's defeat, and is bringing an experienced team which will keep the Crusaders hustling to repeat last year's conquest.

## Jayvees Meet Defeat At Hands of Strong Dickinson Sem. Team

Coach Carmichael's fighting Jayvees met defeat Saturday at the hands of the strong Dickinson Seminary team.

Dickinson resorted to line plunging throughout the game, tearing holes in the Susquehanna line with little effort. The longest run of the game came at the beginning of the second half when Luty raced sixty yards to the goal line. One feature of the game was the kicking of Ostby, who booted five out of six placements for extra points. Smith was high scorer with 18 points.

Although hopelessly outclassed and outweighed the Jayvees gave their best every minute of play. It is Coach Carmichael's opinion that they can give any team that is their size and weight a good battle. Dickinson gave such a fine exhibition of team play that it was impossible for the Junior Crusaders to come within scoring distance at any time.

Toomey and Devereaux showed good form for Susquehanna.

The lineup:  
Susquehanna Dickinson S.  
Jones ..... L. E. .... Luty  
Shellenberg ..... L. T. .... Carlo  
Grove ..... L. G. .... Shirley  
Abbott ..... C. .... Wilhelm  
E. Hess ..... R. G. .... Reichardt  
Weinberger ..... R. T. .... Stokes  
A. Hess ..... R. E. .... Cassell  
Devereaux ..... Q. B. .... Ostby  
Toomey ..... L. H. B. .... Kiltner  
Martin ..... R. H. B. .... Smyth  
Spitzner ..... F. B. .... Babic

Score by periods:  
Susquehanna 0 0 0 0 0-0  
Dickinson S. 14 13 20 12-59

## Sophomores and Seniors Are Leading in Hockey

Thus far in the hockey season the Sophomores are leading, having won three games, tying one, and suffering defeat but once. The Seniors have no defeats but have played only three games, being victorious in all three. The Juniors have been less fortunate with one defeat, one victory, and one tie. The Freshmen tied one game with the Juniors but have not yet won any. However, this is no doubt largely due to the inexperience of the members, few, if any, having ever played the game prior to attending Susquehanna. This class in future years will no doubt be far more dangerous and efficient as its experience increases.

Each Friday afternoon at 4:15 a Susquehanna team composed of members of the four classes plays an aggregation of hockey enthusiasts who journey here from Sunbury.

## World Famous Artists To Present a Series of Concerts in Harrisburg

It is the purpose of the All-Star Concert Series not only to bring the greatest artists to Harrisburg, but to present them at the lowest cost possible. Special attention is called to the fact that through the purchase of season tickets, these artists may be heard at an extremely low fee, varying from \$1.00 to 50 cents per artist. Single admissions are necessarily higher and they are scaled from \$2.50 to \$1.00 per concert.

The season consists of five great concerts: Thursday, November 9, 1933—Serge Rachmaninoff, the famous Russian pianist; Thursday, December 14, 1933—Giovanni Martinelli, leading tenor of the Metropolitan Opera Company; Thursday, January 18, 1934—Fritz Kreisler, world's greatest violinist; Thursday, February 22, 1934—Russian Symphony Chorus, in costume, Serge Kibalachich, director; Thursday, March 22, 1934—Maria Jertiza, world famous soprano, formerly of Metropolitan Opera Company.

These concerts are an excellent opportunity and every Susquehanna student is urged to take advantage of them if it is at all possible.

## Dorothy Eastep Leads Y. W. Musical Program

An impressive musical program was rendered by several members of the Y. W. C. A. on Thursday evening, October 19. "Discipleship in Song" was studied and the leader, Miss Dorothy Eastep, gave the girls some beautiful thoughts concerning each song.

Margaret Williams, a senior in the Conservatory of Music, sang "By the Waters of Babylon," as an opening number. Psalm 150, known as the musical psalm, was read responsively and followed by a prayer hymn, "Father, We Thank Thee for the Night." Katherine Lee Bates composed the next hymn on the program, "O Beautiful for Spacious Skies." The author had traveled across the continent and had been inspired by the grandeur of the world to write this song. Ruth Balz then sang "For the Beauty of the Earth." Ethelbert Nevin's "Rosary," the favorite song of many, was sung by Alma Myers. The concluding hymn was "Now the Day is Over," and the meeting was adjourned by use of the Mizpah benediction.

## CAMPUS FLASHES

Carlisle: Dickinson College students ask for Sunday evening library privileges.

New York: New York University approves student forum plan in which students will meet frequently at the N. Y. U. Playhouse to discuss problems vital to the university.

Hoboken, N. J.: Senior class members of the engineering department at Stevens Tech will take an inspection tour of the World's Fair beginning October 16.

Comparison  
Much has been said of the modesty and reticence of the Wright brothers of airplane fame. That they were able to give a clever reason for their reserve is indicated by this story:

"You see," said the financial agent of the two Dayton sky-fliers, "the Wrights are what you might call too shy and too modest. I said so once to Wilbur, and do you know what he answered?" Mr. Flint paused long enough to chuckle.

"Wilbur said to me, 'Mr. Flint, the best talker and the worst flier among the birds is the parrot.'"

## The Fitting Answer

Every teacher should ponder the remark of a five-year-old. In an intelligence test she was asked, "Are you a boy or a girl?" She looked the teacher squarely in the eye and solemnly replied, "Boy."

## CRUSADERS TAKE TOUGH CONTEST FROM WASHINGTON GRIDDERS, 6-0

Lone Tally Scored by Rishel in Final Period; Tice's Brilliant Defensive Work and Line Plunging of Sholly Outstanding

Hundreds of cheering Alumni and students saw Susquehanna's Homecoming end successfully as the Orange and Maroon gridiron warriors emerged victorious over a scrappy Washington College eleven. The score was 6-0.

The lone touchdown came in the last quarter with only five minutes remaining to play when Captain Rishel carried the pigskin across on an end run from the 12 yard stripe. Other features of the game were the line plunging of Jim Sholly and the great defensive work of Dick Tice. Sholly gained a total of 83 yards from scrimmage during the entire game.

The forward passing attack of Washington was their big asset. The visitors threw a total of nineteen passes, completing seven and gained 114 yards through their aerial attack.

**How It Happened**  
Eisenhower, tackle, kicked off for Susquehanna, the ball going to Washington's 15 yard line. The ball was run back by Berry to his own 43 yard line. After three line plunges, Washington punted to Rishel on his own thirty yard line. The Susquehanna (Concluded on page 4)

## McKelvey Introduces Speakers at Meeting

President Smith, Coach Ullery, Captain Rishel, and Local Citizens Speak at "Pep" Meeting

Rah! Rah! Rah! Rah! was the sound that greeted us as we entered the chapel to participate in the Pep Meeting at Seibert Hall on Friday, 27th, which was held in honor of Homecoming Day. Everyone was full of pep. The enthusiasm of the cheerleaders brought forth a great response from the students. The band was in full swing; the music was as colorful as their suits. The team appreciated this hilarity very much.

Dan McKelvey, the master of ceremonies, called upon Doctor Smith for a short opening speech. Then a talk was delivered by Coach Ullery, and one of the outstanding remarks was that the Freshmen had made good as substitutes on the Varsity Squad. Captain Rishel praised the team, but stated that the support of the student body was necessary for victory. Other members of the Varsity Squad bestowed upon the students their version of Saturday's game.

Billy Schunre, the chairman of the Chamber of Commerce; Milt Herman, an alumnus of Susquehanna University, and "Doc" Mowles were the speakers of the evening. Mr. Schunre stated that the merchants of Selingsrove had purchased flags with Susquehanna's colors and intended to use them the next home game.

To the surprise of everyone Bob Hostetter appeared on the scene. Mr. McKelvey asked him to lead the students in a few cheers. Bob proved to be a somewhat spontaneous person.

The fitting climax for the evening was the Freshman bonfire. The student body marched behind the band to the athletic field. As the great flames crackled and growled the students gave forth many songs and cheers. It was one of the largest bonfires seen on the campus. The student body then followed the band down town to the square. Cheers and songs issued forth with much enthusiasm.

The success of this memorial night was due largely to the cooperation of the Freshman Class.

## Senior Choir Gives Inspiring Program

Prof. Sheldon Directs Trinity Choir in Sunday Evening Musical Program; Assisted by Mrs. Dodson

A very interesting musical service was given by the Senior Choir of the Trinity Lutheran Church, Sunday evening, October 29, 1933. The choir was assisted by Mrs. Martha Dodson, who delightfully told the story of "A Young King," by Oscar Wilde. The following program was rendered:  
Organ Solo—"Dreams" ... Stoughton  
Prof. P. M. Linebaugh  
Anthem—"We Praise Thee"—Protheroe  
Mrs. Mildred Grossman and Choir  
Poem—"Sky-land"—Dr. Lawrence Keiste

Miss Ruth Plummer  
Soprano Solo—"Oh Lovely Flowers"—Mauder

Miss Edna Borgwald  
Anthem—"How Beautiful Upon the Mountains"—Harker

Misses Pifer, Horn and Choir  
A Story—"A Young King"—Oscar Wilde

Mrs. Martha Dodson  
Anthem—"Blessed be Thee"—Greenfield

Oratory—Lullaby ..... Linebaugh  
Prayer

Response—"The Lord's Prayer"—Forsyth  
Benediction

Recessional Hymn—No. 574 (2T)  
Organ Postlude—Improvisation

## FRESHMAN GIRLS, ALTHOUGH GREEN, ARE GIVING OTHER TEAMS A RUN IN HOCKEY

The Freshman girls' hockey team has been defeated or tied every time they have played, but nevertheless it has been a successful season. The team was green and inexperienced and it took some time for the girls to learn the game.

They were beaten by the Sophomores, tied by the Juniors, and have yet to play the fine Senior team. The scores were comparatively low against the eleven and they were able to rush the ball through for one goal, which was made by Mary Barnes.

This is a rare feat for a Fresh team and next season promises to place a team on the field that will make a great bid for the championship.

—Patronize Susquehanna advertisers.

## MANY ALUMNI RETURN TO CAMPUS TO CELEBRATE ANNUAL HOMECOMING DAY

Hockey and Soccer Games Are Feature of Morning, While Football is Played in Afternoon; Fraternity Parties in Evening

## K. D. P. Presents "A Woman's Way"

Performance is Widely Acclaimed by Those Present; Professor Boeder is Director of Production

On Thursday evening, October 26, the Kappa Delta Phi Sorority gave the initial dramatic performance of the season in Seibert Chapel, where they presented "A Woman's Way," a three act play by Thomas Buchanan.

The director, cast and committee deserve commendation on their fine work which will undoubtedly set a criterion for the succeeding plays of the term.

It appears that Howard Stanton (Arthur Webber) has been the unfortunate victim of an automobile accident while in the company of Mrs. Blakemore (Gwendolyn Schlegel), the "other woman." Infamous notoriety threatens, along with a possible divorce in the Stanton family, but Marion Stanton (Ruth Cherrington) ably meets the situation, and concocts a plan for keeping her espoused. A very merry dinner party follows at which Mrs. Blakemore is a special guest. Also among the guests are Oliver Whitney (Peter Blackwood), Bob Livingstone (Stanley Augenbaugh), and Edward Morris (Erle Shober), all of them former "friends" of Mrs. Blakemore. To further complete the situation it is revealed that the wives in attendance are in ignorance of the fact. Then, in order that Howard Stanton will not make a grave mistake, Bob Livingstone and Edward Morris tell him of their associations with Mrs. Blakemore, which quite cure him of his infatuation for her. Thus, the scandal is cleared up, Howard and Marion are reconciled, and all is well.

Robert Sala gave a most amusing portrayal of Wilson, the perfect butler. The "go-get-it" news reporter was played by Penn Dively, who also gave a good performance. William Morrow gave an impressive portrayal of General Livingstone, the traditional war hero in the family. The mothers were Frances Huber, as Mrs. Stanton, and Ruth Nelson as Mrs. Livingstone. E. Millie Hines was the wife of the young Bob Livingstone, just married three months. The wife of Edward Morris, lawyer and friend of the family, was played by Ludlow Nichols. The part (Concluded on page 4)

## Band to Broadcast on Wednesday Over WKOK

Sixteen members of the Susquehanna University Band will broadcast from station WKOK, Sunbury, on Wednesday evening.

From the size of the studio the whole band will be unable to broadcast. A varied program of classical and popular music will be presented. This will be the first time the organization has played over the air. Prof. Allison feels confident that his musicians will put it over in first class shape.

## Homecoming Day was ushered in on Friday evening by the usual pep meeting and bonfire. Dr. Smith opened the get-together with a welcoming speech to the students and the alumni. Encouraging remarks were made by Mr. William Schunre, Doc Mowles, and Mr. Milton Herman. The band under the direction of Prof. Elrose Allison increased the spirit of the student body. Remarks from Coach Ullery and several members of the team gave an approximate lineup of Saturday's game. Cheers concluded the indoor pep meeting, and the students, led by the band, marched to the athletic field, where an immense bonfire blazed.

Classes were dismissed at 11 o'clock on Saturday. An educational meeting was held at 10:30 for the Alumni, who are engaged in educational work. Music was furnished by the chorus directed by Prof. Stevens.

At 11:15 the hockey and soccer games were played on the athletic field. Both All-Campus teams were successful, the (Concluded on page 4)

## V. L. Granville Presents Program

Noted English Actor Opens Star Course With "Dramatic Interludes"; Program Well Received

The distinguished English actor, V. L. Granville, presented "Dramatic Interludes," a presentation in costume and make-up of the principal characters from the drama of all time on Monday evening in Seibert Chapel. This program was the opening of the series of the Star Course. Mr. Granville began his program with a few introductory remarks. His first group of interludes consisted of his able impersonations of the character Job, Stepladders from the "Clouds," Pernet the Archer, from "The Free Archer of Baignollet," Hamlet and Lady Wishfort. His second group which followed after a ten minute intermission, was taken from the plays of modern times, and included in the group was an Interlude from the Japanese. Among the second group were the impersonations of Uriah Heep, from "David Copperfield," Asano, a stage director, and Uda, Prince of Sakamoto, from "The Fluttering Hands," an impersonation from "A Pageant in Spite of Himself," Nero, the Roman emperor from "Quo Vadis," the Lord Chancellor from "Iolanthe" and Andre from the "Final Call."

The program of Mr. Granville was well received by an appreciative audience. Especially was it of interest to the lover of literature and to the student of dramatics. Adding to the effective presentation of his impersonations was the costumes that were worn by the actor and the electrical equipment used on the stage.

The second number on the Star Course will be presented on Tuesday evening, November 21. The Greek Byzantine Vocal Ensemble of five men will present a program of exotic music from the Far East. Mr. Vionides, the director, and his vocalists started as a singing group of soldiers in Macedonia during the World War.

## A Frosh Looks at Life

For all time and for all ages past, man everywhere, be he conscious of it or not, has been striving to find out what life is "all about." As we pause to consider it, it does present itself as a mystery. It seems an experience that is constantly changing. There are never two days alike; one day we find ourselves upon the mountain top, the next day we are lost in the valley. Today the sun of life is shedding its rays brilliantly upon us, yesterday the dark clouds encompassed us on all sides. One hour we crave for companionship, the next we long to be alone. Once we are saluted and hailed by the mob, and again we are cast off—disowned by the same group. Success crowns our efforts and we take joy in them for but a brief period, for the joy is dimmed by the utter failure which we meet in another venture. One moment we are happy, the next we know only grief and pain. At times we face the world with a smile, just as often, if not more often, we meet it with a long and sorrowful expression.

Life is not all sunshine nor is it all rain—how blessed! We need them both for balance; without the one we would not appreciate the other. We admit that life is a mystery—a mystery which is not ours to solve. It is ours to live from day to day in a noble manner. If we do each task that is ours faithfully and well, then we need not worry about the "ups and downs" of life. Let us, therefore, not become wary in this experience, but face it with a heart for any task—"learning to labor and to wait."

## Saturday Evenings

The question of what to do on a Saturday evening has long been a puzzling one to the student on the campus. Provision has been made for practically every evening of the week save Saturday. We look forward to Saturday as an evening of social recreation—when we can depart from our routine of study and enjoy a little diversion. At present the problem is solely an individual one. There is little to do but go to a movie, go to town or do something just for the sake of having something to do.

We feel that there ought to be some type of an organized social gathering or program for Saturday evenings. Could not a social committee of students and faculty plan a program for these evenings in which the students could congregate and enjoy wholesome fellowship? There are the social rooms of Seibert and the Alumni gymnasium which could be utilized for the presentation of some social program to be planned by the committee of students in cooperation with the administration.

We believe that steps should be taken along this line which would well answer a long felt need on our campus.

## SPORT BITS

JIM SHOLLY, a local boy and member of the Freshman class, played a bangup game on Saturday. It is said he gained more yards from scrimmage than the entire Washington team.

THE CHEERING was much better this week than that of the Haverford game. Was it the Alumni enthusiasm or the present student body? Let's hope it was the latter. Anyway, let's make it better when P. M. C. comes here on November 25th.

STEVE MARTINEZ, although suffering with a twisted knee, went into the game in the last quarter Saturday and put a winning spirit into the team.

WASILEWSKI, pinch-kicking for Martinez, got off some fine punts; averaging 51 yards for the game.

COACH ULLERY is just another superstitious coach. Ever since assuming the coaching reins at S. U. Ullery

has always worn a gray hat and a brown suit to the games. Only once has he doomed the bench in a gray suit. That was at Moravian this season—and DID HE CHANGE BACK TO THE BROWN SUIT? "Dog gasted" coach!

TWO FRESHMEN played a bang-up game on Saturday. Harry Swope, a Selingrove High product, played a fine defensive game at tackle as did Rodgers. Both boys are making a name for themselves and for the class of 1937.

"FROSH" soccer team certainly are "burning-up" everything in the Soccer League. Thus far they have defeated every class and have yet to suffer defeat.

MORAVIAN COLLEGE is having its most successful football season in the history of the school. Coach Killinger's boys have yet to suffer defeat and won all their games by the same score, 6-0.

It is getting to be a favorite pastime with the student. W.

not have a hand ball tournament? Boyer and Henry are satisfied.

TALKING OF TOURNAMENTS, since the girls are devoting a great deal of time to bicycling, let's have a race. Make the rules that the girls must go around the corner in front of Hassinger Hall and must not fall off the bicycle or they are eliminated. HOW ABOUT IT, DAISY?

HARTWICK, DIXEEL, and then P. M. C. What do you say team? They knocked the three of 'em cold. S. U., although being handicapped by injuries, is overcoming many obstacles in making 1933 a very successful season.

IN CRISISING, we as a class of 1937, hope that the student body enjoyed the sports page.

## THE GRAB-BAG

Dear Editor:

We have heard many discussions about the impressions one receives when he first comes to S. U. and we should like to contribute our ideas on the subject.

When we came here a few short weeks ago and stepped on the campus of this college, for the first time a part of it, we were aware of a different atmosphere from any we had ever experienced before.

Student greeted faculty with a spirit of fellowship rather than one of awe. This to us newcomers seemed odd for we had always viewed the faculty as a group of dignified, sophisticated professors who had no interest other than books. But now we saw them as they really are—not inhuman, but democratic and interested in the welfare of their proteges.

Then too, we came here knowing no one, but the upper classmen soon made us feel at home and we discerned a spirit of genuine friendship among Susquehanna men and women. They all seemed to have a certain pride for their college, which was manifested in various ways—These were our first impressions.

Now we have been here six weeks and we have been forced to change them. Why? For this reason:

We have been, not influenced, but exposed to the clan of so-called "gripers." This is the group that complains about food, in spite of the fact that it cannot be excelled by any college in the country; about the professors, even though they comprise one of the best faculties possible to assemble; about the rules, which could hardly be improved upon.

Then we attended our first football game and heard from the famous "whispering cheering section." Many of us come from high schools where spirit was foremost and the sudden change quite overwhelmed us. How anyone could sit, tranquilized and watch the powerful Orange and Maroon team rush on the field is more than the mind of a Freshman can comprehend. After all, those boys are out there giving us their best and the least we can do is let them know that we are back of them. The student body can hardly be given any credit for Susquehanna's undefeated team last year.

Freshmen for years past have received good first impressions, and as they become Sophomores, Juniors, and finally Seniors their attitudes change. What is the reason? Why, or why can't they remain as they were? It is up to the present Freshmen to find the cause and the cure!

Hello Folks:

I've just come to S. U. and it's a mighty fine school. As you know I get around quite a bit. I'm going to let you some of the things I see and hear on the campus and around town. The other night I was down to Reichley's. There was a sign on the show case "Assorted Nuts," and under it sat Long Mosher, Louie and Spitzner. I hear that Barni has convulsions every time somebody mentions a fat falling in a puddle. They say Jim Suter hates doctors. You should see the apples he has in his bureau drawer.

I saw the Sophs beaten by the Frosh soccer team. Is that a joke? Somebody must have killed the Big, Bad Wolf, as I don't hear anybody asking "Whose Afraid of the Big, Bad Wolf?" I dropped into Commercial Geography and heard the teacher ask Goyne this question: "Why isn't the Susquehanna River navigable?" Goyne's answer—Because the bottom is too near the top. Oh well! what different does it make?

I hear one of the Frosh was arrested for speeding and he said "But officer, I'm a Freshman at S. U." and the cap said, "Ignorance is no excuse." I wonder who it was?

Well, I gotta go to the store for Ma so good bye until the next time.

Skippy.

Susquehanna.

## SPORT SAUCE

By ABNER ATHALEET

After that violent pep meeting and bon fire on Friday evening it's no wonder that the stands yelled themselves hoarse at the game on Saturday. On the other hand cheering is one way to keep warm.

Someone suggested that "Earnie" Huston, that bouncing cheer leader, should develop a new trick for Saturday's game. Since it was Homecoming day he should have at least done a double flip or a head stand or something.

The band nearly froze while sitting in the stands, but that was before they played "Tiger Rag." Louie Howells almost lost his drum sticks by accidentally dropping them down the bass horn.

Prof. Allison has made a band arrangement of "Old S. U." and this song will be used as a signature song at all home games.

The Washington team seemed to have a lot of faith in forward passes. Between halves their second team tried to show the crowd how it is done.

Waiting until the last quarter to score is getting to be a habit with S. U. Well, at least, it makes the game more thrilling.

In the stands on Saturday we discovered that:

Little Mary Spiggle,  
Sure can Giggle.

Most of the sorority girls proudly wore sunflowers to the game. (Pardon, they may have been golden rods).

P. S. We do not take botany.

Eisenhower has the most graceful way of downing a punt we have seen to date.

Recipe for "Sport Sauce."  
Take a couple of football teams, some students in a crowded stand, a cheering throng, and a college song to the music of S. U.'s band.

## Moment Musicale

Being the Non-Technical Ramblings of a Music Lover

I wonder what strange, perhaps barbaric, appeal there may be in the well-known "rhythm songs." Popular songs, consisting of practically nothing but rhythm, with perhaps a suggestion of some vaguely familiar simple melody in the background. . . . Probably the best known and most barbarically rhythmic of these is that wierd, blatant "Tiger Rag." To some people, it is merely a jumble of disorganized rhythm, somewhat resembling the amplified noises of a better factory collected under a silly title. And I suppose that's about what it is. But to me, it does have some sort of appeal which I can't analyze. It surely isn't attractive because of its beauty as some compositions are, and I don't think it could be said that "Tiger Rag" possesses such a degree of originality as to account for its popularity. I guess it must be the sheer rhythm of it which is composed which makes it attractive. And the reason some people dislike it so must be because their rhythmic instinct is less keen than others! . . .

It seems to me that among the types of music that are overdone on the air waves, the so-called "hill-billy" type is one of the worst offenders. I'll admit that I like the "ballads of the hills," but only when they are interpreted in a certain way. The general trend at present, however, seems to be to create artificial hill billy atmosphere, and the more artificial, the better. I really can't be made to believe that these were ever sung as they are on most radio programs when they were first heard among the hills of Kentucky, and I have more than a faint suspicion that most of them never saw the hills of Kentucky, but originated in the canyons of Manhattan and Tin Pan Alley.

What I like in music: "Stardust," the best popular melody of 1932; anything by Wagner, especially the "Prelude to Love-Death," from "Tristan and Isolde"; "The St. Louis Blues"; male quartets; Ravel's "Bolero"; Paul Whiteman and his perfect orchestra; chromatic melodies; Bing Crosby; "In a Persian Market"; George Gershwin; "I Got Rhythm"; sweet violins Guy Lombardo's catchy arrangements which make time a hit; ditto Wayne King's "Heart at Thy Sweet Voice," from "Son of David"; the wonderful City Music Hall chorus; the clear, beautiful voice

of Jessica Dragonette singing "Some Day I'll Find You"; dance programs uninterupted by wickeracting announcements; Rubini and his violin; "Dance Macabre," by Saint Saens; "Nobody's Sweetheart Now," when interpreted by those swell Mills brothers; "In a Monastery Garden"; Shubert's "Serenade" and his "Unfinished Symphony"; "At Dawning," by Charles Wakefield Cadman; the 100-piece Radio City Orchestra playing "Stormy Weather"; "Play, Fiddle, Play"; "Song of India"; "Girl of My Dreams"; "Now the Day is Over"; "Jazz Nocturne"; "The Rosary"; "Only a Rose" from the "Vagabond King." . . .

## CERTAINLY!

- The game was full of "Zip."
- Roast Chameleon steaks were the order in Seibert during the past week.
- And there was the Freshman who took a chicken for a lark. The Judge, failing to see the resemblance "larked" him up for ten days.
- A. A. H. I'll call my girl newspaper.
- C. D.: "How's that?"
- A. B.: "Because she's such a bold-faced type."
- A recruit wearing No. 19 shoes had enlisted in the army. One day the office missed him and asked: "Has anyone seen O'Halloran?"
- "Yes," said a voice, "he's gone up to the crossroads to turn around."

## SORORITY NOTES

**Sigma Alpha Iota**  
Sigma Omega chapter had as guests the past week: Virginia Moody, Beatrice Gentzler, Margaret Eide, Frances Staumbaugh, and Jo Hoy.

Dorothy Eastep and Margaret Williams spent the week-end at their homes.

**Omega Delta Sigma**  
Omega Delta Sigma entertained at a breakfast on Saturday morning at nine o'clock the following members of its alumnae: Miss Dorothy Reeder, Miss Janet Lettitzel, Miss Helen Culp, Miss Edna Williamson, Miss Ethel Weikert, Miss Gertrude Fisher, Miss Enza Wilson, Miss Signe Alford, Miss Elta Mumaw, Miss Margaret Keiser, Miss Gertrude Walker, Miss Claire Dauterman, Miss Ruth Steele, Miss Marjorie Phillips, Miss Helen Ulrich, Hoffman, Mrs. Helen Auchtung Blair, Miss Ruth Fulkman, Mrs. Laura Schoch Horton, and Mrs. Christine Schoch Cassler.

These last two named members were charter members of the sorority. It was their first homecoming day since they left college, and they naturally had many new and interesting things to tell the girls about the early history of the sorority.

After the breakfast, the alumnae had a business meeting. Miss Marjorie Phillips is the president of the Alumnae association of Omega Delta Sigma. During the afternoon, Miss Ruth Jacobs, Miss Eleanor Sheriff, and Miss Elizabeth Verlage also arrived to spend some time with the sorority girls.

The active members of the sorority are always happy to have their alumnae with them, and they extend a cordial invitation to all to visit them at any time.

**Sigma Sigma Delta**  
Sigma Sigma Delta welcomed the following alumnae on Homecoming Day: Mrs. Frank Rammann, Sara Halme, Corinda Sell, Anna Losch, Mary Eastep, Marguerite Finkel, Dorothy Goff, Nancy Lecrone, Margaret Flak, Grace Minnig, Martha Gessner, Catherine Boyer, Miriam Kelm, Thelma Crebs, Helen Simons, Ethel Augst, Mrs. Frank Bernhardt, Mrs. Albert Irons, Mrs. Oren Kaltriter, Nan McHugh, Amelia Krapp, Estella Pearl, Freda Stephens and Mary La Haza.

A short business meeting was held in the morning at which time officers elected were: President, Grace Minnig; vice president, Nancy Lecrone; secretary, Mary Eastep; treasurer, Mrs. Frank Rammann. Plans were made for the coming year when the alumnae national convention to be held in Berea, Ohio.

Directly after the football games, the active members entertained the alumnae in the sorority room.

## PROFESSOR SHILDON SPEAKS OVER WKOK DURING BROADCAST

The third of the series of weekly broadcasts under the supervision of the Conservatory of Music of Susquehanna University was given Wednesday, October 25, 1933, from station WKOK at Sunbury.

The program consisted of four selections beautifully sung by Miss Margaret Keiser, a piano solo by Professor P. M. Linebaugh, and a talk on Music Education by Professor E. Edwin Sheldon, who pointed out that music was beginning to be recognized more and more as an indispensable art.

SUSQUEHANNA UNIVERSITY BAND

As the Musical Organization Made its Initial College Appearance at the Haverford Game on Parents' Day under the Baton of Professor Hirose Allison

## JAYVEES TO PLAY SHAMOKIN HIGH SCHOOL ON SATURDAY

Coach Russ Carmichael will take his fighting Jayvees to Shamokin on Saturday, where they will engage that high school on the gridiron.

Carmichael, disappointed with his team's showing at the Orphanage on Friday, is working hard, putting the squad through plenty of scrimmage and signal practice in preparation for the Saturday game.

The Jayvees are out to win their second game of the season. Captain Abbott is determined that his boys will emerge victorious.

of the maid was taken by Dora Stutzner.

Dr. Paul Boeder, professor of Mathematics at the University, is credited with the supervision of this splendid production.

## EDUCATION OF CHILD DISCUSSED BY DEAN

(Continued from page 1)  
able characteristics to which he could subscribe with certain modifications. Particularly, the spiritual side of education should be emphasized more.

"The way of the Cross leads home. The way to success is through suffering and sacrifice. Too many of us are cheerleaders on the sidelines, and too few of us are playing the game down in the mud. Too few of us know what it is to have sore and aching muscles from struggling in the game, and too many of us have sore throats only from shouting at the other fellow."

## MANY ALUMNI RETURN TO CELEBRATE HOMECOMING DAY HERE

(Continued from page 1)  
Co-eds winning, 5-0, and the men 4-0. Luncheon was served at Horton Dining Hall and at the various fraternity houses at 12:15. The dining room was a scene of old grads greeting each other.

Sorority breakfasts and luncheons were held throughout the day for the returned graduates. Flowers were presented to the sorority girls as tokens of welcome to the Alma Mater.

At 2:00 a large crowd of students, alumni, and townspeople gathered to witness the big event of the day when Susquehanna defeated Washington 6-0. No scoring was made until the second half. Inspiring music ("My Darling" and "Tiger Rag") spurred the team on to victory. Between halves of the game the letters "S" and "W" were formed on the field by the band.

Parties began in the different fraternity houses at 8:00 o'clock. At the Bond and Key Club music was furnished by Ted Brownage. Duke Badenford and his orchestra played at the Phi Mu Delta house, and the Sana Noma orchestra at the Phi Lambda Theta fraternity house. At twelve o'clock the strains of "Good Night Ladies" and "Sleep" could be heard as the last event of Homecoming Day was concluded.

## CRUSADERS TAKE CONTEST FROM WASHINGTON GRIDDEERS, 6-0

(Continued from page 1)  
quarterback ran the ball back to the 47 yard line. Susquehanna gained two first downs, mostly on plunges by Sholly and reverse plays. Having the ball down to Washington's 37 yard line Reinhold intercepted a pass, giving

Washington possession of the ball on their 29 yard line. Dokkins then got off a beautiful kick to Susquehanna's 45 yard line. Rishel returned it to the visitors 40 yard line as the quarter ended.

## Second Quarter

Susquehanna lost possession of the ball on Washington's 35 yard line on downs.

Washington then made a first down and after making seven yards off tackle completed a forward pass to Susquehanna's 35 yard line. The Crusaders line held here and Washington was forced to give the ball up on downs. Wasilewski got off a beautiful punt, which went out of bounds on Washington's 25 yard line. The remainder of the period was spent in the exchange of punts. Susquehanna made three first downs in this period.

## Second Half

Washington kicked off to Susquehanna and Rishel received the ball on the fifteen yard line and ran it back to the 38 yard line. Susquehanna then made five first downs with Sholly, Hanna, Wasilewski and Rishel carrying the ball. Then the locals lost 18 yards on a bad pass from center and then Washington intercepted a forward pass on their own 40 yard line.

They then kicked to the Orange and Maroon's 7 yard line and after a five yard penalty against the Maryland boys Wasilewski punted to his 46 yard line. Washington then started a desperate march down the field, mostly due to completing forward passes. When the third period closed, they held possession of the ball on Susquehanna's eight yard line.

## Fourth Period

The local's line then began holding. Three line plunges put the ball up to the one foot line. Shouts of "hold that line" came out from the stands. After the officials pulled the players off the ball, Washington did not score and Susquehanna took possession of the ball. Two five yard penalties placed the ball on the ten yard line and then Wasilewski punted to Washington's 44 yard line. Washington then punted to Wasilewski on his 23 yard line and then Susquehanna started on a 77 yard march which resulted in Susquehanna's touchdown. On the march the locals made six first downs. Sholly was the main cog in these gains and Rishel made a beautiful end run for twelve yards to give Susquehanna the victory.

The remaining three minutes of the game was spent in Washington driv-

ing the fans plenty of thrills when they took to the air, tossing forward passes all over the field. When the game ended the ball was in our possession on our own 41 yard line.

Every man played fine ball. Wasilewski's punting was a feature. He averaged 51 yards. Tice and Sullivan played fine defensive ball as did Swope, Eisenhower and Rodgers. Yon Kondy, Schlegel and Maguire featured on the line and Fisher and Hanna did some fine backing up the line.

## Lineup:

### Crusaders Triumph Over Hartwick, 37-0

**Ulyermen Defeat New York Team in One-Sided Fray; Score 37-0. Game Well Attended**

Two touchdowns by Captain Rishel and one a piece by Hanna, Wasilewski, Bassrest and Tice netted Susquehanna's Crusaders a 37 to 0 victory over Hartwick at Oneonta, N. Y., on Saturday afternoon. Hartwick put up a futile struggle during the first period before a fair-sized Homecoming Day crowd, but was hopelessly outplayed by Susquehanna for the remainder of the game.

The Ulyermen displayed the best brand of football that have been shown this season, and they would have run up a higher score if they had desired to do so. Every man who made the trip saw action with the exception of Martinec and Swope, who were kept on the bench because of injuries. The new fighting spirit shown by the Crusaders should raise the hopes of Susquehanna's fans, who have been skeptical about our chances for victories over Drexel and P. M. C.

Susquehanna made her first touchdown in the second quarter, when Captain Lee Rishel skirted left end for 15 yards and a touchdown. Hanna soon repeated this performance by dashing around left end for a touchdown on the 25 yard stripe.

In the third quarter, Sullivan recovered a Hartwick fumble on his opponents' 40 yard line, and Wasilewski scored on a line buck from the one yard line after a sustained march down the field. Before the end of the third period, Capt. Rishel again scored on a 10 yard end run.

In the final quarter, Wasilewski threw the oval for a 40 yard pass to Bassrest, who then scored unmolested from the 5 yard line. Shortly before the game ended, Tice, defensive tackle, blocked a Hartwick punt and raced 15 yards for the final tally of the fray.

The Crusaders were somewhat weak on scoring extra points, only one out of six attempts being successful. This came after Rishel's touchdown in the third quarter, when Wasilewski kicked a neat placement squarely between the uprights.

This was the Crusaders starting line up:  
Tackles: Schlegel and Maguire.  
Ends: Elsenhower and Tice.  
Guards: Sullivan and Rodgers.  
Center: Goyne.  
Quarterback: Wasilewski.  
Halfbacks: Rishel and Sholly.  
Fullback: Hanna.

### S. U. Students Attend Lutheran Conference

The Lutheran students conference met at Wagner College, Staten Island, over the past week-end. Its first session was on Friday afternoon, November 3, and the conference adjourned the following Sunday at noon.

Dr. and Mrs. Seidel drove Susquehanna's representatives to New York in their car. Misses Edith, Frankenfeld and Mary Ann Cressman represented the Y. W. C. A., while Harold Rowe and Robert Sala were chosen as representatives of the Y. M. C. A. This regular meeting was held at Susquehanna last year at which time Harold Rowe was elected treasurer of the Association.

### PROFESSOR REITZ TO LECTURE ON WORLD FAIR AT MEETING

Professor Dr. Irwin Reitz will give a discussion on "Forward Looking Colleges," at the Faculty Meeting on Wednesday afternoon. This is the continuation of a recent innovation by the faculty toward improving instruction and the philosophy of education.

Dr. Paul J. Ovrebo delivered a discussion on "Swarthmore and Harvard" at the last faculty meeting.

### DR. SMITH TO OCCUPY TRINITY CHURCH PULPIT NEXT SUNDAY

Dr. G. Morris Smith will fill the pulpit in the Trinity Lutheran Church of Selingsgrove next Sunday in the absence of Reverend Dallas Baer.

"The subject for the morning sermon will be: 'The Implications of the Reformation for Life Today.' In the evening Dr. Smith will discuss 'The Persuasive Power of Goodness.'"

### Professor Wood Speaks Before Social Society

Prof. George N. Wood, of Susquehanna's faculty and world traveler, was the speaker at the regular monthly meeting of the Pennsylvania Gamma Chapter of Pi Gamma Mu, at Susquehanna University. Prof. Wood had as his topic, "Economic Problems of Europe." The meeting was held on the evening of November 4 in a class room at Gustavus Adolphus Hall with William Morrow, its president, officiating.

This National Social Science Honor Society has nearly 150 chapters in as many colleges and universities with a total membership of more than 12,000. Its purpose is to encourage and reward undergraduate study in the social sciences.

### S. U. Band Presents Program on WKOK

**Prof. Grossman Speaks on Regular S. U. Half Hour Broadcast from Sunbury and Band Plays Marches**

The Susquehanna half-hour over WKOK, Sunbury, was under the auspices of the S. U. Band on Wednesday, November 1. Seventeen members, under the baton of Professor Elrose A. Allison, made their broadcasting debut. The speaker was Professor Luther D. Grossman, director of athletics. The program for the evening is as follows:

- Salute the Flag ..... Hufford
- Old S. U. .... Sheldon
- Stepping Along ..... Goldman
- You Gotta be a Football Hero—Sherman, Fields, Woods
- Physical Education—Professor Grossman
- Marching Along Together—Dixon-Steininger
- March Victorious ..... Allison
- The Moll ..... Goldman
- Alma Mater ..... Sheldon

### Crusaders to Meet Drexel on Saturday

**Drexel Eleven to Depend on Passes to Defeat Old Foe as S. U. Grid Machine Prepares Pass Defense**

Drexel Institute looms as Susquehanna's next foe on Saturday when the Crusaders journey to Philadelphia to tangle with Coach Walter Hallas' boys.

Gridiron relations with Drexel were discontinued in 1929 when the Orange and Maroon suffered a 13 to 0 defeat. Over a period of five years Drexel has won thirty-two games, lost ten and tied three. Drexel plays the same class colleges as Susquehanna, so the two teams can be considered equally matched. Due to the fact that the line as well as the backfield is not exceptionally heavy, Drexel relies on passes much of the time. It was a pass in the last period which brought the Dragons victory over Delaware last Saturday, 6 to 0. Susquehanna acquired much experience in blocking passes against Washington, so they should be able to combat all Drexel has to offer.

After their decisive win over Hartwick, the Crusaders anticipate the Drexel contest, with much confidence. The line is in first class shape and Steve Martinec and Dink Walsh, who have been nursing injuries, will probably see action. Coach Ullery feels certain that if the team continues to show the same fine form it has been showing it will chalk up another victory.

As to weight, Susquehanna and Drexel average about the same. The Dragons' backfield is very light, averaging 157 pounds, but what they lose in weight they make up in speed. Speed combined with their passing ability should enable them to give S. U. a stiff battle. The spark plug of Drexel's team is Peter, the left halfback, who is not only a great broken field runner, but throws most of the passes as well. Hoff and Wright are on the receiving end of the aerials.

With this renewed gridiron acquaintance both teams will fight their hardest to snag the long end of the score. We hope that next week we can witness a victorious Crusader eleven back to the campus.

### Omega Delts Present a Boisterous Comedy

**Sorority Members Make Preparations For Presentation of Three-Act Play Entitled "The Youngest"**

Omega Delta Sigma sorority will present "The Youngest," a comedy by Philip Barry, on Thursday evening, November 23, at 8:15 o'clock in the chapel in Seibert Hall. The play is an ingenious variation of the Cinderella theme, in which the hero, a downtrodden son, comes into contact with a charming busybody. The youngest eventually learns to assert himself and turns upon his oppressors in a splendid style.

The characters are:  
Richard Winslow, Lee Rishel  
Nancy Blake, Mary Eltringham  
Martha "Muff" Winslow, Daisy Reese  
Mark Winslow, Penn Dively  
Alan Martin, Paul Schreckengast  
Augusta Winslow Martin, Ruth Bergstresser

Mrs. Winslow, Lillian Diehl  
Oliver Winslow, Tim Barnes  
Katie, Anna Mease  
A number of these players have had experience in dramatics on this campus before. Daisy Reese played the lead in "The Perfect Alibi," and A. A. Milne production, presented last year by O. D. S. Penn Dively has just completed a part in "A Woman's Way," recently presented by K. D. P. The other players have had experience in dramatic presentations in high school. "The Youngest" is being coached by Miss Dorothy Reeder, physical education director, and an alumna of the sorority. She has successfully coached such plays of the sorority as "The Swan," "Holiday," "The Perfect Alibi," and many others.

It is produced by special arrangement with Samuel French.

### Mrs. Ullery Entertains Members of the O. D. S.

Omega Delta Sigma sorority was entertained at a very novel Halloween party by Mrs. William W. Ullery on Tuesday evening, October 31.

The girls dressed themselves in huge white sheets when they arrived and played a number of Halloween games, such as "Murder," "Witches and Owls," and "Punchbowl." While these games were in progress each girl was taken individually to have her fortune read in the crystal ball by the world famous Prince Al Bendo. After the indoor games were finished, the girls danced and cohorted around the lawn and fountain. At such a critical time, a mysterious hand turned on the water in the fountain and the guests were forced to glide away uttering maledictions upon the one who had done this evil deed. The sorority girls were then led to a building in which a huge open fire was blazing and there they found many delectables awaiting them.

Mrs. Ullery is the president of the honoraries of Omega Delta Sigma social sorority.

### Campus Club to Meet at Home of Dr. Fisher

The Campus Club will meet at the home of Dr. and Mrs. George E. Fisher on Wednesday afternoon, November 15, between the hours of three and five. Professor G. N. Wood will speak to the group on his experiences in Russia. All members of the Campus Club and their husbands are urged to be present. In a recent report received from Mrs. Fisher it was announced that Professor Wood's speech would constitute the major part of the entertainment.

### Pres. and Dean Attend Harrisburg Conference

President G. Morris Smith and Dean George F. Dunkelberger are to represent Susquehanna University Wednesday, November 8, at the Annual Education Congress at Harrisburg. They will attend the Congress on Thursday also. Dr. James N. Rule, state superintendent of public instruction, announces the following speakers: United States Commissioner of Education, George F. Zook; Governor Pinchot, and Jesse Cook, newly elected president of the National Education Association.

### Prof. Stevens Sings at the Tau Phi Sigma Club

The Susquehanna Valley Men's Chorus, composed of fifty voices, sang at the Tau Phi Sigma Club of Sunbury on Thursday evening, November 2. Professor Frederick C. Stevens, who is director of the chorus, gave several vocal selections, assisted at the piano by Victor Marietta, who rendered a piano selection of his own arrangement. The program consisted of:  
Mam's L'il Boy ..... Frederick Hall  
Return of the Pilgrims, from Tannhauser ..... Wagner  
Chorus  
The Jolly Rogues—Ritchie Robertson  
Bless This House ..... Brahe  
Mr. Stevens  
Rhapsodie in Blue ..... George Gershwin  
Mr. Marietta

### Dr. Russ to Speak On S. U. Broadcast

**Misses Myers, Shippe, and Martz to Sing Two Groups and Miss Turner to Play Piano Solo Wednesday**

The Susquehanna University half-hour, over the radio, which has been drawing considerable interest in and about Sunbury, will be continued with the following program, Wednesday, November eighth:

- Trio: a. Mistress Margarita—A. Renn  
b. Morning ..... O. Skaeks  
Misses Alma Myers, Elizabeth Shippe, Audra Martz  
Miss Dorothy Turner at the Baldwin Piano: Alt Wein ..... Godowsky  
Miss Dorothy Turner  
Songs: a. Morning ..... Aylward  
b. All for You ..... Bertrand-Brown  
Misses Alma Myers  
Address: Values of a Small College  
Dr. William Russ  
Trio: a. Bird Songs at Eventide—Coates  
b. In This Hour of Softened Splendor ..... Pinsutti  
Misses Myers, Shippe and Martz

Much favorable comment has been heard concerning this project. There is a great fund of talent both in the conservatory and the college, and student interest is running high in Susquehanna's half-hour on the air.

### Only Fifteen Women On Six-Weeks List

**Number of Men on Initial List Almost Five Times the Number of Women; Freshmen Have Thirty-One**

The first six-weeks list was posted in the C. A. Hall on Friday noon. The number of students' names appearing on this list was slightly below the average of former years. The most significant fact of the list appears to be the large number of students of the sophomore class appearing on it. About half of the freshmen were represented, which is in keeping with the number of that class in previous years on the initial list. The standing of the various fraternities and sororities has not yet been compiled. The numbers represented by the various classes are as follows: Freshmen 31, Sophomores 26, Juniors 15, and Seniors 13, making a total of 85. Of this number 70 were boys and only 15 girls.

Fraternity and sorority standings for the last semester of last year will be announced in next week's issue of The Susquehanna.

### Many Students Plan to Hear Famous Pianist

The musically-minded on Susquehanna's campus are exhibiting great interest in the forthcoming Rachmaninoff concert. This is the first of the All-Star Concert Series which is to be held in Harrisburg. Over thirty have purchased tickets for the concert, which will be given Thursday, November ninth, in the Forum of the Educational Building. The student seats are very well situated in the Lower Circle so that those interested may watch the pianist more closely.

Professor E. E. Sheldon has been in charge of the sale of tickets, and has been very successful in taking care of transportation for those desirous of hearing the concert.

### Facts About Meteor Prove Interesting

**Strance Rock Found Near Pittsburgh By L. E. Glasgow Presented to Susquehanna in 1900**

Among points of interest on the campus of Susquehanna University is the meteor rock situated in front of Steele Science Hall. To most of the students the fact is known that it is a meteor, but of many facts concerning it that are really interesting, very little is known. Through the kind cooperation of Dr. Fisher, many details concerning where and when it was found and who presented it, were brought to light.

As is commonly known to geology students, a meteor is part of a heavenly body that is melted through friction to a white heat while passing through space. Very few of these shooting stars ever reach the earth, making a meteor a rare and curious object.

In the year 1899 this meteor was brought to the laboratory of Dr. Fisher, who was then teaching geology, by a student from Pittsburgh by the name of L. E. Glasgow. It had been found on a farm north of Pittsburgh by a farmer while plowing a field. Upon examination it was found that the strange rock was composed of practically all metallic iron with traces of nickel and cobalt. Upon further examination it was found that it was pitted on one side from the highly heated condition through which the meteor once passed. It was also noted that the rock resembled a human foot, and weighed nearly seven pounds.

In the year following, 1900, it was presented to Susquehanna University and has since then become a permanent landmark on the campus.

### Pres. Smith Speaks at Pre-Theologs Meeting

"Martin Luther was a diligent and unceasing reader of the Bible," said Dr. Smith in his address. "Luther and the implications of His Life to the Pre-Theologs Students," Thursday evening, November 2, to the pre-theological club. He stressed above all other things the fact that the secret of this great man's life and his power was in the fact that he knew the bible.

President Earnest Huston opened the meeting by reading the third chapter of "Romans," which was followed with a sentence prayer by each one in attendance.

The club accepted with one accord the invitation which was extended by Mrs. Ahl to hold their next meeting at the Ahl home.

It was pointed out that each member of the senior class in the Theological Seminary always had charge of a chapel service. Since the seminary is now closed, it was felt that the pre-theologs in the senior class should carry on this old tradition. The members were all in favor of this new move, and Dr. Smith also gave his consent to it.

There were a good number present. The meeting was terminated with a closing prayer by Dr. Ahl.

### S. U. Alumnus to Head a National Celebration

Dr. Harry T. Domer, who received the honorary degree of Litt.D., from Susquehanna in 1922, has been chosen to head the committee organized for the National Celebration on November 10th in Constitution Hall, Washington, D. C. This event will commemorate the 450th year of the birth of Martin Luther in Eisleben, Germany.

The celebration will take the form of a religious service, with a procession of diplomats, clergy, educators, and massed choirs of the local Lutheran churches. There will be special musical features, a sermon by Dr. Paul Scherer, of New York City, and perhaps brief remarks by Dr. Hans Luther, the German Ambassador, a representative descendant of the great reformer. Dr. Domer is a Washington attorney, and is a prominent Lutheran layman. He has written many books, chief among them, "John Hay: A Memorial History," "The Church and the Man," and "The Birth of a Nation's Capitol."

President G. Morris Smith has received a special invitation to be present at this National Celebration, and will take part in the academic procession.

TUESDAY, NOVEMBER 7, 1933

## Vacations

Many of our students are anxiously awaiting news from the office to know whether or not we shall have a spring vacation and no Thanksgiving vacation.

Susquehanna evidently follows its traditions too closely because one of the objections is that it has never been done here before. Can't we break away from the old regime and institute something new? Such colleges as Swarthmore, Hood, Wilson, Dartmouth, and this year Penn State are not having Thanksgiving Vacation, and adding these extra few days to the Easter Vacation. A Christmas and Easter vacation make a logical break in the school year. A few days at Thanksgiving do not make one. There would be barely two weeks until the faculty and students would have to prepare for Christmas. This is too short a time for both to readjust themselves. Much valuable time is lost and we really would have only a short week-end at home.

It is, however, absurd to consider adding our Thanksgiving vacation to Christmas or Semester vacations because more than two weeks are given us at Christmas and the time is too short between Christmas and Semesters. Why not then dispense with a Thanksgiving and add that time to a spring or Easter vacation?

## Do You Know How to Read?

How many people read the daily papers for what they contain? How many students read the daily news sheets with the power of thought that these students are supposed to have?

A great many students do not look at a daily paper from one week to the next; other students merely give the political and governmental news a passing glance. This is a disturbing fact when we face the new educational progress of this century. The student of today is given more educational freedom than in any past period. He is advised to inform himself upon the most vital things which occur in our public life. Withal he sometimes loses the most important things which would enable him to fit himself to meet competition in the business and professional world.

The university has provided a modern library for the use of the students and encourages them to use it, not only for enlarging upon their text-book knowledge, but also as for recreational and cultural objectives. The student body, generally speaking, completes the necessary collateral reading, but fails miserably in reading for recreation and culture. Some of the most interesting and most valuable volumes in the library have but two or three names of readers to their credit. Some of the best written novels have not yet been removed from the shelves by readers. This is a sad condition prevalent in a liberal arts college.

We should glance through the daily papers every day and read with interest the things bearing upon the political and governmental activities of our country and other countries. We should face the sociological problems of today by a perusal of the news articles. We should read one good volume, either biographical or fiction, each week. Let us remedy the said neglect of the library and make it a place of activity.

## Moment Musicales

Being the Non-Technical Ramblings of a Music Lover

Today, when we think of music, we generally connect it with radio. And indeed, it has been radio which has made music the big thing that it is in the modern home. In the realm of the classics, radio has brought the really good music and the greatest symphony orchestras to the masses of the people who formerly would have missed the best. America has made music-conscious, and radio has probably done more than anything else to bring this about. With the perfection which has been attained in broad-

casting and in the construction of receiving sets, music has been put within the reach of almost everyone. It no longer costs money to attend the great concerts; a person can now sit in his easy chair at home and listen to the world's greatest music played by the world's greatest symphony orchestras. Or, if in a lighter mood, he may tune in some well-known dance orchestra and hear the latest popular tunes played in the modern manner. Of course, there is on the air too much of the popular variety and too little of the classic type of music, but radio is a commercial enterprise and consequently caters to the masses, most of whom, unfortunately, care for little else but jazz. But one program of real music can make up for many programs

of jazz, so maybe there's a balance after all. . . .  
Anyone at all interested in good music should certainly not miss the chance to hear it played superbly by the Philharmonic Symphony Society of New York on the Sunday afternoon broadcasts of that orchestra. The conductor is Bruno Walter. Last week, on an all Wagner program, were heard such gems as "The Valkyrie" and "Siegfried" both showing vividly the genius of this great composer. The program is a regular Sunday feature and can be heard through stations of the Columbia Broadcasting System at 3:00 p. m. Next week, an all Tschalkowsky program will be presented, and this composer's "Fifth Symphony" will be heard. . . .  
In the popular class of music, a new ballad, "One Minute to One," strikes my fancy. Maybe it's the lyrics . . . Another "moon" song is going the rounds; the name of it is "It's Only a Paper Moon," and Helen Morgan's singing makes it quite appealing. Of this new "Night Owl" tune gives me the willies . . . Someone suggested to me that the hit of last year, "We Just Couldn't Say Goodbye," and the new "I Just Couldn't Tell Them What to Do," were similar. Rhythmically, they are, but not melodically. . . .

## The Ancient Classics and Modern Culture

By AUGUSTUS WILLIAM AHL, Ph.D.

The age of science and commercialism is here and there is reason to wish it otherwise. There is danger, however, of gross materialism and that the fine things of life, the things that lift the thoughts and soothe the mind will be neglected. The idea seems to prevail that all learning ought to be at once translated into scientific and commercial activities and by them into dollars and cents. Consequently the cultural courses in our higher institutions of learning are at a low ebb. Many who call themselves "experts" in education minimize the value of the study of the classics, and thus unwittingly undermine the very foundation of a liberal education; for a liberal education without the classics is an attempt to erect a grand edifice on a base of mud. A great deal of this practical education has not justified itself. Does not the specialist in his trade, business, or profession live a much richer and happier life if he is able to enjoy the great treasures of art and literature both ancient and modern? Is he not really immeasurably poorer if lacking the ability to associate with the great minds of the past and present, even though he possess material wealth and specialized knowledge? And how rich this heritage left by the Greeks and Romans. In philosophy, religion, science, literature and language, art and architecture, and in political thought our civilization is so closely interwoven with ancient thought and life that we are able to understand ourselves only as we comprehend this heritage. . . .  
A practical consideration will reveal that the natural sciences, philosophy, theology and medicine constantly use expressions derived from the Greek and Latin. Even in everyday English we are using Greek and Latin words: the number of these derivations from the ancient languages runs into the thousands. Such common words as "school, method, problem, idea, energy, theater, telephone, telegraph, photograph, music, patriot," and hundreds of others are derived from the Greek. In many cases the Latin too has taken a Greek word and transmitted it into the English. The number of the purely Latin derivatives is likewise very large, including such words as "respond, vision, population, suspicion, scribe, transpore, persuade, prohibit, reject, receive, factory, captive," and many, many others. . . .  
Frequently the Greek and Latin languages are called dead languages, but if they are dead we have to deal with pretty lively corpses as will appear from preceding comparison. Greece lives on, Rome lives on as long as our civilization lives. The teacher of modern languages is using the system of grammar and syntax of the Greeks. The masters of English literature are saturated with the literature of the Greeks. Out of this quarry they have dug the material with which they build. Ancient thinking underlies the allusions, images, and ornamentations of a large number of speakers and writers of modern times. . . .  
The analysis of the intricate plots of Shakespeare is possible without the knowledge of antiquity. The thoughts of the ancients have made the thoughts of those of today. Homer, the dramatists, Plato, Aristotle, Cicero, and Virgil belong just as much to a liberal education as Shakespeare, Mil-

ton, Bacon, Browning. The classics are the trunk of the tree on which modern civilization is growing, and they provide an element of inestimable value. . . .

The heritage of Greece and Rome is just as real, and fully as much alive as the most recent and urgent problems of modern times. Matthew Arnold has defined true education as "the acquaintance with the best that has been thought and created." And much of the best has been thought by the classical writers, and nothing that has been said or thought since has made this obsolete. . . .

The Greek and Roman Empires are the frame works for our political thought, and no historian can afford to neglect the lessons taught by them. Medicine depends on the Greeks and Romans to furnish names for diseases as well as remedies. . . .

Our philosophers are still sitting at the feet of the Greek philosophers. Art and Architecture today are still trying to imitate the master hand of the Greek artists. . . .

English literature at its best has drawn inspiration from the classics. Modern drama is a modification of the ancient Greek drama. . . .

Biology is courting Greek and Latin names in garden and forest. Theology as a system would be an impossibility without Greek. The New Testament upon which we base our religion was written in Greek, and a sentimental, if no other, reason should impel us to study its original tongue. Gayley rightly remarks: "Out of from the intellectual and imaginative sources of Greece and Rome, the state and statesmanship, legislation and law, society and manners, philosophy and religion, literature and art yes, even our artistic appreciation would soon run shallow and dry." . . .

It is frequently objected: What can it benefit the student to struggle with the classical languages for years, obtaining at best but a superficial knowledge when he can obtain his object with much less effort and time through translations? Modern methods of instruction in the ancient languages make their study both interesting and profitable. Practical applications in the field of philological derivation are made constantly. . . .

No longer is the language studied for its own sake, but for the sake of the content contained in the shell. What a joy fills the heart of the true student when he has become able to unfold word by word the heroism of Leonidas at Thermopylae or of Horatius at the Bridge. Is not the best place to drink the fountainhead, the source of the well? There is no substitute for first hand knowledge. Translations are at best second-hand information. The spirit of a people inheres in its language and refuses to be forced into a foreign tongue. The true life of a people can be conceived and understood only through the medium of its own vocabulary. Much of the beauty and character of thought is lost in a translation. The study of Greek and Latin is not surpassed as a mental discipline; for it is an exact science and there is no opportunity for superficiality. It brings into action all the faculties of observation, reason, self control, and intelligence. . . .  
A test was made in New York on two groups of students, the one group had studied classical languages, the other not. The classical group was found to have a superior development of the power of thinking and expressing thought, a superior ability to understand and appreciate references and allusions in current literature, history, and a superior ability to read and understand English in general. . . .  
A great array of illustrious witnesses whose voices have a ring that is convincing, and whose characters command respect are testifying to the intrinsic value of the study of the classics. . . .

## "RETROSPECT"

Susquehanna University has a history the proportions of which are very wide, and far more important than the average Susquehanna student may suspect. Too many students live only in the present and have no desire to think of the past. For instance, many of us on the campus use G. A. Hall every day, yet do not even know what the initials G. A. signify, and those who are observant enough to know "G. A." means "Gustavus Adolphus" do not realize that Gustavus Adolphus was a great Swedish king who was of such importance to the cause of Lutheranism in Europe that Lutherans today, even in America, revere him as a "great defender of the faith"—one for whom they build monuments and dedicate buildings—one whose life story furnished the arc scheme for the Lantern of the Class of 1933. . . .  
In room 204 of this same G. A. Hall can be found numerous portraits, group pictures, tablets and old books, which

are just unintelligible collections to most students, yet which actually are the pillars upon which our University rests. . . .

On the wall at the rear of room 204 there hangs a portrait of Henry Muhlenberg and a table to his memory. Dr. Muhlenberg has no direct connection with Susquehanna University, for he lived during the middle of the eighteenth century, long before S. U. was founded, but indirectly made our Alma Mater possible. It was this Henry Muhlenberg who traveled from Albany, N. Y., to Savannah, Georgia, on horseback as a missionary—who swam rivers and braved countless dangers in going from Philadelphia to "The Trapp," which was a church in Montgomery county, near Collegeville. He even came into the wild depths of central Pennsylvania in order to preach at Salem. . . .  
The church is standing today on the exact spot at which he stood to preach years ago. Through the efforts of this dauntless missionary, the Lutheran churches in the New World were brought into harmony and bound together in one great Christian organization. . . .

His sons were hardly less famous. Peter Muhlenberg was a favorite officer in the army of General Washington. He was a minister who, when preaching one day, uttered the famous words "There is a time for praying and a time for fighting; this is the time for fighting," then threw off his ministerial robe to disclose his officer's uniform beneath. . . .

Another son was speaker of the Pennsylvania Legislature for many years, and also speaker of the House of Representatives at one time. It is said that when the important question of a national language for the United States arose, and the House equal number of votes for German and for English, this son of Henry Muhlenberg, although of pure German descent, cast his vote for English. He also decided the question whether Pennsylvania should adopt the Constitution or not with his powerful Speaker's vote. . . .

## AMUSEMENTS

Wednesday night you will be thrilled by the action play, "Beauty for Sale," produced at the Stanley by the M-G-M corporation. The all-star cast will be led by Madge Evans. . . .

Stanley will feature Preston Foster in "The Man Who Dared," on Thursday night. This Fox picture is jammed full of the life thrills of a great man. . . .

"Scarlet River," featuring Tom Keene, will show at the Stanley on Saturday at matinee and evening performances. This R. K. O. western is full of riding and shooting thrills. Don't forget the next installment of "Kit Carson." . . .

Janet Gaynor and Warner Baxter will lead a starring cast in "Paddy-the Next Best Thing." This is another Fox production with a fine action and sentiment. . . .

## BOOK SHELF

Anthony Adverse—Allen. Biography (a play)—Behrman. Epistle Messages—Blackwelder and others. . . .

Man and His World—Bossard. Twelve American Poets—Brenner. The Long Hills—Brush. As the Earth Turns—Carroll. Man and Mask—Challapin. What Ails Our Youth?—Coe. . . .

The Last Adam—Cozens. Forgive Us Our Trespasses—Douglas. Successful Living in This Machine Age—Filene. . . .

Madras House (a play)—Granville-Barker. August—Hamsun. Union Square—Halper. . . .

What to See in America—Johnson. 100,000 Guinea Pigs—Kallet and Schlink. . . .

First Facts—Kane. Show Off (a play)—Kelly. Enchanted Jungle—Llewellyn. British Agent—Lockhart. Arctic Village—Marshall. Great English Short Stories—Melville and Hargreaves. . . .

Stunt Night Tonight—Miller. Deep Water—Mitchell. Ship's Chief, the story of a dog—O'Brien. . . .

Roundabout America—Peck and Pohnson. Your Job—Pickard. . . .

Adventures of a Black Girl in Her Search for God—Shaw. Upton Sinclair Presents William Fox—Sinclair. . . .

Basin—Gold-Smith. Casting Asphy of Mrs. Leeks and Mrs. Aleshine—Stockton. Stranger's Return—Stong. . . .

The Arches of the Years—Sutherland. Father and Son—Ziegler. . . .

## SORORITY NOTES

## Omaga Delta Sigma

Miss Edith Frankenstein, and Miss Mary Ann Gressman spent the week-end at Staten Island attending a Lutheran Students' conference at Wagner College.

Miss Mary Eltringham entertained Miss Rose Runk at her home in Mount Carmel.

Miss Helen Hall spent the week-end at her home in Williamsport.

Miss Ruth Bergstresser entertained Miss Louise Mehring at her home this week-end.

Miss Mary Patterson visited at State College over the week-end.

## Kappa Delta Phi

Miss Naomi Stonestier has returned to school, after having spent ten days at her home in Hanover, recuperating from an injury received in golfing.

Miss Alafarata Staments spent the week-end at her home in Harrisburg.

Miss Ruth Cherrington spent the week-end at her home in Gettysburg.

Miss Dora Stitzer week-ended at her home in Mowry.

Miss Inez Sarver, an alumna, visited here last Sunday.

Kappa Delta Phi entertained her alumnae at a buffet supper, October 28.

The following alumnae were present: Marian Walborn, Diane Lindas, Dorothy Butler, Esther Geisel, Anna Gage, Dorothy Mary Waverling, Beatrice DeWitt, Ida Schweitzer, Ruth Goff, Mary Greninger, Lols Brungart, Alma Bowser, Ellen Bonney.

## ALUMNI NOTES

Reverend Walter H. Traub, '10, former pastor of York, recently preached a jubilee service there and visited in the vicinity of his Alma Mater before returning to Omaha, Nebraska, where he is pastor of the largest Lutheran Church in the country.

C. E. Bottiger, '16, is an investigator for the Philadelphia and Reading Coal and Iron Company and is located at Pottsville, Pa.

Aaron S. Hassinger, '17, Laurelton bank executive, was recently elected president of the West End Fair Association of Union county, at a re-organization meeting.

Rev. R. Warren Motern, '22, continues to gain recognition as he lectures on "Luther—the Monk Who Shook the World." He recently gave his lecture at the St. Paul's Presbyterian Church in Los Angeles. In conjunction with the lecture, it is illustrated with rare and beautiful slides. These slides are considered the finest collection of pictures on the Reformation in existence.

Two members of the class of '31, Margaret A. Hoffmeister and Fred R. Fisher, were married September 5th. The bride was a teacher in the Ford City high school since graduation. Mr. Fisher is employed as a manager of several theatres in Bellefonte, where the young couple reside.

John L. Hassay, class of '33, is assistant professor in the Commercial Education Department at Bluefield Junior College, Bluefield, West Virginia.

## Seniors Win and Hold Opponents Scoreless

The Seniors have again come out victorious. They have suffered no defeats at the hands of the under classmen. They have won every game they played this season. None of the teams have been able to score on these clever Seniors. The Juniors and Sophomores are having a struggle for second place. The Juniors have won one, tied two and lost two while the Sophomores have won two, tied one, and lost two. The Freshmen came in last. They lost four games, but were able to hold the Juniors to a tie.

Seniors vs. Sophomores, 2-2.  
Seniors vs. Sophomores, 5-0.  
Sophomores vs. Freshmen, 2-0.  
Seniors vs. Juniors, 6-0.  
Juniors vs. Freshmen, 0-0.  
Sophomores vs. Freshmen, 3-1.  
Juniors vs. Freshmen, 3-0.  
Sophomores vs. Seniors, 3-0.  
Seniors vs. Juniors, 3-0.  
Seniors vs. Freshmen, 5-0.

## News Flashes

Monday, Oct. 30.—President Roosevelt decides to buy gold in world markets.

Tuesday, Oct. 31.—President Roosevelt gets steel men to agree on ending nine strikes.

Wednesday, Nov. 1.—All three O. Henry short story awards won by women writers.

Thursday, Nov. 2.—Gerard Swope proposes that the administrative functions of the NRA be supplanted by a super-organization of industry.

Friday, Nov. 3.—Governors of five western States meet President Roosevelt to work out a plan of price fixing on wheat, corn, rye, etc.

Saturday, Nov. 4.—Germany announces a "Chamber of Culture." Authors, scientists, and artists are organized into a part of the government.

Well, I'm back again:

As the saying is: "You can't keep a good man down." Try it under our arms some time. This week I've been around as usual and have seen and heard many unusual things. I dropped in Seibert Hall one night (what would Miss Hade say?) and pecked into several of the girls' rooms. Was my face red? In one of the rooms there was a certain girl who had fallen asleep in the act of winding her alarm clock. That's bad. Prof. Gilbert has invented a new system to distinguish between Herr Jones and Fraulein Long or is it vice-versa? Mosher and Benner have become very enthusiastic about "The Old Mill Stream" as I hear them harmonizing (or disharmonizing) every night. I heard that there's a rumor that Little Joe Barnett is going hunting. For what may I ask? While playing golf, I heard Don Henry and Jim Suter talking:

Jim: "You know Don, golf's pie for me."  
Don: "You bet, I've noticed you take plenty of slices."  
Well, as usual, Maf's calling. I guess I gotta go.

SKIPPY.

## Freshman Team Wins Half of Tournament

The Freshman class won the first half of the soccer tournament. The second half of the tournament began Thursday, November 2. Each of the four classes intends to win this half of the tournament.

The schedule of the second half is as follows: November 2, Juniors and Frosh; November 6, Seniors and Sophs; November 7, Frosh and Sophs; November 9, Juniors and Seniors; November 13, Frosh and Juniors; November 14, Sophs and Frosh; November 16, Sophs and Juniors; Frosh and Seniors; November 20, Seniors and Sophs.

## JEROME GUSS LEADS DISCUSSION AT WEEKLY Y. M. C. A. MEETING

The Y. M. C. A. held a weekly worship service last Sunday afternoon at the usual time. Robert Clark was in charge of the meeting through the absence of Harold Rowe, who was attending the Lutheran Students' Convention.

The program consisted of a scripture reading by Milton Martin, a short prayer by Elwood Stahl, and a talk by Jerome Guss, which was called "Above the Average."

After an interesting discussion on how to be above the average by the members, the meeting was closed by the "Lord's Prayer." Ralph Shockey will be the leader of the topic on Sunday.

Empty stomachs are dangerous things. Who possesses most has least appreciation.

## Jay Vee Team Loses To Shamokin Eleven

Fine Spirit Marks Teamwork of Local Eleven; Final Score 19-0. Team Looks Much Better

A rejuvenated Jay Vee eleven, fighting from start to finish, lost a close contest to the Shamokin High School team last Saturday. The team showed a spirit entirely different from the lethargy exhibited in the rather ignominious defeat of last week by the I. O. O. F. Orphanage team. Especially the line, paced by the two guards, Jimmie Grove and Ernie Hess, appeared much improved. It was only when Shamokin, outcharged by the J. V. line, which broke in and threw the High School backs for big losses, changed to an aerial attack that they were able to score. Two of their touchdowns were made on passes, and the other was placed in scoring position as a result of a forward pass. The final score was 19 to 0 in favor of Shamokin.

Shamokin outgained Susquehanna by 11 first downs to 5 for S. U. Most of the first downs were made on passes, especially a lateral pass which caused the J. V.'s much trouble. Susquehanna's passing attack refused to function until near the end of the game, when two consecutive forward passes were completed for a gain of 25 yards. The outstanding players for the J. V.'s were Grove, E. Hess and Grossman in the line, while in the backfield the punting and running of Al Hess and the exceptionally fine defensive work of Spitzner featured.

### The Game

A Hess kicked off to Davis, who fumbled. Grossman recovering for Susquehanna. Susquehanna was penalized 5 yards for offside. Shamokin was penalized 15 yards for holding. They then took the ball to the J. V. 5 yard line on a series of running plays, where the S. U. line held. Hess punted to his own 35 yard line. S. U. took the ball on downs and Hess kicked again to the Shamokin 30 yard line. The quarter ended with Shamokin in possession of the ball on her own 48 yard line.

### Second Quarter

A lateral pass by Shamokin put the ball on the S. U. 20 yard line. Here the Jay Vee's took the ball on downs. Two line bucks lost 5 yards, and a bad pass from center lost five more yards. Hess was rushed while on his own goal line to punt, and eluding his pursuers ran thirty yards. S. U. lost the ball when an attempted lateral pass was grounded by a Shamokin end. Shamokin scored a touchdown on a completed lateral pass. Durdock kicked the extra point. Deveraux took the kickoff to his own 43 yard line. Hess kicked to the High School 36 yard line as the half ended. Score, S. H. S. 7, S. U. 0.

### Second Half

Spitzer ran the kickoff back to his own 40. Hess kicked to S. H. S. 40 yard line. Hess fumbled a Shamokin punt. Shamokin's ball on S. U. 30. The J. V.'s got the ball on downs on their own 22 yard line. Hess made a first down through the line. Both teams settled down to a kicking duel, in which the Jay Vee's appeared to have the edge. The quarter ended with Shamokin in possession of the ball on her own 43 yard line.

### Last Quarter

The S. U. line opened the quarter by breaking through and tackling the Shamokin backs behind the line. The High School completed a forward pass for ten yards. Leitzel and Brumbach threw the passer for a 10 yard loss. Another forward pass put the ball on the S. U. 1 yard line. The J. V. line, tired, but fighting with the backs to the fourth down, held for three downs. On the fourth down a line buck gave S. H. S. their second touchdown. The try for point was blocked. Spitzner ran the kickoff back to his own 46. A forward pass was intercepted by Kehler, who carried it to S. U.'s 35 yard line before he was tackled by Spitzner, who injured his arm in making the tackle. A forward pass of 15 yards and a twenty yard run gave Shamokin their third and last touchdown. Again the try for point was blocked.

S. U. took the kickoff on 30 yard line. Two forward passes, Deveraux to Aumiller and Deveraux to Jones, gained 25 yards. The game ended with Shamokin's ball on her own 25 yard line. Lineup:

Susquehanna J. V.	Shamokin H. S.
Jones	L. E.
Weinberger	L. T.
E. Hess	L. G.
Schreckengast	C.
Grossman	R. G.
Brumbach	R. T.
Aumiller	R. E.
Deveraux	Q. B.
Phillips	L. H. B.
Spitzer	R. H. B.
A. Hess	F. B.
	Durdock

Score by periods:  
Susquehanna J. V. ... 0 0 0 0-0  
Shamokin H. S. .... 0 7 0 12-19

### WITH OUR ADVERTISERS

Editor's Note:—It is the policy of this paper to feature each week one of our advertisers. This article is the first one of the series.

Dr. Lytle, one of the two licensed pharmacists in our town, deserves special mention for his loyalty and support. Ever since his coming to Selingrove seventeen years ago, Dr. Lytle has regularly advertised in The Susquehanna. His drug store is up-to-date and well stocked with a complete line of articles from hair tonics to corn plasters. He has always conducted the Rexall store of the town. Dr. Lytle came to Selingrove well qualified with previous experience and a thorough course in the University of Pittsburgh School of Pharmacy of which he is a graduate.

In addition to conducting a drug store, Dr. Lytle also operates a soda fountain. It was here seventeen years ago that upon the complaints of students concerning the time it took to eat chocolate peanut sundaes that our enterprising druggist in true Yankee style decided to grind the peanuts by using Mrs. Lytle's food grinder. This was the beginning of ground peanut sundaes in Selingrove and as far as

we know anywhere else.

Dr. Lytle with his modest and unassuming ways displays a professional attitude, a sincere regard for the needs of everyone, and a courtesy second to none in Selingrove. We urge that all members of the S. P. A. visit this enterprising business place to quench that irresistible thirst for sweet drinks or to buy any form of pharmaceutical articles. We recommend him as one who believes that "We help ourselves by serving others."

### REGULAR Y. W. C. A.

MEETING CENTERS AROUND  
LIFE OF ITALIAN ARTIST

Eleanor Browne led in the "Y" hour held in the social room of Seibert Hall on Thursday evening, November 2. Her theme was "An Italian Artist," and every thought centered about Leonardo Da Vinci, whose paintings are famous throughout the world. Two of his works "The Last Supper," and "Mona Lisa," were pointed out by the leader as being the most outstanding. A collection of copies was passed around to the members, which aided in making the program more impressive. Miss Hade added some very appropriate thoughts, since she had seen several of the original paintings. Mary Jane Kehler sang "The Lord is Mindful of His Own," by Mendelssohn.

### RABBI STEPHEN S. WISE DISCUSSES TRAGEDY HAPPENING IN GERMANY

**Noted Jewish Leader Speaks Before Capacity Audience on Subject Dear to His Heart: Rabbi Horowitz Makes Presence Possible**

Students, faculty, and friends of Susquehanna University were afforded a real opportunity last Wednesday, November 8th, when Rabbi Stephen S. Wise, of New York City, foremost Jewish leader in America, gave an address on "The Tragedy in Germany." His introduction was somewhat as follows:

"I do not know what your interests are. I have never been at this college before. I thought I would let you choose my subject from a field that I would suggest to you, all bound up with things I care about, the 'Political Problems of New York.' I might talk to you about 'Why Go On Carling?' I might talk about the 'Tragedy That is Happening in Germany,' or the 'Relation Between the Jew and the Christian.'"

From the showing of hands it was evident that the majority wanted to hear about present conditions in Germany. He continued:

"I should much rather speak on Germany at this time. Since the fifth of March I have given up almost all of my work. I went to Europe, tried to get into Germany but could not get in. I was warned of an uprising and that I would not be able to leave Germany alive. I am speaking frankly as a Jew, a rabbi, and a teacher. My viewpoint is colored. For fifteen years I have gone up and down and have pleaded and urged that there be a larger measure of justice to Germany."

Dr. Wise gave a brief history of the Hitlerites and the Jews in Germany. The Hitlerites founded their order on February 25, 1919, soon after the World War. The chief of the Nazis has been attached to Germany scarcely ten years, while the Jews have been in Germany since 917. The last hundred years show the valuable contributions that Jews have made in German life and arts.

The basis of the German tragedy of today is the fact that Germany has never really acknowledged its defeat of yesterday, according to the information (Concluded on Page 4)

### P. M. C. Planning to Trample Crusaders

**Cadets Seeking Revenge for Tie Last Year; Captain Rishel Expected to Return to Backfield Lineup**

Since no game is scheduled for this week the Crusaders will rest up in preparation for the P. M. C. contest, November 25. The Cadets will journey here for the final game of the season.

P. M. C. has practically the same large and heavy team which battled S. U. to a scoreless tie last year. Pollock and Finch, brilliant all-round athletes, are the mainstays of the Cadets' lineup. Both of them will be remembered for their great work on the gridiron as well as the basketball floor. P. M. C. has not won every game they have played, but considering their opponents, they have shown up very well. Two weeks ago they defeated Dickinson, 13 to 6, and the previous week held the strong Rutgers team to two touchdowns.

Coach Ullery's boys should be in great condition for this game, and make a fitting climax for the year. After their first showing at Drexel they can be depended upon to put up some stiff opposition. With Captain Rishel back in the lineup the backfield can be expected to function more smoothly. "Skipper" was the only consistent ground gainer in last year's fray. However, P. M. C. has a much heavier team than it can be given a slight edge over S. U.

P. M. C. will come here seeking revenge for last year they expected to defeat the Crusaders with ease. They will probably look at this game the same way, but it is easy to see that a hard battle for supremacy will be fought. With the whole student body behind them Susquehanna's knights of the gridiron will strive to emerge triumphantly and remain undefeated on their home field.

### O. D. S. Sorority to Offer Barry Play

**Lee Rishel to Play Title Role in "The Youngest" Opposite Mary Ellringham. Miss Reeder Directs Comedy**

"The Youngest," which is to be presented by Omega Delta Sigma social sorority on November 23 in Seibert Hall, is one of Philip Barry's best productions.

The cast has been working diligently on the play under the direction of Mrs. Dorothy Reeder. She is being assisted with the setting and stage properties by Miss Mary Elise Spiggle, who has had special dramatic training at Marion College.

Lee Rishel, who plays the part of the youngest member of the Winslow family, is the first football captain at Susquehanna University to have the leading role in a play. "Skip" is an admirable type to play the part which he has been chosen. His excitable, stammering speeches in the beginning of the play afford a sharp contrast to his later decisive ones when he asserts himself.

Mary Ellringham has the feminine lead, and plays very well the ingenious role for which she has been chosen. She, indirectly and cleverly, brings Richard into his own. She is an attractive, and extremely subtle girl in her attempt to coerce the entire family into thinking her way. Although a novice in collegiate dramatics, Miss Ellringham exhibits many promising capabilities.

These are only a few of the leading characters of this charming play of Barry's. The acting ability of the remainder will be displayed on the stage when the play is presented.

### Rachmaninoff Heard by Students of Music

Highly favorable comment concerning the recent Rachmaninoff concert in Harrisburg on Thursday evening, November 9, has been heard among the students and faculty members who attended it. The artist thrilled the large audience with his excellent rendition of a most interesting program.

Debussy's "Suite" and Schubert's "Rondo in D Major" were the favorites of the Susquehanna delegation, while the Bach "Sonata" ranked second. The famous "Prelude in C minor," which Rachmaninoff played as his first encore, was received very enthusiastically by the audience. The well-known Tchaikovsky arrangement of Weber's "Invitation to the Dance," was also a favorite of the audience. The program also included Schubert's "Carnival," two of Rachmaninoff's Preludes, and Borodine's "Scherzo."

The All-Star Concert Series will present Martinelli, leading tenor of the Metropolitan Opera Company, on December 14, in the Forum.

### Services in Honor of Rev. Dagle to Be Held

Memorial services will be held in Trinity Lutheran Church Friday afternoon, November 17, at 2:30 for Reverend David Day Dagle of Selinsgrove, whose seven years of service as a missionary to Liberia were terminated in his tragic death there in the month of August. Reverend Dagle was a graduate of Susquehanna University in 1922 and a graduate of the same seminary in 1925.

Reverend Reed Bingham, a classmate of Reverend Dagle's while at Susquehanna, will deliver a speech of eulogy at the services. Reverend and Mrs. James Miller, missionaries in the same field of labor, will be in attendance at the meeting to aid in the services. Mr. and Mrs. Miller were en route to the United States on furlough when Reverend Dagle met his death by tropical fever.

—Subscribe for The Susquehanna.

### NEWS BUREAU

Susquehanna News Bureau requests cooperation. Many students receive home town, and distant newspaper clippings in their letters from relatives and friends. These clippings contain Susquehanna news sent out originally by the university News Bureau. When students have finished with these clippings, the News Bureau would like to receive them for preservation in its book of clippings.

Please bring these returned news items to Mr. Vernon Blough, assistant publicity director, in the Alumni and News Office, Selinsgrove Hall. Also, the News Bureau sends out a call for all copies of THE SUSQUEHANNA, issue of October 17, that may be extant.

### Conservatory Couple United in Marriage

**Miss Frances Stambaugh, Alumna of Conservatory, and Richard Shade Are Married in Lewistown**

On Saturday, November 4, Miss Frances Stambaugh and Mr. Richard Shade were married at the Methodist Church in the suburbs of Lewistown.

A trio from Susquehanna, composed of Miss Lois Brungart, "cellist"; Professor E. L. Allison, pianist, and Miss Marcella Chaya, violinist, rendered a musical program, consisting of "Bridal Chorus," from Lohengrin, "O Promise Me," and Mendelssohn's "Wedding March."

Miss Stambaugh, a graduate of Susquehanna University in the class of 1933, received her Mus. B. She was a member of the Sigma Alpha Iota sorority. Before her marriage Miss Stambaugh was working for her master's degree in music in New York University.

Mr. Shade, of the present senior class in the Conservatory of Music, is a member of the Phi Mu Delta fraternity. He is prominent in music circles in Lewistown.

Mr. and Mrs. Shade are now residing in an apartment on Water street in Selinsgrove.

### Music Program Feature of Regular Broadcast

Susquehanna University's broadcast presented Wednesday evening at 8:30, a trio of women's voices, an interlude on the piano, and a five minute address. Dr. William Russ, professor of history at the University, discussed the values of a small college in a very interesting manner. The musical program included the Misses Alma Myers, Elizabeth Shippe, and Audra Martz, who sang "Mistress Margaret" by A. Penn, "Morning" by Oley Speaks, "Bird Songs at Eventide" by Coats, and "In This Hour of Softened Splendor" by Pinstrip. Miss Dorothy Turner played the piano accompaniment for the trio, and also a solo, entitled "Alt. Wein," by Godowsky. Miss Myers also sang two solos, "Morning," by Ayward, and "All For You," by Bertrand-Brown.

Susquehanna will present a half-hour program every Wednesday evening and all of them will be of an interesting nature. It will be well worth while to tune in on these programs.

### PROF. REITZ PRESENTS LECTURE ON WORLD'S FAIR AT MEETING

The Business Society, which was formerly called the Business Administration, held its usual meeting on Monday evening in the lecture room of Steele Science Hall. The meeting was called to order by the president, Edgar Hutchinson. Prof. Dr. Irwin Reitz spoke on his trip to the World's Fair. Two very interesting and instructive reels of pictures were shown illustrating the talk. The members of the society and the townspeople who were cordially invited were given an opportunity to share some of the experiences and pleasures which Prof. Reitz enjoyed during the summer months.

### HOLIDAY INFORMATION

Faculty, students, and members of the administration who wish to secure information concerning reduced railroad rates for Christmas vacation should call at the Registrar's office.

### Thanksgiving Recess Limited to One Day

**Recent Action of the Administration Lengthens Easter Vacation Three Days**

Thanksgiving vacation has been limited to one day by recent action of the administration. The remainder of the vacation as scheduled in the catalog, covering a period of three days, will be added to the Easter vacation. The decision was awaited with keen interest. The administration reached its conclusion only after a period of deliberation in which every detail was considered. The main factor which prompted the conclusion was the proximity of the Christmas vacation to the Thanksgiving vacation. In view of the fact that but a short period exists between the two vacations and the expense incurred by the student were he to go home for both vacations, the committee considering the matter has decided in favor of limiting the vacation to one day.

Announcement was made of the vacations that shall follow on the school calendar. The Christmas vacation will begin December 20 at noon and continue until Wednesday, January 3, at 8:00 o'clock. The Easter vacation will extend from Saturday, March 24, at noon, until Wednesday, April 4, at 8:00 o'clock. Attention of the student is called to the fact that absences incurred immediately before or after a vacation or holiday shall be considered as double cuts.

### Week of Prayer Being Sponsored by Y Groups

This year the members of the Y. W. C. A. and Y. M. C. A. are conducting Week of Prayer services which are being held every evening during this week, November 12-19, from 6:45 to seven o'clock in Seibert Hall chapel. All students and townspeople are invited to attend these devotional meetings.

Every college in this district of Central Pennsylvania is having the same topic and scripture reading for each night of the week. In this way a general impulse is created which will bring the different colleges in close contact with each other.

The Week of Prayer was opened at the regular vesper service on Sunday evening with "A World in Need," as the assigned topic. Several members of the Y. W. C. A. cabinet were in charge, and Pauline Crowell delivered the address. Several Y. W. C. A. girls from Bloomsburg State Teachers College were guests at this service. Isabella Horn will speak at Bloomsburg on Wednesday evening, November 15, as a representative of Susquehanna's Y. W. C. A. solo will be sung by Josephine Pifer, accompanied by Kathryn Deisher. Louise Mehrling, chairman of the World Fellowship committee, will also go out this trip.

Harold Rowe led the session on Monday evening. His theme was "He Came."

On outline of the meetings for the remainder of the week is as follows:

Tuesday, "He Was Tempted," Ruth Nelson.

Wednesday, "He Obeyed," Robert Clark.

Thursday, "He Suffered," Hazel Naugle.

Friday, "He Conquered," Mary Ann Cressman.

Saturday, "He Lives," Raymond Shaheen.

### LOIS LONG AND PAULINE CROW TO LEAD NEXT MEETING OF MATHEMATICS CLUB

The monthly meeting of the Mathematics Club was held on Monday, November 6, in Steele Science Hall. Mr. Van Horn gave a few introductory remarks and presented Dr. Seidel, who spoke about "The Century of Progress." He spoke of its hugeness, its greatness, and told the club about the wonderful machines and apparatus. Mr. Von Kody gave some problems to the club. These proved thought-provoking, but at the same time amusing. Several of the problems required a real mathematical student to solve them. It was decided that Lois Long and Pauline Crow should be in charge of the next meeting.

### Crusaders Lose to Drexel Dragons, 7-6

**Philadelphians Score on Last Quarter Drive to Overcome Great Defensive Play of Susquehanna**

Although outplayed to the extent of 15 first downs to 4, Susquehanna's gridiron Crusaders fought a valiant battle against Drexel at Philadelphia, on Saturday afternoon before being defeated, 7 to 6 in the last two minutes of play. The Ullerymen were constantly threatening their opponent's goal line in the first period, and Dick Tice, star defensive tackle for S. U., repeated his feat of the previous week's game by blocking a Drexel punt on the Dragon's 18 yard line and dashing for a touchdown.

Susquehanna's powerful offensive drive in the opening minutes of the game seemed to assure them of a large margin of victory, but they lost the ball twice after a touchdown seemed imminent. The ball was wrested from them once on the 4 yard line, and shortly thereafter on the 10 yard line.

However, the Crusaders were determined to score, and they made their own opportunity. Dick Tice, who plays offensive guard and defensive tackle on Coach Ullery's gridiron machine, charged swiftly in on one of Potter's punts, blocked it on the 18 yard line, recovered the ball in a twinkling, and sped across the goal line for Susquehanna's only score. Steve Martinec's attempted placement kick for the extra point was blocked by Guggenheim, Drexel center.

In the third period, Potter, flashy Drexel halfback started a series of end runs that Susquehanna seemed unable to stop. He led his team mates in a 55 yard march down the field to the Crusader's 9 yard line, where Susquehanna rallied a strong defense and the ball on downs. Near the end of this period, the Ullerymen made their last serious threat to score, but the ball when Potter batted down a forward pass on Drexel's 9 yard line after Waslewski's passing to Martinec had carried Susquehanna 42 yards down field.

The Crusaders were not defeated until the final two minutes of the fray, when Drexel launched a sustained (Concluded on Page 4)

### Star Course Offers Greek Male Quintet

**Mr. Christos Vriolides to Direct Greek Byzantine Vocal Ensemble in Concert Next Tuesday**

Susquehanna Star Course presents The Greek Byzantine Vocal Ensemble, composed of a male quintet, under the capable direction of Mr. Christos Vriolides, composer-conductor, on Tuesday, November twenty-first at 8:15 p. m. in Seibert Chapel. These musicians will be the second course number of the season.

Musical of old Grecian and Byzantine origin as well as the traditional music of Europe offers a rare experience in musical culture. The glamour and brilliance of the Orient, the melodic dignity of the Gregorian chant, the simple charm of the folk songs encompass the musicianship of this ensemble. The ravishing qualities cannot fail to capture the great influence of the Grecian music which is so worthy to be portrayed. The program for the evening is as follows:

I.  
First Stage (with Prelude off-type) ..... Pindar  
Credo from Missa Symphonica..... John Becker  
(First performance)

American Indian Songs—transcribed by Helen H. Roberts  
Potlach Song  
White Beaver Ritual  
Morning Star Ceremony  
Elentaa (Greek Folk Song)—arr. by S. Lontos-Vriolides

II.  
My Bonny Lass—Thomas Morley (1557-1603)

Let go, why do you stay me—John Bennett (1570-1615)

Madrigal ..... Ray Green  
Modern, use of Quarter Tones  
(First performance)

Fire, Fire ..... Thomas Morley  
(Concluded on Page 4)

## Information, Frosh!

The Inter-Fraternity Council has requested THE SUSQUEHANNA to publish the following excerpts from the By-Laws of their Constitution as a preventative measure against unconstitutional rushing tactics and also as a protective measure to govern freshmen in their attitude towards the various fraternities on the campus.

There are two major clauses which govern the "pledging" and "rushing" of new members.

"Section 2. No student shall be eligible for pledging until he has received credit for one semester's resident work or its equivalent at Susquehanna University.

"Section 5. No rushing shall begin before December 1. During which time no fraternity matters shall be discussed between a fraternity and non-fraternity man."

It shall be the duty of each fraternity man and each freshman to adhere to these clauses strictly. Any infringement of these clauses are punishable in the sight of the Inter-Fraternity Council . . . and negligence on the part of any first year man, or the vicious breaking of these rules by an active fraternity man will cause the guilty fraternity to suffer a heavy fine.

The Council also requests that the freshmen aid the fraternal groups to abide by their pledge in not visiting fraternity homes during the restricted weeks.

## Red Cross

The Red Cross campaign began November the eleventh. What are we, as students of Susquehanna, going to do about it? Are we going to pass it by as just another event that means nothing to us, or are we going to stop to consider the true value of this organization? Do any of us realize and understand the work of this organization, the Red Cross?

The sole object of the Red Cross is to reduce human suffering. It has no other purpose than to help those who need help. Surely with a criterion like this no one will pass the Red Cross drive by as just another event.

The Red Cross was first noticed by a majority of the people during the World War. During the war from two thousand to fifteen thousand letters were handled in one day. Request cards for information numbered five million before the war was over. Missing men were traced, assistance was given to prisoners of war, everything was done to try to reduce suffering to a minimum degree.

Its services did not end with the war but rather, if possible, the organization worked even more diligently after the war. Everything, everywhere was in a complete state of devastation. The Red Cross returned half a million dollars to their own native countries, it formed co-ordination of relief activities in most of the European countries, and by this means produced results that otherwise would have been impossible.

The organization is also engaged in a variety of health activities, covering a wide scope of diseases. The most common disease that it battles, however, is tuberculosis. Even a Junior Red Cross has been organized and the children in the elementary grades are now becoming interested in helping less fortunate boys and girls. Every year the children have a Christmas drive to sell Red Cross seals. This money is used for the people who are under the care of the Red Cross and are suffering from tuberculosis.

The Red Cross does not limit its work merely to this country. It has very generously aided other countries suffering from disaster who were not able to handle the situation alone. In times of national disaster these divisions direct their attention to the relief of the sufferers. It does not delay in its alleviation of suffering, but quickly responds to the needs of the unfortunate persons who are suffering from some great disaster.

The Red Cross does not ask for your money so that it may pay its employees. Your money is used for a worthy cause in relieving the suffering of thousands of people. Ninety per cent of the total number of Red Cross workers serve as volunteers, without any compensation. Most certainly if these people are

willing to work for no monetary reward, their only reward being that they are doing good by helping their fellowmen, we can contribute our help by giving what we can to benefit a most deserving organization, the Red Cross.

## Moment Musicals

Being the Non-Technical Ramblings of a Music Lover

"Footlight Parade" is the best piece in the musical type that I've seen in a long while; three of its tunes, "By a Waterfall," "Honey-moon Hotel," and "Shanghai Lil" have become quite popular with the better bands. Of these pieces I prefer "By a Waterfall," maybe it's because "Honey-moon Hotel" starts off like "Festering in the Park" and "Shanghai Lil" has a first line melody much resembling "The Shadow Waltz." Anyway, they're all good tunes. And speaking of good tunes, it's interesting to note that almost all of the new popular melodies are either from stage or screen shows. I wonder why.

And did you know that the well known "Moonlight and Roses" is really a popular interpretation of "Andante in D flat," by Edwin H. Lemare. I once heard of an organist who, when he played this piece in church, was accused of injecting popular songs into the church services.

I sincerely hope that no real music lover is missing the enjoyment in listening to the Sunday afternoon concerts of the New York Philharmonic Symphony Society. Next week, Bach, Chopin, and Beethoven will be represented; the latter's Seventh Symphony will be played, and a piano sonata of Chopin's will be interpreted by the eminent pianist, Joseph Levine.

Did you know that the piano has undergone a change in the way it is played since the time of Chopin and Debussy? Today, it is played, not only with the fingers, but with the palm of the hand, the fist, the entire forearm and even with the elbow.

## "RETROSPECT"

There are at least four portraits of Dr. Benjamin Kurtz hanging on the walls of Room 204 in G. A. hall which seem to testify that this man must have been of great worth to Susquehanna, and he must certainly be, for it was in the mind of Dr. Kurtz that Missionary Institute was conceived and through his efforts that Susquehanna University was made possible.

Dr. Kurtz was editor of The Lutheran Observer during the year 1834, and from 1826 to 1828 he solicited books and funds in Europe for the contemplated Seminary at Pennsylvania College, Gettysburg. As editor of The Lutheran Observer, he advocated what were known as "New Measures," and when he suggested founding a new Seminary north of Gettysburg, he was looked upon as a radical. However, after many years of difficult labor, Missionary Institute was founded in 1858. It was officially known as Missionary Institute and Female College, and was primarily for the purpose of training married men for the Lutheran ministry. The houses on what is now known as Faculty Row, were originally intended as homes for these Theological students and their families. Of course, they were later venerated with brick and the interiors thoroughly renovated.

Behind the various pictures of Dr. Kurtz in room 204, there hangs a tablet on the wall inscribed to his memory, and the large Celtic cross east of Selinsgrove Hall is also a memorial to this pioneer in the field of Lutheran education.

Dr. Kurtz was the first Superintendent and theological professor in Missionary Institute, and Rev. Henry Ziegler was appointed the second professor. The school was regularly opened in the autumn of 1858, the classical department in the basement of the Lutheran Church, under the principalship of Mr. Theophilus Weaver, and the theological department in the school house belonging to the same church.

The portrait of Rev. Peter Born is preserved in Room 204. Rev. Born, the father-in-law of the late Dr. Franklin P. Manhart, was principal of the classical department of Missionary Institute for twenty-two years and also superintendent for a time. Through his efforts Missionary Institute became famous for the superior quality of students sent out. It was conceded that was appointed the second professor. The school was regularly opened in the autumn of 1858, the classical department in the basement of the Lutheran Church, under the principalship of Mr. Theophilus Weaver, and the theological department in the school house belonging to the same church.

## A Visit At An Olympian Home

By AUGUSTUS WILLIAM AHL, Ph.D.

The inhabitants of the Olympian home exercised tremendous influence upon some aspects of our civilization. Their mythological stories have filled the treasure vault of classical literature with amazing wealth, a treasure house, replete with golden tales and glimmering thoughts; they have inspired some of our great masters to produce the best that is to be found in English literature. They guided the hands of the sculptors of ancient Greece and presented an endless variety of subjects which gave occasion for expression of art and artistic appreciation. Phidias and his peers have presented them in their predetermined form, and restored them to the world of life.

More abstract ideas acquired a personal form, thus things that attracted the attention of early man were personified, since no other explanation seemed available. In this manner, and on this principle they developed the friendly divinities of love and virtue, the hostile divinities of war and strife, and the divinities of fate, which determine what shall happen to man. This explanation of nature and her phenomena and abstract ideas that puzzled the mind lifts these conceptions of the gods out of the realm of the absurd into a world of significance and spiritual meaning and beauty. And in this light our visit at the Olympian home must prove highly profitable and interesting; in fact becomes a necessity if we are to understand and fully appreciate our own modern literature, philosophy and art.

"O antique fables, beautiful and bright, And joyous with joyous youth of yore. O antique fable, for a little fight, Of that, which slayeth in you evermore. To cleanse the dimness with our weary eyes, And bathe our old world with a new surprise

Of golden dawn entrancing sea and shore."

Here we have also an early record of religious ideas and of moral conduct. Its study has led men to trace soberly the progress of a spiritual conviction from the twilight of conjecture to the dawn of day, to an upward look in religion and upward lift in morality. At this most renowned home, this most inspiring abode, the dwelling of the chief Greek Gods, we will visit this brief hour and will endeavor to become well acquainted with its inhabitants.

The Greeks fancied that their country occupied a central position in the world, and that Mt. Olympus a very high mountain, the abode of their gods, was placed in the exact centre. Sun kissed, snow crowned, its peaks were thought to be beyond reach of man. As we enter this home we shall meet first the supreme ruler of the gods and of the universe, father Zeus.

The most tremendous phenomenon in nature, and the first to attract the attention of the primitive mind, is the thunderstorm. The clouds, dark and foreboding, settle around Mt. Olympus. The thunder begins to roll along the sky, here and there in the distance yet a faint streak of lightning. The anger of the Sky god must be rising, birds flutter about uneasily, man and beast seek shelter. The air is now glowing, illuminated, vibrating; the battle is on. In the fray and fury of the conflict, hurling forth his shafts, death and destruction, now assuming the shape of serpents, now again as Argus with an hundred eyes, the enemies of the king are vanquished and hurled into darkest Tartarus. Thus the victor established his universal rulership over the gods and the earth: "Zeus speaks, and nods with shadowy brow, weaved on the immortal head, the ambrosial lock, and all Olympus trembles at his nod."

The source of rain-bearing clouds and thunder, of moral social and political order, and to many, who believe in a monotheistic conception, Zeus is the one God, the beginning, and the end of all things. He is usually represented as sitting on an ivory and golden throne and bearing a shield called Aegis. His special messenger is the eagle, which darts down upon its prey in the flash of lightning out of the dark clouds. Baucis could be also kindly disposed with the oak tree down from the sky after the dry harvest the fruitful "rain." The oak tree was sacred to him, because light frequently sought its branches. Side by side with the "king of the gods stands Hera, which means the splendor of heaven. She represents the female principle among the manifestation of the powers of na-

TUESDAY, NOVEMBER 14, 1933

ture and was personified as a beautiful majestic woman, clad in flowing robes, with a diadem and womanly dignity. And indeed her often erring husband was sadly in need of this eyed goddess. Her attendant whom she is quickly employs as a messenger, is Iris the rainbow. "Like fiery clouds, that flush with ruddy glare, Or Iris, gliding through the air: When loosely girt her dazzling mantle flows, And 'gainst the sun in arching colors glows." (Continued in Next Issue)

## Seibert Hall Echoes

Two Susquehanna co-eds, frosh at that, make front page of last Sunday's Philadelphia Inquirer, rotogravure section.

What a disappointed bunch of frosh—and can you blame them? They were so anxious to make it a success. Early morning showers are quite the thing, but I prefer to take mine leisurely and not quite so early.

Table talk has run chiefly in two channels this week; the problem of the Thanksgiving vacation, and the situation of the Jews in Germany. Let's keep up the spirit which was exhibited Wednesday, when Rabbi Wise stirred us to thought and action.

Art's guessing games are quite popular, especially when we guess the right one!

Seibert has a "new deal" too, in a small way. The new pencil sharpeners have been used so hard that one has come down twice, and the girls didn't put them up themselves, either! Tuesday night hall parties were a "howl" success.

It's such an animated group which presents itself at breakfast each morning, and even more so on Sunday!

Friday night in the library seems too quiet for some of us—but girls will giggle. The monotony of Saturday night was so fittingly broken by the anxiously awaited account of the game which our Seibert inmates who journeyed to Philadelphia brought back. We're sorry you're hoarse, but the cheering surely brought results.

## Y. M. C. A. NOTES

The regular cabinet meeting of the Y. M. C. A. was held in the association's room on Friday evening at 7:00 o'clock. Business matters were discussed after a short devotional period. The cabinet considered plans for the annual Christmas play to be given in December in conjunction with the campus Y. W. C. A. The coming faculty-student conference to be held in Reading at Albright College on December 8, 9 and 10 was discussed.

The meeting was brought to a close with a brief memorial service in honor of the four hundred and fiftieth anniversary of the birthday of Dr. Martin Luther. A short talk, in which were outlined the teachings and the principles of the life of the great reformer, was given by the faculty advisor of the club, Dr. A. William Ahl.

The Y. M. C. A. and the Y. W. C. A. are sponsoring a series of short devotional services in keeping with the national Week of Prayer, November 11-18. The services are being held at 6:45 o'clock each evening in the chapel. All students, faculty and townspeople are invited to attend.

Ralph Shockey led in the "Y" discussion held in the Y. M. C. A. room on Sunday afternoon, November 12. The topic for discourse was called "Harnassing the Caveman." Ralph Shockey and Harold Rowe had charge of the devotions. Elwood Stahl will be the leader of the meeting next Sunday afternoon at 1:30.

## Y. W. C. A. NOTES

The Y. W. C. A. has hit upon a plan which will promote the social life of the Susquehanna students if every one will cooperate. An afternoon tea will be held several afternoons each week from four to five o'clock in the social rooms of Seibert Hall. The first one of these teas will be held on Thursday afternoon, November 16. An invitation is extended to all members of the faculty and students to be present. Break the work of the afternoon with a refreshing cup of tea.

The girls of the Y. W. C. A. have picked a Christmas box to send to Miss Christie Zimmerman and Dr. DeRemer, who are missionaries in India.

First Pupil: "I spent eight solid hours on my Christmas list." Second Pupil: "You did? How so?" First Pupil: "I put it under my mattress and slept on it."

## SORORITY NOTES

## O. D. S. Notes

Miss Helen Hall and Miss Rose Runk attended the Drexel game on Saturday, and weekendend at Downingtown.

Miss Mary Eltringham, Miss Anna Benfer, Miss Sara Margaret Ulrich, Miss Ruth Bergtresser, and Miss Daisy Reese spent the week-end at State College.

## K. D. P. Notes

Miss Naomi Stonerifer, accompanied by Miss Dorothy Clegg, spent the week-end at her home in Hanover.

The Misses Ruth Williamson, Ludwig Nichols, and Frances Hubler motored with Miss Lois Brungart to attend the game at Drexel, last Saturday.

Miss Dora Siltzer visited her home in Mowry over the week-end.

Miss Ruth Nelson spent the week-end at her home in Thompsonstown.

Miss Lois Long spent the week-end at her home in Port Royal.

Miss Katherine Stetler visited her home in Milliflinton over the week-end.

Miss Gwendolyn Schlegel spent the week-end at her home in Thompsonstown.

Kappa Delta Phi has presented a valedictory to the day students for the day student room.

Miss Harriet Leese, an alumna, visited here this week-end.

## Sigma Alpha Iota Notes

Miss Ruth Bair spent the week-end in Philadelphia and attended the Drexel-Susquehanna game.

Miss Margaret Williams spent the week-end at her home in Mount Carmel.

Miss Grace Drew spent the week-end at her home in Jenkintown and also attended the game.

Miss Mary Jane Kehler visited at her home in Downingtown the past week-end.

Miss Frances Stambaugh, a member of the class of '33, and Mr. Richard Shade, a member of the present senior class, were married at Lewistown November 4, 1933. The Shades are at home to friends at their apartment on Water street.

## ALUMNI NOTES

Rev. Walter H. Traub, '10, former pastor of York, recently preached a jubilee service there and visited in the vicinity of his Alma Mater before returning to Omaha, Nebraska, where he is pastor of the largest Lutheran church in the country.

On September 14th, Reverend Harry Knudson, '28, of Johnstown, was wedded to Miss Mary Ellen Van, also of Johnstown. The marriage ceremony was witnessed by a large number of friends and relatives of the young couple. Rev. Knudson, a graduate of the Evangelical School of Theology at Reading, was recently appointed to a charge at Westover, Clearfield county.

Charles W. Coleman, a graduate of the 1933 class, is very capable filling the position of Director of Music at the Beaver Springs Vocational High School.

Miss Harriet Leese and Miss Marie Miller, both graduates of the class of 1932, visited the campus over the week-end. The former is a member of the Roaring Springs High School faculty, and the latter of the Friedens High School faculty.

—Patronize Susquehanna advertisers.

## SPORT SAUCE

"Tie is making quite a record for himself. He is now the highest scoring lineman, and second highest scorer on the team, having made two touchdowns. Capt. Rishel holds the high scoring honors with three touchdowns to his credit. Our other touchdowns this year have been made (one each) by Eisenhower, Yon Kondy, Hanna, Wasilewski, and Bastress.

The man who makes the touchdown gets the glory, but it takes the concentrated effort of eleven men working together as a unit to make the touchdown possible. This is not meant to belittle the work of the players who get the touchdowns (for they work just as hard as the rest of their teammates) but to remind the students and fans that our Crusader eleven is one big, powerful, harmonious unit, and should be cheered, praised, and supported as such.

We have always heard that "the best defense is a good offense," but now Harry Kipke, coach of the University of Michigan, has written an article in which he says that "the best offense is a good defense." What shall we believe? Incidentally, Kipke's article in this issue of the "Saturday Evening Post" is one of the best that we have seen for some time.

Here is a simple code laid down by Fred Daly, an all-American fullback at Yale about 1906-1909, for an aspiring quarterback. It seems worth passing along.

"Now never forget this. The minute you've found the play that gains, never do stop it. If it's the first play you call, and you never call another during the entire game, and that play is still gaining for you at the final whistle, then you're the smartest quarterback that ever lived."

## News Flashes

Monday, Nov. 6.—President Roosevelt sends aides to quiet striking farmers.

Tuesday, Nov. 7.—Litvinoff arrives in America to visit President Roosevelt.

Wednesday, Nov. 8.—LaGuardia elected Mayor of New York.

Thursday, Nov. 9.—President Roosevelt announces abandonment of National Prohibition for December 5.

Government to employ 4,000,000 unemployed in a gigantic system of public works.

Friday, Nov. 10.—Revolt in Cuba crushed with the resulting loss of one hundred lives.

## With Our Advertisers

Editor's Note:—It is the policy of this paper to feature each week one of its advertisers. This article is the second one of the series.

The First National Bank of Selins Grove has been the running mate of Susquehanna University since the former was organized in 1864. The First National Bank has had a career similar to that of the University in that it has enjoyed a steady increase of business during all these years. The rise of the bank has not been like that of many institutions that are here today and gone tomorrow, but it has been one of a slow but constant increase until today we find that it is one of the strongest institutions in Snyder county.

The First National Bank has always been friendly toward the University and the administrations of our school have been fortunate in having the bank ready to serve them at all times. The connections between the bank and the school have been brought closer because many of the men who have played a part in the building of this fine banking house have also played a part in the building of Susquehanna. We need but look over the names of the officers of many men who were prominent during the period of their attendance at Susquehanna.

The First National Bank has been one constant advertiser in the various publications of Susquehanna University. We find, in going through the files, that this institution has been advertising in THE SUSQUEHANNA since the paper was first started as a monthly and it has continued until the present time. We recommend The First National Bank to the students.

### Jay Vees Lose Rough Contest to Kulpmont

Playing on a strange field and under adverse weather conditions, The Susquehanna Jayvees lost a hard fought contest to Kulpmont High on Saturday afternoon. It is the writers' belief that if played on home soil the game would have resulted in a victory for the Jayvees. The condition of the gridiron was such that any passing attack such as was planned by Coach Carmichael was made impossible.

1st Quarter: Kulpmont opened the game by kicking to Susquehanna, who after two line plays fumbled on their own 20 yard line. Kulpmont, after gaining several yards on two off tackle plays, completed a pass for the initial tally. The kick for the extra point was nicely blocked by Deveraux. Kulpmont then kicked off to Susquehanna. A series of plays followed in which a punting duel featured. The quarter ended with the ball in possession of Kulpmont.

Second Quarter: Kulpmont lost the ball on downs. In this quarter a rejuvenated Susquehanna team continually broke up the reverses attempted by Kulpmont. Quarter was composed of an exchange of the ball between the two teams with neither goal line being threatened.

Third Quarter: Susquehanna kicked off to Kulpmont who returned the ball to center of the field. A center plunge by Swetra of Kulpmont resulted in no gain. An end run resulting in a loss of two yards followed by a seven yard gain through center placed the ball on the Jayvees' 43 yard line at which point Kulpmont kicked to Susquehanna's 20 yard line. An off tackle play by Hess resulted in no gain. Hess then kicked to his own 35 yard line, where Kulpmont gained 4 yards in two consecutive off tackle plays. A nicely completed lateral for a run of 5 yards followed. On the next play around end Deorio went to the 1 foot line, but play was recalled due to unnecessary roughness on the part of Kulpmont. Susquehanna received the ball on downs and after no gain on first down, Hess kicked to Kulpmont, who returned the ball to Susquehanna's 30 yard line. First down resulted in no gain, but on next play a beautiful pass was completed to Deorio for touchdown. Extra point attempted through medium of line plunge failed.

Fourth Quarter: Kulpmont kicked off to Deveraux who was downed on his own 10 yard line. Hess completed a very nice pass to Aumiller, which resulted in first down. A pass attempted by the Jayvees was then intercepted by Kulpmont, who lost the ball on downs. Martin attempted to pass but was tackled behind the line of scrimmage for a loss of about eight yards. On an attempted kick by Hess, the ball was blocked and rolled across the goal line, where it was downed by Olaf of Kulpmont for the final score of the game. The extra point attempt was blocked by Phillips. Kulpmont kicked to Tinurelli, who returned the ball to the 40 yard line. A pass from Hess to Tinurelli was incomplete. A second pass was intercepted and then fumbled, the ball being recovered by Aumiller. The game ended with the ball in the Jayvees' possession. Lineup:

Kulpmont	Susquehanna
L. E.—Sincovich	..... Jones
L. T.—Brown	..... Brumbach
L. G.—Moleski	..... E. Hess
C.—Dallebrido	..... Abbott
R. G.—Brosh	..... Grossman
R. T.—Bunavash	..... Shellenberger
E.—Sikorski	..... Aumiller
Q. B.—Bailent	..... Deveraux
R. H.—Deorio	..... Phillips
L. H.—Bezo	..... Fredericks
P. B.—Olaf	..... A. Hess

### CRUSADERS LOSE TO DREXEL DRAGONS, 7-6

(Continued from Page 1)  
march down the gridiron from their own 36 yard stripe, and finally sent Knapp, a halfback, over the line for a 50 yard run from the six yard line. With the score tied 6-6, Potter took the pass from center, faked back, faked a pass to the left, and finally wheeled and passed to the right to Knapp, who barely crossed the goal line for the all-important point before being tackled by a fighting Crusader.

Drexel again threatened to score in the few seconds left to play. Just as the kick-off, Potter intercepted a Susquehanna pass and started a dash for the goal line. However, Bastress made a lunge at him and knocked him off balance enough to cause him to stumble and finally fall on the one yard line as the final whistle blew.

The lineup:  
Susquehanna Drexel  
Maguire ..... L. E. .... Breda

### RABBI STEPHEN S. WISE DISCUSSES THE TRAGEDY HAPPENING IN GERMANY

(Continued from Page 1)  
given by Dr. Wise. In the first place the Versailles Treaty should have been written in the calm of 1921 or 1922, instead of in the heat of 1919. President Wilson refused to advocate the Versailles Treaty—this showed his greatness of mind. Rabbi Wise said, "Mark my words, young people, President Wilson has not yet come into his own, but he will; and that is a prophecy." The Nazis have used three courses in persecuting the Jews in Germany today: (1) defamations of character; (2) laws; (3) action. The Jews are blamed for making the World War, for making the subsequent and unholty peace, and for introducing the Senegalese troops into the Rhine alley, as part of the Army of Occupation, to debase the blood of the Germans. Dr. Wise said this was not possible, for no German Jew was in any official position to in-

fluence such events. The Hitlerites are making for disorder and discontent in permitting only Aryans to be citizens of Germany, and discriminating against the Semitic people who have fought for Germany and lived there for hundreds of years. He predicted that if the present theory of Aryanism is allowed to continue, we will end in another world war. The last great war will seem like

a Sunday school picnic compared to it. In conclusion Dr. Wise said, "Germany today is only a nominally Christian country. The struggle in Germany is actually a near-pagan insurrection against Christianity." He placed the Christian God of peace above all of this and said that such a God of mercy is not in sympathy with the Hitler movement.

COLLEGE NEWSPAPER ASSOCIATION  
MEETS AT BALTIMORE UNIVERSITYSusquehanna Sends Two Delegates to Conference  
at Johns Hopkins University; Many Speakers  
of National Prominence Present

Donald K. Henry, news editor, and Elmer Deveau, circulation manager of THE SUSQUEHANNA, attended the 1933 fall convention of the Intercollegiate Newspaper Association of the Middle Atlantic States, held at Johns Hopkins University, Baltimore, Maryland, on November 17th and 18th.

During the entire convention the keynote that was emphasized to all budding journalists was the following motto, "Get the news first, but get it right." Editorials were emphasized at all of the sessions. They should not be satirical, but should come to the point immediately and speak the truth. A humorous question in connection with editorials was brought before the group, "Does the average college student understand the purpose of an editorial if it is cleverly written, or not just the statement of a fact?"

Many speakers of national prominence in the newspaper world were present at the meetings. Frank S. Noyes, president of the Associated Press, and Sir Wilmot Lewis, Washington correspondent of the London Times, both delivered excellent addresses before the representatives at a banquet held at the Emerson Hotel, Saturday evening. At this meeting all were welcome to Baltimore was given by Mayor Jackson.

The convention was closed by President Hyman Lein, who presented a silver loving cup to Editor Ruth, of Bucknell, for having the best college paper in the I. N. A. from an editorial standpoint.

Y.M. - Y.W. Present  
Film About Luther

Eight-Reel Film on "Martin Luther, His Life and Times," Exhibited in Chapel Saturday Evening

An eight-reel film on "Martin Luther—His Life and Times," was exhibited in Seibert Hall Chapel last Saturday evening at 8:00 o'clock. This picture was brought here under the auspices of our College Y. M. C. A. and Y. W. C. A.

This movie gave a thorough review of Luther's life. He was pictured as an obedient and brilliant school boy, as a monk in a convent, and as a reformer. The highest point of interest in the picture of Luther's life was reached when he was brought before Charles V, Emperor of the Roman empire, at the diet held in the city of Worms, 1521. There, when he was asked to recant, he answered with those powerful and historical words, "Unless I am convinced by the Scripture, or by clear and binding reasons, I neither can nor will recant; for it is not advisable to do anything against conscience. Here I stand; I cannot do otherwise. God help me! Amen."

It was very significant to have the picture of this time, since November is the natal month of this great religious reformer of the sixteenth century.

Greek Ensemble Offers  
Program This Evening

This evening, at 8:15, in Seibert Chapel, The Greek Byzantine Vocal Ensemble, a male quintet under the direction of Christos Vronides, conductor, composer and arranger, will be presented by the Susquehanna Star Course.

This somewhat different form of entertainment promises to have a world of interest for music-lovers. The program will be varied, including Greek folk songs, American Indian songs, music of the Orient, and old traditional melodies.

Of special interest to students of music should be a selection to be presented for the first time, entitled, "Madrigal," by Ray Green; in which quarter tones will be used.

Mr. Vronides will also conduct the ensemble in three of his own compositions. At the piano will be Eleanor Whitfield.

Final Preparations  
Made for O.D.S. Play

Miss Dorothy Reeder Coaching Play Entitled "The Youngest," by Philip Barry, Author of "Holiday"

Final preparations are in progress for "The Youngest," which is to be presented by Omega Delta Sigma society on Thursday evening in the chapel of Seibert Hall at 8:15 o'clock. The action of the play takes place in a small New York State city. The scene throughout the play is a porch of the Winslow home. The family is awaiting the arrival of a very charming guest when she comes, upsets all the customs of the entire Winslow family. The time is the early part of July, and the family is making elaborate preparations for the celebration of the Fourth of July, which is a big day in the history of the Winslows. Lee Rishel, who plays the part of the guest, is expected to arrive by bus, come and see the play and find out for yourself the final outcome of his action.

The play is being coached under the direction of Miss Dorothy Reeder. The stage is under the direction of Miss Mary Elise Spiggle and Miss Isabella Horn.

"The Youngest" is being produced by special arrangement with Samuel French of New York.

Crusaders Meet P.M.C.  
On Founder's Day Bill

After a week of short routine practices in the unusually cold weather, Susquehanna's gridiron Crusaders will this week enter upon a rigorous training period in preparation for the final battle of the season against Penn Military College on University Field this Saturday afternoon. Since the decisive defeat that they administered to Hartwick and the excellent showing that they made against the visiting Cadets, P. M. C. is reputed to have a record looking military shift, a flashy set of running and power plays, and a quite effective passing attack to dazzle their opponents, but the Ullerymen's strongest point is their defensive prowess, which should at least slow up the Cadet's offensive attack, if it cannot hold them back.

Although P. M. C. is generally considered to be the favorite to win this Saturday, Susquehanna has an excellent opportunity to upset the dope by defeating or at least tying the visiting Cadets. P. M. C. is reputed to have a nice looking military shift, a flashy set of running and power plays, and a quite effective passing attack to dazzle their opponents, but the Ullerymen's strongest point is their defensive prowess, which should at least slow up the Cadet's offensive attack, if it cannot hold them back.

P. M. C. exhibited an unexpected fighting spirit to hold Army scoreless during the first three quarters of their game this past Saturday afternoon. The dopests had figured that Army's second team should have had little trouble in winning over the Penn Cadets, but it took the combined gains of halfback C. Buckler and quarterback Johnson of Army to enable Buckler to score two touchdowns in the last quarter, enabling Army to win, 12 to 0.

Finch, left end, and Pollock, left half, are the two most outstanding players on the P. M. C. eleven, and they make up a threatening passing combination, as well as their running attacks.

Susquehanna's line should remain at its full strength, and the backfield should be strengthened by the reappearance of Walsh and Sholly in the lineup after a few weeks spent in recovering from injuries. It is questionable whether or not Capt. Rishel will play in this game, because of his collegiate career, because of the failure of his knee injury to heal properly, and because of the serious consequences that would possibly follow further aggravation of the injury.

When all things are considered, Susquehanna stands a good chance of repeating or bettering their performance of last year, when they held P. M. C. to a scoreless tie, and this Saturday's game promises to be one of the best football attractions in this section.

Professor Sheldon  
Taken Ill Sunday

Head of Conservatory Undergoes Operation for Appendicitis at Mary M. Packer Hospital in Sunbury

Recent announcement of Professor E. Edwin Sheldon's illness was a distinct shock to both conservatory and college students. Professor Sheldon is now convalescing from an appendicitis operation, performed by Dr. R. W. Johnston, November 14, at the Mary M. Packer Hospital in Sunbury. His condition is quite satisfactory, and it is hoped that Prof. Sheldon will be able to return to his home in Selingsgrove within two weeks.

Prof. Sheldon was taken ill Sunday morning, November 12, and remained at home until Tuesday, when he was transferred to the Sunbury hospital. He has been the recipient of a great number of flowers and cards, which testify to his popularity in Selingsgrove and Sunbury.

Professor P. M. Linebaugh has been in charge of the work of the Conservatory since Prof. Sheldon's illness. He will also direct the Susquehanna University Concert Company next Friday evening at Belleville, Pa.

Professor E. L. Allison has undertaken the conducting of the Choral Club, which is rehearsing for the presentation of "Mendelssohn's 'Elijah'" in the spring. He also took charge of the Festival Chorus, which sang at the Luther Jubilee Festival, which took place at Bloomsburg Sunday afternoon and evening.

Concert Company  
to Visit Belleville

Fifty Members of Company, Both Faculty and Students, to Give Concert Under Direction of Prof. Linebaugh

The Susquehanna University Concert Company will present their first program at Belleville, Penna., on November 24, 1933. The company is going there at the invitation of the Reverend G. H. Middleworth, who is an alumnus of Susquehanna University. This concert is one of a series of programs for Community entertainment.

The company is made up of fifty members, both faculty and students, and has been rehearsing under the direction of Prof. Sheldon. However, Prof. Linebaugh has been in charge since Prof. Sheldon's illness.

Transportation for the company has not been arranged for as yet, but this problem is being taken care of by Dr. Smith.

The program for the evening is as follows:

Part I  
Chorus: a. Alma Mater—E. E. Sheldon  
b. "Nations Shall Do Him Service"—Mozart

University Singers

Tenor Solos: a. "Spirit Flower"—Campbell-Tipton

b. "A Love Song" . . . P. M. Linebaugh  
Prof. Frederick Stevens

Violin Solos: a. "The Old Refrain"—Kreiser

b. "The Bee"—Schubert

Prof. Donald Hemphill

Soprano Solos: a. "Tris"—Daniel Wolfe

b. "Homing" . . . . . Del Riego

Miss Margaret Keiser

Chorus: "Great Is Jehovah"—Schubert

Miss Keiser, soloist

Intermission

Part II

String Orchestra: a. "Waltz" . . . Sreck

b. "Adoration" . . . . . Borowski

Dances: 1. Polish Folk Dance

Misses Chaya, Kehler, Pifer, Turner,

Winkiebleck, Horn

2. School Days

Miss Bair and Mr. Blackwood

3. Gollivog's Cakewalk

Mr. Jack Potteiger

A Scene from "Pirates of Penzance"—Sullivan

Scene: A rocky seashore on the coast of Cornwall

Dramatic Personae:

Mabel: Miss Alma Myers

Frederic: Roland Pritchard

Kate: Miss Ruth Bair

Edith: Miss Elizabeth Shipe

Isabelle: Miss Isabella Horn

Chorus of Girls.

ELABORATE PROGRAM PLANNED FOR  
STUDENTS ON THANKSGIVING DAYReligious Service of Thanksgiving to be Held in  
Seibert Chapel; Special Dinner in Horton Dining  
Hall; One-Act Plays in EveningSix S. U. Students  
In Auto Accident

Members of Senior Class Injured on Way to Observe Commercial Class at Harrisburg Schools

Six members of the senior class, en route to Harrisburg, narrowly escaped serious injury last Wednesday when the car in which they were riding skidded on the icy road, struck a telephone pole, and overturned. The accident happened about three miles north of Amity Hall.

The occupants of the car were Margaret Hausman, Frances Kline, Aberdeen Phillips, James Bonnell, Albert Hess, and Paul Mowry. They were journeying to the capital city to observe the commercial departments of John Harris, William Penn, and Camp Curtin high schools.

Mr. Mowry, who was driving, lost complete control after passing a large truck. The car swerved a few times, ran off the road and turned over on its side after striking a telephone pole. Several cars which stopped to view the scene, took the students to Duncannon, where they hired a taxi and proceeded to Harrisburg. At Harrisburg Mr. Mowry had an X-ray taken of his left arm, which was pinned under the car. It was found to be badly fractured. The group then visited John Harris high school.

Miss Hausman was the only other member of the group to be injured. She received a bump on the head and suffered somewhat from shock. However, the others were shaken up considerably.

The car, a Chevrolet coupe belonging to Mr. Mowry, was badly damaged, but the loss will be covered by insurance.

Memorial Services Held  
For Honored Alumnus

Impressive services in the memory of the Rev. David Day Dagle were held in Trinity church on Friday afternoon, November 17. The Rev. Mr. Dagle, a missionary in the Sanoyea district of the African Lutheran mission, died at his post of duty on August 25. The cause of his death was black water fever.

The services at the church were in charge of the Rev. Dallas C. Baer, Trinity church, on Friday afternoon. The church organist presented beautiful music for the services. The main address was delivered by a classmate of the deceased missionary, the Rev. Reide Bingham, of Thompsonstown. Brief addresses by Mr. and Mrs. Harry Miller and by the superintendent of the mission work in the section of Rev. Dagle's labors were delivered. In each of the talks the beautiful, radiant spirit of the missionary was presented.

Pastors of many churches, relatives, friends and the missionary society of Trinity church occupied reserved sections in the church auditorium. Dr. W. A. Sadtler and Dr. Walter C. Beck assisted the Rev. Mr. Baer in the services. Four students of Susquehanna acted as ushers for the services: Hazle Naugle, Mary Beth Richards, Harold Rowe, and Raymond Shaheen.

Rev. Dagle was a graduate of Susquehanna University of the class of 1925. He bore the name of David Day, pioneer missionary in the African field. Rev. Dagle was a man of fullest consecration and devoted himself unsparsingly to the cause of salvation of Africa.

—S—

## Managerial Election

An election for Assistant Basketball Managers will be held in the near future. Members of the Junior class desiring to be candidates for these positions are requested to present their names in writing at the Alumni Gymnasium Office on or before Friday, November 24.

An elaborate program has been planned for the students who remain on the campus on Thanksgiving Day. The social committee hopes to make this holiday unprecedented in Susquehanna's social life.

At 10:30 religious services of thanksgiving will be held in Seibert Chapel under the leadership of Dr. T. W. Kreuschmann. Miss Marcella Chays will play the organ, and the program will include a solo by Miss Mary Jane Kehler.

At 1:00 a special Thanksgiving dinner will be held in Horton Dining Hall, with a program of after-dinner speeches, which will last into the afternoon. The remainder of the afternoon is left free for those students who wish to attend the Selingsgrove High School football game, or the matinee at the Selingsgrove theatre.

The evening entertainment will consist of two one-act plays, between which other entertainment will be offered. The first play is "Thursday Evening," by Christopher Morley. It is being directed by Ruth Plummer. The cast is as follows:

Gordon Johns, Lee Rishel  
Laura, Daisy Bees

Gordon's Mother, Aberdeen Phillips

Mrs. Sheffield, Ruth Plummer

The second play is "Twice One," by Dr. Beaumont S. Brustelle, who taught in Susquehanna's English department during the past summer session while Dr. Wilson was touring in Europe. Its cast is as follows:

The Twice-Married Widow, Mary Ellis Spiggle

Peggy, Sara Ulrich

Billie, Peter Blackwood

Uncle, John Oberdorf.

—S—

Frosh and Sophs to  
Grapple on Friday

Annual Grid Classic to be Held Day Before Founder's Day; Both Teams Confident of Victory

Another link in Susquehanna sports tradition will be forged on next Friday afternoon, November 24, at 3:30 p. m., when that annual gridiron classic, the Freshman-Sophomore football game, will be played.

Prior to the present season, the Frosh-Soph game had become one of the main attractions of Homecoming Day, coming as a preliminary contest to the varsity game. And each year the Frosh-Soph game has been the downfall of the Junior Varsity team, since all the Freshmen and Sophomores, who make up most of the Jay-Vee team, were drafted for their class teams, and then, before the J-V's could begin functioning as a unit again, the season ended. So this year it was decided to dispense with the game entirely. This aroused so much criticism that the Intra-Mural Board proposed to have the combat on Founder's Day, before the varsity game. However, this would interfere with the regular Founder's Day program, and so the combat will be staged on Friday afternoon.

Another innovation this year is the appearance of the two assistant coaches (Concluded on Page 4)

Intra-Mural Managers  
Named by the Board

The Intra-Mural Board has announced some of the managers for the various Intra-Mural sports for this winter. Leonard Nakaja will manage the class basketball league. Paul Conahan is taking charge of the Inter-Fraternity basketball tournament. Francis Miller is manager of class volleyball and John Yon Kandy has charge of ice hockey. Luther Boyer is director of the handball tournament. The other managers for the winter sports have not been appointed. The schedules for the class leagues have not yet been arranged, but Conahan has announced the Fraternity schedule. The class presidents are urged to appoint class managers for basketball, volleyball and ice hockey.

## An Appeal

THE SUSQUEHANNA affords an opportunity to all student opinion. For some weeks the staff has been forced to omit Grab Bag, because of the absence of student material. Another feature which the paper affords is a column known as Letters to the Editor. This column has not been seen this year, because no student or faculty member has seen fit to use this medium as a means to express the feeling of the student body concerning the news weekly or the university in general.

Both of these columns are open to the use of any individual who wishes to use them. The editorial staff, however, reserves the right to retain the copy which is handed in for these columns. The staff also requires that every contribution be signed by the contributor.

In the past these columns have been used in a rather infrequent manner and it is the desire of the staff that they shall become a means of expressing student thought and opinion.

## Thanksgiving Day

The student organizations and the administration have planned a program for Thanksgiving Day which will offer entertainment for the morning and evening. The afternoon will be left open for the recreation of the students.

This Program can be successful if the students cooperate with the student organizations which will be in charge. The morning chapel services should be attended by every student. In the evening two one-act plays by popular students should appeal to everyone.

For the first time it is necessary for the students to prepare entertainment for this holiday, because previously there was a recess covering this period. Many students will not be able to get home for this one-day vacation and therefore the various organizations must provide entertainment. They cannot make this successful without the cooperation of all students. The social committees ask that the students show their interest by being present at the events that have been prepared.

## A Visit At An Olympian Home

By AUGUSTUS WILLIAM AHL, Ph.D.

There were numerous islands in and around Greece. From time to time history has recorded violent eruptions; also the use of fire had come into vogue. It is not difficult for the early mind to arrive at the personification of these elements as Hephaestus or Vulcan, the god of fire and the patron of all workers in iron and metals. A short, sturdy figure, in the guise of a blacksmith, with a cap, hammer and pincer and a limping gait. There were frequent outbursts of his violent temper, and it was best to keep away from him as long as this outburst lasted, which resulted in destruction when this element raged.

With wondering eyes, and longing heart adventurous man stood by the shore of the raging sea. He had seen strange people, who had entrusted themselves to its salty waves, and at one time had been able to make the journey proposed, at other times had been swallowed up by its murky depth. All springs and rivers flowed to the sea; the earthquakes were thought to have been caused by subterranean waters. The rapid rivers and roaring waves implied some being that had absolute control of these waters under all conditions. This was none other than Poseidon or Neptune. Triumphant he rides over the waves. In his chariot drawn by sea horses with golden manes, whenever he commands the waves and the winds. In his hands he carries the trident, a three pronged spear, attended by dolphins. In his

smile and stir up the sea and woe is to the sailor under those conditions. As the brother of Zeus he has great power, and in art appears of similar features. The Isthmian games at Corinth, held every four years, were in his honor.

Each fall, as the harvest was garnered, the people would celebrate a harvest home festival. The thoughts recurred to the river of plenty, in the animal and vegetation world. In the endeavor to lift the veil of mystery that covers growth and ripening maturity the Greek mind created Dionysus or Bacchus. He is represented as a handsome youth, with ivory of green leaves and clusters, with a somewhat tipsy appearance, riding in a chariot drawn by panthers. As the god of wine and revelry and drunkenness, he was highly esteemed. Scotias has left us several statues and Dryden, a highly descriptive hymn of praise in honor of the god.

Indeed there are many eminent members of the divine family, whom we would like to visit, but time will not permit it. Let us, however, go to one whom all Greeks must meet, namely Hades or Pluto. The primitive mind had seen loved ones pass on to the shades; they never came back. Who might be responsible for this? It is Hades. He inspired with great fear the members of all his believers. He appeared on earth only to drag some poor victim into the sullen depths. Only one hope remained . . . the blessed river Lethe, whose waters had the power to forget all evil and unpleasant things. Thus we take leave of the Greek Olympus.

—Susquehanna advertisers make this publication possible—partially.

## Moment Musicales

Being the Non-Technical Ramblings of a Music Lover

When the term, "modern music" is mentioned, I believe that too many people immediately think of jazz without realizing that the term means much more than merely the rhythmic, syncopated dance tunes and ballads. To my mind, there are three distinct types of modern music, each of which has its own peculiarities and type of appeal.

The first form, I think, may be called the "classical type" of modern music. It is essentially impressionistic and conveys strikingly a picture of the modern age. Three representative composers of this type of music are: first, George Gershwin, who is probably best known for his "Rhapsody in Blue"; second, Ferde Grofe, whose "Grand Canyon Suite" ranks him among the foremost composers of the modern school; and third, Maurice Ravel, leader of the modern French school, whose sensual, throbbing "Bolero" has "created a sensation because of the hypnotic effect produced by its obstinate rhythm." The type of music represented by these composers, in general, has through its expressiveness and originality, secured for itself a definite place in the world of music.

The second style of modern music, I would call the "musical comedy" type of composition, consisting of songs and instrumental pieces written for operettas and musical comedies. In this field, we have two outstanding composers; namely, Jerome Kern, whose outstanding stage presentation, "Show Boat," and his more recent "Music in the Air," have had such a great appeal to the modern theatre-goer, and Sigmund Romberg, whose "Student Prince" and "Blossom Time" are well-known to modern music lovers. The music from the various operettas, constituting a definite class, is, I think, most noted for its beauty of melody and for its catchy rhythms.

The last class of modern music, consisting of popular ballads and so-called "jazz," seems to be what the modern youth, unfortunately, is primarily interested in. In this realm of composition, we have Irving Berlin, whose "Alexander's Rag Time Band" was one of the first of the jazz pieces; Arthur Johnston, composer of the currently popular "The Day You Came Along" and numerous other equally clever tunes; and Hoagy Carmichael, writer of the famous "Star dust" and the more recent "Lazybones." Although jazz is the most popular of these types of modern music, it is by no means lasting, as is shown by the hundreds of popular tunes written each month only to be forgotten in a few weeks.

In general, modern music, consisting of the three main types mentioned: the classical type, the musical comedy or operetta type and the popular or jazz type, deserves to be classed as a development of this age worthy of recognition by the musical world.

I heard twenty-one brand new products of Tin Pan Alley the other day. A few of them should become real hits. Keep your ears open for them. Some of the titles were: "Never Again," "You Alone," "Snowflakes," "You're My Thrill," "Rooftop Serenade," and "Crying on My Shoulder."

## "RETROSPECT"

At first Susquehanna Institute and Female College has only one building—the present Selingrove Hall, but soon after the founding the name was changed to Susquehanna University, other buildings were erected, and in 1894 Gustavus Adolphus Hall was built. Room 204 of this building was set aside as the practice room for the Theologues—that is the theological students—who delivered their sermons there and learned to preach. The services were for the students and faculty members of the seminary. For accompaniment to the singing of the hymns, an organ was used, and this organ still stands to the right at the front of room 204. To make the atmosphere omre like that of a church, a pulpit was arranged. One of the lectures used then still remain in the room. Even the chairs were arranged with an aisle in the center to make the scene more churchlike.

As the seminary grew older, it began to have a history, and room 204 became a depository for memorials of the past days. The late Dr. Franklin P. Manhart, who was the last Dean of the Seminary, was largely responsible for the collection and preservation of the many portraits and records found in the room. Almost the entire history of the Seminary is told in the collection.

faces upon examining the photographs about the room. For example, at the front there hangs a photograph of the seminary, one member of which is Dr. A. William Ahl, present Professor of Greek and Ancient History at Susquehanna University. Another member of the group is Dr. H. D. Hoover, who was then a Professor in the Seminary, but later became President of Carthage College, and at present is a Professor at the Gettysburg Seminary.

A member of another group photograph at the back of the room is Rev. Paul Kingports, who is known to all good Luther League members as the General Secretary of the Luther League of America. There, too, is found the picture of Dr. M. Hadwin Fischer, director of Camp Nawakwa and a Professor at Gettysburg Seminary.

On one of the bookcases in room 204 there stands a photograph of the old Y. M. C. A. room in Selingrove Hall. This "Y" room used to occupy that part of Selingrove Hall now known as the book store, and the old "Y" members must have been more musically inclined than the present age for they had both a piano and a victrola in their room, while the "Y" of today conducts its meetings without the aid of any music except that supplied by the radio in the social room directly above the present "Y" room.

As Wordsworth has said, "The world is too much with us," and many times we barely notice important things right about us. Sometimes after having a class in room 204 of G. A. Hall spend a few moments looking at the pictures. Who knows, perhaps you may discover that a good friend of yours went to Susquehanna Seminary at one time.

## SKIPPY

My Goodness! What's this world coming to? Can you imagine the timid Yon Kody being chased out of the library because of disorderly conduct? Well, we hope he will be a good boy after this. Now for some news: You have perhaps heard of the absent-minded professor.

One dark night last week a professor looked himself out of his room at 12:30; that's outrageous, a professor out till 12:30! I see that the Frosh are practicing very hard for their game Friday. Don't worry, Frosh, the Sophs are being taken care of. It has been decided to postpone Weinberger, Shanks, Pritchard and let Martin get in Ricciardo's way. It looks as if the Sophs are taking a beating all around; the Frosh soccer team beat them 5-3, and with five men. I heard Horace Hutchison and Aughenbaugh talking about a check. It goes something like this:

Hutch: "Where are we going to get that check of yours cashed, Aughy?"

Aughenbaugh: "I don't know. I can't think of a single place where I am unknown."

This was taken from the Literary Digest: "Students of Fashions predict a wave of popularity in this country for the Hitler type of moustache." Well, I guess we have some stylish people on S. U. campus after all. Here's a good one:

Spitzner: "I always have seconds on plate, no matter where I am."

Cotton: "Yeah, but it's bad manners, especially when you're a guest at a stranger's house."

Spitzner: "Sure, but I ask the hostess for the reason my mother and mother-in-law make some like it."

Well, so long until next week.

SKIPPY.

## Seibert Hall Echoes

Susquehanna, where moustaches reign supreme! Some of our masculine friends are surely following Sampson's footsteps and daily they are urging men to join their ranks. This presents a real problem to Seibert maidens, and after due consideration may we suggest that local barbers inaugurate a "One Cent Sale" or the drug stores offer a razor free with each tube or jar of shaving cream . . . but still I wonder if this idea should be presented to the public. Girls, it would be such a help in solving the Christmas gift problem!

Several brave Hasinger heroes made their way (or were brought by force) to the first bi-weekly tea on Thursday afternoon and we feel sure they were amply rewarded for their bravery. The social room with its festive appearance and the truly social hour should inspire the "Hassinger social committee" to real co-operation. Incidentally, they're to be on Monday and Thursday each week from 4 to 5:30.

We're planning to take Harrisburg by storm December 2 when Susquehanna hockey enthusiasts will get some point out of the game between the women's hockey team from Philadelphia and Susquehanna. But at present the P. M. C.

game and the dance are claiming all our attention.

The week offers quite a few "breaks" for our intemperate Frosh . . . Tuesday for our Intemperate Course, Thursday night O. D. presents "The Youngest" and Saturday night the crowning event of the week . . . Ladies and Gentlemen, a long anticipated social occasion of which they are truly deserving . . . THE FRESHMAN PARTY . . . all our best wishes for its success!

## SORORITY NOTES

S. A. I. Sorority Notes

Sigma Iota Omega takes pleasure in announcing the initiation of the following girls to active membership of our fraternity:

Miss Marcella Chaya, of Allentown, Pa.; Miss Grace Drew, Jenkintown; Miss Mary Jane Kehler, Downingtown, and Miss Dorothy Turner, of Kingston.

Kappa Delta Phi

Miss Dorothy Clegg spent the weekend at her home in Everett.

Miss Millie Hines visited Philadelphia this past week-end.

Miss Ruth Cherrington spent the week-end at her home in Catawissa.

Miss Bernice Harding spent the week-end visiting friends in Sunbury.

S.

## Y. M. C. A. NOTES

Elwood Stahl was in charge of the "Y" meeting held on Sunday afternoon. He opened the meeting by reading a part of the fifth chapter of "Romans," which was followed by a prayer offered by Raymond Shaheen. The topic for discussion was "Magnanimity." The short session was brought to a close by praying the "Lord's Prayer." The topic for Sunday afternoon will be "Possessing a Past Tense," and Edwin M. Clapper will be the leader.

S.

## Y. W. C. A. NOTES

The tea on Thursday afternoon went over big! Those who weren't after noon. He opened the meeting by reading a part of the fifth chapter of "Romans," which was followed by a prayer offered by Raymond Shaheen. The topic for discussion was "Magnanimity." The short session was brought to a close by praying the "Lord's Prayer." The topic for Sunday afternoon will be "Possessing a Past Tense," and Edwin M. Clapper will be the leader.

Miss Bary Barnes has been chosen by Freshman girls as their representative to serve on the Y. W. C. A. Cabinet.

Edith Frankenhild led "Y" Hour on Thursday evening, November 16. The theme was "Being Analytical" and the leader applied this to church activities. She read several appropriate passages from the Bible and used some interesting illustrations to bring out the points she wished to emphasize. The importance of attending church regularly was stressed, and girls have not received the full benefit of her college education if she has not developed her religious life.

S.

## With Our Advertisers

Editor's Note: It is the policy of this paper to feature each week one of its advertisers. This article is the third one of the series.

Since Fred Reichley opened his place of business in 1922 he has proven that the welfare of the students of Susquehanna University is one of his chief considerations. Fred has always headed the pleas of the various advertising managers and has always done his part in making the publications of the university successful.

Many students have realized the interest that Reichley has always shown toward them and you can usually find a group of Susquehanna young men and women being refreshed at his fountain. He carries the most complete line of soft drinks in the town and is well known for the combination drinks that he serves.

Any student who has tried some of Reichley's candy has missed a real treat. He makes all his own chocolate covered candies and it is available at very reasonable prices.

A piece of this delicious candy, a drink to go with it and the atmosphere at Reichley's appeals to most of the students, and believe you me it is a treat that is not very easy to beat. The Susquehanna highly recommends Reichley's to the students.

S.

Her Turn

Bobby was the youngest of four brothers, and it was the custom in his family for the children to share their toys. With one bicycle and one wagon, and four to share them, the boys elected to "take turns," and this idea of "taking turns" was obeyed very loyally. "One day Bobby's mother found him sliding down the banisters. She called out: 'Bobby, get off the banisters.' Bobby said: 'All right, mother. Is it your turn?'"

## Mrs. Charles Leese Entertains O. D. S.

Anna Benfer and Anna Mease Awarded Prizes at "Stunt Bridge," Honorary Sister Serves Course Dinner

Members of Omega Delta Sigma sorority were entertained at a supper-bridge by Mrs. Charles Leese on last Thursday and Saturday evenings. Half of the girls attended on Thursday evening, the others on Saturday evening. Mrs. Leese served a course supper. After supper the girls were entertained by playing "stunt bridge." For example, at one table ten points were deducted from the score of the player for each word spoken, at another table the dealer was forced to bid one spade regardless of the spades in her hand. Finally, each player was asked to reverse the order of her score and multiply by 10. Ruth Bergstresser had a score of 1300 before she reversed it. Anna Benfer received the prize on Thursday evening; Anna Mease was the winner on Saturday evening. Each girl received a brightly colored handkerchief.

Mrs. Leese is an honorary of Omega Delta Sigma. The girls of the sorority appreciate her interest in them.

Inter-Fraternity Basketball Rules

The following rules, effective during the 1932-33 Inter-fraternity basketball series, will govern the 1933-34 series.

1-Ten-minute quarter will be played.

2-A team not ready to start on time shall forfeit one time-out for each two minutes or part thereof.

3-The non-appearance of any team shall constitute a forfeit of the game to be played, same to apply to postponed games.

4-In case of non-appearance of both teams, each team will be given a defeat.

Managers can arrange for Practice Periods at the Gymnasium office.

Order of playing games was determined by drawing lots.

## SPORT SAUCE

One more week and the football season will be over for Susquehanna. To date the Crusaders have four wins and two defeats in their record book. Wonder whether their final batting average will be .714 or .571?

But, regardless of the outcome of the P. M. C. game, this has been a successful season. Any team that can win 50 per cent or more of its games in a season is successful, provided that the games have not been set-ups. Certainly all of Susquehanna's opponents have been in or above her own class.

We note that the outdoor board track is about to be installed, and the gym classes have been driven indoors by the cold weather and snow. Just a few more reminders that winter is almost here.

The Frosh, in their issue, presumed to give a recipe for Sport Sauce, but they forgot that only the "Chef" knows how it is made.

Here's our recipe: Take two evenly matched elevens, let them play a scoreless game until the last minute, with frantic fans on both sides pleading for a touchdown. Then let an inspired home team, working in perfect coordination and team-work, execute a forward pass or a triple reverse, and send their speediest ball-carrier twisting, spinning, dodging and finally sprinting down the field for 75 yards and a touchdown. Then you have Sport Sauce at its best.

Here's an interesting bit of comment gleaned from a Sunday sports section. Coach Mike Pecarovich of Gonzaga University (and that name is truth, not fiction) thinks that girls are poison to any football team. Mike says: "They are not an inspiration to the boys. They're poison. They keep the boys up late, and when the players come on the field they can't keep their minds on their business. Oh, those blondes and brunettes up there in the stands; what a headache they are!"

## Large Chorus Coached By Conservatory Head

The 450th anniversary of the birth of Martin Luther was commemorated in Bloomsburg by the Luther Jubilee Festival, sponsored by eighteen Lutheran parishes of the North Branch Conference and the Danville Conference on Sunday, November 19. A feature of the Jubilee was the Festival Chorus, comprised of 150 voices, and directed by Prof. E. E. Sheldon. The soloists were Miss Margaret Koller, Susquehanna University; Prof. Frederick C. Stevens, Susquehanna University; and Prof. David J. Lewis, Hazleton, Pa.

The Reverend Abdel Ross Dentz, of the Gettysburg Theological Seminary, was the speaker for the afternoon, while the Reverend Paul W. Koller was the speaker for the evening.

## News Flashes

Monday, Nov. 13—Record vote for Hitler in Germany. Forty million and a half vote yes to plebiscite. Only a little over two million "Noes."

Tuesday, Nov. 14—Tubercular germ killed by bacteria bred by Dr. Stephen J. Moyer.

Wednesday, Nov. 15—Mussolini announces that the Italian Chamber of Deputies will be abolished in favor of legislation by a Council of Corporations.

Thursday, Nov. 16—Secretary of Treasury Woodin on leave of absence for health. H. Morgenthau Jr., takes post as treasury head.

Friday, November 17—After reaching a new low in foreign markets the dollar rises abruptly on report of ban on flight of capital.

## Women's Athletic Club Makes Plans for Year

Women's Athletic Club met Tuesday afternoon, November 14, for the purpose of arranging plans for the year. It was decided that three important meetings should be held throughout the year instead of having the usual monthly programs.

Miss Reeder urged the girls to attend a hockey match which is to be played on the Island Park Field at Harrisburg on Saturday, December 2, at 2:30 P.M. when the Philadelphia Women's Hockey Team will play the Baltimore Women's Hockey Team. Both teams are affiliated with the United States Field Hockey Association. The admission price is forty cents for college students. If as many as twenty-three girls are interested in going, a bus will be chartered for the transportation down and back. The bus fare will be one dollar. This is a fine chance for quite a few girls to see a thrilling hockey game.

## Inter-Sorority Ball Features Ivan Faux

Rapid progress toward the completion of plans for the Inter-Sorority Ball, to be held in the Alumni Gymnasium. Saturday evening, November 25, is being made. Ivan Faux and his Pennsylvania Ramblers will furnish the music.

Miss Daisy Reese, president of the Inter-Sorority Council, announced that, through the request of the administration, decorations for the Gymnasium would be omitted, but that dance programs were being printed.

It is believed that from the reductions in expenses and the procuring of this orchestra, the attendance will exceed that of all previous years. The dance is open both to pledges and actives. Admission is paid by sorority members and pledges to their chapters, and this, in turn, is handed over to the treasurer of the Inter-Sorority Council.

The patrons and patronesses for the Inter-Sorority Ball will be Dr. and Mrs. G. Morris Smith, Mr. and Mrs. William Ullery, Dr. and Mrs. Edwin Phillips, Miss Mary Phillips, Dr. and Mrs. William A. Sadtler, Dr. Agnes Sholly Knights, Mr. and Mrs. S. A. Michaels, Mr. and Mrs. Groce, Mr. and Mrs. Eyer, Miss Thelma Armogast, Professor and Mrs. E. Edwin Sheldon, Professor and Mrs. Frederick C. Stevens, and Miss Naomi K. Hade.

## French Club Presents a Humorous Sketch

Monday evening, November 20, "La Nounou," a one-act play, was presented by the French Club in the social room of Seibert Hall.

Ruth Cherrington as Mademoiselle Fifl, in teaching Paul or Francis Miller, to speak English to win an English bride, very cleverly won him for herself.

The story portrayed was that of a young Frenchman, Paul, who upon visiting the doctor, played by Jack Noegli, came away with the conviction that he was suffering from a malady, love. With whom he was in love he did not know, but the doctor, also one of those psychoanalysts, found the cause in Paul's nurse as a baby. With the aid of a detective, Allen Eyer, the nurse, Pat Hubler, was found and brought from England. Fifl prepared Paul for his love-making by teaching him English. The proposal was made, and accepted when it was discovered that Paul's nurse was not his real nurse. Paul proposed to Fifl and seemed entirely cured.

The play, spoken in French, was quite amusing and was well presented.

## FROSH AND SOPHS TO GRAPPLE ON FRIDAY

(Continued from Page 1)  
to take charge of the class teams. Coach "Bull" Extrom has charge of the Sophomores, and Coach "Rust" Carmichael is in charge of the Freshmen. Each is grooming his charges well, the Sophomores to uphold tradition, the Freshmen to break it. In the history of the Frosh-Soph game, the Freshmen have never defeated the Sophomores, altho the game has ended in a tie.

Susquehanna's football sages predict a very close contest this year, although opinion seems to give the Sophomores a slight edge. Perhaps the greatest advantage of the Sophs is their experience, since practically all their players have played regularly with the Junior Varsity this year, and most had experience in last year's game. Coach Extrom has assembled a powerful line, averaging almost 180 pounds to the man, and with "Al" Hess, ace punter, Phillips, Riccardo, and the redoubtable "Pepper" Martin in the backfield, expects to flatten the lighter and less expert Freshmen. The lack of substitutes is the only thing that is bothering Extrom at present. He has not announced the starting line, but Weinberger and Pritchard will be power-houses at the tackle positions, while Grossman will probably play center and Leittel will be one end. The other position, however, are open.

Coach Carmichael has more material from which to choose, having almost two teams on the field. Many of them are green, however, this being their first year at football, and are somewhat lighter than the Sophomores. Coach Carmichael hopes to make up for the lack of weight by speed and deception, and places much faith in his team's defensive ability. He also has

not announced his complete lineup, but backfield will be Spitzner, good defensive fullback, and the diminutive Bach and Shellenberger at tackles, quarterback, Mengel, who has been doing the passing and will probably punt if Toomey is ineligible to play.

The halfback positions and guard and end post are still to be filled. Both teams feel confident of victory, and with the intense rivalry between the two teams, the game should be worth seeing.

## CRUSADERS FALL PREY TO P. M. C. CADETS IN FIRST QUARTER, 16-0

Founder's Day Crowd Pleased With Strong Defensive Play of Crusaders as They Hold Cadets; Ullerymen Outplay Visitors

Cadets of Penn Military College defeated the Crusaders of Susquehanna 16 to 0 on University Field on Saturday afternoon. Although outplayed in first down by the Crusaders, P. M. C. exhibited the necessary scoring punch in the first quarter to gain fourteen points. The first downs were 14 to 12 in favor of Susquehanna.

The Cadets made a sustained march down the field after Susquehanna kicked off, carrying the ball 62 yards in three first downs, and finally sending Stevens across the goal line for their first touchdown. Pollock made the extra point on an end run.

Later in the first quarter, Stevens took a punt kicked by Martine and dashed 65 yards down the sideline before Wasilwski, the only Crusader remaining in the path, threw him out of bounds. Taking advantage of this break, the Cadets, on the fourth play afterwards, completed a lateral pass to Malinski, who crossed the goal line. P. M. C. made the bonus point on a pass which was received by Malinski.

The remainder of the game was scoreless with the exception of the last play. Susquehanna received the ball on her own one yard line after a P. M. C. punt had gone out of bounds, and Steve Martine stood back in the end zone to kick. However, a bad pass from center sent the ball high over his head, and the Cadets scored two points on the safety as the game ended, the final score being 16 to 0 in favor of P. M. C.

From the beginning of the second quarter until the end of the game, Susquehanna's fighting warriors showed a valiant fighting spirit by outplaying the visitors in every department of the game except passing. Coach Ullery's linemen broke through time after time to throw the opposing backs for a loss, which the Cadets could only regain by a short, flat pass over the line. Although Susquehanna's backs were unable to make any spectacular gains, they played a fine defensive game, as well as running good interference for the ball carrier. Hanna proved to be the greatest ground gaining Crusader, making consistent gains through holes opened up for him by the line. Martine did some nice ball carrying, as did the other backfield men who saw action in the fray.

Fisher and Tide did some especially outstanding work in the line, and all of the linemen deserve commendation for their excellent work.

All in all, Susquehanna can be justly proud of her excellent showing against a highly touted P. M. C. eleven, who held the mighty Army team to a 12 to 0 score only a week previous.

## Susquehanna Receives Endowment Increase

Dr. G. Morris Smith sprang a surprise upon the friends and faculty of the college in attendance at the President's Dinner Saturday, by announcing a gift of more than \$13,000 to the permanent Endowment Fund. The occasion was the seventy-fifth Founder's Day at Susquehanna.

"We should pay tribute," said President Smith, "to the loyal constituency which, for seventy-five years has stood behind the steady development of our institutions. He pointed out that a college is a great social undertaking and lives because of the prayers and labors and gifts of multitudes of people. Dr. Smith referred specifically to the larger gifts which have come to the institution from several outstanding givers: contribution of the original site and of the cash gift by John App; the Straub, Hill, and Seibert legacies; the gifts of the Martin L. Hassinger family of Middleburg, William Decker of Montgomery, the late President Charles T. Aikens, William A. Hunsinger of Middleburg, Senator Charles Steele of Northumberland, and M. P. Molter of Hagerstown, Md.

Dr. Smith stated that the birthday fund was given by a small number of people as marking in a tangible way the seventy-fifth milestone in the history of Susquehanna University.

## Gala Day Planned For Thanksgiving

First Thanksgiving Holiday at S. U.  
Celebrated by Students in Fitting Manner

THANKSGIVING DAY	
Divine Services	11:00 A. M.
Seibert Chapel	
Special Dinner	1:00 P. M.
Horton Dining Hall	
Special Entertainment	8:00 P. M.
Seibert Chapel	

A detailed program has been arranged by the committee in charge for a gala day of Thanksgiving on Thursday. This will be the first time for many years that such a program has been prepared. The several social committees on the campus are striving to do their best to make this first holiday on the campus a success. Friends of Susquehanna and townspeople are especially invited to the services in the chapel in the morning and in the evening.

Dr. T. W. Kretschmann will preach the special sermon at the 11:00 o'clock service in the chapel. Miss Marcella Chaya will preside at the organ. "A Song For Thanksgiving" will be sung by Miss Mary Barnes, and Miss Mary Jane Kehler will sing "Our Pilgrim Fathers."

Following the special dinner, the afternoon will be free for the students to spend it as they wish. A special matinee will be shown at the downtown theatre and a football game will be the Selingsrove High School team.

Two one-act plays will feature the evening's entertainment. Lee Rishel, Daisy Reese, Aberdeen Phillips, Ruth Plummer, Mary Spiggle, Sara Ulrich, Peter Blackwood and John Oberdorf will be among those assisting in the presentation of these plays.

Dr. Beaumont S. Brustle, who taught in Susquehanna's English department during the summer session in the absence of Dr. Arthur H. Wilson, is the author of one of the plays to be presented and will be present at the performance.

## Crusaders Encounter Difficult Elevens

Susquehanna's Gridmen Schedule  
Swarthmore and Hamilton as Har-  
wick is Dropped

Susquehanna's football schedule for next year as announced in this issue of the Susquehanna is a rather difficult one. The team will participate in eight games instead of seven as they did this year. Harwick has been eliminated from the schedule, but is replaced by two more difficult foes, namely Swarthmore and Hamilton. Three of the eight games will be played on home soil.

The Crusaders are losing four valuable players from the squad, Rishel, Fisher, Schlegel and Gray. However, with the return of Badger, the wealth of backfield material, and the possibilities of new players in next year's Freshman class, the loss of these men is somewhat nullified. Goyns, a member of the class of '37, will no doubt step into "Rich" Fisher's shoes. Neff, who was injured at the beginning of the season, will be in shape also, while Sholly and Bastress will compensate somewhat for the loss of Rishel. The 1934 football schedule is as follows:

Moravian—October 6	Home
(Parents' Day)	
Haverford—October 13	Away
Hamilton—October 30	Away
St. Joseph—October 27	Home
(Homecoming Day)	
Washington—November 3	Away
Drexel—November 10	Away
P. M. C.—November 17	Away
Swarthmore—November 24	Home
(Founder's Day)	

## TWO FRATERNITIES AND 4 TWO SORORITIES TO HAVE CHARGE OF VESPER SERVICE

The organizations listed below will be in charge of vesper programs on the following dates:  
Bones and Key, December 3  
Omega Delta Sigma, December 10  
Epsilon Sigma, December 17  
Sigma Alpha Iota, January 7.

## FOUNDER'S DAY PROGRAM FEATURES SEVENTY-FIVE YEARS OF PROGRESS

Dr. E. P. Pfatteicher, President of Ministerium of Pennsylvania, Gives Chief Address; Rev. Rearick Presides at Anniversary Service

## 2 New Songs Make Campus Appearance

Epidemic of Song Writing Sweeps  
Over Campus as Faculty and Students Offer New Tunes

Two new college songs appeared on S. U.'s campus during the past week: "Susquehanna U." by Mrs. Charles L. Brown and Prof. Elrose L. Allison, and "Victory Song" by Elmer Hawk, a student in the Conservatory. "Susquehanna U." was written especially for Founder's Day and was sung by the students at the conclusion of the academic ceremony in Seibert Hall last Saturday morning. It was played by the University Band during the game with P. M. C. on Saturday afternoon. The words as well as the music are very inspiring, making the composition a welcome addition to the songs of Susquehanna.

Mrs. Charles L. Brown, who wrote the words to "Susquehanna U." is the wife of the President Judge of the municipal courts of Philadelphia. She has written many lyrics, her latest publications being "Christmas Night," with music by Harry C. Banks, Jr., organist at Girard College, and "Manger Hymn," with the melody by Dr. Henry S. Fry, organist at St. Clement's in Philadelphia.

Professor Allison, composer of "Susquehanna U.," wrote both the words and music of a spirited and tuneful "pop" song entitled "For Old S. U." This song was used four years ago. However, this revival proved to be so popular with everyone that this time it is probably here to stay. Professor Allison is encouraging the formation of a Susquehanna song book, with songs written not only by the faculty but the students as well. Elmer Hawk, a student at the conservatory, has written the words and music to a song that shows great promise. Arthur Weber has written the words for another "pop" song. A song book would show the true spirit of Susquehanna University for there is nothing like a song to inspire a team on to victory or swell the heart of a loyal Susquehanna student.

## Dr. Smith Delivers Founder's Address

Dr. G. Morris Smith, the president of Susquehanna, delivered an anniversary address at the celebration of the seventy-fifth Founder's Day of his institution Saturday. Academic ceremonies were observed in Seibert Hall at 11 o'clock. Apropos of the life of Susquehanna since its founding in 1858, President Smith said:

"The story of Susquehanna seems to fall naturally into three or four distinctive epochs. First there was the day of beginnings when the institution started forth with the talented Dr. Benjamin Kurtz as president, under the name of Missionary Institute. It consisted of what we would today call a Junior College, on top of which was superimposed a theological curriculum. "The second epoch began in 1894 when the two-year courses were expanded to that of a regular 4-year college, and the name of the school was changed to Susquehanna University, with Dr. Franklin P. Manhart as president. We might appropriately call this period the time of re-adjustment.

"With the coming of Dr. Charles T. Aikens to the presidency in 1905, there began what I may well call the era of expansion. New buildings went up, an endowment was gathered, and the student body increased noticeably."

Dr. Smith's present administration inaugurates the fourth epoch, which is again a period of readjustment, with emphasis upon the internal life of the college and a qualitative program of education. One of the major accomplishments of Susquehanna under the direction of President Smith has been the approval of Susquehanna University by the Association of Colleges of the Middle States and Maryland, and also her admission into the Association of American Colleges.

A program in commemoration of the seventy-fifth anniversary of the founding of Susquehanna University was held in Seibert Hall Chapel Saturday, November 24, at 11:00 A. M.

The academic procession started from Selingsrove Hall at 10:45 A. M. The anniversary services directly following was presided over by Rev. William M. Rearick, D.D., President of the Board of Directors. The program was as follows:

Processional — "March Triumphant"—Dubois  
Professor P. M. Linebaugh at the organ  
Invocation—Rev. John B. Kniesley, D.D.—Northumberland  
"Gloria"—Rev. William M. Rearick, D.D.—Mozart  
Student Motet Choir  
Scripture—Rev. John F. Harkins, D.D., State College

In Memoriam—Dr. J. I. Woodruff, Professor of Philosophy  
Aria—"Come Unto Him All Ye That Labor"—Handel

Miss Margaret E. Keiser  
Address—Dr. E. P. Pfatteicher, President of the Ministerium of Pennsylvania  
College Song—"Susquehanna U." Anniversary Remarks—President G. Morris Smith

Hymn—"Now Thank We All Our God"—Benediction—Dr. Thomas C. Houtz, Professor Emeritus of Mathematics  
Organ Postlude—"Maria, Eucharistia"

The student motet choir consisted of Margaret Williams, Ruth Blair, Mary Jane Kehler, Mary Barnes, Anna Myers, Helen Yeager, Wesley Sterling, Roland Pritchard, Lewis Howells, and Frederick Stevens.

Dr. J. I. Woodruff recalled to our memory thirty-four members of the faculty and administration who have died since last Founder's Day. John C. Oberdorf, superintendent of grounds and building and purchasing agent; Dr. Harold N. Folmer, Professor of Economics and Sociology; Dr. Herbert A. Allison, Professor of History and Political Science; and Dr. Franklin P. Manhart, dean of the School of Theology.

Dr. E. P. Pfatteicher, who is president of the Ministerium of Pennsylvania, spoke on the value of an education in a Christian institution.

The college song, "Susquehanna U." the words of which were written by Flora Warren of Philadelphia, and the music by Elrose Allison of the faculty, was sung for the first time in a public gathering.

After the anniversary services, an invitation luncheon was held in Horton Dining Hall, with George E. Fisher, Ph.D., Presiding.

President and Mrs. G. Morris Smith were at their home at Pine Lawn from four to five thirty o'clock to greet visitors and friends.

## Omega Deltas Present Philip Barry Comedy

Omega Delta Sigma sorority presented "The Youngest," one of Philip Barry's three-act plays, on Thursday evening, November 28, in Seibert Hall chapel at 8:15 o'clock.

The cast of characters was as follows:  
Charlotte Winslow—Lillian Diehl  
Oliver Winslow—Timothy Barnes  
Mark Winslow—Penn Dively  
Augusta Winslow—Ruth Bergstresser

Alan Martin—Paul Schreckengast  
Martha "Muff" Winslow—Lee Reese  
Richard Winslow—Lee Rishel  
Nancy Blake—Mary Ellringham  
Katie—Anna Mease

The play was coached under the direction of Miss Dorothy Reeder. Misses Mary Elise Spiggle and Isabella Horn managed the stage and properties.

Between acts the audience was favored with instrumental music, played by the ladies' trio, consisting of Misses Mary Potelger, Lois Brungart, and Marcella Chaya. Miss Reeder was presented with roses from the sorority between the first and second acts.

"The Youngest" was produced by special arrangement with Samuel French, of New York.

## Recognition

In two short years Susquehanna football teams have made athletic history against almost insurmountable difficulties. With the Athletic Association financially unable to furnish necessary expenditures for equipment and luxuries, with many injuries breaking up the team at crucial moments, the valiant Crusaders went through two of the most difficult schedules in recent years with colors flying.

Last year the Varsity "S" Club successfully engineered the "Crusader Quadrangle" as a commemoration to the first undefeated football team in Susquehanna history. This year a grid machine filled with the same "never say die" spirit, turned in four victories against three defeats, losing two of the three games by one touchdown or less. This season has been an index of a new era in sports; declaring that the undefeated season of 1932 was not merely a flash of sensationalism.

The "Crusader Quadrangle" is a fine bit of sentiment and will portray the feeling of victories well earned, but this year it is befitting that we should honor the "grid warriors" with something personal which will show the reality of this evasive sentiment known as "school spirit."

Various campus organizations have the power to stimulate the interest of students and faculty members alike in an effort to honor 1933 Crusaders in a personal and material manner. The Varsity "S" Club, the Intra-Mural Board, the Athletic Association, the Woman's Cooperative Council, the Inter-Fraternity Council and Inter-Sorority Council could all aid in organizing a movement in this direction. THE SUSQUEHANNA will render its services by publishing any requests which these organizations have to offer.

## Thanksgiving Day

Groups of students and campus organizations are working valiantly to produce an interesting program for our Thanksgiving vacation. It is important, however, that each student lend his support to the various activities which have been prepared for his entertainment. Remember the time set for each performance and give your support by your presence.

## Destruction

A staff member of THE SUSQUEHANNA discovered an important page of copy, torn in small bits, in the news box on Sunday evening. Such destruction of news copy points to some vicious destructive intent by some person, or it throws light upon the petty jealousy of some person connected with the university. If any one in the university objects to the copy which finds its way into the columns of the weekly, a letter to the editor signed by the person will receive the consideration of the editorial staff. It is also important that if such lack of consideration of staff property continues, it will be necessary for the staff to change the manner of news collection.

## Moment Musicale

Being the Non-Technical Ramblings of a Music Lover

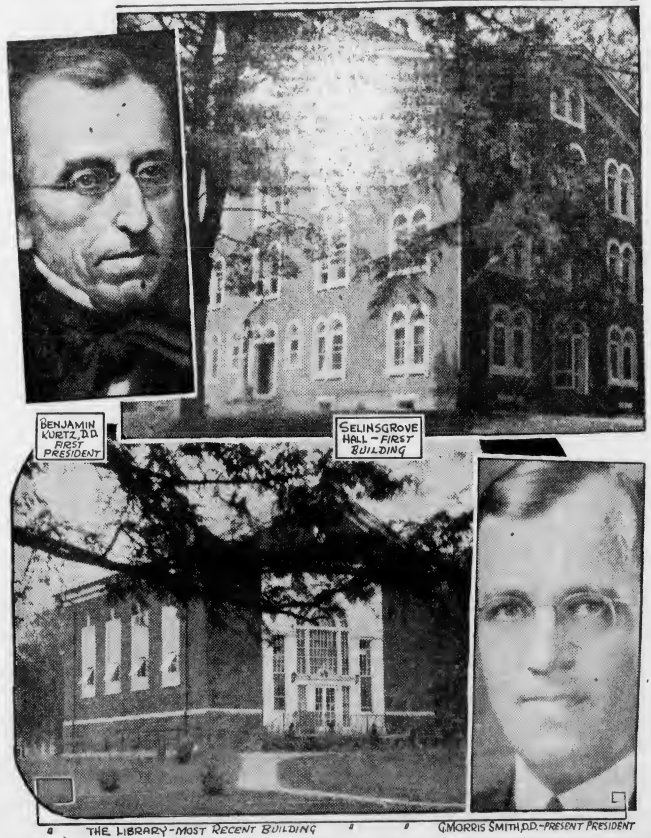

There is probably none of us who has not heard of the great Victor Herbert, for what light, airy melodies and smooth, gliding waltzes does the very mention of his name bring to our minds! But how many of us can say that we really know anything of this great modern composer outside of the fact that he wrote operettas?

Although Victor Herbert has come to be known as an American composer, he was really born in Dublin, Ireland. (1859), received his education at the St. Paul Conservatory in Germany, and did not come to this country until he was twenty-seven. His training in Germany made him an accomplished cellist and, while in that country, he was a member of the orchestra of Eduard Strauss, brother of Johann.

the younger, the Waltz King. It was also in Germany that Herbert met Therese Feodor, a Viennese opera singer, whom he married in 1886. As she had a contract at the Metropolitan Opera House in New York, Herbert accompanied her to America and secured the position of first cellist there. By 1894 he was leader of the 22nd Regiment band in New York. Then he went to Pittsburgh, where he was given the conductorship of the Pittsburgh Symphony, a position which he held until 1904. From Pittsburgh Herbert returned to New York, where he organized his own orchestra and entered the realm of light opera composition. Of the forty-odd operettas which this genius produced, few were unsuccessful.

Some of Victor Herbert's most popular and best-loved works are: "The Red Mill," "Mlle. Modette," "Naughty Marietta," "The Only Girl," and "Eileen." In May, 1924, while in the midst of the work he loved so well, this great of modern composers suddenly

# SUSQUEHANNA'S SEVENTY-FIFTH ANNIVERSARY

passed away leaving a host of colorful memories."

The new tunes of the popular variety are coming thick and fast at present. It's getting so one can't tune in a radio program that won't feature a new hit, "played now for the first time on the air." And on the whole, they are generally appealing, clever tunes. I can think of four that I like which are becoming popular on the air at present: "Heaven Only Knows," by the writer of "Bless Your Heart"; "Sweet Madness," from "Murder at the Vanities"; "Did You Ever See a Dream Walking?" a pretty melody with clever lyrics made all the prettier by Guy Lombardo, and "Mine" from the new George Gershwin musical success, "Let 'Em Eat 'Cake."

And, speaking of new, clever melodies, this Susquehanna "Victory Song," which, for some reason, has been kept in the background, strikes me as peppy. It adapts itself nicely to a jazz arrangement, too.

In spite of its similarity to "Spanish Cavalier" and "Home on the Range," this "Good Night Little Girl of My Dreams" is still holding its own with the white while orchestras; and the more I hear it, the more I am inclined to like it.

## Seibert Hall Echoes

Watta week, watta week! with plenty of amusements for everyone—candy for the babies and lollipops for the ladies.

The play Thursday night was quite a success according to Seibert critics and all the actors were well suited to their parts. "Pokey" and "Tom" are veterans of the stage by this time.

No one can say Seibertarians lack school spirit. Why don't you boys learn the "Victory Song" and help us sing it? If students are to be encouraged in song writing, how about practicing their contributions, too? Why not some sportsmanship and cooperation in these efforts? We sing yours; can't you sing ours? Several of us tried it at the game—come on cheer leaders you should know it, too!

An enthusiastic crowd beheld the annual Frosh-Soph tray in a fine exhibition of class spirit. Great interest was shown by the upperclassmen. Luther cheered the teams, while Peg gave the referee her loyal support. Anyhow it was a good game and methinks George Phillips deserves honorable mention, don't you?

The dance and Frosh party have come and gone, "but the memory lingers on!" The Frosh were so enthusi-

## Stars of Omega Delta Sigma Play

Mary Eltringham, who played the part of heroine in "The Youngest," a play which was recently produced by Omega Delta Sigma sorority of which she is a member. She received dramatic training in high school and has continued her interest in the footlights since her arrival at Susquehanna University.

astic they fell all over themselves on the memorable occasion but it wasn't strictly a Frosh party, since several upperclassmen gave the affair an atmosphere of dignity. The Frosh were all tucked in, when the boisterous upperclassmen started "headin' for the last round-up," only to be aroused and kept awake with—who was there—what they wore—whom I danced with—the orchestra—intermission and—

## ALUMNI NOTES

Allen J. Snyder, class of '30, coach of championship soccer teams at Middleburg High School, has become "arm-mind" and is interested in aviation. Miss Priscilla Surface, daughter of Dr. and Mrs. Harvey A. Surface, a graduate of Susquehanna Academy, Penn State and Drexel, was married to Robert E. Gray, of Moorestown, N. J. September 24th. The groom is a district manager for the Wetherell Plant Company, covering parts of Pennsylvania and Maryland. Mrs. Gray is continuing her teaching this year and the newlyweds are residing at Ridley Park.

Miss Mary LaHaza and Miss Estelle Pearl, both graduates of the class of '33, are employed in the Kulpmont Public Schools. The former is Supervisor of Music, and the latter is a teacher in the English Department.

Messrs. Donald Steele, William G. Ahl, and Laird Gemberling, all graduates of '33, are students at the University of Pennsylvania this year. "Don" and "Genny" are attending Law School, while "Bill" is enrolled in the graduate school.

Ernest W. Nichols, '16, has been appointed as district manager for Hanover and adjacent territory of the Mutual Life Insurance Company of New York, under the Baltimore office. "Nick" has been active in the life insurance business as representative for the Equitable Life Insurance Company of Iowa for the past three years.

"No your little boy wasn't really lost?"  
"No. We found him under the Sunday paper."

Lee Rishel, better known on this campus as "Skip," was "the youngest" in a play given under the same name. He is a graduate of Selingrove high school and is the first football captain at Susquehanna to play the leading role in a play. Lee is a senior member of the Bond and Key fraternity and is quite talented in dramatics.

## O. D. S. and B. & K. Lead in the Race For Scholastic Standing

The Registrar's office has recently released the fraternity and sorority averages for the second semester of the school year, 1932-1933.

The Omega Delta Sigma sorority is leading with the excellent average of 2.02, which means that their average is above a "B." It is considered good for an individual to attain an average of this sort, but it is really quite unusual for a group. The sorority girls are especially indebted to Ruth Plummer, a senior, who came out first in her class with a straight 3 average, and to Louise Mehring, a junior, who was second in her class, having an average of 2.79. The group undoubtedly deserves a great amount of credit.

Kappa Delta Phi rates second among the sororities with an average of 1.79. Sigma Sigma Delta and Sigma Alpha Iota follow with averages of 1.70 and 1.67 respectively.

From the fraternity groups, Bond and Key is leading with the commendable average of 1.83. Phi Lambda Theta is second with an average of 1.58. Epsilon Sigma follows with 1.51 and Phi Mu Delta with 1.21 as their average.

Several incompletes are on the record, which may change the averages, but only slightly, by the end of the first semester.

### Sorority Group

O. D. S.	2.02
K. D. P.	1.79
S. S. D.	1.70
S. A. I.	1.67

### Fraternity Group

Bond and Key	1.83
Phi Lambda Theta	1.58
Epsilon Sigma	1.51
Phi Mu Delta	1.21

### The Acid Test

Saleman: "Ladies and gentlemen, I have here the famous flexible comb that will stand any kind of treatment. You can bend it double, you can hit it with a hammer, you can twist it, you can—"  
Interested Listener: "Say, mister, can you comb your hair with it?"

## Seniors Take Hockey Crown Second Time

The girls closed their hockey season last week and crowned the Senior team champion for the second consecutive year. The team, led by Captain Ulrich had their goal line uncrossed and were the leaders on offense as well. Every member of the Senior team was an expert in her position and played together remarkably well, for the other teams were powerless against them. Their forward line was very well balanced with every one a real scoring threat. The halfbacks continually kept the ball with their forward line and rendered invaluable service on defense. The fullbacks and goals completed one of the finest teams in Susquehanna history.

The other teams were well matched. The Juniors were led by Mary Ann Cressman and played good hockey, but not quite good enough to beat the Seniors. They were also tied by the Freshman team. They will make a real bid for next year's championship and will provide plenty of competition for the rest.

The Sophomores were captained by Kitty Webber and played fine hockey after their first two games. They had a fast team and gave the other a fight before losing their chance for the crown.

The Freshmen proved to be a surprise to everyone. None of them had any previous experience but what they lacked in knowledge of the game, they made up in spirit. They were able to tie the Juniors 0-0; score on the Sophomores, and hold the Seniors to a 3-0 score. The score was made by Mary Brines and was the first time that a Freshman team had ever scored. The forward line was fast and showed considerable promise. The team was led by Peg Carson this season. They are expected to develop into one of the best ever to play at S. U., so as to furnish a real championship threat next year.

## Fraternity Quintets Confident of Victory

This year a marked interest is being shown in fraternity basketball, as each team expects to come out on top. The managers of the various teams report that a tight race for the championship is very evident. It is probable that either Bond and Key or Phi Mu Delta will grab first honors, but the Non-Fraternity team is also presenting a formidable line-up. Persons who are interested in acting as referees for these games are urged to report to Paul Conahan or Professor Luther D. Grossman.

Following is the corrected schedule for this year:

November 27—  
6:30 Bond and Key vs. Phi Mu Delta  
7:40 Non-Frat vs. Epsilon Sigma  
November 28—  
6:30 Phi Lambda Theta vs. Phi Mu Delta  
7:40 Bond and Key vs. Non-Frat  
December 1—  
6:30 Epsilon Sigma vs. Phi Lambda Theta  
7:40 Phi Mu Delta vs. Non-Frat  
December 2—  
2:30 Phi Lambda Theta vs. Bond and Key  
3:40 Epsilon Sigma vs. Phi Mu Delta  
December 4—  
6:30 Phi Lambda Theta vs. Non-Frat  
6:30 Epsilon Sigma vs. Bond & Key

## S. U. Ends First Series of Radio Broadcasts

Susquehanna University terminated a series of seven weekly broadcasts over WKOK on last Wednesday evening. Each program consisted of a five-minute talk by a faculty member augmented by musical selections furnished by the various musical organizations of the University.

Last week President G. Morris Smith spoke upon the Founder's Day topic, "Seventy-five Years of Educational Endeavor." The string section of the symphony orchestra provided the music.

Waltz ..... Steck  
Adoration ..... Borowski  
Humoresque ..... Dvorak  
Susquehanna U. .... Allison  
A quartet of mixed voices assisted in the presentation. These broadcasts will be continued at a later date.

## Four Seniors Conclude Football Life at S. U.

Another football season is over. With the passing of this major sport for 1933, four men on the varsity squad have played their last game of college football.

"Skip" Rishel, veteran ball carrier and valiant captain of this year's eleven, will leave a gap in Coach Ullery's backfield that will be hard to fill. Although Captain Rishel only played several minutes in Saturday's game, his presence was felt on the field at all times. With his sense of fair play and his courage in leading the eleven he has been a mainstay on the Crusader eleven.

"Rich" Fisher, varsity center, has also packed his football togs for the remainder of his college career. At the center position he was unrivaled and could have found a berth on almost any college eleven. When it comes to backing up the line, "Rich" fills all expectations.

Another member of the varsity that gave his best on the field for the Orange and Maroon was Jerald Schlegel. He did some fine work at end in figuring in many tackles and blocked punts. "Jerry," despite the fact that he has received many injuries on the gridiron, always fought hard and well.

When it comes to stamina, "Red" Gray, substitute end, is unsurpassed. Although weighing only 144 pounds and therefore light for the end position, "Red" stuck out there for four years because he loved the game and all that football stands for.

Checking Up  
Judge: "Have you ever been up before me?"  
Culprit: "I don't know, Judge: what time do you get up?"

## SKIPPY

Hoopla:

Have things been happening this week? Did the Freshmen enjoy themselves? As everybody knows by now, the Frosh beat the Sophs in football. To celebrate this momentous event all regulations were removed from Friday afternoon till Monday morning. Three cheers for the Frosh.

Saturday old S. U. humbly bowed to a mighty fighting team. However, no other team could show as much fight and spirit as the Crusaders did. Coach Ullery deserves much credit for turning out such a splendid team. The rendition of the "Victory Song" by a group of girls in the stands was greeted with much enthusiasm by everyone. Mr. Hawk, the composer, is to be congratulated. It is a catchy and peppy tune. The only regret is that the football season is ended making it impossible to use it at any more football games this year. However, it will no doubt be very popular next year.

A few funny things happened last week. Among them was this: In Personal Hygiene—Prof. Grossman: Aumiller, what does the inside of a coruscule look like?—Aumiller: I don't know. I was never inside of one. Well as there weren't any fires or accidents and no more news. I'll be saying, So Long until next week.

## Four Sororities in First Joint Dance

Students and guests of Susquehanna University enjoyed the first Inter-Sorority dance of the year, which took place last Saturday night. The dance was held in the Alumni Gymnasium, where Ivan Faux and his band furnished the music.

The gymnasium was arranged very tastefully with the furniture and banners of the various sororities. The sororities represented were Omega Delta Sigma, Sigma Alpha Iota, Kappa Delta Phi and Sigma Sigma Delta. This was the first Inter-Sorority dance at which this last named sorority was represented.

Patrons and Patronesses who attended the dance were Mrs. G. Morris Smith, Coach and Mrs. William Ulrey, Dr. and Mrs. Edward Phillips, Miss Thelma Armogast, Dr. and Mrs. Frederick Stevens, and Mr. and Mrs. George Seidel.

## Frosh Score 13-0 Win In Annual Battle

Susquehanna sports tradition was doubly smashed last Friday when a determined Freshman team, led by a powerful forward wall, decisively defeated an equally determined but less able and fortunate Sophomore squad, by the score of 13-0. For the first time in history a Sophomore team lost the annual contest, also for the first time in history varsity men were allowed to play in a class game. The Freshman line was much strengthened by the addition of Barni at tackle and Chervanik at guard. Barni had played six quarters of varsity football and Chervanik had played eight.

The failure of the Sophomore attack can be attributed mainly to the strength of the center of the Freshman line, for time after time the Frosh line broke through and threw the Sophomore backs for big losses. The Sophomore passing attack was also broken up in the second half. In the first half the Sophs completed half of their passes, but in the second half they completed only two out of a large number of attempts. The Sophs completed four passes to the Frosh three.

The Frosh attack centered about Spitzner, who was responsible for both touchdowns and the extra point scored. The first score was made in the first quarter, on a sustained march from midfield with Spitzner doing most of the ball carrying. The Sophs stopped the attack on the twenty yard line, but on the next play Riccardo fumbled. The Freshmen recovering on the 10 yard line. On three plays the Freshmen scored, Spitzner making the last two yards through the line. Spitzner made the extra point on a buck. The next score was made in the last quarter, Spitzner again scoring after a pass. Fredericks to Tinurelli, put the ball in scoring position. Mengel's attempted drop kick for the extra point went wide.

One bright spot on the Soph defense was the punting of Hess who averaged better than forty yards to the punt. Pritchard and Nageli also played good ball on the defensive. On the Frosh defense E. Hess and Chervanik starred. On the offense Fredericks and Phillips played good games for their respective teams.

The game was marked by numerous penalties, the Frosh receiving the majority of them. The officials were all S. U. alumni, the referee was John Houtz, '08, umpire, Harold Follmer, '15, and head linesman, George Maser, '31.

Lineup:  
Sophs Frosh  
Nageli ..... L. E. ..... Muller

## AMUSEMENTS

"Song of Songs," featuring Marlene Dietrich, will be at the Stanley on Wednesday night. You cannot afford to miss this wonderful picture which is considered a new era in the movie colony.

On Thursday the Stanley presents "Moonlight and Pretzels," which was such a Broadway hit recently. This is undoubtedly the headline of the week. The Stanley will run a special holiday matinee for the convenience of the students. This Thanksgiving special will be run at the usual prices and the doors will be open at 2:00.

## With Our Advertisers

Editor's Note: It is the policy of this paper to feature each week one of its advertisers. This article is the fourth one of the series.

On December 8, Mr. Steffen will celebrate his twentieth year of serving the public and students of Selinggrove. Just twenty years ago he opened a retail grocery store at his present stand of business.

It has been his policy to always give his customers the highest quality merchandise at the most reasonable prices possible. As time went on there was added a complete assortment of stationery and gifts to his established line of groceries.

Mr. Steffen has always taken an active interest in all college activities. He cheerfully gives his whole-hearted support to various publications and functions of Susquehanna University.

You will find there a very complete assortment of greeting cards and gifts on display. Now is the opportune time to go in and make your selections. In addition you will find there a most up-to-date lending library of the latest fiction, all kinds of magazines and school supplies.

Mr. Steffen has well appreciated the past patronage; the people have afforded him and he is to serve his customers in the same efficient way for time to come.

## ALUMNI GYMNASIUM RAZED BY FIRE

### Seibertarians View Fire from Dormitory

Castle of the Maidens is Scene of Much Excitement as Fair Sirens Hear Fire Sirens

Shortly after midnight, on Wednesday evening, those Seibertarians, who had not yet retired for the night, were aroused from their various occupations by the excited and exciting loud ring of the telephone, followed shortly by the piercing scream of the fire siren. They listened and counted. The fire was local. Instantly heads flocked to the windows. One girl in the front of the building thrust her head out of the window, looked around, and exclaimed: "Where's the fire?" Another girl looked out of the same window and saw. "The Gym's on fire." Like the fire itself, the news spread so more and more girls were awakened by the cries of "Wake up. The gym's on fire."

Many girls, awakened from sleep, refused to believe it was true, greeting their wakers with, "Aw, let me sleep. You're kidding me." One girl, who earlier in the evening had remarked that she often wondered what her reactions would be in case of a fire, had her curiosity satisfied by friends, who woke her with cries of "Fire." She sleepily grabbed a coat and started to run from the room, when she was told it was the "gym" and not the dormitory. Another girl, awakened with the news that Seibert was on fire, got up from bed, and insisted on combing her hair and buttoning her coat before she would leave her room. Two girls acted as though fire was the everyday occurrence in their young lives. One went on calmly typing a French report throughout all the excitement. The other, interrupted while writing a letter, with a bracketed "Time out, while I see a fire" glanced at the fire a moment and went back to her letter. Others, who had written letters earlier in the evening, steamed open sealed envelopes to add hurried postscripts. "The gym burned down."

Meanwhile the windows of all the rooms in the front of the building were crammed with excited faces. Eager co-ed donned coats over their pajamas, and slid across the icy porch roof to watch from the balcony. Other watchers flocked to the front porches, where clanked curtains the next morning witnessed their eagerness to see the fire. The more daring, who desired to see the fire at closer quarters were met at the door to the well-lighted porch by our redoubtable council president. Women would be of no use at the fire. Therefore no one was to leave the building. And one did, despite the fact that one Freshman offered to give up all her privileges for the year if she would be allowed out just that one night. One resourceful girl got out her camera and began to take pictures from all three lookout points.

As watchers grew weary of watching, one by one they retired to their own rooms to join those very few, who had been so worn out by Christmas vacation or work since they came back, that not even fire alarms, telephones, or an alarm dormitory could arouse them from their slumbers, who didn't know there was a fire till breakfast time.

### Ladies Enjoy Program At Auxiliary Meeting

The Ladies Auxiliary held their regular meeting Saturday afternoon, January 6, in Seibert Hall. Mrs. Dallas Bach had charge of the program, which included several recitations. A talk, "Women in Aviation," by Jack Spade, and several numbers by a trio from radio station WKOK in Sunbury. Mrs. Frank A. Eyer had charge of the social committee and the refreshments.

About fifty women were present, including three new members. A plan to install a laundry room in the dressing room in the basement of Seibert Hall was approved. Other plans to redecorate the various other rooms of Seibert were discussed.

The bigger the fish the more easily it gets away.

### Guest Speakers Appear In Chapel Wednesdays

Susquehanna University undertakes a departure in its morning chapel programs this year with guest speakers each Wednesday. Various outside speakers have already been invited to give ten-minute addresses. Next Wednesday, Rev. A. W. Smith from the Lutheran Church at Berwick, will address the student body. Reverend Smith is an alumnus of Susquehanna, receiving his A. B. in 1914 and his B. D. in 1930.

### S. U. Introduced to Personnel Officer

Mr. Yorty, New Personnel Officer of University, Presented to Students by Dr. Smith

President G. Morris Smith at a recent chapel service formally introduced to the students and faculty of Susquehanna University Mr. E. T. Yorty, new personnel officer and field representative of the college.

Mr. Yorty comes to Susquehanna from New York State, where for the last several years he has been connected with the Pierce Arrow Sales Corporation at Buffalo. During his business career he has occupied positions of importance in sales promotion in Pennsylvania and New York.

He is a native of Pennsylvania, having lived at one time in Lebanon. While living in Buffalo he was actively interested in the Lutheran Church of the Redeemer and served as superintendent of its Sunday school for eight years.

Mr. Yorty has been interested in Susquehanna University for some time prior to his coming here. He believes in a "widening future for her if all parts of the college cooperate to further the institution." The nature of his work will be personal visitation with prospective students, parents, pastors and principals of schools. Mr. Yorty, his wife and daughter are occupying one of the campus homes on Susquehanna Heights.

Through the office of Mr. Yorty Susquehanna has taken a forward step toward better acquainting the high school graduate with the fine opportunities which this university has to offer.

### Pirates Feature at S. A. I. Rush Party

Five Freshmen Girls Entertained by Members of Music Group in Novel Manner

Active members of Sigma Alpha Iota entertained five Freshman girls at the annual pirate rush party on Friday, January 5, at the Conservatory.

The good ship "S. A. I." left port at 7:30 p. m. with the freshmen on board. After struggling through the mazes of the ship's hatchways, hold, and rigging, they finally landed in the main cabin for refreshments. Later in the evening, the pirate crew and guests danced to the music of the ship's radio. At 10:30 p. m., the five fresh were thrown overboard and had to swim for their lives. It is believed that they landed in the vicinity of Seibert Hall.

The freshman girls present were Misses Mollie Fox, Jean Hoffer, Dorothy Hoffman, Kitty Deisher, and Frances Foller. Miss Edna Borgwald, a member of another pirate crew, was also present.

### University Band Plans Trip to Middleburg

On Wednesday evening, January 10, the University Band will go on a trip to Middleburg, where they will present a one hour program under the direction of Mr. Elrose L. Allison in the Lutheran Church. The program will be under the auspices of the Young People's Division of that church.

A variety of vocal and instrumental selections will compose the program. Twenty-eight men will make the trip.

### Crusader Courtmen Crush E-town Five

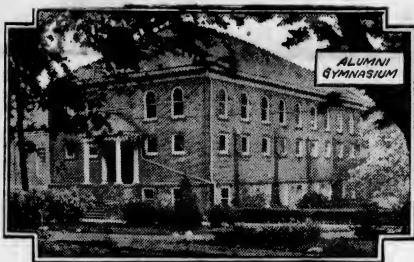

Susquehanna Quintet Even's Up Four Game Schedule With Win at Elizabethtown

With a victory over the Elizabethtown five on Saturday evening, the Crusader courtmen managed to even up their four game schedule. The Ullery-coached five took the first and last game in the Alumni Gymnasium by defeating the Alumni 60 to 21, in a one-sided contest. In the second game of the season, a very weak Bucknell Bison managed to scrape a victory from the Crusaders by a 31-25 margin. The Penn State Lions outplayed, but did not outfight the Crusaders on Thursday night by a 47-22 margin. Saturday night's game again brought the Crusaders back to top notch form to trim the Elizabethtown Bonnets in a one-sided contest, 48-19.

This victory may mark the final game of the season and the Crusader courtmen can be proud of the fine showing they made in the few games they played. Following is a summary of the four game schedule:

**Elizabethtown vs. Susquehanna**  
Coach Ullery's basketweavers showed their best form of the season by defeating the strong Elizabethtown five (Concluded on Page 3)

### Alumni Gymnasium Before Fire

Alumni Gymnasium as it stood before the disastrous fire of January 3. This structure was built in the year 1902 by subscriptions and pledges from Susquehanna University Alumni.

### Basement of Gym Used For Physical Classes

Professor Grossman met his gym classes as usual yesterday and today in the basement of the Alumni Gymnasium. The basement suffered little compared to other parts of the building.

The loss of the gymnasium handicaps the physical education program of the University to a large extent, but it has been planned to overcome the difficulties by adapting the classes to the conditions that now exist.

The gym classes can still play table tennis, play golf when the weather is not too bad, go hiking, and play handball since the court was not harmed by the fire. The boys will also use the girls' gymnasium.

### POPULAR MEMBER OF FRESHMAN CLASS PATIENT IN SUNBURY HOSPITAL

Miss Mary Beth Richards, a popular member of the Freshman class, is a surgical patient in the Mary M. Packer Hospital, Sunbury, as the result of an appendicitis attack on Friday. The physician reports that she is doing very nicely. Lots of luck, Beth!

### Fraternity Men Lead College Scholarship

Scholarship ratings of fraternity men at Susquehanna show a higher average than those of non-fraternity, according to a survey just released by the National Interfraternity Conference, an organization of sixty-nine leading fraternities in the United States.

Not only does the scholastic average of the fraternity man rank higher than the non-fraternity in a majority of the (Concluded on Page 2)

### MIDNIGHT BLAZE DESTROYS GYMNASIUM ERECTED THIRTY YEARS AGO BY ALUMNI

### Students, Faculty and Borough Firemen Fight Heroically to Quell Mounting Flames; Loss Reaches Approximately \$30,000

Charred and blackened walls stand in mute tribute of the fire-razed Alumni Gymnasium, following a midnight fire on Wednesday night, January 4, and marks a loss of approximately \$30,000. Hard-working borough firemen and university students battled the conflagration for more than two hours and succeeded in saving valuable records and preserving the outside structure of the building, which received very little damage. This work also protected the University Library and Hassinger Hall, both of which stand close to the doomed structure.

The first fire call was made from Hassinger Hall at 11:45 p. m. when three night-hawking students discovered the blaze. By the time the Dauntless Hook and Ladder Company made its appearance the dormitory men had an emergency hose from the second floor of the dormitory, playing on the rapidly increasing blaze. The local firemen had, by midnight, approximately eighty men on the scene and immediately began operations to halt the spread of the flames. By a combination of the two borough pumpers the fireman made use of every possible water outlet, driving the fire to the corners of the building and protecting the gymnasium office.

It is believed that the fire originated in the boiler room, but a definite reason is unknown. Soon the entire interior of the structure was ablaze, mounting along the indoor track to the roof. The padding of the track afforded the flames plenty of inflammable material and sent the sparks to the ceiling and roof, which was easily ignited.

Regardless of the efforts of the firemen, students, and four streams of water the main floor of the gymnasium was gutted, the roof was bared and the four walls became blackened and tottering. The underground floor suffered the least of all. The main locker room is fairly well preserved, the varsity basketball lockers on the upper tier were destroyed by the fire, but the lower sections of the lockers remain intact, except for water damage.

The Gymnasium office was well protected from the fire and suffered only water damage. Professor L. D. Grossman, Physical Education Director, says: "The gymnasium records are practically intact; current desk records can easily be replaced and the valuable records were kept safe from fire and water by the fireproof safe." The trophies and intra-mural sports equipment were preserved by the quick action of thoughtful students and fire ladders. A temporary lighting system is being installed in the gymnasium office and it will be used as a temporary office.

"Pictures are the greatest sentimental loss," said Professor Grossman, "but all of them can possibly be replaced. The more recent photographs of teams are in our possession, and the reproductions of the older and more prized pictures can be replaced by the Schindler Studios of Sunbury."

### S. U. Professors at Holiday Meetings

Christmas Vacation Provides Opportunity for Professors to Attend Conferences

A number of Susquehanna's professors attended important conferences during the Christmas vacation period. Among the professors in attendance at conventions were Dr. William A. Russ, Jr., Dr. Charles Reese, Mr. Wood, Mr. Reitz, Miss Thelma Armogast, and Dean George F. Dunkelberger.

Dr. Russ attended the sessions of the conference of the American Historical Society which were held in Urbana, Illinois.

Dr. Reese attended the convention of the American Economic Association, which held its meeting in conjunction with twelve other learned societies in the city of Philadelphia. He also acted as a representative of the university at the national convention of the Pi Gamma Mu fraternity in Philadelphia. Miss Edith Frankfield was the student representative of the college at this gathering.

Dr. Dunkelberger and Mr. Reitz attended the meetings of the Pennsylvania State Educators Association in Philadelphia which met on Dec. 27-29.

Miss Thelma Armogast was present at the sessions of the convention of the National Commercial Teachers Federation, which met in Cincinnati, Ohio, on Dec. 27-29.

Mr. Wood, in company with a number of other professors of colleges in the East, traveled to South American and Central American countries.

diately began operations to halt the spread of the flames. By a combination of the two borough pumpers the fireman made use of every possible water outlet, driving the fire to the corners of the building and protecting the gymnasium office.

It is believed that the fire originated in the boiler room, but a definite reason is unknown. Soon the entire interior of the structure was ablaze, mounting along the indoor track to the roof. The padding of the track afforded the flames plenty of inflammable material and sent the sparks to the ceiling and roof, which was easily ignited.

Regardless of the efforts of the firemen, students, and four streams of water the main floor of the gymnasium was gutted, the roof was bared and the four walls became blackened and tottering. The underground floor suffered the least of all. The main locker room is fairly well preserved, the varsity basketball lockers on the upper tier were destroyed by the fire, but the lower sections of the lockers remain intact, except for water damage.

The Gymnasium office was well protected from the fire and suffered only water damage. Professor L. D. Grossman, Physical Education Director, says: "The gymnasium records are practically intact; current desk records can easily be replaced and the valuable records were kept safe from fire and water by the fireproof safe." The trophies and intra-mural sports equipment were preserved by the quick action of thoughtful students and fire ladders. A temporary lighting system is being installed in the gymnasium office and it will be used as a temporary office.

"Pictures are the greatest sentimental loss," said Professor Grossman, "but all of them can possibly be replaced. The more recent photographs of teams are in our possession, and the reproductions of the older and more prized pictures can be replaced by the Schindler Studios of Sunbury."

### Pan-Hellenic Group Holds First Meeting

O. D. S. Room Scene for First Joint Conference of Inter-Sorority and Inter-Fraternity Groups

On Tuesday, December 19, 1933, the Inter-sorority Council and Inter-fraternity Council held a joint meeting in the Omega Delta Sigma sorority room under the direction of Mr. D. Edgar Hutchison, president of the Inter-fraternity Council, and Miss Reese, president of the Inter-sorority Council.

At this meeting plans were discussed for a series of informal meetings for the next semester. It was also suggested that the two councils have joint meetings the second semester and at some time have an informal dinner at one of the fraternity houses. A committee composed of the officers of both councils was appointed to arrange for all informal affairs on the campus.

This is the first year that there have been joint meetings of the two councils and it is hoped that it will pave the way for better cooperation and a better social feeling between them.

At this meeting plans were discussed for a series of informal meetings for the next semester. It was also suggested that the two councils have joint meetings the second semester and at some time have an informal dinner at one of the fraternity houses. A committee composed of the officers of both councils was appointed to arrange for all informal affairs on the campus.

## Burned Out!!

Small, huddled, shivering groups, stormed by waves of emotion and showered by feelings of heat and cold, watched the frantic efforts of firemen and students to save the contents and structure of what was once the Alumni Gymnasium. It was a night pervaded with dampness and chill, not a moon or a star competed with the glaring flames which surely gutted the building, regardless of the futile efforts of man and man-made appliances.

For two hours life stood still and the entire conglomerate group paused in recognition of something, but they knew not what. They panted and struggled with something that had come out of the night, quietly and hauntingly, and then just as suddenly and with less notice it passed away.

That night was night-marish, but it knitted together something in college unity which, perhaps, had never existed before. Professors, directors of the administration, townspeople, and students stood pondering on the same questions; problems that have never before faced SUSQUEHANNA to the present day.

Is the misfortune which has struck us out of the night, truly a misfortune? Will this feeling of distress be marked by a corresponding joy? Will something in this peculiar hour bring about newer and better conditions? Will this burned out structure rise to a new and better equipped buildings? These were the material problems that faced the entire group of segregated groups. To the administration the fire meant the curling up of tradition in the smoke, the abandonment of an investment of years of progress, and the destruction of the hopes for a successful physical education program for the rest of the school year.

To the townspeople the conflagration meant the relinquishment of many privileges and opportunities which the gymnasium offered to them.

The students have keenly felt the loss of such a necessity to their well-being. It meant to them the absence of a place to hold varsity sports, a place to engage in intra-mural activities, a place to build health, and a place for a number of social activities. All of these things combined with the hope that something new and better will replace that which was destroyed makes up the combination of emotions which assailed this conglomerate groups.

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

I think the past two weeks of vacation save each of us a chance to become, perhaps, more conscious than usual of music. I know that so it was with me. Probably the greatest musical treat that came to me during that time was the hearing of the delightful, fanciful, and beautiful opera, "Mignon," as broadcast in its entirety on Saturday, December 30th, direct from the stage of the Metropolitan in New York. With one awe-inspiring cast including Lily Pons, Luchezia Boni, Gladys Swarthout, and Tito Schipa, combined with the almost-perfect work of the National Broadcasting Company, this air-presentation was made one of the wonderful achievements of broadcasting. Lucky Strike, sponsor of the broadcast, certainly deserves the highest of praise for such a magnificent contribution to the music-loving radio audience. My radio being what it is, I missed last Saturday's broadcast of Wagner's superb "Tristan and Isolde."

Another decided musical delight which I enjoyed immensely was the hearing of the whole of Dvorak's "New World Symphony." It's grand music, every bit of it!

And now for the popular ditties which were further popularized during the vacation: The one which seemed

to stick to me most was this "Everytime I have Is Yours." Don't know why. Second in "sticking" power was the mournful "No More Love."

The over-popular warning of "You're Gonna Lose Your Gal" doesn't appeal particularly to me; maybe because it's too repetitious.

"Got the Jitters" is a new, fast, crazy weird tune which is beginning to lay hold of some of the less conservative of the dance groups. Another heated rhythm tune is the rhumbaish "Heat Wave" part of the lyrics of which one station has censured.

A very pleasing synchronized lover's lament is the melody called "Snowflakes." And when Helen Morgan sings it, it becomes doubly likable.

It seems that "Smoke Gets In Your Eyes" is the prevailing musical sentiment among the tune-addicts. Its melody and lyrics hit me just about right too. It is a tune people are talking about.

## Seibert Hall Echoes

Back from vacation and everyone eager to sit in basketball season, some of us a little tired from a strenuous vacation, but all chattering and giggling as fast and as much as before. But strange to say, it took little urging to get up when—"MERCIFUL HEAVENS!" And the Gym was really on fire. Some very sleepy Seibertians and then some who hadn't started to

retire watched and wished to go. Several brave souls even attempted to escape, but they were stopped and returned disappointed.

Latest reports from all patients are very good. The annual appendicitis operation has been performed, and now we look forward to a healthy New Year. Best wishes, Beth, we hope you're soon back with us.

The Library is increasing in popularity with the approach of exams. Term papers and book reports are calling for more than N.R.A. hours! Even the proctors have to work overtime.

The mice seemed to lose interest over vacation, but don't misunderstand; we're not complaining, just hoping the Pied Piper loses his flute, too.

## With Our Advertisers

Editor's Note: It is the policy of this paper to feature each week one of its advertisers. This article is the sixth one of the present series. This week we feature the advertisements of the Strand Theatre in Sunbury and the Stanley in Selingsgrove.

The writer ventures to say that out of all the advertisements in the Susquehanna the two theatre ads are the most widely read. Every week both the Stanley, Selingsgrove, and the Strand, Sunbury, insert the week's program for our readers.

Both of these theatres offer the very best in films and are pleasant diversion for the student in occupying his spare time. Often one will hear the familiar question, "What is the show tonight?" and often the reply is, "I don't know, but get a Susquehanna, and we will find out."

The Strand in Sunbury is one of the very best theatres in central Pennsylvania and the photoplays shown there are most always presented before they are released in any of the larger cities. The show we see at the Strand are later shown in Philadelphia and New York at top prices and we should consider ourselves very lucky to be able to see these shows at the Strand's low prices.

The writer also wishes to compliment the manager of our own Stanley Theatre here in Selingsgrove for the fine photoplays he features and the fact that this house is open daily. How many towns in the State of Selingsgrove have a theatre that is open every day in the week? We would say, not many, and those that do not have the same fine photoplays that we do.

We think the students should also appreciate the fact that the manager of the Stanley changes his program five times a week which is done almost solely for the benefit of the college students. A student often wants to go to the movies more than once a week and often this is impossible because of the same show but not here in Selingsgrove because we have five changes of program weekly.

Now in closing, I think we should compliment the managers of the two theatres also on the fine courteous treatment we receive in these playhouses and the quality of the short-subject which both theatres feature. So for a pleasant evening's diversion, either the Stanley or the Strand.

## CHATTER

As the great catastrophe has been well recorded on the front page, it is needless to say anything more about it in this column. Just a remark, however, the saying "Grab your buckets, boys!" will go down in the history of Susquehanna along with Maimon's "Take to the air!" and other such remarks.

Snow-balling has become the outdoor sport of the moment, much to the disgust of a few Seibertians.

Wanted: A bunch of junk that has recently been stolen from one of our fair-haired Juniors.

Rumor has it that a war is going to be waged in Hassinger. Ammunition has already been procured, but it has been used as a substitute for golf balls.

It has recently been reported that Phi Mu Delta has developed some adept second-story men.

Someone has said that the gym class will be given in the basement of Seibert Hall. A few of the students that have regulars up there began singing, "There's No Place Like Home."

Several of our boys were puzzled at the ending of "Tarzan, the Fearless" at the local cinema last week. Speaking of shows, never forget the words of Horace Greely.

The radio has been returned to Hassinger's second room, much to the delight of the "men about town" and the disgust of the "students."

Definition of a Scotchman—A student demanding a refund from his athletic fee because the game with Elizabethtown was not played here on Saturday night.

According to the weekly report of Fred Reichley, the jig-saw puzzle craze is coming back.

If you wish  
A sore back,  
Just wheel your friends  
Around the track.  
Come up and see me sometime.  
PUCK II.

## AMUSEMENTS

"Night Flight," starring Helen Hayes and Clark Gable, with a supporting cast of Myrna Loy and many others, will be the attraction at the Stanley on Wednesday evening. You can be assured of an evening's entertainment which will thrill the love instinct in the women and the adventurous blood of the men folks. This M. G. M. production is the newest thriller in the air.

Bette Davis in "The Bureau of Missing Persons," has a definite appeal to those interested in the workings of the secret investigators of crime in the United States. First National has succeeded in reproducing the thrills of the haunted men in one single picture. Be prepared for a real entertainment if you see "Bureau of Missing Persons."

An old film favorite returns to the screen in "Secrets," a new United Artists picture. Mary Pickford has chosen Leslie Howard to star with her in her real "comeback" production. The kind of a drama that really touches the heart strings. Look for her on Friday night!

First Division presents Bob Steele in "Breed of the Border," at the Stanley on Saturday, both afternoon and evening performances. He is presenting a western racing film, right up-to-the-minute in style and action.

A new actor makes his bow to the Stanley on Monday evening when M. G. M. presents Max Baer in "The Prizefighter and the Lady." This is practically a new picture and worthy of note because of the appearance of a new screen personality.

## Examination Schedule

First Semester 1933-34	
Monday, January 29 8:00 o'clock	
Math. Seminar	St. 1

## FRATERNITY MEN LEAD COLLEGE SCHOLARSHIP

(Continued from Page 1)  
156 colleges studied, but the rating is higher than the all-men's average. This includes both unaffiliated and Greek-letter students. The group averaged of 59 per cent of the fraternities exceeds the all-men's average on respective campuses.

The total undergraduate enrollment of the institutions in the report numbers approximately 250,000, of whom nearly 70,000 are members of the 2104 chapter groups of the Greek-letter organizations in the Interfraternity Conference.

Outstanding among the facts revealed by the 1933 survey is that all-men's averages have risen in 79 per cent of the institutions of the country, denoting an increasing amount of attention to academic objectives on the part of undergraduate men.

The best performances of the year were made at the universities of Wisconsin, Michigan, Penn State, Syracuse, Alabama, and Mississippi. The group marked scholastic improvement, according to geographic sections, was made by the Southern group. Second in improvement was the Pacific Coast section.

According to the report, the younger fraternities still outstrip the older scholastically. The most steady improvement is found among larger national groups and is attributed to the more extensive programs carried on by these organizations. No internal evidence of the study is found substantiating the belief that disciplinary control has aided in solution of the scholarship problem.

Scholastic first places in the 156 institutions reporting this are distributed among 52 members of the Interfraternity Conference, the widest distribution ever obtained. Greater interest in scholarship and the steady improvement in the past five years are removing much of the grounds for criticism directed toward fraternities and fraternity systems, the scholarship committee believes.

**Missed Fire**  
It was his first great speech, and he wanted it to be a success. His oration was long and passionate, and he wished to end it with a warning. He could have been members of the Interfraternity Conference, the widest distribution ever obtained. Greater interest in scholarship and the steady improvement in the past five years are removing much of the grounds for criticism directed toward fraternities and fraternity systems, the scholarship committee believes.

**All Is Vanity**  
"The wind bloweth where it listeth," quoted the head of the house one evening, apropos of nothing in particular.

"C," his discerning daughter returned, "that's what makes the weather vain."

## Annual Inter-Sorority Dance on January 20

The Inter-sorority rush dance will be held on January 20, in the Horton dining room. This is an annual affair prior to pledging. Every new girl is invited. Approximately eighty couples are expected. Due to the destruction of the gymnasium the dining room will be attractively decorated and thus serve as an appropriate place for the dance. The committee has not yet announced the orchestra for the affair.

## PRE-THEOLOGES HOLD FIRST SESSION IN THE NEW YEAR

On Thursday evening, January 4, the Pre-Theological Club held its first meeting of the new year. President Ernest Huston opened the meeting by reading the fourth chapter of first "Timothy," which was followed by sentence prayers led by James Suter. After a short business session, there was a round-table discussion led by Dr. Ahl. In this discussion there were a large number of interesting points brought out which proved helpful to all in attendance. The session was brought to a close with a prayer by Dr. Ahl.

## Elephants Never Forget

Dr. Walter Adams, astronomer of Mount Wilson Observatory, speaking of the attitude of some war debtors, told a story of gratitude:

"A hunter in the jungle came across an elephant limping. He examined its feet, and in one there was a large thorn. This he removed.

"Years passed and the hunter was in a cheap seat at a circus. A turn was given by a group of performing elephants. One of these elephants reached in its trunk, extricated its waist, and lifted him from his cheap seat and set him down in a seat in a private box."

**Apparent Not**  
Moths, observes a London entomologist, are among the least aggressive and assertive of insects. A casual view of the trousers of the old evening suit convinces us, also, that they are not averse to taking a back seat.

## CRUSADER COURTMENT CRUSH E-TOWN FIVE

(Continued from Page 1)  
on Saturday, 48 to 19, at that place. The Crusaders led the attack throughout the game and were not threatened at any time. Led by Roach, Wasilewski, Hess, and Spitzner on the offense, they could not be stopped. Roach was high scorer, collecting thirteen points. Spitzner, Hess, and Wasilewski were each credited with seven points. Fredericks, Naegeli, and Eisenhower also played a good game.

Coach Ulery was very much pleased with the team's fine showing, and it is to be regretted that no more games can be played this year. However, negotiations are pending to play Delaware on this Friday night.

Summary:

Elizabethtown	Pd. G.	Fl. G.	Pts.

## Penn State vs. Susquehanna

On Thursday evening, Jan. 4, Susquehanna's court Crusaders lost their second contest to the Penn State terrors by the score of 47 to 22. The game was played on the State College court and was the first of the current season for the Lions. Susquehanna's defense was rather weak, and the Lions, who forged ahead early in the game, had little difficulty in holding and increasing their lead as the game progressed.

Owing to the fire which on Wednesday night destroyed their Gym and most of the basketball equipment, the Crusaders were forced to play in uniforms, green ones at that, which they borrowed from the Penn State Freshman Squad. Perhaps the green uniforms brought on an inferiority complex which might have had something to do with the results of the game.

Wittum, State forward, led in the scoring with ten points, while McFarlane, State captain, had eight. Captain Jerry Schlegel, playing a guard position, was high scorer for the Crusaders with five points. Naegeli and Wasilewski each scored four. The game was slow and dragged at times because of poor ball handling, with Penn State being the chief offender.

During the intermission at the half Coach Ulery, of Susquehanna, was presented to the fans as an Alumnus and former athlete of State College.

Summary:

## Susquehanna vs. Bucknell

Susquehanna's court Crusaders were defeated 31 to 25 by a Bucknell quintet in the Crusaders' first intercollegiate game of the season in the Lewisburg High School on December 18.

Bucknell opened up strong in the beginning of the game, and maintained a lead throughout the fray. The score at half time was 19 to 10, and the Crusaders came within an ace of tying the score in a brilliant third period of offense. However, Bucknell secured a defensive combination to combat the Ulerymen's attack, and pulled into a safe lead before the game ended.

Davis, the Bisons' center, led his teammates in their victorious conquest, ably assisted by Sitarisky, a two hundred pound flash who played a guard position. For Susquehanna, Captain Schlegel and Hess, both guards, were tied in the number of points scored.

Summary:

Bucknell	Pd. G.	Fl. G.	Pts.

## Alumni vs. Susquehanna

The Alumni quintet of Susquehanna University were defeated by Coach Ulery's five to the score of 60 to 21 in the Alumni gymnasium on December 15th. Only five of the Alumni participated in the tilt, and a team recruited from the varsity squad relieved the harassed Alumni in alternate quarters.

The Alumni forwards were Skipper Glenn, now coaching at State College, and Bruce Worthington, of Yonkers, N. Y.; center, Bob Wolfe, of Sunbury; and guards, Johnny Auten, of Sunbury, and George Moser, of Selingrove.

## Basketball Season May End Friday

Entire Schedule Will Probably be Cancelled Unless Suitable Practice Place Is Found

Susquehanna's quietest awaits further orders concerning the remainder of the 1934 basketball schedule. Because of the destruction of the gymnasium it has become necessary for the Athletic Board to decipher some means of continuing the home games or cancelling the entire schedule.

Professor L. D. Grossman announced that "unless some suitable place for practice and the playing of home games could be procured, the entire schedule would be abandoned."

Coach William Ullery and his varsity men were keenly disappointed by the fact that such a course will be necessary, but the fact that no suitable place has yet been found for practice makes the playing of games practically impossible.

Regardless of the situation that the court men face at this time, negotiations are being made to play Delaware on Friday of this week. Small chance is held forth, however, that the season will continue any further than this one game.

K. D. P.

Miss Naomi Stonester is undergoing observation, with possibility of an operation, at the Union Memorial Hospital, Baltimore, Md.

Miss Millie Hines was confined to her room from Tuesday until Friday of last week with a minor illness.

### MIDNIGHT BLAZE DESTROYS GYM ERECTED THIRTY YEARS AGO

(Continued from Page 1)  
nite estimate can be made. It is expected, however, that within a week or ten days the real amount of the loss can be determined." Many papers have recently stated the approximate loss between thirty and forty thousands of dollars. These estimates, however, are only guesses as to what the final damage will be.

#### Origin Undetermined

It appears that no one can point out the definite origin of the blaze, but campus investigators suppose the fire to have originated in the boiler room. Other campuses suggest the possibility of an electric short circuit under the basketball floor. Some reports mentioned the act that basketball equipment remaining in the boiler room to dry might have been the cause, but at the time no basketball equipment was within twenty-five feet of the boiler; all materials were hanging in the varsity locker room.

#### Wide-Awake Frosh

Freshmen Robert Chervanik, John Barni, and Frank Palmisano, rooming in Hassinger Hall, were the first to discover the fire and thinking it was merely a light in the gymnasium basement, prepared to retire; suddenly Chervanik noticed that the light was flame and rushed to the telephone and sent in the fire call. Undoubtedly it was this quick action that saved the structure from being entirely demolished.

Record files and desk records were saved by Professor Grossman, who carried these outside the burning building. Captain Jaesud Schlegel of the varsity basketball squad, and student manager Daniel McKelvey rushed into the basement and saved several articles pertaining to the basketball team, including two basketballs and the medical kit. Some tennis racquets and the two bicycles were also carried out by students.

#### Local Firement Loyal

Dauntless Hook and Ladder laddies portrayed a fine willingness to do everything in their power to halt the blaze and used unusual acumen in realizing the necessity of holding the flames away from the gymnasium office. If they had done otherwise the office would, without a doubt, today be without some very important records. Dr. G. Morris Smith congratulated the volunteer fighters on their efforts and arranged that the almost exhausted men were served with hot coffee and sandwiches at Horton Dining Hall, after the blaze was extinguished. The campus is truly grateful for the quick answer the fire company gave to the call and for the fine result of their efforts.

#### Another Scare

About four-thirty on Thursday morning Freshmen again noticed the embers breaking out anew and immediately the emergency hose from Hassinger Hall was brought into play and was used so well that in a few minutes the last sparks of the blaze were extinguished. The wooden support timbers of the roof had been fanned by a breeze and the few sparks still existing had been fanned into a blaze. This blaze might

have been dangerous to surrounding buildings, except for the action of the students.

#### Losses Partially Covered

One insurance adjuster arrived on Saturday to examine the possible damage done and other inspectors are expected early this week. As soon as these men have completed their work the actual loss can be ascertained. At any rate the university will concentrate at once upon deciding upon some plan to restore the active recreation and health program which existed in the past. It is expected that the insurance on the building will, to a great extent, cover the actual loss.

At the present time the administration has come to no definite conclusion about the repairing or construction of a new gymnasium, but it is a certainty

that some work will be commenced as soon as possible. The administration and the Board of Directors await the final analysis of the insurance adjusters before beginning any plans for building.

It is noteworthy that one insurance inspector commented upon the old structure; saying in part: "The wooden roof construction is exceptional. Under the pressure of such heat a steel roof construction would have buckled and allowed the entire roof to cave in." Although the roof construction was exposed to extreme heat, the bracing was unharmed except at the lower side where the fall of the chimney crushed it.

There are possibilities of an entirely new structure because of the broad expanse of intra-mural activities and

women's athletics demand more and better provisions. However, no definite statement has been made concerning the definiteness of a new gymnasium.

Professor Grossman summed up the whole matter in one statement: "It is a misfortune, without a doubt, but, it is a real challenge to the students and the administration as to what we can accomplish by pulling together."

#### Previous Fire

This is the second time that the

Alumni Gymnasium has suffered from fire losses. In the fall of 1929, following the football season, the gymnasium suffered a slight fire loss, when an overheated boiler caused the floor of the gymnasium to burst into flame.

The fire at this time was of little consequence as the students and the fire company quelled the blaze before any damage had been done. All repairs were made within a week.

## Gym Classes Begin Soccer Tournament

Juniors, Sophomores and Freshmen Organize Soccer Teams With Novel Names; Much Enthusiasm

Susquehanna men, members of the Junior, Sophomore, and Freshman classes are really turning the recreation occasion by the destruction of their gym into a frolic. Under the leadership of Professor Grossman, the classes in Physical Education are playing soccer in lieu of the customary indoor winter sports. Ten soccer teams have been organized to date, four Sophomore, four Freshman, and two Junior teams.

Each gym class has been divided into teams, and will play a tournament of matches to determine class champions. The champion teams of each class will then play a final series to select the grand champion. Each team is captained by an outstanding player, and has selected a descriptive name. One place at some of the names chosen shows that the fellows are taking this new winter sport seriously considering that it is new to some of them.

The two Junior teams are the Trojans, captained by Russel Eisenhower, and the Buckets, led by Luther Boyer. These two teams have not yet met in pitched battle, but according to reports heard recently, the sparks are going to fly from someone's shins when they begin playing. Of the four Soph teams, the Eight Balls, captained by Jimmy Yaros, and the Crusaders, led by John Nageli, are outstanding. These two teams have each won two games and lost none. The other teams are the Aces, Al Hess, captain, and the Foochys (yes, that's the name) with Dave Evans as captain. Four games of the Sophomore tournament have already been played. Last Monday the Eight Balls defeated the Aces, 2 goals to 1, while the Crusaders beat the Foochys by the same score. On Wednesday the Eight Balls handed the Foochys a shutout, 4 to 0, and the Crusaders topped the Aces, 3 to 1.

The Freshman teams are the Fascists, Fred Tinurelli, captain; the Green Onions (Foochys take notice) led by Oren Benner; the Tri-H-D's, Paul Schreckengart, captain; and the Mae Westerns, captained by Don Cotton. Two games have been played in the Freshman series, the Fascists defeating the Green Onions by one point, and the Tri-H-D's by two points. Wednesday, 2 to 1. As was before mentioned the winners in each class series will meet in a final series to decide the Grand Champion.

In addition to the Soccer tournaments, other sports, mostly outdoors, will begin. Outdoor Volleyball will soon start in the gym as the handball court was not injured by the fire and will soon be cleaned ready for use. The outdoor track will come in for a double share of punishment this winter. Winter track meets will probably be held on it sometime during the next few months, followed later on by interschool class relays. All in all, the winter sports program looks interesting, even without the use of a gymnasium.

## Bucknell Y. C. A. Groups Visit Susque. Campus

On Monday afternoon, January 8, at 4 o'clock, Mr. Forrest Brown, a member of the faculty at Bucknell University, and two representatives from their Y. W. C. A. and Y. M. C. A. met with the cabinet officers of Susquehanna, in the parlors of Seibert Hall. The main purpose of their coming was to tell Susquehanna more about the coming conference at Penn State College as well as to take over matters of common interest. Following this meeting, our guests were entertained at a tea in the social rooms.

Besides Mr. Brown our guests were Misses Elizabeth Hilbert, Genevieve Lawrence and Messrs. Vincent Wayland, and Wesley Harfield.

## MUSIC STUDENTS PREPARING RECITAL FOR JANUARY 23

An afternoon recital will be held on January 23, at 4:15 p. m. in Seibert Chapel. The program for the afternoon has not been definitely arranged, but from several rumors in circulation it seems to be an interesting one.

## S. U. Students Attend Various Conventions

Sorority and Fraternity Groups of Campus Send Delegates to National Conclaves

Representatives of two local fraternities and one local sorority attended their respective organizations' national conclaves during the Christmas holidays.

Leona Kaufman attended the S. S. D. sorority convention at Cleveland, Ohio, where the Eta chapter of Baldwin-Wallace College acted as hosts. On December 28 a dinner-dance was given in honor of the guests at the Lotus Gardens Restaurant. The next day all enjoyed a tour of the college campus which is in Berea, Ohio.

A successful convention was enjoyed by the National Chapters of Phi Lambda Theta at their Gamma Chapter at Bucknell University on December 28 and 29. S. Walter Foulkrod, graduate of Susquehanna in the class of 1931, and now attending Temple Law School, was again honored by being re-elected to the position of Grand President for the second term. Professor Russel W. Gilbert, of the Susquehanna faculty, was elected to the National Board of Trustees.

The representatives of the various chapters traveled through the coldest of weather in order to make the conclave a success. Epsilon Chapter, which is located on the local campus, was represented by James Bonsall, Kenneth Byler and Calvin Naugle. The Bucknellians successfully played the part of host by arranging a dance and banquet for the delegates. A touring party was organized and the representatives viewed the campus and buildings of the University.

The conclave of the National Phi Mu Delta Fraternity was held in Cleveland, Ohio, at the Hotel Cleveland on December 28 and 29. Fifteen colleges were represented, Morgan Schreiner being the delegate from the local chapter. Paul R. Hoover, class of '29, also attended. Mr. Hoover is eastern extension secretary of the fraternity.

The main topics of discussion were the financial and administrative programs for the coming year. The possibility of publishing a Pledge and Rush Manual was seriously considered. Various other National fraternities have adopted this idea very successfully and it is likely to be carried out by Phi Mu Delta. The publication of the Phi Mu Delta Triangle, the National fraternity magazine, was also discussed.

Mr. Schreiner made a detailed report of these activities to the local chapter.

## Plans for Gymnasium Depend on Committee

Executive members of the Board of Directors of Susquehanna University appointed the following members as a committee to confer with the representatives of the various insurance companies in order to arrive at an early settlement in regard to the recent loss of the Alumni Gymnasium.

Senator Charles Steele, Senator Benjamin Apple, Mr. R. L. Schroyer, and Mr. Frank A. Eyer were selected from the entire group at an executive committee meeting Wednesday, January 10.

Future plans for a gymnasium are dependent upon the decision made by these joint representatives.

## Aspiring Playwright?

Become famous over-night! Write a sketch to be produced immediately!

Receive your seats to "Campus Whirl" gratis and be an honor guest at the after-theatre supper.

"Campus Whirl" wants a number of five- to seven-minute humorous sketches portraying student life. Acting must be simple, the sketch depending more upon situation. The best submitted will be put into rehearsal immediately. They may be dropped at the Epsilon Sigma house or given to Mr. McKelvey personally any time up to Friday noon.

Authors will be honor guests for the entire evening.

## Crusaders Select Tice To Lead 1934 Eleven

Veteran lineman who will hold the reins of the 1934 Crusader football eleven. Tice has shown excellent spirit in his three years of experience on the line and during this past season has made notable performances in practically every game. His teammates have shown real acumen in selecting Dick to captain next year's Crusaders.

Captain-elect Tice is a Business Administration student, a member of the Varsity S Club, and a member of Bond and Key social fraternity.

Tice will take the captaincy from Captain Riebel, a backfield ace, who has played his last game for Susquehanna. With this fine aggregation of veteran material Captain-elect Tice should feel confident of a successful campaign in 1934.

## Local Talent Visits Williamsport Group

Professor Stevens and Hemphill Prepare Vocal and Instrumental Program for Clio Club

Susquehanna University will assist in a program of music before the Clio Club of Williamsport tomorrow afternoon. Mr. Frederick C. Stevens, tenor, and Mr. Donald W. Hemphill, violinist, faculty members of the school of music on the Selinsgrove campus, will serve as soloists, with Mrs. Frederick C. Stevens as accompanist.

Mr. Stevens will sing eleven songs: Turelli's "To Lo Sai"; the eighteenth century English air, "Easy and Gay"; a fifteenth century French lyric, "L'amour de moi"; Hahn's "L'infidélité"; Lore's "Chanson de Barberie"; Buncker's "Ich hab' eben geline Lied erdacht"; Rueckauf's "Lockruf"; Dunhill's "The Cloths of Heaven"; Campbell-Tipton's "A Spirit Flower"; Quilter's "Now Sleeps the Crimson Petal"; and Lindebaugh's "A Love Song." The last selection is a composition of this year by Mr. Percy M. Lindebaugh, professor of pianoforte at Susquehanna, with words by Dr. Beaumont S. Brustle, of Temple University.

Mr. Donald W. Hemphill will present three solos for violin: Schubert's "Ave Maria"; Schubert's "L'Abbeille"; and Wieniawski's "Sous le vent de Moscou."

## University Band Plays In Middleburg Church

Susquehanna University Symphonic Band presented a concert under the direction of Mr. Elrose L. Allison in the Lutheran Church in Middleburg on January 10. The program was sponsored by the Young People's Division of the church. The concert numbers are as follows:

1. a. Stepping Along ..... Goldman
- b. Japanese Sunset—Deppen—Arr. Clair
2. a. Two Guitars ..... Horlick
- b. Cabins ..... Gillette
3. Soul of the Surf ..... Smith
- Soloist—Mr. David Spellenberger
4. a. On the Campus ..... Goldman
- b. Country Gardens ..... Grainger
- c. On the Mall ..... Goldman
5. Let's All Sing Like the Birds Sing—Hargreaves, Dumarell and Evans
- Soloist—Mr. Roland Pritchard
6. March Slav ..... Tschalkowsky

## 'CAMPUS WHIRL' TO BE SUSQUEHANNA'S FIRST PAN-HELLENIC STAGE FEATURE

Production Presented by All Fraternities and Sororities Will Feature Campus Atmosphere, Songs and Sketches

## Frosh Girls Feted By K. D. P. Women

Sorority Members Entertain New Girls at Annual Indoor Rush Party; Owl Novel Feature

Members of Kappa Delta Phi sorority entertained a number of new girls at their annual indoor rush party on Friday evening, January 12.

The guests were escorted by the sorority members to the Kappa Delta Phi room to dance to the music of the radio until Father Time, in the person of Eleanor Brown, interrupted to lead them to the Owl's Nest. In the Owl's Nest, lined with pine trees, on the branches of which numerous owls were perched, they were greeted by Happy New Year, personified by Ruth Cherrington.

After everyone was seated on cushions in the bottom of the nest, Father Time introduced with bits of verse, various skits representing each month of the year. January was represented with semester exams. "Dot" Gaskins as "Cupid," gave out valentines for February. Millie Hines and Ludlow Nichols reminded of St. Patrick's Day in March with an Irish song. "Pat" Hubler and Bernice Harding represented the rains of April in a clever tap dance. May, the month of spring and poetry, the guests themselves typified by writing poetry. June was graduation, and so on through the remaining twelve months of the year to December with Dorothy Clegg as a little boy writing his letter to Santa. At the conclusion of the skits, the lesson of the wise old owl who "sat on an oak" was repeated, followed by the story of the Owl and the Pussy Cat.

They were then escorted to a long table, lit by candles, where despite much singing and talking, refreshments were served and eaten. Before leaving the table, each girl pulled at the end of the cord attached to her place card to find at the other end one of the tiny fluffy pussy cats, which had been clustered around the owl in the center of the table. The girls then returned to the sorority room for more "tag" dancing until the 10:30 bell sounded that the party had to break up.

The guests were Misses Mary Barnes, Wilhelmina Moody, Barbara Burns, Eleanor Jones, Evelyn Janzon, Margaret Myers, Ariene Marshall, Margaret Corson, Helen Wentzel, Helen Gundrum, Louise Hartzell, Dorothy Savidge.

## Fritz Kreisler Offers Concert in Harrisburg

The third presentation of the All-Star Concert Series will be a violin recital by Fritz Kreisler, eminent violinist, on Thursday, January 18, 1934, in the Forum of the Educational building at Harrisburg. This series of concerts is under the direction of R. H. Mathias and has already presented Rachmaninoff, pianist, and Martinielli, tenor. Many Susquehanna students and faculty members plan to attend the concert, Professor Sheldon having secured the tickets for the usual student price.

## Changes in Schedule

The following changes in schedule are to take effect in the second semester:  
European History ..... 11:10 T-Th-S  
European Government—10:10 Th-T-S  
Bacteriology (3 hrs. credit)—11:10 Th-S Laboratory 9-11 S  
Seminary ..... 11 Wednesday  
History ..... 3-5 Thursday  
The following changes in meeting places have also been announced.  
Economics 4 (Money and Banking) meets in G. A. 102.  
Corporation Finance meets in G. A. 102.

February 23 is the date set for "Campus Whirl," Susquehanna's first Pan-Hellenic stage production, held by permission of the University faculty and utilizing the full talent and energies of the campus. The Seibert Auditorium will see its most lavish and original presentation of years—a production of two acts, fifteen scenes, and sixty people.

According to advance information released by Daniel T. McKelvey, "impresario in charge," the book will parody current follies, scenery will be expressionistic, and the songs of the kind to send you away humming long after the last overture. Music is in the hands of Victor Marietta, with Ted Hutchinson's augmented orchestra about to begin rehearsals.

Advance releases also state that there will be smart after-theatre entertainment and supper in Seibert's social rooms. Reservations for this event may be secured by calling 9055-W or notifying any Epsilon Sigma member. Throughout the entire evening, the unusual, the unique, and the witty will be the dominant tone.

Tickets for "Campus Whirl" will be on sale shortly with all seats reserved.

## Dr. Dunkelberger Much Sought as a Lecturer

Dean George F. Dunkelberger delivered an illustrated lecture on Saturday evening in the lecture hall of the Steel Science building. The lecture was based upon a study of three of the fifteen countries which he visited on his trip abroad in the summer of 1932. The countries of Syria, Palestine and Egypt were discussed. The lecture, which was most interesting and instructive, was delivered to a large group of students, teachers, pastors and friends. Dr. Dunkelberger's keen memory and his historical mind combined with the natural interest of the countries discussed offered an appreciated program.

At the recent invitation of Mr. Orrin Wagner, Dr. Dunkelberger will deliver a lecture on Thursday evening of this week at Millheim in the high school of that city. Mr. Wagner, an alumnus of Susquehanna University, a member of the class of 1926, is the principal of the high school at Millheim. The lecture will be delivered before a meeting of the association of parents and teachers. The talk will be based upon Dean Dunkelberger's observations and impressions formed while traveling in the Near East during the summer of 1932. Travel in Syria, Palestine and Egypt will serve as the subject to be presented. Dr. Dunkelberger has been very much in demand as a lecturer upon his tour since he came back in the latter part of the summer of 1932.

## Women's Athletic Club Hayrides to Freeburg

Women's Athletic Club held an old-fashioned hay-ride, Thursday evening, January 11, to Freeburg.

Fifteen members of the Club, chaperoned by Miss Dorothy Reeder, and as warmly clad as the resources of Seibert Hall would permit, greeted the arrival of the wagon and team of horses driven by Mr. Stauffer, of Selinsgrove, a little after seven o'clock. Eagerly the girls piled on the wagon, and with much talking and laughing and singing rode, some talking, some sleeping, some lost in their individual thoughts, some occasionally singing, and some counting "falling stars."

There was some argument and discussion as to whether it was hay or straw that they rode on, but there was no question as to whether all had enjoyed themselves.

## "First the Blade"

The permission granted by the faculty for the presentation of an all-University extravaganza is to be commended; not so much for whatever cultural value this first production may or may not have, as for what may grow out of the experiment. Unlike Minerva who was born full-grown from the head of Jove, the support of dramatics is a matter of nurture and development—a process of slow growth from small, even crude, beginnings. Those who are sponsoring the revue are desirous of having it clearly understood that the forthcoming affair is not expected to be on a par with the offerings of the New York Philharmonic Orchestra or the Metropolitan Opera Company. They do expect to put on a good, clean, clever, light show which will amuse and entertain, rather than culturalize. They are aiming, in this test effort, low enough to attain their object; but high enough to prove that with further development, really successful cultural dramatic productions can successfully be presented on the campus. "From little acorns . . ."

At present it can hardly be hoped that any Mantels and Marlowes walk, unknown, the campus at Susquehanna; certainly Macbeth and Portia must await their interpreters. But if there are such lights hidden under a bushel, this project may help to discover them; in any case, it is a consummation devoutly to be hoped for that it may create sufficient interest in the stage, so that, in due course of time, there may be found those who could interpret competently, if not brilliantly, such a play as contains the line: "All the world's a stage . . ."

He who souses campus opinion has undoubtedly felt that, amongst other things, two real needs have so far gone crying for want of fulfillment. One is the need for Pan-University activity, whether histrionic or otherwise. The coming presentation, while sponsored by one fraternity, is to receive the support of all other groups, as well as unorganized students. Every fraternity, every sorority, is to do its share; and every student on the campus is urged, may be commanded, (if he has any ideas whatever) to submit skits and sketches for the show. In fact, if there is not a widespread response on the part of all, the effort is foredoomed to fail. It must be that there is talent; the problem is to prod it into activity and get it on paper. The other need follows from the first: more dramatic work so that our students will be placed in contact with certain cultural influences to which they have hitherto been unaccustomed. The sororities have done, unaided and sometimes unhonored, excellent pioneering and spade work; but they have not been able to accomplish as much as the situation demands. More or less restricted to choosing actresses from the small membership of their own organizations, their productions have shown the need of a wider constituency from which to choose participants. The present aim is to tap the resources of the whole student body. From this small and (it must be admitted) not too lofty beginning, let it be hoped that some dramatic organization of permanence may arise to cater to the very evident needs of the entire student community.

One of the means of getting up interest is to persuade as many as possible to try their skill at writing. To be sure, some contributors will be disappointed; yet it is undoubtedly true that there are many persons on the campus who have ability in that direction if they will but try. Then, too, since there are to be sixty participants, there should be created a greater interest in acting, and—who knows?—even in a better type of stage production. If this first attempt does not nurture a demand for more cultural dramas, let us try again; if not then, again and again. "L'audace, toujours l'audace."

## "You Can't Have Your Cake and—"

Of necessity we approach a period of the school year which holds a semblance of the old adage: "You can't eat your cake and have it, too." To the real-student examination week is the period of "having," to the rest of the negligent and lethargical souls, it is a period of eating, mostly "crumming." The methodical pupil who does his work from day to day, from period

to period, already has his cake and consequently requires no crumming during the final bustle of preparation. Woo to the student who has let his work accumulate and litter his desk; examination week demands that he shall jam assignment after assignment down his throat which has long since become soured by such rapid absorption.

Would it not be better to acquire the "eating" habit throughout the semester and thus avoid the horrible feeling of "gorging." Even candy becomes sour in the mouth of a child, but this is not so, if the child eats candy moderately and regularly. Temperance and regularity in studying create a desire and taste for more study, intemperance and irregularity cause innumerable ills and a "souring" appetite as the result of "crumming" and "over-eating."

If your irregular habits of study have caused you much worry, plan now to reverse the order of things and become temperate and regular in your study so that the second semester examinations will not cause you to cram your cake at the last minute without time to have proper digestion and assimilation.

## CHATTER

Seen in front of the tennis courts—  
 A sign, "No Skating." Are you telling us, Prof?

Speaking of signs—Here is one for the third floor of Gustavus Adolphus: "Post No Bills."

A prominent psychologist has written the book: "Why We Behave Like Human Beings." Did he ever interview the inmates of Hassinger?

And there is the Junior that tried to make a poet out of Herbert Spencer.

The Bigger family is going around the campus. No remarks about it, but it makes this column a little "Bigger."

The soccer game on the second floor of Hassinger on Saturday was pronounced a failure, because only three light bulbs were knocked out, and only one upper classman got socked on the head.

In the line of soccer I might say that Danny Cotton's team should be swell in action.

The waiters in Horton dining hall are all waiting to show their stuff on Saturday night. More power to you, boys. I hope you don't feel hurt.

Things that we can do without:  
 That whistle at the silk mill.  
 White shoes on a sloppy day.  
 Crooners in Hassinger Hall. (Local.)  
 Westerns on Saturday night.

Soccer games in the halls of Hassinger.

Dead animals hanging out of the windows of Seibert.

The female element on the campus has a weakness for the bizarre in hats. I suppose they are the fad of the moment, but there should be a law against that sort of thing.

There will be no attempt at poetry at the end of the informal discourse, because the author of Seibert Hall Echoes has stepped on my toes. Well, I suppose this is a free country. So, chase me with a stick.

PUCK II.

## Seibert Hall Echoes

And so it goes, all we need to start us wearing white shoes in mid-winter is the suggestion and the appearance of one or two pairs—all-white ones and all-black ones, clean and dirty, white sport and dress ones are all taken out of moth balls and given a chance. And you may be sure that those who disapprove today will appear bright and early tomorrow wearing shod in white—but of course it's everyone's privilege to change his mind. And we do!

From receive bids to the Rush Dance in the morning mail and by noon all programs are filled—the chief indoor sport now is untangling them and deciding "who" gets "which."

We had a little visitor on Friday night. He didn't know if he's been named yet, but he has such a pretty white and tiger coat and a very well-developed purring machine, and was so sociable that by Saturday morning he found his way upstairs, and now he's residing in Hughesville. He and Beth were passengers who went, and strangely enough—both went as convalescents! Beth may return within the week, but Puss won't enroll in the Department of Biology until the term of 1934-35.

What's happened to the hall parties? Can't we spare half an hour for a "get-together" several times before exams?

The general health of Seibert is greatly improved this week with only several colds and one case of indigestion reported to date.

Harmonizing is becoming an early Saturday evening institution. Poor Alexander and his band—they do take a beating.

Two steel galloped up before a group of eager athletes and with a leap all "hit the hay."—Pardon me, it was straw—and merrily went to Freeburg on Thursday night.  
 The air was cold

And the stars were bright,  
 The coffee was hot  
 And it tasted right.

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

Probably the greatest contribution of the theater to modern music and music-lovers has been the building of the magnificent Radio City Music Hall in New York City. Part of the gigantic Rockefeller Center, better known, perhaps, as Radio City, this greatest of all theaters is, I think, the most perfect setting for really great music that exists today. The beauty and wonder of the Music Hall cannot possibly be even partially conveyed by a mere description; only by actually visiting this cathedral-like structure can one know and appreciate the monumental, overpowering, though not in the least big gaudy or cheap splendor of the place.

To me, it is the most wonderful place in the world. Much has been said and written of the beauty and magnificence of the Music Hall. The startling figures regarding its seating capacity, the amount of electricity used in a single minute, the upkeep costs and the box-office receipts have been estimated to the amazement of the magazine-article-reading public; its controversies over supposedly indecent statues and communistic mural decorations have all lent a hand in giving this structure its share of publicity. But what I am interested in—the possibilities that it offers for music—classical, great music.

Originally, the management intended it to be what its name signifies, a music hall. For a very few weeks it was run on this idea. But then, for some reason or other (supposedly lack of box-office appeal), this procedure was dropped. "The movies" invaded this temple of music, and instead of a music hall, we now have another "cathedral of the cinema." But still, praise be to Romy and the Management, the "Great God Music" has not been thrust into the background. Side by side with the current film attraction, there is, every week, a huge "stage spectacle." And, very often, it completely eclipses the picture. Of course, there is the jazz and the low comedy—but, well, that's New York. What makes up for it all is the fact that there is good music. A hundred-piece symphony orchestra under the direction of Erno Rapée, one-time musical head of the National Broadcasting Company, and a marvelous chorus of some sixty voices, can, and do, send surging out through the vast auditorium in Radio City, the most rapturously beautiful music imaginable. Out of the times I have visited this great entertainment palace, I have seen and heard four wonderful orchestras and stage presentations, the memories of which will never leave me. The one which comes first and above all is Mr. Rapée's conducting of the orchestra in the playing of the hypnotic, weirdly exotic "Bolero," by Ravel. The picture in my mind of this Spanish love-dance as portrayed by the orchestra stage with its myriad colored lighting effects and the sound in my ears of the incessant beating of the bolero rhythm being pounded out by the twenty-four drums ranged around the sides of the theater on pyramid-like ramps, is something I shall never forget. I sat through the film "Attraction" the name of which I can't even recall again, in order to be thrilled once more by the thrilling "Bolero"! The three other stage presentations at the Music Hall which impressed me in somewhat, but not quite, the same manner, were the playing, by the Radio City Symphony, of the "Pilgrim's Chorus" from Wagner's "Tristan and Isolde," the spirited "Soldiers' Chorus" from "Faust," and lastly, the most beautiful thing that I've ever seen on any stage, the enacting of two scenes from the opera, "Samson and Delilah." The beautiful melody of the aria, popularly known as

"My Heart at Thy Sweet Voice," is still singing in my ears. And forever, in my mind, will be the picture of that colorful scene in the Temple of Drag-on, when, amidst the beauty and paganism of the celebration of the Philistines, Samson, in his triumphant moment of returned strength, brings the temple crumbling to the ground with a terrible crash.

The possibilities of this Radio City stage are boundless. A perfect place for the Metropolitan Opera. There seems little hope, at present, of this coming about, but it is most surely, a wonderful dream to dream of . . .

S—

## With Our Advertisers

Editor's Note—It is the policy of THE SUSQUEHANNA to feature each week one of its advertisers. This is the seventh of the current series and features the Whitmer-Steele Lumber Company of Northumberland.

The Whitmer-Steele Lumber Company, of Northumberland has been a faithful advertiser in all of the University publications, for many years. Of all the advertisements in The Susquehanna theirs is probably more of a good-will ad than any other. It is in the paper because their deep interest in Susquehanna lays at heart. This is only one of the many ways in which Mr. Steele serves our school.

It is due to his constant efforts that we have our building which is known as the Steele Science Hall. In the past year he also donated a large number of pine trees to help beautify our campus. In the past decade Mr. Steele has also served very faithfully on our Board of Directors.

The University would surely flourish to even greater heights if we had several more of Mr. Steele's fine caliber, and we the staff of The Susquehanna wish Mr. Steele and the members of his firm continued success in their business endeavors.

S—

## THE GRAB-BAG

In the days of Peter Rabbit the gentle art of sneezing had attained to a high degree of perfection, but during the intervening years this development has made a sharp, downward curve. So many persons are interested in the betterment of sneezing, this fact has proved bitterly disappointing. But, after endless research and copious thinking, I believe that I have discovered why sneezing has become a lost art, and also a means of restoring it to its rightful glory.

Too many sneezers are indifferent to their sneezes. They are satisfied with mediocrity when they should be ever striving toward a positive standard of sneezing excellence. It is rather difficult to arouse public opinion. Of course, persons could be especially hired to give lectures on the subject, and there could also be clubs organized for the advancement of artistic sneezing. Nevertheless, there are disadvantages in these methods, for then everyone would sneeze alike.

In the realm of sneezing, mass-production is a thing to be avoided, because sneezers are necessarily the indices of character. To have all persons sneeze alike would be quite as terrible as the present neglect of the art. It would be utterly ridiculous for Rudyard Kipling to sneeze in England to sneeze in the same manner, or yet Will Rogers and Sinclair Lewis.

No, the gentle art of sneezing is a means of self-expression and of revealing individuality. Obviously, there are different types of sneezes for various occasions. For example, when one discovers that one's presence in a certain room is unknown, and moreover, is undesirable, one reveals one's self by discreetly executing the warning sneeze.

But, even then, all types of persons are not adapted to the warning sneeze. They must also have their own individual sneeze. Very learned persons should cultivate the intellectual sneeze. Actors should practice the histrionic sneeze. High government officers should develop the official sneeze; and its co-sneeze, the professoral one, should be used by college instructors. Thus, one should portray his character by the way he sneezes. Of course, children should not sneeze like adults, but should improve the juvenile sneeze, as opposed to the maternal and paternal sneeze.

These, then, are the rules to become a perfect sneezer: first, psycho-analyze yourself to find what type of person you are; then adapt your sneeze to meet these individual requirements. With a little practice you will soon find your sneezing improving until it is quite flawless. Were these suggestions carried out, it is impossible to predict to what heights the gentle art of sneezing would soar, but I am firmly convinced that a last civilization would be at its zenith!

## Miss Allison Presents New Course in French

A course in French phonetics will be given in our college next semester under the direction of Miss Evelyn Allison. This is the first time that this course has ever been given on the campus and it offers a real opportunity to those interested in the subject. It is to be a one hour elective course and is open to all French students. The purpose of the study of phonetics is to teach students the correct pronunciation of French words and also the correct intonation of the voice in reading French. Miss Allison has had an excellent training in phonetics and is quite eager to teach the course. It will be included in the new college catalogue but it will start next semester.

## SORORITY NOTES

### O. D. S.

Miss Ruth Bergstresser and Miss Louise Mehring spent the week-end at their respective homes.

Miss Mary Elise Spiggle spent the week-end at State College attending a joint Y. W. and Y. M. conference. Omega Delta Sigma wishes to extend a very cordial invitation to its alumnae to attend the Inter-Sorority Rush dance on January 20.

### Sigma Alpha Iota Notes

Miss Margaret Bateman Williams spent the week-end at her home in Mount Carmel.

Sigma Alpha Iota had charge of the Sunday night vesper this week. Special music was presented during the service by members of the fraternity.

## AMUSEMENTS

Wednesday night will bring Richard Arlen to the Stanley in the Paramount production of "Golden Harvest." The scenario shows a definite conflict between the "men of the earth" and the city dweller. A movie classic inspired by the N.R.A. Code.

Lillian Harvey will entertain at the Stanley on Thursday evening in a new musical review entitled, "My Weakness." Song hits and beautiful girls will attract crowds on Thursday evening.

Paramount releases Maurice Chevalier to the Stanley patrons on Friday evening in "The Way to Love." This film is typical of the pictures that first made Chevalier an idol in the early days; a French lover in a wise cracking, humorous mood.

"Fighting Parson" will show Hoot Gibson in the role of a hard-riding Westerner, who takes the character of a minister to apprehend several criminals.

Monday and Tuesday will bring "Duck Soup" to the local fans. The 4 Marx Brothers are not quite up to their usual standard, but they produce a real, laugh provoking, humorous situation. Worth your time and money. Of course it is a Paramount Production.

"Alice in Wonderland," featuring Charlotte Henry, will appear at the Stanley on February 17. Believe it or not, it is on a Saturday night. Naturally, every student will be interested.

The bigger the fish the more easily it gets away.

## Y. M. C. A. NOTES

On Friday, January 12, the Y. M. C. A. held its regular business session. The meeting was called to order by the president, Harold Rowe, who had charge of the devotions. The question of changing the Y. M. C. A. room for its present place in the basement of Hassinger Hall to the room in Gustavus Adolphus which was formerly occupied by the seminary library was brought forth. A committee with James Grossman as chairman was appointed to look into that matter. The meeting was closed with the Lord's Prayer.

Last Sunday, January 13, the religious meeting of the Y. M. C. A. was held in the Y. M. C. A. social room. Lester Karschner was in charge of the assembly. He read the scripture lesson found in seventeenth chapter of Acts, Verses 21 to 33 inclusive. Ernest Huston led in the afternoon prayer. The topic for discussion was "Getting the Right Prospective in Life." The meeting was closed with the Lord's Prayer.

## SKIPPY

Howdy, old Friends:

Boy, am I glad to be back to Susquehanna U. again! What a vacation! sorry I couldn't get back sooner. I thank Puck II for pinch-hitting for me. Well, to continue my weekly column.

Do you know: That Fred Tinurelli got up at 12.30 a. m. Thursday to go to breakfast, just six hours too early.

That we were all surprised to find that Mosher spent an afternoon in a barber shop, not reading magazines but getting his hair cut.

That Hassinger has new quiet rules: no rough-housing after 12.30.

Well, I see Physical Education classes are under way; soccer is again the outstanding sport. Did you ever hear such names for soccer teams? The Frosh have some unique names, the "Mae Westerns," the "Fascists," the "Green Onions," and the "Tri H-D's."

Any bad boys, intent upon making noise take heed. Stay off of third floor Hassinger or "Charley Chase" will get you.

Frosh: Are you on the football team, Martin?

Flash: You bet.

Frosh: What position?

Flash: Air work. Blowing up footballs.

## Guest Speaker Appears In Chapel Wednesday

Rev. A. W. Smith was the guest speaker in the morning chapel program last Wednesday. The subject of his address was "Suggestions for Facing the Future." He told the student body to think of the folks at home and to write regularly to them. He pointed out certain outstanding alumni of Susquehanna and told of their accomplishments. Reverend Smith is an alumnus of Susquehanna, receiving his A. B. in 1914, and his B. D. in 1930. There will be no guest speaker this Wednesday morning.

## State College Host to College Y. M. - Y. W.'s

Central Pennsylvania area of the Y. M. C. A. and Y. W. C. A. met at Pennsylvania State College on January 13 and 14. Its purpose is to promote better fellowship among men's and women's organizations and to give the different colleges an opportunity to exchange ideas and discuss problems.

Bruce Curry, a well-known interpreter of the Bible, was the leader and principal speaker at the meeting.

Susquehanna's representatives were Dr. Orebo, Misses Mary Elise Spiggle, Erdine Ellmore, Wilhelmina Moody, and Lois Long.

## ERLE SHOBERT TO SPEAK AT MEETING OF SCIENCE CLUB

The regular bi-monthly meeting of the Science Club will be held in Steele Science Hall this evening at seven o'clock.

The president, Erle Shobert, will have charge of the session and will speak on the subject, "The Story of

Chemistry." This lecture will be non-technical and general in order that those of the student body and faculty who have not delved deeply in the subject may enjoy it as well as the regular science students.

A novel feature of the program will be the serving of tea and cakes made in the laboratory.

## Popular Local Student Recovering Quickly

Mary-Beth Richards has been discharged from the Mary M. Packer Hospital following a successful appendicectomy operation and is now convalescing at Peg Corson's home in Hughesville. Her stay at the hospital was made bright by the many cards and lovely flowers she received. She also entertained numerous visitors who "dropped-in" occasionally to pay their respects. She will likely resume her studies at the University within the next ten days.

## S. U. Alumnus Presents Interesting Article

Susquehanna students have always shown an abundance of enthusiasm for their Alma Mater, and have never failed to rally in a time of need, either with money or with labor.

Last year when the football team completed an undefeated season, the students in one day subscribed five hundred dollars with which to erect the Quadrangle as a memorial to the achievement of this team.

A few years ago a similar evidence of the love of Susquehanna students for their University was given when thirteen hundred dollars were subscribed in one day for the purpose of placing shrubbery and masonry at the entrance to the athletic field.

Now that the Alumni Gymnasium has been destroyed by fire, an article appearing in the Susquehanna Alumnus calls to mind another instance of a much larger endeavor—the means by which the Alumni Gymnasium was made possible thirty years ago.

"The history of the Alumni Gymnasium must start back in the year 1891, when our college was still under the name of Missionary Institute. Well will many alumni remember how the students then longed for a place where they might exercise. After trying various methods to secure some recreational conveniences, a subscription was started among the students, and four or five dollars were first raised to secure some apparatus. Two good hickory bars of the necessary size were purchased, and one of them was placed on the campus, at a large tree which still stands in front of the gymnasium site. This was the first attempt at a gymnasium.

"Shortly afterward, permission was secured from Dr. Dimm, who then was president, to use one of the rooms in the basement of Selinggrove Hall, the only building on the campus at that time. The room was low and had only a floor of earth. In order to erect a bar to be used at any advantage in this room, it became necessary to dig a pit in the floor. The next addition to the "Gym" was a pair of boxing gloves and a set of heavy iron dumbbells.

"In the year 1900, after Gustavus Adolphus Hall had been completed, a room in the basement of this building was fitted as a temporary gymnasium. Several pieces of good apparatus were placed in this room, and classes were organized and regularly drilled by appointed instructors. With these temporary quarters, the students began to crave the luxuries of a modern gymnasium.

"Finally, after repeated disappointments, the students, on the night of September 25, 1901, following the famous "Night-Shirt Parade," celebrated a mock corner-stone laying, with fitting services for the occasion. This happened just the day before the corner-stone laying of Seibert Hall.

"On the evening of May 1, 1902, there was held in College Chapel, a "Grand Rally" of the student body, for the purpose of starting a Gymnasium Fund. After some stirring addresses were delivered, pledges for purpose of securing subscriptions were passed around among the students. The result of this effort showed a subscription of \$1,205 pledged by the students alone, on the condition that a gymnasium be erected and equipped in modern style, by April 1, 1903. Following this meeting was another grand "Night-Shirt Parade" over the town. Banners bearing the sentiments of students were displayed, and the whole procession was headed by an impromptu Brass Band, made up for the occasion by the student body.

"This meeting was a crowning point in the history of the Alumni Gymnasium now only ruins and four mute walls bearing evidence of the one-time 'pride of Central Pennsylvania.' During the month of August, 1902, the ground was broken for its erection, and although the work at first was slow and discouraging, it finally was well under way. The building actually became a reality through the efforts of such men as Dr. John I. Woodruff and the late Ira C. Schoch, who were members of the building committee.

"Then completed the building was forty-five by ninety feet, and its equipment was in accordance with the latest findings of the gymnastic authorities. This served as the home of Susquehanna's court Crusaders for thirty-two years, was the scene of many memorable social events and numerous additional athletic events."

## Y. W. C. A. NOTES

"Y" Hour was held in the Seibert Hall parlors on Thursday evening, January 11, when Dorothy Eastep was leader. The meeting was turned into a song service which was thoroughly enjoyed by everyone present.

## Business Society Hears Dr. Leese

Dr. Charles Leese, head of the Business Department, addressed the Business Society last evening, Monday, January 15, in Gustavus Adolphus Hall, on "A Synopsis of New Deal Legislation."

He presented a survey of the legislation, controls and organization established prior to March, 1933, showing their effect on national recovery. An interesting feature of the lecture consisted of many statements taken from the papers presented by many leading American economists before the three-day annual convention of the American Economic Association which met in Philadelphia over the recent holidays.

This convention was of particular interest to Dr. Leese, because, during his attendance, he heard the statements of such men as the "brain trusters" in high standing at Washington as well as those men who oppose the economic plans which the government has proposed.

## Omega Deltas Entertain Honoraries With Tea

Omega Delta Sigma social sorority entertained at a tea in their sorority room on Saturday afternoon, January 13, the following as honorary representatives: Mrs. G. Morris Smith, Mrs. William Uckey, Mrs. John Houtz, Mrs. Esther Weeks, and as guests: Miss Naomi K. Hade, Mrs. E. T. Yorty, Mrs.

John Keller, Mrs. R. W. Johnston, Mrs. G. M. Bogar, Mrs. C. A. Marsh, and Miss Agnes Schoch.

## INTERESTING FACTS MADE KNOWN TO MATH. STUDENTS

A meeting of the mathematics club was held in Steele Science Hall on Monday evening, January 8. Dr. Boed-er spoke about numbers such as rational, irrational, algebraic, and trans-

cendental. He told of different men who worked on the problem of transcendental numbers. He gave several methods for finding the mathematical symbol  $\pi$ , among which was the calculus method.  $\pi$  is found in the Bible as far back as the book of Kings.

The mathematics club holds its monthly meeting the first Monday in each month. Anyone interested in mathematics is invited to attend.

GEORGE F. DUNKELBERGER, Ph.D., Dean.

### Campus Whirl Lead Makes Predictions

Show to be Real Challenge to Originality and Dramatic Talent of S. U. Campus

Daniel T. McKelvey, impresario in charge of "Campus Whirl," made today a statement to representatives of the press that "Campus Whirl" challenges the university talent that there will be a complete sell-out on tickets, and that the entire productions will be the cleverest, most original and lavish that Seibert Hall has ever witnessed.

"We are highly pleased," said Mr. McKelvey, "with the Pan-Hellenic co-operation, as well as the fine spirit evidenced by students not members of Pan-Hellenic organizations. We are going right ahead to make every one of our fifteen scenes thrilling in its beauty, originality, and wit." Victor Marietta, in charge of music, appeared highly satisfied with his lyrics and orchestral arrangements. Interviewed, he said "the songs will take their place in the musical traditions of the Susquehanna Campus."

Mr. McKelvey also took occasion to score criticism of the admission price. "No justification need be offered for raising the ticket price of a superlative production," he said. "Campus Whirl" will be smartly costumed, will present new and striking effects in scenery, and will spare no expense to present a smooth, polished production. When you have a show that will bring any audience to its feet cheering, no apologies need be made."

Meanwhile, there has been no definite announcement as to cast, although every student of dramatic prominence on the campus has been mentioned in rumors. Contents of the various sketches, construction of the entire show and song-hits are closely guarded secrets. The announcement was made, however, that each fraternity will produce one sketch of its own. The reserved seat sale will open this week.

### Mr. Schroyer Speaks To Insurance Class

Sellinggrove Insurance Man and Member of Susquehanna Board Gives Interesting Facts

Mr. R. L. Schroyer, a member of the Board of Directors of Susquehanna University, spoke to Dr. Charles R. Leese's class in insurance last week. He discussed fire insurance in general and more particularly the newer more modern phases of fire insurance policies and the methods of adjusting fire losses, drawing upon his own thirty-two years of experience in this particular field of insurance. Mr. Schroyer has always demonstrated his willingness to serve the university in various ways.

His talk followed the policy of the business department to invite business men from the community of Selingroves to appear before the classes studying that phase of business in which they specialize.

### Motet Choir Sings at Milton Church Service

Susquehanna University Motet Choir, under the direction of Professor Frederick C. Stevens, will sing at the morning service of the Reformed Church at Milton on January 28, 1934. The choir has been augmented considerably and is now composed of nineteen members. It is hoped that the gowns which have been ordered for the choir will arrive in time for its initial appearance.

Professor Stevens is now planning for appearances in Harrisburg and Williamsport during the second semester.

### INTERESTING PAPERS PRESENTED

Phil Kapps, the Phil-Hellenic Society, held its regular monthly meeting on January 22 in G. A. 205. The president, Robert Clark, presided over the meeting. After a short business session, two well prepared papers on "Greek Home Life" and "Greek Games" were read by Milton Martin and Elwood Stahl respectively. The next meeting will be held at the home of Dr. and Mrs. A. William Ahl.

### Outdoor Athletic Schedule Popular

Junior, Sophomore, and Freshman Teams Completing Tournaments; All-Campus Teams Formed

Regardless of the wintry blasts, the men's gym classes are enjoying their outdoor athletic program. There is much competition among the soccer teams of each class for they all have an eye on being crowned Grand Champion of S. U.

**Juniors**  
The game between the two soccer teams of the Junior class aroused much enthusiasm before it was played, but it turned out to be a walk-around for Captain Boyer's Buckets for they easily defeated Russ Eisenhower's Trusty Trojans, 1 to 0. These are the only two teams in the Junior class and they will fight it out again very shortly.

**Sophomores**  
The Crusaders, captained by John Nageli, defeated Jimmy Yaro's Eight Balls, 3 to 1, and thereby won the first round of the tournament undefeated. The Froshys managed to win their first game of the season by topping the Aces in a very close contest, 2 to 1. The Sophs have started the second round with the Crusaders again emerging victorious over the Aces, 2 to 1, and the Pooshys also continuing their winning streak by defeating the Eight Balls, 3 to 2.

**Freshmen**  
The Freshmen have played two more games of the first round. Tinurelli's Fascists trimmed Dan Cotton's Mae Westerns by two goals, and Benner's Green Onions were "strong" enough to triumph over the Tri-H-D's, led by Shreekestang, 4 to 2. The Fascists have defeated but they have one more game to play in the first round.

**All Campus Soccer**  
On Saturday Professor Grossman issued a call for candidates interested in playing all-campus soccer. Reginald Seavey and John Yon Kondy have been elected captains and they will select two teams from the twenty-five candidates that reported. James Suter and Lewis Howells have been appointed managers. On Saturday a practice game was played so that the ability of each player could be determined and so that the captains could lineup the material. This sport should prove a good substitute for basketball during the winter months.

The Freshmen have taken some of their Physical Education tests, such as chinning the bar and the standing broad jump, in the basement of the gym. The handball court is also being used by many of the students as well as the outdoor track, where relays are held among the various classes.

### Coach Ullery Speaker at Football Banquet

Coach William W. Ullery, mentor of Susquehanna sports, was the principal speaker at the annual Selingroves football banquet on Tuesday evening, January 9. He complimented the high school team on its continued display of sportsmanship even though they did not win a game during the season. He pointed out the reasons for their unsuccessful season, and made several suggestions that should be invaluable in forming the high school eleven next year. His address was said to have been one of the finest ever given by the high school squad on the subject of football and its execution.

### Mrs. Sheldon Broadcasts Address On Fine Arts

Sellinggrove Chapter of the Susquehanna Valley Federation of Women's Clubs broadcasted from the Sunbury Station Friday afternoon, January 19 at 2 o'clock. Mrs. Ida M. Sheldon, chairman of the Fine Arts committee, gave an address. The program is as follows:  
Piano Solo—Soaring ..... Schuman  
Miss Kathryn L. Delsher  
Address—Fine Arts  
Mrs. Ida M. Sheldon  
Vocal Solo—Absent ..... Metcalfe  
Sonny Boy ..... Paul Curran  
Mrs. Mildred Grossman

### Symphony Offers Concert Wednesday

S. U. Orchestra Under Direction of Mr. Elrose Allison Preparing Difficult Program for First Appearance

Susquehanna Symphony, under the direction of Prof. Elrose L. Allison, will present its first concert of the season on Wednesday, January 24, 1934, at 8:15 P. M. The program includes Beethoven's Symphony No. 1 and the Overture to Fidelio; Wagner's "Walter's Prize Song"; Rimsky - Korsakow's "Danse Lithuanienne"; Steek's Waltz for String Orchestra; and Godard's "Adagio Pathetique."

The orchestra has had strenuous weekly rehearsals since the beginning of the year and expects to present a very commendable program.

The personnel of the orchestra is as follows:

Conductor: Elrose L. Allison.  
Concert-Master: Prof. Donald Hemp-hill.

First Violins: William Caruth, Millie Artigas, Frank Bernardi, Clarence Farley, Mary Jane Kehler.

Second Violins: Marcella Chaya, Dorothy Eastep, Lewis Howells, Kathryn Weber, Dorothy Hoffman.

Cello: Eric Shobert, Lols Brungart.

Double Bass: Charles Price, Francis Gelmet.

Clarinet: Richard Shade, Walter Poyck, Stephen Azary.

Melophones: Robert Clarke, Charles Barnett.

Flute: James Grossman.

Oboe: Allen Eyer.

Bassoon: Horace Hutchison.

Harp: Helen Bierman.

Pianists: Fred Billman, Dorothy Turner.

### State College Host To Student Council

Susquehanna University Student Council Members Attend Conference of Sixteen Groups

Susquehanna University was well represented at a conference of student councils of sixteen various colleges throughout the state on Friday and Saturday, Jan. 19 and 20 at the Pennsylvania State College. The conference was opened on Friday morning and the concluding session was in the nature of a banquet on Saturday evening. Nelson Gray, president of the local student council, headed the Susquehanna delegation which was composed of Kenneth Anderson, Ralph Rishell and Lee Rishell. The sessions of the conference concerned themselves with student government, student publications, athletics, and student finance and fees. While on the campus at Penn State the local group were the guests of the Phi Mu Delta fraternity of that college.

### Dean Fulfills Three Speaking Engagements

Dean George F. Dunkelberger fulfilled three important speaking engagements during the week. On Wednesday evening he addressed a gathering of church workers in the Zion Lutheran Church of Sunbury. On Thursday evening he lectured on his trip into Palestine, Syria and Egypt at a meeting in Millheim. On Friday evening he addressed the Kiwanis Club of Sunbury. His address to this group was upon the subject of Vocational Guidance.

### Announcement

In addition to the regular required activities in Physical Education an opportunity will be given to students interested in football to engage in modified football practice Monday and Wednesday at 4:10 under the direction of Coach Ullery.

No uniforms or other equipment will be needed.

Participation in modified football will not take the place of participation in the activities (soccer, handball, running, etc.) at the regular physical education periods.

### Football Replaces Scheduled Tussles

Coach Ullery Announces Football Practice When Basketball Schedule is Cancelled

Remaining games of Susquehanna's basketball schedule for this season have been cancelled. This action was taken because there is no floor available in this vicinity on which the Crusaders might practice and play their home games, since the destruction of the Alumni Gymnasium. However, this lack of intercollegiate sport will be compensated with the competition that can be found in two hours of informal football practice every week, held each Monday and Wednesday afternoon for one hour. This plan will continue until baseball practice starts.

Susquehanna's regrettable, but necessary, cancellation of her basketball schedule came at a time when the Crusaders were beginning to show signs of playing some really commendable basketball. Although defeated by Bucknell and Penn State, Coach Ullery's five displayed brilliant offensive and defensive court tactics to decisively defeat Elizabethtown in what was destined to be the Crusaders last game on their 1933-34 schedule.

Basketball is rapidly being forgotten as Coach Ullery and the gridiron Crusaders take advantage of this lull in sports activities to start informal football drill in preparation for next fall. Many technical questions in regard to different phases of the game will be discussed and demonstrated, and perhaps some new formations and plays will be perfected. With only three seniors on last season's varsity squad it is certain that Coach Ullery will have a veteran team to work with in these early practice sessions. Care will be taken, however, to avoid an over-emphasis on football, because it is feared that too much football at present will cause the team to go stale.

An announcement regarding this modified football program can be found in this issue.

### Dr. Smith Prepares for Campaign of Lectures

President G. Morris Smith will speak to the Danville Rotary Club Thursday, January 25, on the subject of "The British Character." Dr. Smith's sojourn in the British Isles last summer gave him many weeks of opportunity to observe the customs of Britain, not only in the large cities of London, Glasgow, Edinburgh, and others, but also in the small towns and border shires remote from the metropolis.

Friday, January 26, Dr. Smith is scheduled on the program of the Association of College Presidents that will meet at the Penn-Harris hotel in Harrisburg. President Smith is chairman of a discussion group considering the advisability of a national code covering the enrolling of students, granting of student aid, and transferring of students. Five other college presidents are on the committee for this discussion group.

Tuesday, February 6, Dr. Smith will be at Meadville, at the special invitation of the Erie Conference of the Pittsburgh Lutheran Synod, to address a Pre-Lenten Retreat of ministers, with three talks during the morning and afternoon. In the evening he will speak before Susquehanna University alumni in Pittsburgh, at the annual meeting of the Alumni Association there, at the Port Pitt hotel.

Tuesday, February 13, President Smith will serve as host to the ministers' Pre-Lenten mission to be held at Susquehanna during the morning and afternoon. The main speaker of the day will be Rev. Dr. A. B. van Ormer, professor of philosophy at Juniata College and an alumnus of Susquehanna University.

### Bloomsburg Minister Speaks Before Chapel

Dr. Norman Wolfe, who is Lutheran minister at Bloomsburg, and who was given an honorary degree of Doctor of Laws from Susquehanna University, will be the regular campus speaker at chapel, Wednesday morning. The subject of his talk is not yet known.

—Subscribe for The Susquehanna.

### Kreisler Presents Excellent Recital

Warm Personality and Amazing Genius of Famous Violinist Pleases Capacity Group

The recent concert of Fritz Kreisler in the Rorum at Harrisburg proved to be one of the most successful of the season. The warm personality of the man, when coupled with the amazing genius of the violinist, produced a most interesting combination. His entire program was enthusiastically received. However, there seemed to be a few favorites with the audience, among them being Cyril Scott's "Lotusland"; "Tango," by Albeniz-Kreisler; and Debussy's "La fille aux cheveux de lin." Liebesfreud," which Mr. Kreisler played as one of his encores, was greeted with an enthusiastic ovation by the audience.

Mr. Kreisler also played Bach's Sonata in G minor and Beethoven's Sonata in C minor, as well as "Malaguena," by Albeniz-Kreisler; "Hymn to the Sun" by Rimsky-Korsakoff-Kreisler; and "Fantasie on Russian Themes," by Rimsky-Korsakoff-Kreisler.

Mr. Carl Lamson was accompanist for Mr. Kreisler.

### Omega Deltas Give Novel Rush Party

German Inn, With Floor Show and Dutch Concoctions, Atmosphere for Annual O. D. S. Party

On Friday night, January 19, the members of Omega Delta Sigma sorority entertained a number of new girls at their annual rush party.

The guests were escorted to the sorority room, where they were welcomed and given clever dance programs.

They were then taken to the Heidelberg Inn, a somewhat Bohemian eating place, where Louise Mehring, the hostess, greeted them. It was one of those places one dreams of visiting but rarely does. There were little tables dressed in red and white checked cloths, on which were bottles with stubs of candles for illumination, and cunning menus of various German concoctions. A charming cigarette and candy girl, Mary Eltringham, swaggered among the tables with her attractive wares. Balloons added brilliancy. And with it all came the charming lyrics of the modern music makers to which the girls and their partners danced and made merry.

There was a most interesting floor by nationally known dancers and crooners. A quartet composed of Ruth Plummer, Abscort Phillips, Daisy Reese and Bessie Cook sang several songs, well harmonized, accompanied by Rose Runk at the piano.

Walter Disney's "Three Little Pigs" were animated there in their struggle with the "big, bad wolf." These were impersonated in a dance by Anna Mease, Mary Patterson, Daisy Reese, and Ruth Plummer.

Mary Eltringham gave a solo dance with the theme song, "Oh Where is My Little Doggy."

Well Suited to the personality of the inn was an interpretive dance by Mary Patterson and Francy Marks in the characters of a true "Sadie Thompson" and a swaggering, dark villain.

Orders were served as the dancers wished.

As the evening of enjoyment drew to a close, the hostess presented the guests with drinking mugs with the sorority insignia engraved upon them. With these a toast was given by the guests to the members of Omega Delta Sigma and to Mary Beth Richard who wished.

(Continued on page 2)

### Notice Readers

There will be no issue of THE SUSQUEHANNA on Tuesday, January 30 because of semester examinations. The next regular edition of the weekly will be February 13. The readers will be interested to know that the weekly presents a maximum of fifteen issues for each semester. This maximum has been reached.

# THE SUSQUEHANNA

Published Weekly Throughout the College Year, except Thanksgiving, Christmas, Semester and Easter Vacations, the same being the regularly stated intervals, as required by the Post Office Department.

Subscription \$2.00 a Year, Payable to Elmer Devereaux, '35, Circulation Manager Entered at the Post Office at Selingsgrove, Pa., as Second Class Matter.

Member Intercollegiate Newspaper Association of the Middle Atlantic States. Member of National College Press Association.

## Modern Sir Walter Raleighs

Eight o'clock classes are not usually the place nor the time for analytical thinking, but once in a period of months there is some progressive thought produced in the early hours of the morning.

At a recent meeting of an advanced English course, the usual procedure of the class was disturbed by the perplexing problem of romance. Portions of the class defended the opinion that the present age is barren of romanticism which was so prevalent in the Middle Ages. A small, but nevertheless vociferous group, defended the modern age as the exemplification of all that is romantic and sentimental.

Romance, today, has become an experience of mind. Nothing can be classed as romantic unless it has a definite mental experience. If that is the case the modern Sir Walter Raleighs may still have a chance to portray actual ideals of chivalry.

The days of dropping cloaks in the mire for beautiful ladies has long found its way into discard, but a newer and more practical romance has replaced it. To day a feminine touch is discovered in hitherto masculine fields. Business, politics, religion, and industry are all open to the more thoughtful and talented women. This in itself is an index of a powerful emergence of a new romance in the twentieth century.

The opponents point to the rapid progress of industrialism which is sweeping the world today, and point it out as a denunciation of the absence of romance. Industrialism is not a retrogression of romance and idealism, but a definite trend toward a more prolific chivalry and democracy, in which the masses of the world will have the opportunity to meet mental experiences on the same plane. Industrialism has many faults to be condoned, but it also has a forceful magnetism in gathering the populace into a mental group of equality. There is more romance in the lowly hovel of the industrialist's "scrooge" than there is on the campus of a liberal arts college.

The span of the average mental experience in college is limited by localism and strict educational principles. This is not so of the work-heavy industrial slave. His spare moments are not spent in practical construction, but in the dreams of utopianism. He is not as well trained in the practical phases of economics, but his day-dreams fit in to his life from the time of the final whistle until he retires. Do not think that the mind of the common laborer is devoid of imagination and reverie. His tasks do not occupy his mind, thus leaving his fertile imagination for brown study. The "homely" philosophy of this great America is based upon the imagination and fumes of fancy that the American laborer possess. These are the things which form romance, the new romance of the twentieth century.

The modern America has found a modern romanticism to cope with the last-living age which marks the period. The slaving industrialist is the modern Sir Walter Raleigh!

## The Sheltered Life

The much quoted phrase of "Th Rubaiyat" serves admirably in speaking of the sheltered life of the college or university student.

"A Book of Verse underneath the Bongh,  
A Loaf of Bread, a Jug of Wine, and Thou—  
Singing beside me in the Wilderness—  
Ah, Wilderness were Paradise once!"

These four short lines bespeak the limited contingencies which hold the student to his or her task in preparation. The fact remains, preparation for what? The four, short university years pass like a sweet dream soon after the realities of life shatter the illusions of youth. We sit, for a while, imbibing the sweet nectar of knowledge and youth, enjoying the companionships of sheltering friends, and then, out of the shelter into years of cold reality. Our task is to so govern our lives that they may be years of romance as well as reality. For four terms, friends, parents, and guardians have taken the brunt of life for us, and this sudden evacuation sets upon us like the shock of a cold shower. College life has made us settled in our

fancy and protected us from the world outside; we have become provincial and negligent of the social affairs of the outside classes; we have lived in a small, happy sphere of our own. It now becomes the task of every college senior to prepare himself or herself for the shock of a new acquaintance with life, without the kindness of friendship and understanding.

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

Music, I think, is generally accepted as one of the arts, ranking with painting, sculpture, dancing, literature, and so forth. The only justification for the existence of an art as such is, I believe, its ability to convey beauty in some form, its faculty for appealing to the aesthetic sense. To me, music possesses, above all else, this power.

Now, in every one of the arts there is the good and the bad; or, rather than those terms, one might say the "deep" and the "shallow." In drama and literature we have the writings which convey vital, thoughtful ideas, poetry (the nearest kin to music, I think), which presents the "deepest" or most profound expression of beauty, and we have, also, writings in a lighter vein which do not call forth any great depth of thought either in the reading or in the creating. The same thing is true in music; we have all the degrees of depth and feeling from the great music-dramas of Richard Wagner down through the writings of Victor Herbert and the modernists such as Debussy and Ravel and the impressionistic George Gershwin to the composers of the shallowest or lightest type of music, such as Irving Berlin and Cab Calloway. There are differences of opinion among music lovers as to just where to draw the line between good and bad music; but I think that it is generally understood that by good music, we refer to the works of the great masters: Wagner, Verdi, Tchaikovsky, Massenet, Gounod, Bach, Beethoven, Liszt, Haydn, Brahms, Handel, Chopin, and others. The music produced by each of these men is comparable, and in my opinion, far exceeds in ability to convey beauty and feelings of other types, the works of the great sculptors, painters, and writers. It is not that I believe geniuses in the musical field to be greater than those in other fields, it is merely the fact that music, to me, is the greatest of arts. This results in my placing the works of Beethoven and Tchaikovsky above those of Corot, Rodin, and Holst.

Listening to good music, in spite of what America's masses seem to believe, may be one of the most wonderful, rapturous experiences a person can have. It may lift him to the very pinnacle of joy in one minute, and in the next, bring to him the most awful sense of tragedy. Through the beauty and expressiveness of music, a person may thrill to an unlimited variety of emotional experiences which he would otherwise miss. But all this is true only when the music is heard under the right conditions and when the listener is in the right frame of mind.

The average individual in this country today, I think, does not appreciate the best in music; and this in spite of the fact that, by means of the radio, good music can be easily heard with little cost and effort by the majority of the people. There are, I think, two reasons for this lack of interest: First, many people do not know what good music is, for the simple reason that they have never actually listened to it, and, second, a great number of the people who do listen to it, do so under conditions which do not permit its beauty to be grasped. Taking the case of the first individual, the one who simply does not listen to good music; the reason this person tunes in at another station the minute he hears anything not resembling jazz on his radio, is that he has been told that classical music is dead, slow, and uninteresting. And because he is in the habit of following the mob and letting others do his thinking, he never listens to good music, but is willing to allow follow the crowd in listening to jazz, which nine times out of ten, he doesn't understand either. The second case, the individual who doesn't listen to music under the right conditions, is the person who turns on his radio and leaves it on while he seeks other amusements; he picks up a magazine, a book, or begins a conversation with another member of the family, plays cards, sits down to write a letter or indulges in any one of a dozen other things which require a certain amount of concentration, and which, of course, make it impossible to really listen to the music. With the many broadcasts of really good music following the radio, as at present, this condition is deplorable. A radio concert by the Philadelphia Symphony, the New York Philharmonic or any organization which presents really good music should be made just as much of

an occasion in the household as it would be if the family were actually going to attend the same concert instead of hearing it over the air. Deems Taylor, well-known music critic and composer, even goes so far as to actually advise dressing for the radio concert in order to achieve the proper psychological state. This idea is probably a little extreme, but it serves to illustrate the point.

To get the most out of music, concentration is probably the most essential requirement. There should be, as is always the case in the ideal concert, no distracting noises, people talking, moving about, and so forth. In the case of a radio concert, the listener should, to get the best effect, sit at a little distance from the loud speaker; the volume should not be turned up too loud, but the music should just comfortably fill the room. It is a great help in the appreciation of the music before the broadcast and learn something about the pieces to be played and their composers. As time goes on, he will find that he has acquired quite a wide knowledge and surely a greater appreciation of the best in music.

As Sir Edward Elgar said, "There is music in the air; music all around us. The world is full of it, and you simply take as much as you require." Let us hope that more people will come to "require" more of this greatest of all arts as time goes on. I shall never get enough . . .

## Seibert Hall Echoes

I'm very sorry, Mister.  
If I stepped on your toes,  
But, really I'd much rather  
Just "sock" you on the nose!  
Just in keeping with the season and trying to please some of the people occasionally and not end the Echoes poetically.

The experiment of having the dance in the dining room seemed to be successful—a sliding time was had by all—and there was plenty of extra help—when the furniture was moved out. Speaking of moving reminds me of the annual contest on Thursday night, and since the writer of Chatter reminded me verbally to include it in this offering, I insert it for his benefit, but it was removed before we had a chance to view the handiwork—By 12:45 the kitchen force found themselves preparing to finish up alone—that is almost done. One co-ed remained to assist the waiters, or should I make it singular? People arrived to work in various costumes so that the cleaning could almost be called a fancy dress ball—with punch and everything. A dining room—presto—a ball room—chango—a dining room once more.

Seibert critics seemed disappointed in "Dinner at Eight," but some did report favorably. Recent statistics give more favorable comment on "Little Women" when the well-known Selingsgrove is just matter of time!

Fresh women are being fatted and feted at the indoor rush parties. The last one is Friday—and then—exams! Better arrived back Saturday afternoon—Welcome!—The "troublemaker" is on exhibit at all times.

## POET'S CORNER

### THE SEARCH

In vain I sought—it wasn't there,  
Yet others found it. Everywhere  
Were signs of joy and mirth, but still  
My heart, through eyes that drank their fill,  
Stared on and on, as though it meant  
To feel the source of beauty's being.  
I'm told, "You bar yourself from seeing."  
Beauty's source is nature's mold—  
What could beauty more behold?  
I say, "That's true, but there is more—  
Love has beauty's source in store."  
—John Trumbull.

## Y. M. C. A. NOTES

Sunday afternoon "Y" meeting on January 21, 1934 was led by Luther Boyer with Robert Clark leading in prayer. The chapter of St. Mark verses 1 to 8 inclusive was read as a scripture lesson. The topic for study was "Choosing One's Life Work." This was discussed in connection with the life of Jesus as well as the circumstances which confront young people today. Harold Rowe will be in charge of the session next Sunday afternoon.

## CHATTER

After making that crack about "Girls Dormitory Vibrations" last week, I consider myself lucky to be back on the job. Outside of a broken nose, a black eye, and an arm in a sling, I am all right.

This week I should like to dedicate a popular hit song to one of our less optimistic juniors: "Did You Ever See a Dream Girl Walking?"

I was going to dedicate "Gather 'Lip Rouge While You May" to our smoothies Junior, but I feel that it is out of place at the present time.

A certain co-ed on O. D. S. should have had a little nerve tonic on Saturday night instead of—pardon me—that was censored.

A certain Sophomore from Bond and Key should join the Dumbest Hook and Ladder Company. I hear that he has a weakness for putting out fires.

Several members of Hassinger have been bragging about receiving big bids to the dance last Saturday, and taking none of them. Believe nothing of what you hear, and only one-half of what you see.

Exams coming, and note books due. Now is the time to make up your alibis in case you get a D or an F.

The new posters for the "Whirl" are blazing forth around the campus, and how they blaze. Pardon me, is that a 2 or a 7 in front of the 5 in the admission column?

The radio reception in Hassinger has been terrible lately, because one of our Freshmen has a curling iron, so I've been told.

Coach Ulery has a new hobby. He purchased a movie machine and wanted to film a few action pictures, so he staged a little show back of Hassinger. Boy, if that one flistic ray had only lasted for two more rounds.

Latest—a heated battle for a certain seat in the dining hall. Both contestants reported doing well with a lot of hard words and not air wasted on either side.

There seems to be a new code in Seibert Hall concerning phone calls. "Never bother to call another girl to the phone unless she is your sorority sister."

Why does it take so long for the girls to get into the dining hall at mealtime? And then they remark about the foods being cold. It is no use to try to explain the unexplainable.

As a parting jab let me say that the poem in my rival's column is not so good according to meter. I might suggest a peace conference as they are at the present time. As there is no issue next week, I shall not be around to heckle you until later.

Here's wishing you more and harder exam questions.

PUCK II

—S—

## SKIPPY

Yes, Ma'am. It's me.  
I see where everybody is thinking and speaking very poetically nowadays. Is it because the weather is just like spring? I heard a good poem entitled "Gwendolyn," but I forget just how it went.

Sun bathing is becoming increasingly popular with some of Hassinger's residents. I saw Yon Kandy and Ricardo in particular absorbing some of Old Sol's vitamin "D's." A certain young man in Hassinger received a very artistic haircut, the back of which somewhat resembled the coastline of Rhode Island.

Soccer still reigns supreme. To see the male residents of S. U. play on Saturday afternoon you would think they had nothing to do but kick one another on the shins.

Say! I see Puck is still dishing out the dirt.

Have you ever heard Ernie Hess howl when he has a "Charley Horse?"

Well, I gotta say,

So Long.

—S—

## OMEGA DELTS GIVE NOVEL RUSH PARTY

(Continued from page 1)

was unable to attend.  
With the cry of "the police!" by a helpful bystander, the hilarity was abruptly ended amid tale and the clutter of balloons.

The guests were Mary Barnes, Wilhelmina Moody, Eleanor Jones, Arlene Marshall, Margaret Carson, Barbara Burns, Evelyn Jansen, Helen Wentzel, Louise Hartzell, and Mary Catherine Taylor.

### Lying in Judgment

A "father asked a son what made him lie." He said so long.  
"on busied," said he, "in hearing 'cou' every morning. Industry advised me to get up. Sloth he lie still; and they give twenty reasons for and against. It is my part to hear what is said on both sides, and by the time the case is over, dinner is ready."

## THE GRAB-BAG

### Places

Some places always remain dear to us, because of some satisfying thing that has come to us at that place; or because of some thought, full of meaning which burst upon us there. Places like tines and fragrances serve to recall something once precious and again we have the same feeling.

There are several places in the vicinity of this campus like those described above.

First, there is the letter box. It is a symbol of hope and anticipation. It is a queen who has power over our personalities. Standing in front of her with what rapture we anticipate the contents of that hoped-for letter. Will that question be answered? What has that person been doing or thinking since the last letter? That moment, though perhaps we don't realize it, is almost as valuable as the letter itself.

Then the 10-30 trolley from Sunbury. What humor it contains. The various rhythms, movements, and progressions erase the blank face of the usual passengers and we see the mortals without their grease-paint.

There's the girl who chews gum continually; the old man with the wad of tobacco in the side of his mouth, who gives his version of what this country needs; the various dates going to the show, the spoiled child who contributes his ideas to everything; the fat lady with the tiny shoes which he merrily teases (we know she expects to have celery tomorrow; for it has dripped water on our stockings several times) and finally the conductor who tries to get his little group to its destination amid bumps and stops.

Perhaps we should have mentioned the drug store at the beginning. The drug store is the first friend one makes on coming to school. Amid gulps of "flappers' dreams" and sips of "cokes" what philosophy, psychology, bits of human nature, gossip, and expansion of the ego take place.

Of course we could mention the cemetery, and probably the bridge, but just now they are not appreciated to a great extent.

But we forgot. That little candy store with the jars of red and white peppermint sticks, lemon drops, and sheaths of licorice, with its lemons and oranges and the sweet person who is its guardian, makes us remember that little store on the way to school where we learned something of economics, how to get the most for a penny.

If we take some time to think, places may become interesting.

## Honor Science Society Holds Regular Meeting

The regular meeting of the Honor Science Society was held in the lecture room of Steele Science Hall on Tuesday evening at 7 o'clock.

President Erle Shobert gave a most interesting talk, "The Story of Chemistry" in which he traced the development of chemistry from early times to the present and emphasized the importance of future development in this field.

Tea, prepared by an unusual laboratory method, and cakes were served to faculty members, their lives, and members by scientists of the younger generation: Peg Corson and Eleanor Jones.

## With Our Advertisers

Editor's Note: It is the policy of this paper every week to feature one of its advertisers. This is the eighth of the current series.

In 1912 Mr. Herman started a hardware store in Selingrove, which is now known as Herman and Wetzel's. They have always been loyal supporters of the college, THE SUSQUEHANNA having the honor of featuring their ad for many years. Mr. Herman is one of the old graduates of S. U., graduating in 1899. He and Professor Brungart played football together. After graduating he taught school in Salem and McClure before entering his present business. He was also one of the advocates of the alumni Gymnasium, which was destroyed by flames recently.

Herman and Wetzel carry one of the most complete lines of hardware to be found in any store of its kind in this section. If you want anything in that line and cannot find it anywhere else try Herman and Wetzel's, who carry all lines of paint, farm supplies, plumbing and heating supplies. Now that spring is just around the corner they carry a complete line for the fisherman, anyone who likes to fish and doesn't know where to go should ask Mr. Herman as he is quite an authority on this well known sport. We add to go see him when trout season arrives.

## SORORITY NOTES

### S. A. I. Notes

Misses Beatrice Genter, Margaret Ide, and Mrs. Richard Shade attended the Inter-sorority Rush dance on Saturday night.

Miss Peg B. Williams spent the weekend at her home in Mount Carmel.

Miss Mary Jane Kehler sang a solo at the morning service of the Methodist Church on Sunday.

Misses Margaret Williams, Ruth Blair, Betty Shippe, Dorothy Turner, Grace Drew, and Marcella Chaya attended the Kreiseler concert in Harrisburg, January 18.

### O. D. S. Notes

Miss Daisy Reese and Miss Helen Hall spent Sunday at the home of the former in Audenried, Pennsylvania.

Miss Ethel Weikert, of the class of '29, an alumnus of Omega Delta Sigma, attended the dance on last Saturday night.

We were pleased too, to have Miss Marjorie Phillips, an alumnus from the class of '30, present at the rush dance.

## AMUSEMENTS

On Wednesday night the Stanley has the opportunity to present the great Fox production of "The Power and the Glory," featuring Spencer Tracy. This is an evolution in moving pictures because the scenario runs from old age to youth, instead of youth to old age. Jean Harlow and Lee Tracy will entertain you at the Stanley on Thursday evening in "Bombshell." You can be sure of an evening of hilarious entertainment because of the humorous incidents of a movie star's rise to fame. Stanley presents another musical review on Friday evening with many songs and dances. See James Dunn in "Take a Chance," a Paramount feature.

"Wild Boys of the Road," featuring Frank Darro, in a First National production. This feature is a real Saturday feature, showing the sad state of affairs produced by the great depression. A story especially produced for youth.

## ALUMNI NOTES

Miss Mary Welmer, '28, is at present a member of the graduate school of Columbia University. She plans to take the Matriculation Examinations for her Doctor's Degree in the spring.

Dr. Lloyd Stahl, '27, and a graduate of the Jefferson Medical School in 1932, interned at the Allentown Hospital and has been made chief resident physician at the hospital. Dr. Stahl expects to open his own practice some time during the summer.

Mr. William Bonney, '27, will finish his medical work at the University of Pennsylvania after the completion of his work.

## RUTH PLUMMER PRESENTS SLIDE-TALK AT MEETING

On Monday night at seven o'clock, January 15, the French Club held its monthly meeting in the Social Room of Seibert Hall.

The meeting was opened by Miss Ruth Plummer, president of the club. After the minutes were read by Miss Mary Spiggle, secretary, the "Marseilles" was sung by the group.

The primary feature of the evening was the projecting of slides showing picturesque views seen while touring through France by the route "des Alpes." Monasteries were seen, crumbling castles, and little villages which clustered on the hillsides. There were also tunnels, precipitous roads, and crooked by-ways.

Miss Plummer supplemented each scene with an explanatory paragraph in French.

Suckers, pretzels, and chattering in French concluded this interesting meeting.

## Ivan Faux Feature At Sorority Dance

On Saturday night, January 20, the Inter-Sorority Council held their annual rush dance in the Horton Dining Hall.

The dining hall proved a satisfying substitute for the gym as the setting for the fete. After several dances the corn meal erased the floor of our familiar dining room to that of a dance hall and the side lights were very effective. The alcove was attractively arranged with card tables for the convenience of those who preferred a game of cards to an evening of dancing.

The Freshmen and the new girls were delighted at this opportunity to join in a social function of the college and with the upper classmen helped to make it one of the largest dances of the year.

"Toastwiches" were served in the Social Room of Seibert Hall for those who preferred to remain in the building.

The music was furnished again by Ivan Faux and his music makers.

The programs were the traditional orange and maroon and the seal of the University was on its cover.

The patrons and patronesses were Dr. and Mrs. G. Morris Smith, Miss Naomi K. Hade, Mr. and Mrs. A. D. Gougler, Mr. and Mrs. Leroy Stetler, Mrs. Martha Dodson, Mrs. Carrie T. Aikens, Mr. and Mrs. George Barnes, Dr. and Mrs. A. W. Ahl, Miss Mary K. Pottelger, Professor and Mrs. Donald Hemphill, Professor and Mrs. Percy M. Linebaugh, Miss Emily Sweetman, Dr. and Mrs. William Sadler.

## Influence of the Fine Arts on Our Daily Lives

PROF. E. EDWIN SHELDON

"Business men drive their business activities to such extremes as to narrow their thinking to their daily routine. Surely it is not conducive to well-rounded life to carry one's business to the breakfast table, through the day, back home to dinner, and then into the evening's association with friends, actually finding the discussions on music, painting, sculpture or architecture so foreign to one's thought as to be distinctly bored by ignorance of such cultural subjects.

"One often hears it said by those who think well of themselves 'I do not attend opera or symphonic concerts because they are over my head.' To one to whom it is addressed is generally interested in art and cannot help thinking: 'Why pity the individual who is so narrow minded as to be unwilling to allow himself to be exposed to some of the inspired thought of a Beethoven or Wagner in their epoch making compositions?' Exposure to the best in any art is bound to bring out the finer sense of life's values.

"The musician who does not converse intelligently on the topics of the day, on the latest scientific or philosophical trends, or perhaps on the adaptability of religious practices to modern life, is dubbed an impossibility in modern society. The same reasoning is applicable to those who permit their lack of knowledge of the fine arts and the influence accruing therefrom to relegate them to an uncomfortably obscure corner in any assembly.

"I once heard a dealer in orthophonic records say that it was of interest to him to note the improvement in musical taste among day laborers who had no opportunity for study, when they gradually changed from cheap, trashy music to a better grade and finally to the recognized classics as they made their weekly purchases. The best in art will speak for itself if we possess open minds.

"It is not necessary that we shall understand the technique of the artist who painted the picture which comes under discussion but rather that we appreciate the thought of the artist which caused that figure to stand forth on canvass through right use of lights and shadows.

"It was my privilege some years ago to observe a poorly clad old lady whose worn clothing was covered by a shawl, standing before an oil painting in a metropolitan art gallery. The scene on canvass through right use of lights standing on her doorstep, bidding farewell to a son who was leaving for the war. This old lady stood before the painting for some time in silence, then brought out a handkerchief from beneath her shawl and wiped away some tears. The thought expressed on that small canvass may have brought from her mere heartfelt sympathy or she may have recalled a similar scene in her own life, but surely the artist by his art lifted this poor soul out of her

present loneliness to thoughts of others and gave her some comfort.

"I appeal to the thinking and influential people of our country to keep the study of the fine arts before the children of our public schools, to make art appreciation more evident in our so-called 'Liberal Arts Colleges,' and finally to bring art in its various phases into our American homes, thereby making them more attractive to our young people who spend too much time away from under the parental roof.

"Honest business dealings and the refining influence of the FINE ARTS should go hand in hand, thereby producing a better citizenry."

Preparation for war is a constant stimulus to suspicion and ill will—James Monroe.

## German Society Hears Talk on Passion Play

"Deutsche Verein" held its regular monthly meeting Monday evening, January 15, in Steele Science Lecture Hall.

The meeting was in charge of Prof. Gilbert, who gave a short lecture on "The Passion Play and Its Development"; in which he traced the passion plays of today back to the ninth century with its Osterstriepe or Antiphonal singing, later the Osterfeier and still later the Osterstriepe or Easter celebrations and plays in the church, to the Passion Play at Oberammergau.

To further our interest in the subject, slides of the characters and scenes from past plays were shown.

This topic is of interest to many people at this time because the Passion Play is being given this summer at Oberammergau, celebrating the three hundredth anniversary of the event, the freeing from the plague, which brought about the "Passion Play at Oberammergau."

—Today there is more sentiment and brotherly feeling manifested in the world than for many generations.

**Both Ways**  
"Does social reform really help the workers?"  
"Yes, and sometimes it works the helpless, too."

**It Seems So**  
"When the housewreckers tore down Smith's house, they found a collar-button he had lost 11 years previously."  
"I'd think it would have been cheaper for him to have bought another collar-button."

### SUSQUEHANNA BULLETIN FOR 1934-1935 ANNOUNCES 2 OUTSTANDING CHANGES

#### Method of Paying Tuition for Additional Hours and Requirements for Admission to Business Administration Curriculum Changed

Susquehanna University Bulletin for 1934-35 has recently been released. The Bulletin, as usual, announces the register for 1934-35 and arrangement of courses for 1934-35. There are, however, two outstanding changes in the new catalogue, the first being the matter of tuition. Whereas formerly, extra tuition for additional hours was paid at the end of the semester this fee of \$5.00 per semester hour will be charged for each additional hour above the total number of hours required for graduation, or in case of withdrawal from the institution prior to graduation, above the total number of hours normally required up to the time of such withdrawal. The extra tuition is to be paid on or before the time of graduation or at the time of withdrawal before a transcript or an honorable dismissal may be issued. The other prominent change in the new catalogue concerns requirement for admission to the Business Administration Curriculum. Formerly, one unit of Science and eight electives of further work were included in the requirements, whereas now the requirements are similar to those of the Commercial Education Curriculum which does not require Science and raises the number of electives to ten.

There have been several other minor changes in the arrangement of courses. Two extra courses have been added in the Education Department—"The Teaching of Science" and "Educational Administration," which deals with the organization and administration of the public schools. In the French Department a course in French Phonetics has been added.

### Professor Stevens Bucknell Soloist

#### Conservatory Professor Only Member of Program Not Connected With Bucknell

Professor Frederick Stevens will be guest soloist at the Guest Night of the Susquehanna Branch of the Association of American University Women to be held at Hunt Hall, Bucknell University on February 12, under the direction of the Fine Arts Committee, of which Mrs. Paul J. Stolz is chairman. Other numbers on the program include selections by the Melrose Quartette, the Bucknell String Quartet, and piano and violin solos by members of the faculty of Bucknell University. The music is composed of the German works of the romantic period.

Professor Stevens is the only person on the program not connected with Bucknell University. His program is as follows:

1. Freundschaft Vision.
  2. Traum Durch die Daemmerung.
  3. Alleenleben.
- These compositions are all by Strauss. Mrs. Stevens will accompany him on the piano.

### Susquehanna Films to Be Exhibited Friday

Campus views of Susquehanna and interesting scenes of its environs will be shown in motion pictures by Luther D. Grossman, alumni general secretary and athletic director, in Selbert Hall Friday evening of this week at 6:45. The 4 reels will depict campus activities, commencement week, May Day, athletic and alumni showings of the Snyder-Middlesex Park in the west-end of Snyder county. No admission will be charged.

### Notice, Seniors!!

Seniors are requested to remain a few minutes after chapel on Thursday morning, February 15. The president urges that every one be present at this important class meeting.

### Leaders Selected For Campus Whirl

#### Rehearsals Begun on Sketches of Campus Life; Hasting Hall Cooperates With Fraternities

As Friday, March 2, draws closer, the Pan-Hellenic producers of "Campus Whirl" announce progress in songs, sketches, costumes and backgrounds.

From Victor Marietta comes the announcement that songs rich in campus atmosphere have been received from the students, while Dan Beattie, former director of the George Washington University musical club, has contributed a selection of musical numbers.

Louise Mehring has assumed the difficult task of costuming a show of sixty people. Vivid coloring, contrast, and the quest for the different will feature her work. Miss Mehring, it will be remembered, was last year voted one of the two best-dressed girls on the campus. Her finesse at costuming and Josephine Pifers backgrounds are expected to add much to the production.

Up to date, no definite announcement has been made concerning the cast. However, Miss Boeder has already begun rehearsals on a dance fantasy number. More rehearsals will get under way this week, and a definite announcement concerning the entire cast will shortly be made.

Every effort is being made to cram the production with genuine campus atmosphere. It is to be a composite picture of college life, with plenty of humor, beauty and originality.

### Teaching Students Offered New Course

#### University of Pennsylvania Dean Ex- plains New Educational Plan to S. U. Registrar in Letter

Members of the graduation class of Susquehanna University who desire additional preparation for the teaching profession will be interested in the contents of a letter which the Dean of the University of Pennsylvania has requested the Registrar of Susquehanna to bring to their attention. The plan, as outlined in the letter, is in effect, a five year program. Provision is made for the admission of graduates of accredited higher institutions to the fifth year, provided such applicants have acceptable personal qualifications and scholastic records.

Students who have met certification requirements may become candidates for the degree of Master of Science, in Education at once; those who have not met such requirements may be admitted to the fifth year class, complete requirements, for the certificate and a considerable part of the requirements for the degree of Master of Science.

The School of Education provides curricula for the preparation of teachers of academic subjects in secondary schools, physical education, teachers of Commercial Subjects, Supervisors of Art, Supervisors of Music, Elementary teachers, Kindergarten teachers, and Vocational teachers.

Kappa Phi Kappa, Phi Delta Delta, Kappa, Pi Lambda Theta, Men's Education Club, and Women's Education Club number among the professional clubs and fraternities which have been established within the School of Education.

Further information regarding the teacher-training program may be obtained by addressing J. H. Minnick, Dean of the School of Education.

### Freshmen to Have Busy Week at Greek Smokers

This week the campus fraternities will hold their annual smokers at the respective houses. The Freshmen guests will have a real treat in store for them because this will be a glimpse into the more intimate life of the fraternized college groups. In addition to that, a splendid program has been arranged by each fraternity for the entertainment of Freshmen. The smoker week opens on Monday night at Phi Mu Delta, Tuesday night at Epsilon Sigma, Wednesday at Phi Lambda Theta, and closes at Bond and Key on Thursday night, following the Star Course number.

### GYMNASIUM PROJECT GUARANTEED IN ANNOUNCEMENT BY PRESIDENT SMITH

#### Adequate Athletic Facilities for Fifty Years Is First Step in New Million Dollar Building Program Announced Late Yesterday

#### COSTUME MISTRESS

ANNA LOUISE MEHRING

Costuming the first "pan-hellenic" musical drama is the task of Miss Mehring. Her taste in this field is one reason that ticket sales for "Campus Whirl" are increasing. She is a member of the junior class in the business department. This talented person is a member of Omega Delta Sigma sorority and was selected last year as one of the "best dressed women on the campus."

### Dr. G. Morris Smith Names Committees

#### New Faculty Committees Formed to Consider Questions of College Or- ganization

President G. Morris Smith has announced a number of new faculty committees formed to consider pertinent questions of college organization and to study such educational items as the divisional organization of the curriculum, the object of church colleges, the comprehensive examination, and the general survey courses.

The committee in charge of the divisional organization of the curriculum is composed of Dr. A. W. Ahl, Dr. Charles Lease, and Professor Frederick Stevens. The committee on the object of church colleges is comprised of Dr. T. W. Kretschmer, Dr. J. J. Woodruff, Mr. Russell Gilbert, Dr. John J. Overbo, Mr. G. N. Wood, Dr. Paul J. Houtz, and Mr. L. D. Grossman. The committee on the comprehensive examination is composed of Dr. W. A. Russ, Miss Naomi K. Hade, Dr. Paul Boeder, Dr. John J. Houtz, and Miss Thelma Arnsperg. The committee on general survey courses consists of Mr. D. I. Reitz, Dr. Arthur H. Wilson, and Mr. E. M. Brungart.

This selection of faculty committees represents a part of the academic study behind the educational program which is progressing at Susquehanna, and which includes four new buildings and an increased endowment.

### Milton Pastor Speaks In Chapel Wednesday

On Wednesday morning, February 7, the Susquehanna University chapel was privileged to have as their speaker the Reverend Clair James, who was graduated from the Susquehanna Theological Seminary and is now a pastor in Milton.

The theme of his address centered around cheerfulness and good will. His well chosen and appropriate text, "A merry heart doeth good like a medicine; but a broken spirit drieth the bones," was taken from the seventeenth chapter of Proverbs.

Values were gathered from his words which will serve as stepping stones to every one as they proceed to build their mansion of life.

Susquehanna University will be the proud possessor of a new gymnasium with adequate facilities for fifty years, announced President G. Morris Smith and Senator Charles Steele, late yesterday. This is the first definite statement in regard to the one million dollar building project which passed the Board of Directors at a recent meeting.

According to this official statement the new athletic plant will be located opposite the Crusader Quadrangle and the power plant. Work on the new project will be started as soon as weather conditions permit. The definite plans for the construction and the blue prints have not yet been made known for publication, but this quick action on the part of the administrative powers of the university is proof that Susquehanna will not long be without a gymnasium. A new and larger structure will be found in place of the plant which was recently destroyed.

The million dollar building project calls for \$500,000 for the initial building program with the remaining \$500,000 for maintenance of the structures. This policy will guarantee adequate and modern provisions for the improvement of our campus.

The gymnasium is the first step in the new program with a new classroom building to replace Gustavus Adolphus and a new building to house the Conservatory of Music, as well as an addition to the Library. This program will easily take care of the building needs of Susquehanna for the next fifty years.

This project offers us a peek into the future of Susquehanna. At a recent chapel service President Smith took the opportunity to explain to the student body what the final effects of the program would be. The architect's plans call for a campus built on the outline of a quadrangle with a multiplicity of walks and drives, many shrubs and trees, and newer and larger buildings. Such a plan necessitates the replacing of Gustavus Adolphus and the Conservatory. The campus welcomes the new structural plan for educational improvement.

With the erection of a new gymnasium the university will remove a long felt need. The Alumni Gymnasium, though adequate for use of partial gymnasium work, made no provision for the use of coeducational gymnastics and had no adequate opportunity for enlargement. Athletic competition, though greatly hindered, is progressing in an effort to supplant the loss of the Alumni Gymnasium. The campus awaits the arrival of the new and enlarged athletic program.

### Susquehanna Alumna Dies At Gettysburg

#### Mrs. Ralph Witmer Succumbs Follow- ing Auto Accident Last Week; De- ceased Popular in Local Circles

Susquehanna University extends to the family of Mrs. Ralph Witmer sincerest sympathy in their bereavement through her death, which occurred on the morning of Sunday, February 11, in the Warner Memorial Hospital at Gettysburg. Death came as the result of injuries received in an automobile accident four miles north of Gettysburg, on the morning of Friday, February 2.

Mrs. Ralph Witmer, nee Sara Catherine Rine, was one of four children of George S. and Harriet Muller Rine, formerly of McKees Hall Rine. Her father owned three farms near McKees and was also a merchant interested in the canal traffic by which produce was sent from this vicinity to the cities. His storehouse on the canal served as the distributing centers for the crops of the local farmers.

Mrs. Witmer graduated from Susquehanna University in 1914 with a Bachelor of Science degree. Following graduation she taught Latin for one year.

## Snowmen!

Snowmen are built for a day . . . and then swift destruction by the rays of a noon-day sun. A snowman is built hurriedly in an attempt to present something for only the present. It is formed without precision or without forethought and the result is disastrous to the structure.

E. M. Forster, novel critic, has classed students into two distinct groups. The genuine student and the pseudo-student are as contrasting as a "snowman" and a live man. The pseudo-student glimmers for a while in the reflected sun-light of higher learning and then passes into quick and sure oblivion. The genuine student may not glimmer as brightly as his "false" brother, but he will last, outlive, and out-perform the pseudo-student.

The pseudo-student may be classed as the "better" student during his school days because he has the ability to grasp quickly, but not comprehensively. The genuine student may be more slow to learn, but is always more retentive. The ability of the real student is a lasting, static, quality, while the ability of the pseudo-pupil is a purely relative, unstable, and unreliable source of knowledge.

Socrates once said, "Knowledge is virtue." This great philosopher did not mean that a sight or appearance of a fact or facts was knowledge. He constructed his statement to presuppose the appreciation and the consideration of the fact or facts presented. The pseudo-student merely marks the appearance of the fact, but the genuine student appreciates, considers, and delights in each fact as a new approach to truth. The world is filled with pseudo students . . . few genuine students appear. Leaders in every line of endeavor are the few that have the retentive, appreciative attitude towards knowledge.

The "genuine" approach to knowledge is acquired through a desire to delve into the depths of a cluttered gathering of facts and come to the surface with a truthful conclusion. To be able to assimilate material without the ability to classify and find truth is a mark of "pseudo" complex. The pseudo student usually has a wealth of facts on the tip of his tongue, but lacks the originality to draw a right conclusion . . . the "genuine" student grasps the same facts, in the same manner, but has the systematic outline with which to condense and conclude his survey.

John Stuart Mill, the father of logic, has produced two types of logic as an aid to aspiring thinkers in drawing truth from a mixture of facts. The deductive method and the inductive method are both applicable to truth seeking. The "genuine" student uses both methods in determining his results. The "pseudo-student" merely nibbles the end of the bait and is often caught in the trap of indigestible facts. To see life and see it whole is the effort of every real student . . . the "pseudo-student" is blinded by the complexity of swiftly moving facts which he grasps for a short time. To be "genuine" is the mark of the well bred college man or woman. To be "pseudo" marks the commoner and the follower.

## A Typing Lesson!

The first real lesson a student of typewriting receives is this statement, "Now is the time for all good men to come to the aid of their party." This sentence is a valuable asset in teaching the pupils the keyboard of the office machine. It fixes in the minds of the students the placement of practically every letter on the keyboard. We are not concerned with the technical value of this sentence, but rather with the sentiment it portrays.

In politics the party is the central motivation of the entire political machine. The sentiment of this statement throws this responsibility to the capable and good men of the party. In university life the university is the motivation and the administration and the student body are the component parts on which the responsibility of the motivation falls.

The administration has recently proposed a building program for the betterment of the university of which they are one part and you and I are the other part. "Now is the time for all

good men to come to the aid of Susquehanna" . . . repetition and parodization strengthen the aid statement rather than weaken it. Just as the first statement is the keystone to politics, just so the second statement is the heart of a larger and more influential Susquehanna. We are all responsible for the welfare of the educational advantages which is instituted in the university and with this responsibility on our shoulders we face the task of construction and reconstruction. The recent loss has turned from sour to sweet in our mouths and we see the blackened embers of a past rising in shining achievements of a brilliant future.

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

The popular tunes have come exceptionally thick and fast since last this column mentioned them, so, instead of commenting on each of them separately, I've graded them according to the way they've struck my fancy. See if our opinions differ:

Excellent—"In Other Words We're Through" and "The Wrong Side of the Fence." "Our Big Love Scene," "Orchids in the Moonlight," "You Ought to be in Pictures," "Love is a Dream," and of course, "Smoke Gets in Your Eyes."

Good—"Night on the Water," "Wonder Bar," "Temptation," "I Just Couldn't Take It Baby," "You're in My Power," "Lullaby in Blue," "Casa Loma Stomp," "Blue Jazz," "There Goes My Heart."

Fair—"No More Love," "Snowflakes," "Winter Interlude," "My Old Man," "Who Walks in When I Wake Up," "In a Shelter from a Shower," "My Last Year's Girl," "Let's Fall in Love," "Your Coffee in the Morning," "Like Me a Little Bit Less," "Love Locked Out," "Broken Dreams," "You Have Taken My Heart," "White Heat," "Boulevard of Broken Dreams," "Another Perfect Day Has Passed Away," "Dancing in the Moonlight," "Arlene," "Midnight On Main Street," "Sweetheart of My College Days," "Let's Spend an Evening at Home," "Got the Jitters," "You Took Advantage of Me," "It Looks Like a Beautiful Day," "A Thousand Good Nights."

Poor—"Throw Another Log on the Fire," "Little Women," "Over Somebody Else's Shoulder," "When We Build a Little Home," "Jimmie Had a Nickle," "This Little Pig Went to Market," "New Deal Rhythm," "Do You Miss Me Tonight."

A new American opera had its world premiere last Saturday at the Metropolitan. It is called "Merry Mount," music by Howard Hanson, director of the Eastman School of Music in Rochester, libretto by Richard Stokes. The story takes place in a Puritan village in 1625 and concerns a preacher, Wrestling Bradford, who, after struggling with temptation, finally sells his soul to the Devil. One of the scenes, that of Bradford's dream of the Hellish Rendezvous, offered a great opportunity for unusual music, and I think the composer made the most of it. In fact, all the music of this striking American opera shows Mr. Hanson as one of our outstanding modern composers. A great deal of the music consisted of choral work, the chorus acting as a sort of Voice of Prophecy. The effect produced was very pleasing and quite clever. The radio broadcast and description of this opera made one wish very much to be there and see as well as hear what must have been, to say the least, a spectacular production.

Lawrence Tibbett gave a most thrilling portrayal of the preacher, and the voices of Gladys Swarthout and Goetz Ljunberg were of course, wonderful. Next week, the Metropolitan will present the opera "Faust," by Gounod.

Apparently relying on the general public's lack of knowledge of all music other than jazz, the country's dance outfits are now playing a "new" ballad called "Do You Miss Me Tonight," which very much more than slightly resembles "Song My Mother Taught Me," by Dvorak.

Radio broadcasts are getting better and more elaborate all the while. On one program the other night, the occasion being the opening of the CBS radio theatre in New York, the following imposing list of Columbia stars microphoned for the nation's listeners: Edwin C. Hill, the best of the news vendors; Nino Martini, a lad that went from radio to the Metropolitan; the Colonel and Budd, the brightest of the funny boys; Rex Ewing, who sang of her "Harvest Moon"; Albert Spalding, who can play a violin; Fray and Braggiotti, a swell piano team; the Five Spirits of Rhythm, a new colored hotcha quintet; Alexander Woolcott, a very clever gentleman; Lucretia Bori, who needs no comment; Gertrude Nelsen, a singer of ballads, and the Eaton Dons. Besides this array of tal-

ent which came from New York, the same program brought Bill Crosby, Burns and Allen, Guy Lombardo, and Raymond Paige from California. It's programs like these which make me a confirmed dial-twister.

As I write, Wayne King and "his incomparable music" furnish a background for my thoughts, such as they are; right now, the tune is "Carolina" from the picture of that name. And now, his theme, "The Waltz You Saved For Me."

## CHATTER

Once more your "pal" dips his pen in the proverbial writing fluid and essays to hold your attention for a few minutes on the events that have taken place during the time that has elapsed since the last issue of this most august weekly.

Two of the Philadelphia papers ran half-a-dozen pictures of our co-eds, including the Eskimo scene. I suppose that the sort of thing is being done, but it made "your truly" shiver.

Somebody must have read a preview on a new book concerning table manners. But there should have also been a clause in the same book providing for the suitable raiment for Sunday morning wear.

One of our K. D. P. co-eds was very glad that an issue of this paper was not printed on January thirtieth. However, good poetry lives through the ages.

Get out your leather lungs, Frosh. This week should prove very interesting with smoke flying from all corners of Fraternity Row.

I suppose that you are all satisfied with your marks. When I wished you more and harder exam questions several weeks ago, I surely hit the nail on the head. Some days you can't do a thing! Other days it's worse! Here is a motto for the typing students for the second semester, "Now is the time for all good men to come to the aid of the party."

The new waiters at the dining hall are strutting their stuff. The only worry that the diners have is that the waiters will be snubbed on the outside when it should be taken inwardly.

The Golden Locks of Selingrove Hall has moved at last to Hassinger. The only difference that this makes is that he sleeps and gets his mail there now.

The Seibertarians had better know their stuff next week. With the Freshman boys at smokers every night in the hall, perhaps the Profs will be a little bit lenient.

The local candy shops have announced a positive decline in the sale of candy for St. Valentine's Day in comparison with other years. Be prepared, girls. The paper kind of Valentine is very sentimental, but it isn't very fattening.

The S. and S. Transportation Company has a bump at times. In spite of its jolts and bumps it lengthened the dates of several Seibert girls on Saturday night, when the ten-thirty car came in contact with a cigarette butt and jumped off the track.

It is understood that the new gym will be fireproof. This should eliminate the possibility of having to "grab your buckets."

What is the matter with the "Whirl" during the last several weeks? One does not hear much of it around the campus anymore. I suppose that in the near future the bally-hoo will burst again in all of its glory.

Enough of this idle prattle. Next week I may have a surprise in store for you. I intend to answer some of my fan mail.

Goomb ye.

Your tattler,  
PUCK II

## Y. W. C. A. NOTES

The Y. W. C. A. and Y. M. C. A. have arranged a very interesting vespers service to be held in Seibert Hall, Chapel, on Sunday evening, February 18, at 8:30 o'clock. Tsi-hsing Wang of Yunnan, China, a Christian leader in his native city and a graduate student at Bucknell University, will be the guest speaker.

A group of Bucknell students will also be our visitors on that evening. Townspeople, as well as students and members of the faculty, are cordially invited to attend this service.

## Y. W. C. A. NOTES

An unusual "Y" Hour was held on Thursday evening, February 8, when a group of girls gathered together for a discussion of the missionary work in India. Miss Isabella Horn led in the regular devotions and songs. Miss Mary Anna Cressman, secretary of the Y. W. C. A., read letters from Dr. Barbara De Remington, medical missionary at Guntur Hospital, India, and Miss Christie Zimmerman, a missionary at Rapelle, India. Both of these women are alumnae and former active Y. W. C. A. workers of Susquehanna.

## AMUSEMENTS

On Wednesday you can see the brilliant, new star, Lillian Harvey, in her first real artistic production, "My Lips Betrayed," an imaginative and capable vehicle for the freshness and daintiness which this importation from our sister country has to offer. Fox films have showed rare judgment in selecting Miss Harvey for the lead role.

Stanley has the privilege of presenting two well-known stars on Thursday night in "White Woman." Carole Lombard and Charles Laughton vividly portray the "blackness" of the unknown south. The stars are great, but the story is very old with the fresh touch of a new angle to the old, morbid south sea productions.

"Female," on Friday evening, at the Stanley, shows Ruth Chatterton in an entirely new and vivacious role. The old "career" story is done over and has the ability to portray the keen individualism which Miss Chatterton possesses.

The medical assistant, Charlotte Henry, in the Saturday feature at the Stanley, will be sure of a startling array of feature stars in such costumes that you can play a fine game of guess in trying to discover your favorite.

Garbo returns to the Selingrove screen on Monday and Tuesday of next week in her newest and most powerful picture, "Queen Christina" is a direct sample of the real Garbo in her most desirable haunts. She possesses a freedom never seen in her other pictures. John Gilbert remembers Miss Garbo noble aid in this picture.

## With Our Advertisers

Editor's Note: It is the policy of this paper to feature each week one of its advertisers. This is the tenth one of the series.

It is safe to say that nearly every fellow in school has been to Feher's Barber Shop at one time or another. Always when going to Feher's you will find the finest treatment and service possible. This has made many fellows in school their steady customers.

The Feher Brothers for a number of years were associated in the barbering business with their father, J. Newton Feher, where they learned their trade. These boys are known in Snyder and surrounding counties for their fine and courteous treatment and the high quality of their work.

Earl Feher, the youngest member of the firm, has recently been chosen chief of the local fire fighters, and has performed exceptionally well in this capacity.

We, the members of staff of The Susquehanna, invite all our readers to go to Feher's Barber Shop and try one of their fine hair cuts.

## Alumni Committee Holds Two Sessions

A meeting of the Alumni Committee was held on Saturday, January 27, in the social room of Seibert Hall. There were two sessions—one in the morning and one in the afternoon. The first session was held at one o'clock, with an intermission for luncheon in Horton Dining Hall.

The members of the committee discussed general alumni problems, particularly the emergency arising as the result of the fire. President G. Morris Smith met with them in the afternoon and joined in the discussion. Although no definite action was taken, the committee favored the progressive or forward-looking policy as presented by Dr. Smith and later adopted by the Board of Directors.

## EIGHT NEW STUDENTS ENROLLED AT S. U. FOR SECOND SEMESTER

For this second semester eight new students have been added to the enrollment of Susquehanna University.

They are Glenn Blair, Blair Mills; Kenneth Badger, Middleburg; Rose Fisher, Selingrove; George Kenney, Benton; Walter Van Nuy, Selingrove; Florence Taylor, Ashland; Pearl Mettú Austin; and Paul Mowery, Shamokin.

# Cold Wave Brings Hockey to Campus

**Ice Hockey Competes With Soccer in Popularity as Tennis Court Rink is Flooded and Frozen**

An opportune cold wave, coming as it did over the mid-year vacation, brought ice-hockey into competition with Mid-Winter Soccer as a popular recreation. The vacation was filled with contests in these sports for those who remained at college during the last week-end, and although not a part of the regular physical education schedule, some keen rivalry grew up. This has been carried on into the regularly scheduled soccer and hockey matches during the last week.

The various Class Soccer matches played last week were a regular series of upsets. In the Sophomore league, which games were played on Wednesday, the hitherto unbeaten Crusaders met their first defeat, at the hands of Captain Yaros' Eight Bulls, by the score of 6 to 1. The Aces, who had not won a single game, turned the tables on the Foochys, handing them a 5 to 0 shutout for the Ace's first victory.

There was also a surprise victory in the Junior Tournament when the Trojans won their first victory by defeating the Boyer Buckets 4 to 0.

The Freshman Circuit, the only one in which more than two games have been played since vacation, found the Mac Westerns, who had not yet broken into the Win Column, taking two games; as did the Green Onions. The Sophomores were undefeated the first semester, lost their two contests. The Tri-H-D's also lost two games. The Frosh scores were as follows:

On Tuesday, Feb. 6:  
Mac Westerns 7, Tri H-D's 0.  
Green Onions 4, Fascists 0.  
On Thursday, Feb. 8:  
Mac Westerns 5, Fascists 2.  
Green Onions 7, Tri H-D's 1.

The scores of all the games played in the second rounds of the various class tournaments have been considerably higher than those of the first round, showing that the teams are picking up in offensive strength and scoring punch.

In addition to the soccer tournaments the Inter-Class Ice-Hockey schedule has been getting under way, with John Von Kondy as manager. Four games were scheduled for last week, of which three were played Tuesday afternoon. A strong Sophomore team easily defeated the Juniors by the score of 7 to 2. The Sophs took the lead early in the game, and were firm in holding it to the end. Wednesday's game between the Freshmen and Seniors was a tight see-saw affair, first one team leading, then another. The Frosh finally won the game 5 to 4. There had been a game scheduled for Thursday afternoon between the Juniors and Seniors, but it was postponed until later, since neither class had a full team on the ice. The fourth game, Friday, between the Freshmen and Sophomores was won by the Sophomores by the score of 11 to 4.

The managers of the various class teams are as follows: Seniors, Jerry Schlegel; Juniors, no manager elected; Sophomores, James Grossman; Freshmen, William Amuller.

## "Campus Whirl" Ticket Sales

Reserved seats for 'Campus Whirl' are going faster than diagrams indicate. Therefore, get your tickets as soon as possible from any Epsilon Sigma member or one of the Seibert Ticket Committee. The latter is composed of the following: Misses Ruth Bergstesser (chairman), Sara Ulrich, Pauline Crowe, Margaret Williams, Ruth Cherrington, and Margaret Corson.

## Motet Choir Sings at Many Churches

**New Vocal Organization Under Baton of Prof. Frederick Stevens, Prepares Lengthy Schedule**

Susquehanna University Motet Choir, under the direction of Professor Frederick C. Stevens, made its initial appearance at the Reformed Church of Milton, January 28, 1934. Since then, arrangements have been made for the choir to sing at many different churches throughout Northeastern Pennsylvania.

The schedule for the choir is as follows:

February 13—Pre-Lenten Retreat—Seibert Hall  
February 18—Trinity Lutheran Church—Sellinggrove  
March 2—District Meeting of Rotary Clubs—Seibert Hall.  
March 4—Trinity Lutheran Church—Milton (morning); St. Mark's Lutheran Church—Williamsport (evening)  
March 9—Dedicator exercises at new Lutheran Church—New Oxford  
March 11—Trinity Lutheran Church—Huchsville  
April 8—St. Paul's Lutheran Church—Williamsport  
April 15—Trinity Lutheran Church—Hazleton  
April 22—Lutheran Church—Montgomery  
April 29—Lutheran Church—Lewisburg

—Patronize Susquehanna advertisers.

## Peace Exponent To Visit Susquehanna

Susquehanna University will receive on its campus during February 14, 15, 16, Miss Helen Clark Miller, of the League of Nations Association, New York City, who will present to the student body a message of world peace. Miss Miller, who was formerly headmistress of the Spence School for Girls, in New York, has taken active part in the work of the League in Geneva, serving as the alternate for Dr. Stephen Dugan on the sub-committee of Experts for the Instruction of the Youth.

During the World War Miss Miller was in France as the organizer and director of the training school for women war-workers carried on by the Y. M. C. A., and later chief of the women bureau of the Y. M. C. A. of the American Expeditionary Force in Paris in 1919.

Miss Miller is at present Chairman of the National Education Committee of the League of Nations Association and for years has been interested in the development of the study of international relations in the United States through the curricula of schools and colleges.

## S. U. Ladies Auxiliary Elects New Officers

Susquehanna University Auxiliary held its final meeting of the fiscal year on Saturday afternoon, February 3, in the Seibert Hall parlors.

At this time the following officers were elected: President, Mrs. W. G. Phillips; first vice president, Mrs. Fred Reichley; second vice president, Mrs. Arthur Brown; third vice president, Miss Ruth Herman; recording secretary, Mrs. Stuart Flickinger; assistant secretary, Mrs. George Seidel; corresponding secretary, Mrs. Harold Folmer; treasurer, Mrs. Charles T. Aikens. Miss Naomi K. Hade, retiring president of the auxiliary, was presented with a vase of roses. A gift was also given to Mrs. Phillips for her four years services as secretary of the organization.

## Plans Formulated for Lutheran Boys' Camp

At a recent meeting of the Boys' Work Committee of the Susquehanna Synod on this campus, plans were formulated for the Lutheran Boys' Camp, which encamps annually on the Selinggrove campus.

The camp period this year is announced for June 14 to June 22. Reverend C. H. Stein, of Lock Haven, is chairman of the committee.

Reverend Harry W. Miller, of Williamsport, was selected as director of the camp with Reverend Louis V. Lesher, Millheim, as his assistant. Other staff appointments are Reverend Harry F. Shoaf, Jersey Shore, athletic director, and Reverend E. L. G. Bottiger, Milton, music director.

The camp provides spiritual, educational, and recreational activities for a hundred boys between the ages of 13 to 15.

## Susquehanna Host to Lutheran Ministers

Dr. A. B. van Ormer, of Juniata College, Main Speaker at Pre-Lenten Retreat

Susquehanna University will act as host to a Pre-Lenten Retreat of Lutheran ministers, scheduled for Tuesday, February 13. The program will begin at 10 o'clock in the morning at Seibert Hall Chapel with preparatory service and holy communion. Following the university luncheon, the afternoon session will extend from 1:30 to 3:30.

Dr. A. B. van Ormer, professor of philosophy and education at Juniata College, will be the main speaker of the Retreat. The captions for his addresses are "Paul's Paradoxical Testimony," used in the preparatory service; "In Remembrance of Christ," used in the communion service, and "The Need for a Prophetic Ministry," used in the afternoon address. Dr. van Ormer is known as a religious leader and the author of "Ministering to Boys and Girls," a book concerning church services and sermons for young people. Professor van Ormer also is known for his conducting of Religious Institutes of moral and religious nature. Susquehanna University conferred upon him the degree of doctor of divinity in 1928.

Dr. G. Morris Smith, president of Susquehanna University, has been appointed chairman of the committee arranging for the Retreat, and is to be assisted by Rev. Walter Hanning, of Williamsport, and Rev. H. Clay Bergstresser, of Hazleton.

A special feature of the program will be the Susquehanna Motet Choir of fifteen mixed voices under the direction of Mr. Frederick C. Stevens, instructor in singing at the University's Conservatory of Music.

## New York City Educator Urges Stamp Collecting

Because history and the high-spots of current events are both to be read in stamps, George J. Ryan, President of the Board of Education of the City of New York, would encourage students to collect them. He stated to the Committee on Arrangements that he believes the "National Stamp Exhibition will do much to stimulate the interest of both adolescents and adults in the value and fascination of stamps."

Mr. Ryan admits further to "a great admiration for those who have the patience, perseverance and time to devote to collecting stamps. To me postage stamps reveal not only the spirit and character of the people of the country," he says. "At present the air mail stamps are particularly expressive of modern life."

"Stamps are creative of curiosity and interest which will carry the collector or student into broader, deeper and richer fields of study and experience. It is needless for me to point to the educational value of stamp collecting, particularly in the fields of geography, history and civics, and even in chemistry and art."

The educational advantage of stamp collecting has been recently recognized by the German school system when stamp collecting was made a regular part of the entire public school curriculum.

The Committee on Arrangements for the Exhibition, which is to be held at Rockefeller Center, February 10 to 18, are now planning to admit all school children under twelve accompanied by their parents or their teachers free of charge. Also partly with school children in mind, the exhibition hours have been set at 11 a. m. to 10:30 p. m. daily, with the exception of Saturdays, when the opening hour is 9 a. m.

Postmaster General James A. Farley will officially open the National Stamp Exhibition at 9 o'clock Saturday morning, February 10. Arrangements are being made for a national broadcast of the opening ceremonies.

Government recognition of the importance of the forthcoming Exhibition to all the several million stamp collectors in the country has been given in the order by the Post Office Department of a special issue of "Byrd Little America" stamps. These new stamps, six to a sheet in a special commemorative form, will be printed on the floor of the show by employees of the Bureau of Engraving and Printing. A postal sub-station which will use a special cancellation to read "National Stamp Exhibition Station, Date, New York, N. Y.," will be installed.

## S. U. Co-Eds Featured In Philly Newspapers

Seven of the co-eds of Susquehanna have been featured through photographs in the Philadelphia papers since

January 16. The pictures published were those of Miss Daisy Reese, who directed the Inter-Sorority dance and general sorority activities; Miss Josephine Pifer, who is the dramatic designer of the Campus Whirl, and Miss Edith Frankenhof, who are the student assistants of the Dean of Women; Miss Eleanor Brown, who received a straight A average in her first semester work, and Miss Mary Jane Kehler and Miss Ludlow Nichols, who appeared as enthusiastic ice-skaters.

## SUSQUEHANNA ALUMNA DIES AT GETTYSBURG

(Continued from Page 1)  
in the high school of Vineland, New Jersey, but returned to Pennsylvania the next year to teach in the school at

McKee's Half Falls, where she remained during 1915. In September, 1916, she began a period of instruction in the Sunbury schools which lasted until her marriage in 1922 to Mr. Ralph Witmer, a graduate of Susquehanna, class of 1915. From 1916 to 1918, during her teaching in Sunbury, she returned to Susquehanna to take up her residence in Seibert Hall, but when her parents moved to Selinggrove in 1918, she occupied their home on North Market street, where her mother and sister still live.

Following her marriage in 1922, Mrs. Witmer lived at Allenwood, where her husband held the office of cashier in the Allenwood bank. In 1925, Mr. Witmer was called to the position of treasurer in the Snyder County Trust Company, and his wife and he with their

small son, soon made their home at 310 West Walnut street.

Mrs. Witmer is survived by her husband, Mr. Ralph Witmer; her son, Ralph, Jr.; her mother, Mrs. Harriet Rine, and her sister, Miss Minnie Rine, all of Selinggrove. To them, THE SUSQUEHANNA joins with the University to express deeply felt condolences for their great loss.

Friends know the splendid character of their late neighbor, her indefatig-

able industry and love of her home and all that it stood for, her optimism of disposition, the priceless quality of her friendship, and her joy in helping others. Besides her many individual friends, Mrs. Witmer associated herself with the Omega Delta Sigma society at Susquehanna, the Order of the Eastern Star, the Trinity Lutheran Church of Selinggrove and the Queen Esther Class in the Sunday school of that church.

## Noted Guest Speaker Discusses Near East

Miss Helen Clarkson Miller, Member of Board of League of Nations, Visits Campus

Susquehanna University enjoyed a rare treat the past week, when Miss Helen Clarkson Miller, a member of the Board of Directors of the League of Nations Association, was a guest speaker on Wednesday, Thursday and Friday. For years Miss Miller has been interested in the development of the study of international relations in the United States through the curricula of schools and colleges. We feel that we were very fortunate in being permitted the privilege of hearing Miss Miller at three Chapel sessions and in five class groups. She gave us very accurate accounts of the League and its work in various countries. She has a charming personality and exceptional ability as a public speaker.

On Wednesday at the chapel service she gave a very enlightening and vivid account of the Near East, the Arab-speaking part of the Old Turkish Empire. Arabia once served as the great trade route between the East and the West, with its coast cities of Bagdad, Damascus, and Aleppo as the starting points of the great camel trains. She claimed that today Arabia is once again coming into its own as the crossroads of the world. This country has suffered so much at the hands of the Assyrians, Babylonians, Egyptians, Greeks and Romans, and even the Christians of western Europe in the Crusades, that it deserves more attention and understanding. She presented a very clear and colorful picture of the present situation.

On Thursday she presented an historical account of Asia Minor before the World War, when it was under the rule of the Turks. Later England, France, Germany, and Italy attempted to secure footholds there. Since the World War the League has been under the mandatory government of the Allies; England guards Iraq, Palestine, and Transjordan; France directs Syria and Lebanon. Religion seems to be the vital question in the Levant. The Moslem people seem to be forcing their will on the rest of the population. The League of Nations has tried to protect the religious minorities, i. e. Jews and various sects of Christians.

Miss Miller said, "If any kind of machinery can fall if the spirit is wrong, and the League of Nations must have the support given by favorable public opinion in the United States as an evidence of right spirit toward the great work which it is doing."

At the beginning of her discussion on Friday she referred to the relations between China and Japan today and also to the interesting account of the Manchurian question as discussed on (Concluded on Page 4)

## Eleven Basketeers Receive Varsity S

Three Seniors, Two Juniors, Four Sophomores, and Two Freshmen Awarded Varsity Letters

Playing but four games in an abbreviated schedule, cut short by the destruction of the gym last semester, the members of Susquehanna's basketball team were awarded letters recently. The Crusaders broke even in their four game schedule, winning from the Alumni and Elmsbethtown, and losing to Penn State and Bucknell.

The following men were awarded letters: Russel Eisenhower, Richard Fisher, Andrew Fredericks, Albert Hess, Steve Martinec, John Nageli, John Roach, Capt. Jerald Schlegel, Clyde Spitzner, Walter Wasiewski, and Daniel McKelvey, manager. Morgan Schreiner has been elected manager for the next season.

## NOTICE!

Those persons who have already received their tickets for "Campus Whirl" will have their money refunded in the near future by a member of the ticket sales committee.

## Fraternity Smokers Feature Magicians

Magic, Mysticism, Sleight-of-Hand, Speaking and Smoking Entertain Fresh for Four Busy Days

With the opening of quiet period on Sunday night, Susquehanna fraternities closed this year's active rush week. The rush week began on Monday night at the Phi Mu Delta house, and ended Thursday night, after the Star Course number, with the Bond and Key smoker. Quiet period will continue until Wednesday noon, by which time the Freshmen are supposed to have selected the fraternities of their choice. The Freshmen were really in a daze until the smokers ended, for such a display of Magic, Mysticism, and sleight-of-hand artists has seldom been seen at Susquehanna. The Freshmen were afforded a real glimpse into the life of the various Greek-letter organizations on campus through the smokers.

The fireworks began at Phi Mu Delta on Monday night, with Ted Huchelt as master of ceremonies. The chief entertainer of the evening was Doc Mifflin, a noted magician and sleight-of-hand performer. John Stauffer gave a humorous reading, and Mr. Richard T. Lassiter, National Secretary of Phi Mu Delta, gave a talk.

Tuesday evening Epsilon Sigma entertained at their smoker, with Donald Henry in the chair. Dr. Russ spoke to the guests, and was followed by Daniel McKelvey. Rev. Steinhart, an amateur magician of Sunbury, gave an exhibition of clever tricks.

Following the Susquehanna-Drexel debate, the gathering convened at the Phi Lambda Theta House. Robert Sala acted as master of ceremonies, introducing Mr. Reitz and Mr. Gilbert, who gave short talks. Wesley Stirling then entertained with a solo. Dr. Dunkelberger spoke on the value of fraternity life. He was followed by S. Walter Foulkrod, from Philadelphia, a Susquehanna alumnus of the Class of 1931. Mr. Foulkrod is now serving his second term as Grand President of Phi Lambda Theta.

On Thursday night, following the Star Course, the final smoker was held at Bond and Key Club. The speakers were Dr. Dunkelberger, Dr. Ahl, and Dr. Ovrebo. The guests were here again entertained by a magician, Mr. Shade. This function concluded active rush week for the 1934 season.

## Motet Choir Sings at Trinity Church

The Susquehanna University Motet Choir, under the direction of Mr. Frederick C. Stevens, sang at the evening service of the Trinity Lutheran Church of Selinsgrove. The gentlemen they sang were: "O Holy Father," Palestine; "My Soul, There is a Country;" and "O Saviour of the World," Moore.

The next appearance of the choir will be on March 2, when they will sing at the district meeting of Rotary Clubs, at Seibert Hall.

## February Fourteenth Arrives and Departs With Candy, Bad Humor and Wounded Hearts

In our lives today February fourteenth should not appear as a joke. It was a crisis in our lives in grade school, when, with shyness and pride, we put our little tokens in the Valentine box and at the same time wondered whether or those we received would outnumber them, or at least equal the number our rival merited.

In this age of speed when sentimentalism is archaic and sophistication is our ideal why not keep a day to put aside our worldliness and let our friends know what they mean to us; for we all know that the things that are worthwhile in this world are sentimental.

The day was once full of meaning if we stop to think of its origin. Long ago a youth by the name of Valentine, before he was about to be guillotined, scrawled on an old envelope his love for his sweetheart and signed it, "Your Valentine." In later years a ball was held where lots were drawn and the girl whose name the boy drew became his Valentine for the year, either to be wooed or to whom he might give gifts. Of course, like many lovely things, this

## Ullery Announces Pitching Practice

Destruction of the Gymnasium Allows Baseball Practice to Begin Earlier Than Usual

Since the destruction of the gymnasium, the sports activities at Susquehanna have increased in popularity, rather than decreased. Although it was necessary to discontinue the basketball activities for the balance of the season, football is being given an added impetus in the form of informal skill-practice sessions held twice each week. Coach Ullery has also announced pitching practice in preparation for the baseball season is to commence within the next week or ten days. Workouts for the members of the pitching staff are to be held in the girls' gymnasium in the basement of Seibert Hall. "Red" Gray, Ken Badger, and Jimmie Yaros, three veterans of last year's squad, are again candidates for the pitching position. John Yon Kordy and Luke Toomey, who is reputed to have a nice hurling arm, are also aspirants.

The only known candidate for the catching position at the present time is Steve Martinec, but judging from his past performances, no other candidate will be needed. In the infield, Eisenhower and Roach will fill first base, John Hanna on second base, and Captain Morrow will probably be assigned to the shortstop position. Jack Maguire will probably cover third base, with Dan Cotton, a Freshman, as runner-up. However, these positions are not absolutely definite and recruits from the Freshman or upper classes may alter it.

The greatest opportunity for new men seems to be in the outfield. The only veteran outfielder from last year is Ken Anderson. Badger, if not needed in the pitcher's box, may draw an outfield assignment. Aumiller and Batters, both Freshmen, should care for the remainder of the outfield in a capable manner.

Hanna, Anderson, Eisenhower, and Martinec should be near the top in the list of batting averages, and with such prospects for the coming season, the Crusaders should win a goodly number of their contests on the diamond.

## Campus Whirl Sponsors Announce Postponement

Sponsors of "Campus Whirl" regret to announce that the Revue scheduled for March 2 has been postponed indefinitely, through lack of material.

This musical extravaganza, it must be remembered, was to be composed of all local songs and sketches. The management had anticipated a ready response on the part of the students, but little or no interest was taken in the project.

This is the first time that an attempt has been made to produce a musical revue on the campus of Susquehanna. A wealth of material for a production of this kind could be found if the proper interest would be shown.

Idea was derided by some and the comic Valentine came into existence, but it never took the place of the sentimental message.

Seibert Hall did not forget, or probably we had better say was not forgotten on this delightful day of surprises. Many shadows of the original Mr. Valentine showed his friendship, love, pride, and sentimentality, or call it what you will in various ingenious ways.

There were many boxes of sweets which helped Mr. Fred Reichley along and gave some nauseating feelings and sleepless hours, but which were endured and cherished because of the sentiment.

Then there were flowers, delight of a woman's heart, which were displayed and cared for to the nth degree. Some of the flowers probably had to suffer themselves to absorb an aspirin tablet for the sake of remaining beautiful for the recipient; they were also allowed to suffer cold drafts for the preservation of their freshness, and one by one were taken from the vase for that extra little touch at dinner. We would

## Many Plans Confront University Builders

Many architectural plans for the new gymnasium confront President G. Morris Smith and his aides. No definite announcement, concerning the plans, has yet been made, because of the numerous types of buildings that are possible and the difficult selection of equipment. There are, however, fragmentary rumors of a larger basketball court, six or seven new tennis courts, improved locker-rooms, and even preparation for a swimming pool.

The administration has expressed a most commendable desire to build and equip a gymnasium which should represent athletic advancement for half a century.

### Alumni Gymnasium Being Razed

Last week saw the beginning of the end for the Alumni Gymnasium. The fragments of the roof were removed and the walls are being sounded out. Weather conditions have somewhat slackened the continued razing of the building, but these preparations will be continued in the near future.

### Insurance Adjustment Reached

Word has reached the campus that a final settlement has been made with the insurance companies. The arrival of this adjustment makes the plausibility of a new gymnasium appear much closer.

Improvements, undreamed of before the fire, are now being taken as a matter of course in planning the new structure. Judging from the plans which have been sent to the campus, we certainly will have a much improved athletic program during the winter months following the erection of a new gymnasium.

### To Have University Infirmary

The new structure may include a university infirmary which will add a great deal to the comfort and confidence of the students. An infirmary, adequately maintained, would bring about a sports solidarity never before suspected at Susquehanna.

## Kappa Delt Members Entertain Pledges

Members of Kappa Delta Phi sorority entertained their pledges at a dinner and theatre party, Saturday afternoon and evening, February 17.

Members and pledges gathered at 3:30 in the lobby of the Strand Theatre in Sunbury, from which they were conducted to several rows of reserved seats to see the production of "Roman Scandals."

After the theatre, they were conducted to the Homestead Tea Room, where a special table and a carefully chosen dinner awaited them.

After dinner, the party was broken up into shopping expeditions, and returning students.

### DR. LEESE AND MR. REITZ ATTEND CONFERENCE AT INDIANA S. T. C.

Dr. Charles Leese and Mr. R. T. Reitz attended a State-wide commercial conference at Indiana State Teachers College on Saturday, February 17.

—Patronize Susquehanna advertisers.

## China-Japan Debate Star Course Number

Dr. No-Yong Park and Mr. Kinrossuke Adachi Offer Debate at Third Star Course Number

Dr. No-Yong Park of China and Kinrossuke Adachi of Japan, held a spirited debate on the subject of Manchuria in the auditorium of Seibert Hall on Thursday evening, Feb. 15, at 8:15 o'clock. The debate came as the third Star Course entertainment of the year.

The Japanese speaker, Kinrossuke Adachi, opened the debate with a thirty-five minute talk, consisting mostly of the pleasantities and generalities about the Japanese customs and life, carefully avoiding any facts about Manchuria. In his talk he tried to point out that Japan is no militaristic nation. He did this by explaining the government of his native country in which all orders must come directly from the emperor only after conferences with his personal councilors, Imperial Household Council, and Privy Council, and the House of Peers. He also made it very clear that Japan does not believe in publicity and consequently will not talk to international correspondents.

After Mr. Adachi finished his first speech Dr. Park took the floor. He was a very clever and humorous debater. He played very much on the feelings of his audience. He did his best to break down the arguments which Japan used to justify herself in taking Manchuria. Following are his main points: Japan did not act in self defense to protect her Nationals in Southern Manchuria against the hordes of Chinese bandits. It is not necessary for Japan to expand to keep her people from starving. He left the impression upon the audience that Japan's aggression was the cause for all of the Manchurian trouble and that her seizure of Manchuria two years ago came as the fulfillment of the desire which Japan has been entertaining for forty (Concluded on Page 4)

## S. U. ex-Coach Chosen As Albright Mentor

Mr. J. Martin Kelchner, former director of athletics at Susquehanna and residing at present in Philadelphia, has been elected associate athletic director and football coach at Albright College, in Reading.

Kelchner, a brother of Charles "Pop" Kelchner, scout for the St. Louis Cardinals, came to Susquehanna in 1914 and coached all sports for three years. He turned out such fine all around athletes as Shiggs Middsworth, John Harkins, Bull Shannon, Red Swope, Ed Phillips, Ralph Witmer, Sam Bulick, Harry Farrel, and many others.

Kelchner produced some outstanding teams while at Susquehanna. Although the enrollment was but slightly over one hundred and fifty students, the Crusaders were victorious in various sports over schools such as Bucknell, Muhlenberg, Franklin and Marshall, and Lafayette.

From Susquehanna Kelchner went to the University of Pennsylvania, where he directed Intra-Mural sports. He handled this position until accepting the position at Albright, which is his alma mater. He was a star of the first magnitude while in college and will always be remembered for his clean sportsmanship while coaching at Susquehanna.

## Notice, Athletes!

**Baseball Notice**  
All players desiring to try out for battery positions on the baseball team are asked to report at the gymnasium on Wednesday, February 21, at 4 p. m.

**Track Notice**  
All students interested in running events from 440 up are urged to report at the gymnasium at 4:10 on Thursday. Plans are under way for several track meets on the boards.

**Handball Notice**  
All handball participants are urged to play off their matches at once. A handball match will be played on February 26, between Bucknell and members of the student body and faculty of Susquehanna.

## Another Appeal!!

Marshall College has produced a Book of Etiquette for her students: A pamphlet, sponsored by Kappa Omicron Phi, honorary home economics society.

Susquehanna has an active chapter of Pi Gamma Mu, national honor social science fraternity, which should be able to compose a pamphlet covering the campus etiquette of our university. The Women's Cooperative Government or a student-faculty committee should be able to present such a booklet for the guidance of our students.

We study, we exist—such a booklet on proper attitudes for our social life would make us more than students; it would make us gentlemen and gentlewomen.

The "Student Handbook" offers an excellent opportunity for social instruction on the major graces of etiquette. Several pages in the "handbook" would thoroughly cover our need. The old adage, "A stitch in time, saves nine," may be parodied to read: "A hint in time saves nine."

## Take Time To Be Right.

There comes a time in every college man's life when it becomes necessary for him to decide for or against fraternal spirit.

The freshmen have already heard and seen the qualifications and the privileges that a fraternity can offer. This editorial is written only to acquaint you new men with the necessity of deep thought concerning which fraternity, if any, shall be your choice.

You are not merely joining your affiliations with a group of men for four years, but you are automatically shaping the course of your future life. Select your group with thought of the association with which this group is affiliated.

On Wednesday morning all prospective pledges will hand their preferential list of fraternities to the Registrar. These preferences will be compared with lists of desired men handed in by the fraternities and a desired compilation will be made.

This little letter of preference you make is for the time to come—not only your college life, but your business and social life. Take time to be right!

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

An interesting announcement, that of the results of this year's annual New York World-Telegram Radio Poll, was made recently. This poll, the winners of which represent the preferences of 227 radio editors of leading newspapers and magazines throughout the United States and Canada, undoubtedly is a very nearly exact interpretation of what the majority of radio listeners think in regard to radio performers.

The outstanding dance orchestra was voted to be Guy Lombardo's, with the bands of Wayne King, Fred Waring, Paul Whiteman, Glen Gray, Ben Bernie, Eddie Duchin, and Rudy Vallee following in the order given.

Among the women singers of popular songs, Ruth Etting came out on top, with Kate Smith second, Gertrude Niesen, a comparatively new voice in radio, rated third place, with Mildred Bailey, Jane Froman, Ethel Shutta, Ethel Waters, Jessica Dragonette, Vera Van, Annette Hanshaw, and Helen Morgan following.

First place among the masculine popular songsters was, as expected, Bing Crosby, Lanny Ross, Merton Downey, Rudy Vallee, James Melton, Frank Munn, Donald Novis, and Conrad Tibbault, were voted on in the order given.

In the realm of harmony tunes, the Boswell Sisters were of course chosen as the best. They received a vote of 327; the Pickens Sisters, who were

third were the Mills Brothers and the Revelers respectively.

Fred Waring's Pennsylvanians were given first place among the musical programs. Except perhaps for the fact that Rudy Vallee was the New York Philharmonic was third in this group.

Heading the list of symphonic conductors was Leopold Stokowski, with Walter Damrosch, Arturo Toscanini, Bruno Walter, and Howard Barlow following.

Outstanding among classical singers was Lawrence Tibbett, and, among instrumental soloists, Albert Spalding, violinist.

As far as I am concerned, everything turned out as it should have and as expected, except perhaps for the fact that Rudy Vallee was chosen only eighth in rank among dance orchestras and that Jan Garber whom I would place third (Lombardo and King coming second), was not mentioned. Still, the results are interesting and do, I think, show the trend of the radio-listening public.

As I write Ozzie Nelson brings me "Stardust," which, coming out of the loudspeaker, fills the room with its forever-beautiful strains. A few weeks ago, I heard Hoagy Carmichael, the writer of this greatest of popular songs, interviewed. The composer said it was written when he was in college; returning late one night to the campus, he had to pass through a cemetery to distract his mind, Hoagy whistled to himself. The result—an idea for a new tune, "Stardust." And what a relief this piece was and is from the usual run of popular melodies.

## CHATTER

Last week I promised you that I would answer some of my fan mail in this column, and as my secretary has arranged your letters here on my desk I shall answer several of them this week, and the rest in the near future.

Here is the first one, and is it a slam? Dear Puck:

I read your column every week and it is so lousy that I always have a headache for several days after. I have taken aspirin for it, but I cannot get rid of it. What should I do? (Signed) A. Griper.

Dear Griper:

Aspirin is no good for the after effects of my column. All of "Chatter" should be taken with a grain of salt.

P. S. Did you ever try "Bromo Mint"? —

Dear Puck:

I am dunking permissible under the new dining hall code?

(Signed) Etta Kette.

Dear Etta:

Are you aware that dunking is never permissible north of the Mason-Dixon line.

—

Dear Puck:

Why is the library always deserted on Saturday night?

(Signed) I. M. A. Reader.

Dear Reader:

The enamored swains do not have to go to the library to see their "big moments" on Saturday night. They go to the local cinema to see the real aesthetic beauty, for example: Tim McCoy in "Ten Buckets of Blood."

This column is not to be confused with Nancy Lee's "Friendly Advice to Girls."

I have not seen anything of Seibert Hall Echoes in this weekly for some time. Can it be that she can dish it out, but can't take it?

According to the "Bucknellian," "Red" Grange is being considered as a possible football coach up there next year. It is also rumored that Mac West will be their next extramural teacher, and Will Rogers will head their philosophy department.

With the approach of the 1934 baseball season, curves are again coming into vogue.

So I shall sign off until next week, when I shall answer some of your letters. Address all correspondence to Puck II in care of the paper.

Yours for the asking,

PUCK II.

—

## SKIPPY

Hey! It's me! Sorry I wasn't here last week, but you know how these editions are.

Now that smoker week is past, all good Freshmen can settle down to work with no future worries as to their smoking supplies for some time to come. In fact, one Freshman managed to garner 145 cigarettes and 15 cigars. Not bad, not bad.

One of Hasserling's residents, (an upper classman by the way), has fallen and fallen hard. He was surprised in the act of reading a book entitled "Advice to the Loverlorn."

Hasserling has adopted a stray mongrel, who has been affectionately dubbed "Seibert." He is fed by everyone and enjoys Pritchard's bed a great deal.

No, my dear Siberians, I am not in my second childhood. I rode that scooter to win a bet which someone was foolish enough to make with me. Was Lucas' face red when he was caught taking more than the accepted quota of smokes?

On Saturday afternoon, local ice hockey enthusiasts bowed before a fast Bucknell sceler. Puck II was goalie, so that probably accounts for the score, 14-2, as he no doubt was thinking of his fan mail.

Well, spring is almost here and as everybody is dashing for home, I think I will too, and say:

So Long until next week.

—

## SORORITY NOTES

S. A. I. Notes

Sigma Alpha Iota pledged the following freshmen girls last Wednesday morning: Misses Dorothy Hoffman, Mary Ann Fox, Jeanne Hoffer, and Kathryn Louise Deisher.

Miss M. Bateman Williams spent the week-end at her home in Mount Carmel.

Miss Dorothy Hoffman, pledge, also week-ended at her home in Bloomsburg.

Miss Margaret Ide, S. A. I. alumna of 1933, is rapidly recovering from an appendicitis operation, which she underwent at the Philadelphia Osteopathic Hospital.

K. D. P. Notes

Miss Ludlow Nichols spent the week-end visiting friends in Sunbury.

Pledges Mary Scott and Margaret Myers attended the Junior Prom at Bucknell University, Lewisburg, last Friday evening, February 18. "Ozzie" Nelson and his orchestra with Harriet Hilliard, of radio fame, officiating.

O. D. S.

Omega Delta Sigma sorority is very happy to have so many new pledges this year.

Miss Helen Hall spent the week-end visiting Miss Ruth Bengtresser at her home in Hazleton.

Miss Louise Mehrling is celebrating her birthday. She will be home in Littlestown. She will be entertained at a party in Westminster, Maryland, by Mrs. Kootz.

Miss Eleanor Jones, a pledge of the sorority, is spending the week-end at her home in Mount Carmel.

—

## AMUSEMENTS

Tonight is your last opportunity to see Garbo in "Queen Christina." Miss Garbo is aided in this picture by John Gilbert. Remember this is the picture in that set the movie colony agog over a supposed affair between Garbo and Gilbert. This is a marvelous vehicle for the brilliance for which Garbo is noted. It is a story, well told, noble, and sophisticated in a truly Swedish atmosphere. You will delight in the frankness and beauty portrayed throughout.

The Stanley presents "Crude Song" on Wednesday evening. The producers scored a long time in finding a screen personality to take the part of the nun... they found exactly what they desired in Dorothea Weick. This story has been plotted in picture after picture, but never so tenderly and so desirably. Kent Taylor, a striving artist, makes himself a star in this film and little Dickie Moore returns in a role that is foreign to child roles. Screen magazines declare it "cleverly dramatic."

Nearly 100 featured players are gathered together in the Stanley theater on Thursday evening, when the management presents "Only Yesterday," featuring Margaret Sullivan, John Boles, and Billie Burke. All these stars cannot fail to arouse enthusiastic support. You shouldn't miss this one.

—

## With Our Advertisers

Editor's Note: It is the policy of this paper to feature each week one of its advertisers. This article is the eleventh one of the series.

After a little rapid calculation we find that time does not permit us to cover all of our advertisers separately. This week we are going to combine some of the out of town advertisers into one article. Out of thirty-eight advertisers, fourteen are from other towns.

The distinction of being the advertiser farthest from Susquehanna belongs to The Lutheran Brotherhood Insurance Company of Minneapolis, Minn. This is an insurance offered to the Lutheran Brotherhood classes all over the country.

Coming nearer home we have Schirmers in New York City. A professional, the controversy says the nearly all the vocal and piano music used at Susquehanna comes from Schirmers. This is the largest headquarters for printed music in the country. We feel very proud to have them in our family of advertisers.

E. J. Bellman, wholesaler of fruits and vegetables, from Hazleton, Penna., also has connections with our school. They supply the dining hall with fresh fruits and vegetables.

To the south of us at York, Penna., is the Maple Press Company, the printers of our University Bulletin.

May our school and our advertisers continue their pleasant relations.

—

## Miss Miller Honored At Tea in Seibert

The social committee of Seibert Hall under the chairmanship of Miss Sara Ulrich, entertained Miss Helen Clarkson Miller, who has been visiting our campus during the past few days, at a tea in the parlors of Seibert Hall on Wednesday afternoon from three to five o'clock.

The affair was quite informal and was well attended. Many of the faculty members and also their wives were present as well as friends of the college. Miss Miller spoke very charmingly and personally to each one presented to her thus making everyone feel as if he were more than a mere acquaintance.

The tea was poured in the dining room and was served by members of the social committee. The affair was also sponsored by the Inter-Sorority Council.

## Dr. and Mrs. Ahl Hosts to Phi Kappa Members

Phi Kappa, the Phi-Hellenic Society, held its regular monthly meeting on Feb. 16 at the home of Dr. and Mrs. A. William Ahl. The president, Robert Clark, presided over the meeting. During the business session the new members were initiated into the society. These new members are Raymond Shaheen, Lester Karschner, Woodrow Klinger, and Clarence Schaffer. After the business session a well prepared paper on "Greek Politics" was read by Kenneth Anderson. The meeting was well attended.

—

## Miss Miller Addresses Y.W. Group Wednesday

Miss Helen Clarkson Miller, a recent visitor to the campus, addressed the members of the Y. W. C. A. at an informal meeting held in Seibert Hall parlors on Wednesday evening, February 14. Her topic was "Personalities I Have Met," and the pleasing manner in which she discussed these characters proved to be quite interesting to the Y. W. C. A. members. She stressed the importance of personality in the lives of college students by pointing out the unusual ones she had come in contact with during her travels.

—

## Wit That's Fit

Nothing Personal, of Course  
A young Yorkshireman had been on the witness stand a long while, bearing as best he could with the nagging and prodding of a flippant barrister, who aimed shafts of wit mercilessly at the unfortunate youth.

"So," exclaimed the barrister sarcastically, "you really do not believe that you could rout an army of Philistines with the jawbone of an ass?"

"Well," replied the exasperated countryman, "I might have a try with the article when you're done with it."

—

## Couldn't Cut the Price

An elderly Negro went down the street leading a big dog with a "For Sale" sign on its collar. A little girl spied the dog and wanted it. She teased so hard that her mother finally asked its price.

"Two dollars!" said the Negro, an expectant grin on his face.

"Two dollars?" exclaimed the lady. "Why the dog isn't worth that much. I'll give you fifty cents."

The Negro drew himself up proudly. "Lady," he said, "Ah couldn't think of it. Why, de fellow Ah got dis dog from give me a dollar to take him!"

—

## Life in the Army

A soldier in the English Army wrote home: "They put me in barracks; they took away my clothes and put me in khaki; they took away my name and made me 'No. 575'; they took me to church, where I'd never been before; and they made me listen to a sermon for 40 minutes. Then the parson said: 'No. 575. Art thou weary, are thou languid?' And I got seven days in the guardhouse because I answered that I certainly was."

—

## Purely Technical

When we went over to the new broadcasting house we were told that the man in the control room, who has to make notes on the services and describe any faults or noises, gave the following report on one of the services broadcast from St. Martin's: "Minister blasting badly. Congregation faint."

—

## Proving It Was

Bingo: "How did you come to write a poem on the back of a government bond?"

Stingo: "I was tired of hearing you say that my stuff wasn't worth the paper it was written on."

—

## When in Venice—

Customer: "That lot you sold me in Venice. Gables is three feet under water."

Real Estate Agent: "That's splendid. I'm glad to hear it. Let me congratulate you!"

Customer: "Congratulations nothing! I want my money back. I bought that bargain as that. I can sell you a canoe for only \$40 and you can enjoy all the delights of boating without going off your own property. Thank of it!"

—

## Vacation Vacation

Just before the professor entered the classroom, he was accosted by a businesslike chap about eight years of age. "I am a brother of Jane Saunders," he began. "Will you please tell me if she is going to fall in geometry?"

"Well," answered the teacher, "why do you ask that?"

"I heard her tell her friend last night that she'd give a dollar if she knew whether she was going to fall and I need that dollar."

—

## The Difference

Briggs: "Well, the world seems to move faster all the time, doesn't it?"

Origgs: "Nonsense! During the Revolutionary War they had minute men, but during the World War they had four-minute men."

## Susquehanna Downs Drexel In Debate

Extensive Schedule Prepared by Henry Cassler, Manager of Local Squads; Lehigh Next

On Wednesday evening, February 14, the first debate of the season was held in Selbert Chapel, when Susquehanna successfully proved against the opponents from Drexel Institute that the United States government should control the bank systems.

The debate, which was conducted on the Oregon plan, was noted decidedly in favor of Susquehanna.

The chairman of the debate was Dean Dunkelberger. The speakers for Susquehanna were Mr. Edwin Clapper and Mr. Raymond Shaheen. The judge of the debate was Miss Phoebe Herman, coach of debating at Selingsgrove high school.

The schedule for the debates is as follows:

**Home Debates**

February 22, Lehigh affirmative vs. Susquehanna negative.

February 27, Muhlenberg negative vs. Susquehanna affirmative.

February 28, Ursinus negative vs. Susquehanna affirmative.

March 8, Shippensburg affirmative vs. Susquehanna negative.

April 4, Massachusetts State College affirmative vs. Susquehanna negative.

April 10, Geneva affirmative vs. Susquehanna negative.

April 13, Moravian negative vs. Susquehanna affirmative.

**Debates of Affirmative Team—Western Trip**

February 28, Susquehanna vs. Seton Hall.

March 1, Susquehanna vs. Geneva.

March 2, Susquehanna vs. Allegheny.

**Debates of Negative Team—Eastern Trip**

March 19, Susquehanna vs. Ursinus.

March 20, Susquehanna vs. Muhlenberg.

March 21, Susquehanna vs. Moravian.

March 22 (pending), Susquehanna vs. Swarthmore.

March 23 (pending), Susquehanna vs. Drexel.

**Members of Affirmative Squad:** Edwin Clapper, Raymond Shaheen, Ralph Rishel, Ralph Shockey, Lester Karschner, and Elwood Stahl.

**Members of Negative Squad:** Henry Cassler, William Morrow, Harold Rowe, Ralph Geigle, Clyde Spitzner, Jerome Guss, and Kenneth Anderson.

**Manager of debate:** Mr. Henry H. Cassler.

**Coach of Debating:** Prof. Russell W. Gilbert.

**Semi-Annual Meeting Held by Pi Gamma Mu**

Pi Gamma Mu, National Social Science Honor Society, held its semi-annual business meeting, Monday evening, February 12, at which was read the report of the delegates to the annual convention of the society.

The convention was held during Christmas vacation at the Benjamin Franklin Hotel in Philadelphia. Susquehanna's chapter was represented by Dr. Geo. F. Dunkelberger, Miss Edith Frankenhof, and Dr. Charles Leese.

At the next meeting Mr. E. M. Bruntart will give a book review.

## Bucknell Trounces Susque Hockey Six

Various Soccer Teams Complete Second Round of Tournament, But Continue Playing

Ice hockey reached a climax of interest and activity at Susquehanna on Saturday when Jerauld Schlegel led a pick-up team of Susquehannians against a group from Bucknell University. In spite of an admirable effort of the campus team, the visiting team scored sixteen goals to our two.

Of the Inter-Class series the Sophomores hold the championship for the now completed series, which, according to manager Yon Kondy, is the last of the season unless more students come out for the several teams and give their support.

**Soccer Tournaments Continued**

Plans are now being made to finish the series of soccer games this season by beginning the playoffs between the sectional champions of the several classes during the week of the twenty-sixth. The Physical Ed. Dept. is also planning to start a similar series in Speedball as soon as the Soccer champion has been decided.

Most of the teams have completed the second round with results as follows: In the Junior series Geigle and his Trojans won from Boyer's Buckets. The Hill Billies, led by Reager, are in a deadlock with Sullivan's Henry Fords, having tied all three games of the round. In the Sophomore series the Crusaders, under Nagell, are leading; having won both games played thus far. The Eight Balls, led by Yaros, tied with Hess's Aces for second place. Each team has one more match to play. In the Freshmen series Benner's Green Onions took the second round, winning all three games, while Tinurelli's Fascists and Cotton's Mac Westeners each have one victory to their credit in the third round.

The second semester registration has not affected the constituency of the various teams to any noticeable degree. There have been a few changes, but the teams have maintained their respective strength of the first semester.

## Business Students Offer Mock Trial

Miss Armogast Selects Cast For Mock Trial of a Teacher Released Unjustly

Students of the business and commercial departments will present "A Mock Trial" at their regular meeting, Monday, February 26, in Steele Science Hall.

This mock trial will present a court scene portraying the action of a teacher who was released from her teaching contract unjustly. The trial promises to be entertaining as well as educational.

The cast for the play has been selected by Miss Thelma Armogast, the director of the trial. Mr. Elmer Deveraux will be the judge in charge. Miss Mary Ettringham will characterize the plaintiff teacher. The attorney for the defense will be Mr. Hollis Muir and the attorney for the plaintiff portrayed by Mr. Penn Dively. Assistant attorneys will be Messrs. Charles Keller and Paul Mowry. Mr. Albert Hess will represent the clerk of the court. Various members of the business group will take the parts of the witnesses and the defendants.

The twelve members of the jury will be selected from members of the audience. Portions of the attorneys' pleas will be original and cross-questioning of the witnesses will be spontaneous.

**FRENCH CLUB MEMBERS ENJOY NOVEL PROGRAM AT MEETING**

The French Club held its regular monthly meeting on Monday evening, February 19, in the social rooms of Selbert Hall. Mr. Allen Ever played a saxophone solo and Miss Anna Benfer and Mr. Francis Miller took part in a play, "Le Portrait," which was directed by Miss Allison. Following these numbers was the reading of a skit in French by Miss Alice Smith.

## Van Horn Speaks to Mathematics Group

The Mathematics Club held its regular meeting on Monday, February 12. It was featured by a discussion of the polynomial theorem presented by Mr. William Van Horn, who explained its usefulness and application. Some interesting facts about Leonardo da Vinci, whom most of us know best for his painting ability, were presented by Mr. Ralph Rishel, who told of the reputation da Vinci enjoyed as a scientist. Mr. Rishel demonstrated the method which da Vinci used for the solution of the square and circle problem.

Dr. Boeder then conducted an arithmetic test to discover the rapidity with which problems in addition, multiplication, and fractions could be solved.

At the next meeting of the club, the members will be initiated into the game of chess.

## Sorority Pledge Dance Saturday

The Inter-Sorority Pledge Dance will be held Saturday evening, February 24, in Horton Dining Hall, which will again be transformed into a ball room.

This dance is sponsored by the Inter-Sorority Council and is an annual social function, held shortly after Pledging Day in honor of the new girls, who have pledged themselves to become members of the various sororities.

The orchestra has not yet been announced, but the committee hopes to secure the services of Eddie Gordon and his orchestra.

## Conservatory Faculty Offer Evening Recital

A Faculty recital of the Conservatory of Music of Susquehanna University will be given on Wednesday evening, February 21, at 8:15 o'clock, in Selbert Chapel. The following program promises to be one of interest:

Violin and Piano—Sonata in F, Op. 8—Grieg  
Allegro con brio. Allegretto  
Prof. W. Donald Hemphill, violinist.  
Miss Mary K. Pottenger, pianist.  
Songs—*a. L'amour de moi—XV Century French*  
*b. Easy and Gay—XVIII Century French*  
Mr. Frederick C. Stevens, tenor  
Organ—*a. Toccato sur un theme gregorian—Barnes*  
*b. Caprice—P. M. Linebaugh*  
Mr. Percy M. Linebaugh, organist  
Songs—*a. "Fidelitamskeit"—Brahms*  
*b. "Der Musensohn"—Schubert*  
*c. "Infidelie"—Hahn*  
*d. "Romance"—Debussy*  
Mr. Stevens  
Piano—Concerto No. 1 in E Flat—Liszt  
Allegro maestoso. Tempo giusto  
Allegro marziale animato  
Mr. Elrose L. Allison  
Orchestral parts played on the organ by Mr. Linebaugh

## Frosh Women Pledge Sororities Wednesday

On Wednesday, February 14, the three weeks of intensive sorority rushing came to an end with the pledging ceremonies in the various sorority rooms. The following indicates the pledges the several sororities received:

Kappa Delta Phi—Mary Scott, Margaret Myers, Wilhelmina Moody.  
Omega Delta Sigma—Mary Barnes, Margaret Corson, Louise Hartzell, Evelyn Jansen, Eleanor Jones, Arline Marshall, Mary Beth Richards, Mary Catherine Taylor.  
Sigma Sigma Delta—Margaret Taylor.

Sigma Alpha Iota—Kitty Deisher, Molly Fox, Jean Hafford, Dorothy Hoffman.

## Russian Choir Appears In Forum at Harrisburg

The fourth concert of the All-Star Concert Series, which is being presented in the Forum, at Harrisburg, will take place Thursday, February 22, when the Russian Symphonic Choir will appear. The usual arrangements have been made for student tickets, and it is expected that a large group from Susquehanna will attend.

Mr. Stevens is making a particular effort to see that the members of the Melet Choir will attend.

## Conservatory Student Ill from Infected Eye

The recent illness of Mr. Roland Pritchard, sophomore in the conservatory, caused a distinct loss in the various musical and social organizations of which he was a member. Mr. Pritchard is suffering from an infected eye and was not able to resume his studies at the beginning of the second semester. When he will return is not definitely known, but it is hoped that he will be back on the campus shortly.

## CHINA-JAPAN DEBATE STAR COURSE NUMBER

(Continued from Page 1)

years but never before had the opportunity to carry it out.

After Dr. Park had talked for thirty-seven minutes Mr. Adachi came back with a vigorous defensive rebuttal in which he emphasized the fact that Japan had excellent claim upon Manchuria because China had ceded it to her in the Sino-Japanese Treaty of 1895. After the treaty Japan started to move into her new territory but three Christian nations lined up their war ships and made it plain to Japan

that if she knew what was good for her, she would stay out of Manchuria. He denied that Japan has enough food to feed her people. Mr. Adachi denounced the instability of the Chinese National Government, which had defaulted on all of its bonds and had broken every one of its international treaties.

Professor Russell Gilbert, Susquehanna's debating coach, acted as chairman of the debate. He asked the audience for questions on anything that was not clear to them. The audience responded very well to this opportunity. The most important questions asked were "Why did Japan withdraw from the League of Nations?" and "Account for the instability of the weakness of the Chinese government." These questions were answered by the two speakers in a very satisfactory manner.

**NOTED GUEST SPEAKER  
DISCUSSES NEAR EAST**  
(Continued from Page 1)  
Thursday night by Dr. No? Young Park, of China, and Kinnsuke Adachi, of Japan. This debate given in our Chapel had direct bearing upon Miss Miller's subject. The latter part of her address was devoted to the present conditions of the Far East and the relations between the various countries of the Orient.

During the three days that Miss Miller spent with us, she spoke to the following class groups: American History, European History, Ethics, English Literature. Her discussions were very closely related to these subjects, the one given to the English Literature group was especially enlightening. Here she discussed the dissemination of news and the Publicity Department as set

up at Geneva.

Miss Miller is a trustee of the International House in New York City, a member of the International Committee of the World Alliance for Friendship Through the Churches, a fellow of the American Geographical Society, a member of the American Academy of Political Science and of the Society of Mayflower Descendants. She has served on the National Committee on Prisons and Prison Labor, as a member of

the Presbyterian Board of Missions and as Metropolitan Secretary of the Y. W. C. A. of the city of New York.

Recently she has returned from a journey through the countries of the Near East, where she was especially interested in the Political and Economic situation. Her message was of special interest in regard to the significance of America's connections with those countries, and her story brought with it a flavor of the Orient.

## A Trial Run!

Feeling that the co-eds of our university should receive a more conspicuous place in THE SUSQUEHANNA, the staff has decided to reserve the third page of each edition for the use of the women students. This page will be known as the Women's Page.

The three associate editors of the staff will be in complete control of this page. The content of this section will vary from week to week. Articles featuring dormitory life of the co-eds and general Seibert Hall news will automatically find place on this page. Featured articles of interest to the women will, naturally, be accepted in these columns.

Any Seibert Hall woman who desires to be a contributor to this page should see one of the three Associate Editors, Misses Daisy Reese, Sarah Ulrich, or Louise Hartzell.

This feature will continue for a period of four weeks and the further continuation of this page will depend upon the volume of material that it can produce. If sufficient interest is shown to prove that it is a complement to the newspaper, it will become a permanent fixture of THE SUSQUEHANNA. The entire staff encourages suggestions concerning what material should be used and asks interested students to hand their names to some member of the staff.

The editorial staff takes a bow to its latest protegee!

## Scallions and Orchids

Again Susquehanna men fall unceremoniously to the scholarship displayed by the co-eds!

Semester after semester the co-eds defeat the men by an outstanding margin. With regularity the men students gather in small groups and try to rationalize their defeat. Such phrases as "pure book knowledge" seem to be the main content of the men's arguments. Surely no intelligent college man would expect such fallible arguments as these to bear any conviction. These arguments are not only malicious, they are untrue.

The co-eds from time to time have displayed originality and common sense that the men did not show. Seibert Hall entertainments always contain some amount of originality . . . yet similar entertainment by the men students is stereotyped from year to year.

The greater number of men students would naturally make it more difficult for the men to maintain a high average, but it is no logical reason for such a wide difference in averages. The averages for the first semester of this year show definitely that the men students are not as well prepared scholastically as the women . . . and yet the men stand around and say, "We have a wider natural experience than the co-eds. . . their education is based upon the material gleaned from the text book."

It is time that the male students realize that in order to maintain campus dominance they must maintain a scholastic dominance.

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

The writer of "Stardust" and "Lazybones" has just recently given us another and wholly different type of popular number. It's called "In the Churchyard." This will tell whether or not this is another hit for Hoggy Carmichael.

A very successful composer in the old-fashioned-modern type of popular song is Billy Hill (which I doubt is his real name). He was the writer of the much-sung "Last Roundup" and also of the now-famous "Old Spinning Wheel." This time he comes forth with a piece called "The Tree That Father Planted for Me." Time will also determine this ballad's success with the tune-loving public. Mr. Hill, by the way, is also the writer of the lyrics of

paragraph, the announcer at CBS in New York, in giving the station "break" said, "This is WABC in the City of New York." Nothing remarkable in that, you say; but there is: the usual announcement is merely "WABC, New York." When the words "in the city of" are included, that is a signal to the chief engineer of the Columbia Broadcasting System at his home to call the studio immediately. The ways of radio are strange but so very interesting . . .

A program seemingly "made to order" is the one at 10:00 on Tuesdays and Thursdays from WABC; Glen Gray and Casa Loma orchestra; Stopnagle and Budd, comedians; Connie Boswell, songs. Need we, as the expression goes, say more?

Just as a matter of record, I'd like to say that I think the fast-becoming-popular ballad, "On the Wrong Side of the Fence," is a current example of the perfect popular song. But maybe it would be better if it weren't so perfect, for that fact is likely to cause it to be played and sung to an early death. Remember the fate of "A Cottage for Sale"?

A novel idea is expressed in a new ditty, "Junk Man." It tells the tale of a broken heart, which is about to be consigned to aforesaid buyer of useless articles. As I said, it is a novel idea . . .

I wonder what it is about the old tune, "Marry," that makes it last as it does. Probably the fact that it is a real "rhythm" song and can be "heard up" to almost any temperature. The currently popular "There Goes My Heart" was, I believe, written by the same composer.

Ideas seem to be changing. A few years ago it was "A Little Kiss Each Morning, A Little Kiss Each Night." Now we find that it's "Your Coffee in the Morning and Kisses in the Night." Maybe it's the NRA . . .

Bing Crosby is one crooner whose melodies always entertain me. And it seems that many others feel the same way about his music, because, while most of the original group of popular singers of two years ago have become only half-remembered names, Bing is still singing his songs of love to a large eager audience every Monday evening at 8:30.

## CHATTER

Greetings and likewise cheerio.

I have decided not to answer anymore of my fan mail because I cannot answer all of them and I do not wish to slight anybody.

According to all reports the women's pledge dance was a huge success. Even Luke Toomey did not go home for the week-end.

The writer of "Moment Musical" listed the current song hit, "Coffee in the Morning," as only fair in his classification of popular hits several weeks ago. Since then I have overheard that it is now his theme song.

One of our prominent debaters said that he liked to debate to the empty seats in the chapel. The empty rows are such a relief after talking to the average student collection. At least the debaters are sure that their audience is composed of wood.

Several B. S. gentlemen have suddenly become interested in how to dissect stray house cats. They have even gone so far as to get the assistance of two capable tutors.

The B. and K. flash from Middleburg has suddenly started to kick the gong around at Seibert Hall. Watch that weak heart, kid.

Susquehanna University has a new unofficial course for girls. It is the art of shushing. All potential shushers may apply for admittance to this course at the room of Miss Alma Myers in Seibert Hall.

According to the recent weather, the proverbial groundhog must have seen his shadow in a series of mirrors.

Hassinger Hall has developed a new craze. It is the gentle art of playing chess. The object of the game is to see which contestant can sit quietly the longer and pretend that he is debating whether to move his bishop or his castle.

I see that the honor roll has been published in this paper, a fact which goes to prove that the boys should have Normandy rules regarding study hours as well as girls.

I see that one of our science teachers has issued special invitations to some of his students to come to lab. Perhaps lab would be more interesting if refreshments were served and special entertainment was provided.

In the near future I have decided to try my hand at short stories. I am going to write an old-fashioned "meller

drummer." Now, I must carboic acid (which means goodbye in any language) until next week.

Don't take any wooden nickels. PUCK II.

—S—

## SKIPPY

Hey!

Well, it's snowing again for a pleasant week-end.

Hess has taken a turn for the better and by turning aviator, goes barnstorming around the country. Hassinger now has its legal advisor of "Love Affairs" with headquarters in Room 36. Charlie Chaplin isn't the only one who goes Fox hunting.

Hassinger men are not in good humor this week because someone has stolen G. A. Hassinger Steele Seibert, our mascot who had already enrolled in several classes.

Mosher, who really does know some music, says that Herr Long has musical feet, (2 flats). Incidentally, third floor Hassinger has a beginners' class in dancing with Professors Price and Naegell officiating every night.

The prodigals from Shamokin have once more taken their abode in Hassinger. What's this I hear about several couples dominating the chapel Saturday night? If it's that bad we'll see to it that private booths are installed in Seibert.

Now that winter's cold fingers are once more descending the girls are discontinuing for an indefinite period.

With the usual week-end trip home our fair dormitory has quieted and cooled down. We miss Spitzner's healthy lungs. With that parting sally, I'll say

So long till next week. SKIPPY.

## With Our Advertisers

Editor's Note: It is the policy of this paper to feature each week one of its advertisers. This article is the twelfth since Mr. Rine built the greenhouses on the Isle of Que. Five years ago he opened the flower shop on Market street, where he still does business.

Mr. Rine has always catered to the students of Susquehanna. It may be of interest to know, that during the good old days when money was plentiful, he made about fifty corsages for a school dance. The different fraternities also rented palms for their dances in those days.

One day last week Mr. Rine received a telegram from a student in the class of '24, who is now in Florida, to deliver some flowers in Shamokin. This goes to show that the students remember their school, though they have been out of school many years.

Recently Mr. Rine has added a line of fresh fruits and vegetables of all kinds. If you feel hungry for strawberries he has some very nice ones which are very reasonable for this time of the year.

Just at present Mr. Rine is getting ready for Easter. Don't forget to remember your mother or best friend with flowers at this time.

## AMUSEMENTS

Tonight is your last opportunity to see the great film spectacle, "Eskimo," at the Stanley. This is an authentic portrayal of the customs and attitudes of the natives of the far north. Critics have announced this picture far greater than "The Sign of the Cross." Unknown faces will star in this production and you will be delighted with the keen moral sensibilities that are brought to you.

"Sitting Pretty" revives the musical review once more at the Stanley on Wednesday evening. The Mr. Oakie, Ginger Rogers, and Jack Haley are the entertainers. The scenes are scintillating but the story is warped and poor because of the extravagant scenes. A good entertainment.

Thursday night offers "Day of Reckoning," featuring a love "quadrangle." Richard Dix, Madge Evans, Stuart Erwin, and Una Merkel are the angles in this maze . . . a clever arrangement for a story writer. Complications arise to decide what the attitude of each member of the cast shall be towards the "day of reckoning." It is an ingenious plot.

"Fury of the Jungle," with Donald Cook and Peggy Shannon, will be the attraction on Friday night. A lone white woman among the roustabouts of the jungle. Of course, Donald Cook saves the beautiful maid . . . a story well worth remembering.

On Saturday night you can see Jackie Cooper becoming a star in "Lone Cowboy." The story shows the new star as a manager of men. Lila Lee renders him invaluable assistance in this role. Remember the usual Saturday afternoon matinee with a continuation of the Rin Tin Tin feature.

## Women's Club Forms

### Junior Organization

Susquehanna Women Present One-Act Play in College Library; George Washington Tea Served

Sixty women were entertained last Saturday afternoon in the library by the Women's Club of Selingsgrove. The principal theme for discussion was the planning for the organization of a Junior Women's Club. This organization would include all women between the ages of eighteen and thirty who are interested in becoming members.

The president of the club, Mrs. Richard Ditzler, was in charge of the meeting and introduced the various speakers. The president of the Milton Women's Club spoke and also the president of the Junior Women's Club of the same place. The constitution of both clubs were presented and explained. There are various sub-divisions of the organizations such as, the club on International Affairs, the Library club, and the club on Literature and Arts.

The Selingsgrove Club was very happy to be able to form a Junior section, and the new organization was formed with seventeen members as a beginning. It is thought that it will grow until it can boast as many members as Milton, which has the total enrollment of thirty-five members.

Mrs. Martha Dodson, who had charge of the program for the day, presented a delightful George Washington play, entitled "A Dish of China Tea," by Elizabeth M. Neff. The play was coached by Miss Dorothy Reeder. The characters of the play were presented by seven Susquehanna University girls. They were as follows: Miss Aberdeen Phillips, Miss Ruth Plummer, Miss Millie Hines, Miss Bessie Book, Miss Frances Hubler, Miss Daisy Reese, and Miss Ruth Cherrington.

A George Washington tea was then served to the group. The Selingsgrove group is a member of the Federation of Women's Clubs of Pennsylvania.

## SORORITY NOTES

**Omega Delta Sigma**  
Omega Delta Sigma has as its guests at the pledge dance the following alumnae: Miss Marjorie Phillips, Miss Gertrude Fisher, Miss Enza Wilson, Miss Janet Leitze.

Miss Sara Ulrich, and Miss Mary Ann Cressman spent the week-end at Downingtown, and Lewistown respectively. Miss Mary Elise Spiggle spent the past week-end visiting at Milton.

**Kappa Delta Phi**  
Kappa Delta Phi members were glad to welcome Miss Marian Walborn, president of the sorority in 1932-33.

Miss Martha Engle, Sunbury; and Miss Martha Dreese, Middleburg, as guests to the pledge dance, Saturday evening.

Miss Ruth Nelson spent from Friday until Sunday at her home in Thompsonstown.

Miss Dorothy Gaskins visited with her parents in Danville over the week-end.

Miss Ludlow Nichols spent the week-end with Miss Gwendolyn Schlegel, of Thompsonstown, Pennsylvania.

Miss Ruth Cherrington was surprised by having her mother visit her Saturday morning.

Miss Wilhelmina Moody, pledge, spent Saturday afternoon and Sunday at the home of Miss Mary Barnes, Middleburg.

**Sigma Alpha Iota**  
Misses Jan Hoffer and Dorothy Hoffman, pledges, and Margaret Williams and Dorothy Turner spent the week-end at their respective homes.

The Misses Kathryn Morning and Winnie Korte were guests of Sigma Alpha Iota at the Inter-sorority rush dance.

Miss Grace Drew attended the Charity Ball held at the Penn Athletic Club in Philadelphia this past week-end.

Misses Margaret Williams, Elva Winnickbech, Alma Myers, Dorothy Ewer, Ruth Bair, Mary Chaya, and Kathryn Delsher attended the concert of the Russian Symphonic Choir given at Harrisburg, February 22.

**On and On Into the Night**  
Orator: "Before I close, allow me to repeat the immortal words of Webster—"

Farmer parlayed: "Lan' sakes, Mirandy, let's git out of here. He's a-goin' to start in on the dictionary."

**Unanimous**  
Butcher: "I can't give you further credit, sir. Your bill is bigger now than it should be."

Comer: "I know that. Just make it out for what it should be and I'll pay it."

Seibert Hall News  
and Features

## Neophytes Honored At Pledge Dance

Eddie Gordon Featured for the First Time on S. U. Campus; Horton Scene of Gala Affair

On Saturday, February 24, the Inter-Society Council gave its annual dance to the pledges in the Horton dining room of Seibert Hall. Eddie Gordon's orchestra from Shamokin was featured for the first time on this campus.

The neophytes were delighted to attend their first pledge dance and to be able to participate as real sorority women. They helped the upper-classmen make it one of the most enjoyable dances of the year.

The side lights and the smiling faces of the couples served as decorations for the affair. Again card tables were attractively arranged in the alcove for those who preferred a game of bridge to shall we say sliding? on the cornmeal covered floor. The council supplied the dancers with attractive dance programs which will be cherished by many perhaps as a symbol of a very lovely time.

The patrons and patronesses were Dr. and Mrs. G. Morris Smith, Miss Naomi K. Hade, Mr. and Mrs. R. C. North, Mr. and Mrs. William Hassinger, Mrs. Celeste Oberdorf, Mr. and Mrs. J. N. Catherman, Mr. and Mrs. D. Irvin Reitz, Miss Ruth Herman, Mr. and Mrs. P. C. Stevens, Mr. and Mrs. Albert Soper, Miss Emily Sweetman, Mrs. Ida Michaels, and Mrs. Lemuel Watkins.

MARY BETH RICHARDS LEADS  
"Y. W." HOUR WITH DISCUSSION  
OF "HOW TO FIND GOD"

Mary Beth Richards had charge of the regular "Y. W." Hour held in the social rooms of Seibert Hall on Thursday evening, February 22. The topic for consideration was "How to Find God." Some appropriate selections and scripture lessons were read by the leader. Several members also gave readings and all those present joined in singing hymns.

## "Nellie" Gives Simple Recipe for Popularity

Dear Nellie:

I am an attractive girl of nineteen. I wear nice clothes and I really think that I know how to wear them. I come from a good family and am not deficient in brains; but somehow I just don't go over. Advice given to me has always been "Be yourself." I've tried and still I wait for a date, and still I wait for invitations to bull sessions. Please, Nellie, tell me how I can make myself popular.

Dumb Dora.

Dear Little Dora:

"Be yourself" is a pretty good slogan, but suppose yourself isn't a very nice person. Suppose you have definite opinions about yourself and all of them rather low. You comb your hair back straight, put on your shoes that are down in the heel, and your sweater with the darn in the elbow. You contemplate "life" and you find it unattractive. Everything is against you. You're always caught if you break a rule. Whenever you're unprepared, you are called upon. The Dean of Women has a particular grudge against you; men give you "a pain in the neck."

Quit being yourself. If you've gone in for sophistication, try the naive role. Go "gaga" over everything and everybody for a change. Have you stuck to your room and hated yourself? Try "going" for a change: downtown, hiking, bicycling, church, French club. Y. W. You can't feel any worse than you do now. If you haven't a roommate, try to get one; you won't have time to think about yourself; you'll think about her.

Find out how the other half lives. You may also find out a great deal about yourself. Maybe you're not what you thought you were. You may even find that you are an enchanted person, really, with a keen zest for living, and a soul full of the faith that moves mountains.

NELLIE.

## Glamour Hints for College Beauties

Editors' Note: The editors of the Women's page are planning a series of beauty hints for the benefit of those co-eds who are earnestly trying to hold or get their man. This is giving a fair warning to the men on the campus to beware. Any further information can be secured by sending a self-addressed, and stamped envelope to room No. 70, Seibert Hall.

The first thing to be discussed in this series of beauty hints is the particular need of college students for beauty care of the eyes. Of course, you are advised not to go without glasses, to have the light falling over your left shoulder, and to rest the eyes at frequent intervals. Yet often college years are hardest on the eyes, not only from the standpoint of physical endurance, but from the standpoint of beauty as well.

After reading for a number of hours, or studying, many girls rub their eyes, continue reading, rub their eyes again, and so on, rubbing and blinking, without any apparent consciousness of what they are doing. So elastic is the skin of youth, that the harm is rarely done at the moment. But a bad beauty habit is formed, and what is worse—a few years out of college and those distressing fine lines will begin to appear at the corners of the eyes, and underneath them. So beware of the big bad beauty habit.

When you are studying, why not give yourself an eye treatment as well? It's very easy—just lie down for ten minutes, with cotton pads over the eyes. The pads should be dipped in hot salt water solution or witch hazel. There are special herbal eye packs that are grand to use, too. During this process, you have time to make a mental review of

some class work for the next day.

Then, when you begin to read, smooth a softening cream, a pasteurized face cream, or a youthifying tissue cream, underneath the eyes. Pat it very gently, so that you will not pull or stretch the skin. A little patted over the eyelids, make that feel smooth and elastic too. Besides being an excellent way to keep the skin clear and smooth, this treatment prevents you from rubbing them. Even if you rub them unconsciously, you will soon realize what you are doing, when your hand becomes sticky with cream.

After you've finished studying, rest the eyes completely by lying down with a piece of black velvet laid gently on the lids. It is wonderfully refreshing to the eyes. Since they're the only ones you'll ever have—better take care of them.

### Speedball Introduced To Gymnasium Classes

Susquehanna's physical education classes were last week introduced to a novel and refreshing game called Speedball. This game combines some essential features of soccer, basketball and football, with the rules from all three so interwoven and adapted as to make it a fast, interesting, and exciting game.

The game is played on the regulation football field, with the goal posts in their usual position on the end zone line. The ball is put into play in the center of the field as in soccer. While the ball remains on the ground it is played as soccer. If the ball is kicked into the air, it may be caught and passed around like basketball. However, the ball may not be dribbled because as soon as the ball touches the ground it must be played as soccer. The football rules enter into the scoring phase of the game. If the ball is passed to a man in the end zone, the scoring team receives two points. If the ball is kicked over the goal posts on a drop kick, the scoring team receives one point. The only other method of scoring is to kick the ball between the goal posts, which are guarded by a goalie, as in soccer. This scores three points.

The Sophomore gymnasium classes played the inaugural games of Speedball last week. In the first game, the 8 Bulls trounced the Poochys 22 to 0. From the way they looked in that game, the 8 Bulls should be champions in any speedball tournament that may be started.

The second game was won by the Crusaders, who defeated the Aces, 8 to 6, in a closely contested game. Both of these teams showed great possibilities.

Interest seems to be running high in favor of speedball and as soon as the "snow, snow, beautiful snow" clears away, we should see several hotly contested battles.

### S. U. Alumna Appointed To B. U. Library Staff

Miss Lois Brungart, daughter of Mr. and Mrs. E. M. Brungart, was recently appointed to the library staff of Bucknell University. Miss Brungart's official position places her in charge of the newly created Carnegie Music library. The library at Bucknell is one of twenty-two such libraries that have been instituted under the Carnegie Foundation.

Miss Brungart is a graduate of Susquehanna University. She has taught in the Dauphin public schools. She received her library science training at Drexel Institute.

### Senior Members of O.D.S. Entertained

The senior members of Omega Delta Sigma sorority were delightfully entertained at a party on Thursday evening by Mrs. D. Irvin Reitz.

The party was a clever celebration of Washington's birthday. There were card tables which represented America, France and Ireland respectively. There were guards and two scouts at each table. It was the duty of the scouts to obtain flags from the other tables by

having a higher score than they in their bridge game. It was the duty of the scouts to try to keep their own flags in the same manner.

It was quite an unusual affair and greatly enjoyed by each person there. Those seniors who attended were Ruth Plummer, Aberdeen Phillips, Sara Ulrich, Edith Frankenfield, Isabel Horn, Mary Elise Spiggle, Helen Hall, Ruth Bergstresser, Daisy Reese, Anna Benfer, Frances Kline, and Lillian Diehl.

### BAND TO GIVE CONCERT IN DANVILLE THEATRE THURSDAY

Susquehanna University Band, under the direction of Professor Elrose Allison, will present one of a series of concerts planned for the season in the Ritz Theatre at Danville Thursday

night. The concert will be an added feature on the regular bill. The band's personnel includes 28 men.

Their program includes these numbers: "Stepping Along," by Goldman; "Two Guitars," by Horlick; "Concert Polka," by Smith, with solo part by David Shellenberger, and "March Slow" by Tchaikowsky.

### SUSQUEHANNA UNIVERSITY

Selingsgrove, Pa.

G. MORRIS SMITH, A.M., D.D., President

A. B. and B. S. Degrees—Strong courses in Liberal Arts, Science, Education and Business Administration.

Courses of Instruction for Teachers on the University campus on Friday evening and Saturday morning.

A Four-Year Public School Music Course with degree in Bachelor of Music is attracting young people who contemplate teaching Public School Music.

Susquehanna stands for a well-rounded education, clean sports, recreation for every student, earnestness in study, and above all, Character as the hall mark of culture.

For information write  
GEORGE F. DUNKELBERGER, Ph.D., Dean.

## Affirmative Team Has Five Debates

Clapper, Shaheen, and Rishel Defeat Muhlenberg College at Home Then Take Three Day Trip

During the past week the affirmative team of Susquehanna's debating squad participated in five intercollegiate debates. Two of these were at home; the first was with Muhlenberg College on Tuesday, February 27; the other with Ursinus on Wednesday, February 28. The main team then made a trip through the western part of the State, leaving on Wednesday and returning on Saturday. They met Seton Hill College on Wednesday, Geneva College on Thursday, and Allegheny College on Friday afternoon.

**Muhlenberg vs. Susquehanna**  
The team composed of Raymond Shaheen, Ralph Rishel, and Edwin Clapper won over a team representing Muhlenberg in what is considered, to date, the best debate of the year. The heat of the arguments and the number of excellent points presented by both teams resulted in an hour of general discussion after the debate was officially closed. Dr. Russ was efficient in the role of chairman of the debate. The decision of the judges was unanimous for Susquehanna. The visiting team was entertained on the campus over night. Ralph Shockey and Jerome Guss acted as time-keepers.

**Seton Hill vs. Susquehanna**  
During the rest of the week this team made the only western trip of the season. On Wednesday evening Shaheen and Clapper defeated two young women representing Seton Hill College. This debate proved to be very interesting. The decision was made in a unique manner. The judges rated the speakers as to ability and content of their speeches. The team ranked in this rating, consequently, winning the decision. They remained at the school over night.

**Geneva College vs. Susquehanna**  
On Thursday they journeyed to Geneva College at Beaver Falls, where they met in a non-decision debate. While there they witnessed a basketball game between Geneva and Westminster colleges.

**Allegheny College vs. Susquehanna**  
From Geneva they journeyed to Allegheny College, where on Friday afternoon they met Allegheny College in another non-decision debate. The team themselves sponsored a trip to Niagara Falls, extending over Friday night and Saturday. While en route they visited the homes of each one of the men on the team. Timothy Barnes was the driver for the team.

**Ursinus College vs. Susquehanna**  
On Wednesday another team composed of Ralph Grigle and Lester Karschner met the negative team of Ursinus College in a debate conducted on the Oregon Plan. Although the debate as a whole was slow, it showed the possibilities of our men. The decision was two to one in favor of Ursinus. The main reason for the loss was the inexperience of the two men representing Susquehanna. In the ranking of the speakers, Lester

(Concluded on Page 4)

## Former S. U. Athlete Suffers Bad Injury

Bob Sassaman, Susquehanna Student and Athlete Last Year, Injured in Fraternity Initiation

Several weeks ago, Bob Sassaman, former student and athlete of Susquehanna University, had his legs severely tort bitten as the result of a fraternity initiation at Gettysburg College, where he is completing his college course. Compelled to walk around the battlefield in the intense cold, Bob's legs were so badly frozen that it was feared that one of them would have to be amputated to avoid gangrene. After a careful examination, this catastrophe was avoided. About a week ago he returned to his home in Williamsport, where he is convalescing.

Last year, when he was a Freshman here, Bob was a prominent figure in three sports. Perhaps he excelled in football, where he starred at fullback. He was varsity guard on the basketball team, and held down the catching position on the varsity line.

## Motet Choir Engaged Often Over Week-End

The Susquehanna University Motet Choir, under the direction of Mr. Frederic C. Stevens, sang at the district meeting of the Rotary clubs, held in Seibert Hall, Friday, March 2. The numbers which the Motet Choir rendered for the large and appreciative audience were as follows: "O Bone Jesu", "Palestina", "Matonna, Lovely Maiden", "Sing We Enchanted", and "My Soul, There is a Country".

The Motet Choir also sang at the Trinity Lutheran Church in Milton on Tuesday morning, March 4, and completed its busy week-end by singing at the evening service of St. Mark's Lutheran Church of Williamsport, on the same day.

The next appearance of the Motet Choir will take place on March 11, when they will sing at the Trinity Lutheran Church of Hughesville.

## Star Course Artist

MR. FRANK MANNHEIMER

## WOODROW KLINGER AND LESTER KARSCHNER PRESENT PAPERS IN PRE- THEOLOGICAL MEETING

On Thursday evening, March 1, the Pre-Theological Club held its regular monthly meeting in G. A. 205. The president, Earnest Huston, opened the meeting by reading the scripture lesson which was taken from the fourteenth chapter of Luke, verses 25 to 35 inclusive. A prayer was then offered by Kenneth Anderson.

Following a brief business session, two well prepared papers which centered around the topic "The Cross of a Christian," by Woodrow Klinger and Lester Karschner were given. After a free for all discussion the meeting was terminated with a closing prayer by Dr. Ahl.

## Virginia College President Speaks

Dr. Charles J. Smith, of Roanoke College, Addresses Group of Clubs in Seibert Hall

Dr. Charles J. Smith, president of Roanoke College, Virginia, delivered a notable address to a group of 156 service club men and ladies of Selinsgrove, Sunbury and Northumberland, at Seibert Hall on Friday evening, March 2. The occasion was that of the annual Ladies Night of the club.

DR. CHARLES J. SMITH

The speaker of the evening was presented by his brother, Dr. G. Morris Smith, who is president of Susquehanna University. Preceding the address, Susquehanna's Motet Choir, directed by Professor Frederic Stevens, rendered several fine selections.

Dinner was served from the kitchens of Horton Dining Hall at 6:30 o'clock. Mr. Fred W. Reber, past president of the Sunbury Rotary club, led the community singing. Dr. Smith, who spoke for the Selinsgrove Rotary, the host club, presented President Ralph C. Hurr, president of Sunbury Rotary; and Professor W. C. Phillips, president of Northumberland Kiwanis. In presenting his brother, he told of their early boyhood experiences together in the south, especially their fishing trips.

## CORRIGENDUM

An error has been noted in the honor roll that was published in THE SUSQUEHANNA last week. Marlin Bottelger had an average of 2.50 and should be placed eighth in the honor ranking of the Senior class. This correction was made known from the office of the Dean.

## Chocolate Corporation Offers Talking Movies

On Friday evening, March 2, there was given in the Seibert Hall Chapel talking moving pictures by the Hershey Chocolate Corporation, Hershey, Pennsylvania. The picture was educational and industrial and dealt with the growing and harvesting of cocoa beans in the tropics, their transportation to the United States, and the subsequent manufacture into Hershey Chocolate products. The manufacturing scenes were filmed in the chocolate factory located at Hershey, Pennsylvania. There has been woven into the picture an interesting story which made the film both educational and entertaining. The admission was free to all students.

## Civil Service Exams

The United States Civil Service Commission has announced open competitive examinations as follows:

Assistant Commissioner of Labor Statistics, \$6,500 a year, less a deduction of not to exceed 15 per cent as a measure of economy and a retirement deduction of 3½ per cent. Bureau of Labor Statistics, Department of Labor, Washington, D. C.

Applicants must have had education and experience of such length and quality and such personal qualifications as to demonstrate their ability to perform the duties, which include the following: To cooperate with and assist the Commissioner in formulating, organizing, administering economic and statistical projects in the field of labor; to direct the activities of the technical staff of economists and statisticians, and allied duties.

Educational Officer (Food and Drugs), \$3,800 a year, less a deduction of not to exceed 15 per cent as a measure of economy and a retirement deduction of 3½ per cent. Food and Drug Administration, Department of Agriculture.

Applicants must have been graduated with a bachelor's degree from a college or university of recognized standing. In addition, they must have had at least five years of progressive experience in preparing illustrative and descriptive material, including food and advertising, designed for the information and guidance of consumers and producers.

All States except Delaware, Iowa, Maryland, Vermont, Virginia and the District of Columbia have received less than their share of appointments in the appointed departmental service at Washington.

Full information may be obtained at the Selinsgrove post office.

## Star Course Number Presented Tonight

Dr. Maitland, Organist, and Mr. Mannheimer, Pianist, to Appear in Joint Recital

The final number of the Star Course will be presented tonight, when Dr. Rollo F. Maitland, organist, and Mr. Frank Mannheimer, pianist, will appear in a joint recital in Seibert Hall Chapel.

Dr. Maitland has been very active in the past, having given recitals in England and Switzerland, as well as having taken part in many musical activities in America. He was the representative of the National Association of Organists in Ottawa. He was also one of the designers of the Sesqui-Centennial organ, which is now at the University of Pennsylvania, and he was chosen to be official organist at the dedication of this instrument.

Mr. Mannheimer began the study of the piano at the age of seven. Since 1923, he has made his permanent home in Europe though he was born in Dayton, Ohio. He studied first with Leonid Kreutzer in Berlin, and later with Tobias Matthay in London. He has made concert tours through England, Germany, France, Holland, and Italy. He began his first tour of his native country in 1932.

The program which they will play is as follows:

Choral: Prelude, "Wir Glauben All' an Elrem Gott".....	Bach
Adagio in A minor.....	Bach
Fugue in D major.....	Bach
Dr. Maitland	
Prelude—Op. 45.....	Chopin
Etude—Op. 10, No. 7.....	Chopin
Intermezzo—Op. 76, No. 6.....	Brahms
Capriccio—Op. 76, No. 5.....	Brahms
Mr. Mannheimer	
Sketch in D flat.....	Schumann
Allegretto from Sonata for Organ—Parker.....	Sowerby
Carillon.....	Frank
Corale No. 3 in A minor.....	Frank
Dr. Maitland	
Hommage a Rameau.....	Debussy
Mazurka.....	Faure
Toccata.....	Ravel

Mr. Mannheimer  
Improvisation on Given Themes  
These themes were given to the recitalist just before the concert by the recitalist (Concluded on Page 4)

## Maurice Schaeffer Promoted as Coach

S. U. Alumnus Leaves I. O. O. F. Orphanage Position for One at Bloomsburg High

Maurice Schaeffer, a graduate of Susquehanna and at present head coach of the I. O. O. F. Orphanage, has been decided upon as the successor to Saylor Miller as coach of Bloomsburg high school. Mr. Miller and his assistant, Bob Wilson, having resigned.

Schaeffer has been at the Orphanage two years, but in that short time he has been very successful. He is rated as one of the best small school coaches in this section and Bloomsburg can expect to take a great step forward in athletics.

In his first year at the Orphanage Schaeffer turned out a football team that won nine games and lost one. This is very commendable since it was the first football team the Orphanage ever had. This year the Orphans played much stronger opposition, but they won five and dropped four games. Coach Schaeffer's basketball teams have been less successful, but have shown up very well considering the lack of practice facilities.

Bloomsburg is a very athletically inclined town so Schaeffer is expected to produce some winning teams next year. This year they had a mediocre football season and they are at present showing up very poorly in the Keystone basketball league.

Coach Schaeffer graduated from Susquehanna in 1932. He was an outstanding football player, but is better known for his work behind the bat on the baseball diamond. He played baseball for four years and his final year at S. U. he led the Penna. Intercollegiate League at batting. His ability in baseball and football should enable him to produce some highly successful teams.

## PHILADELPHIA PRODUCTION—"THE ROMANCE OF A PEOPLE" DESCRIBED BY STAFF REPRESENTATIVE

By SARAH ULRICH

"The Romance of a People," as it appeared in Philadelphia last week, was, I thought, a most excellent musical and dramatic spectacle portraying the highlights in four thousand years of Jewish history.

At Convention Hall over twelve thousand people gathered each evening of a performance to enjoy this great folk festival. The author, if the authorship can be claimed by any one person, is Maurice Sullivan. He was the guest on the particular evening I attended; he spoke to the audience for a few minutes. Certainly this man deserves a great deal of credit.

"The Romance of a People" depicts, in the form of pageant-drama, the faith and destiny of the Jewish people from its beginnings to the present time. The episodes follow Biblical and historical records; but in some instances a fusion of themes replaces strict chronological order, bringing into immediate illuminating contact incidents, situations and characters separated in time and place but united in significance. The theme is sustained by invisible singers and an invisible choir, and by a visible dramatic dancing, and choral cast of four thousand. The Voice of the Reader, heard in the interludes, represents the audience reading from the scroll of Jewish history, linking the scenes that are enacted upon the stage.

The prologue represents The Creation. The scene opens on a backdrop on which is a huge representation of the Scroll of the Ages. The lantern is lighted and a Voice intones: "In the beginning God created the heavens and the earth. . . . When the words 'And God said, 'Let there be light,' are reached, light is born dimly on the mass of figures which, immobile at first, silent, transfixed, represent the undifferentiated pre-Creation time. The light increases. Presently a huge Adam, archetype of Man, becomes visible. The chant becomes louder. Man emerging from chaos gropes toward the light as the swelling choir takes up the triumphant refrain: "Praise the Lord, O my Soul!"

Light and sound, reaching their fullness, represent the morning of Creation, the freshness of the world as it came from the hand of the Divine Artificer.

The first episode portrays Idol Worship and the coming of Abraham. Man in his degradation is shown upon the stage. His sons are worshipers of Moloch. Scornfully watching the deluded worshipers is Abraham, surrounded by a handful of his tribe. He utters the sacred words: "God is one." With the pronouncement of these words the idol worshipers fall to the ground. Moloch crumbles into the clay of which he was made. A piercing cry illumines Abraham, whose children are destined

to be as numberless as the grains of sand. The covenant has been made with Abraham.

The second episode portrays the story of Egyptian Slavery and Deliverance. A new King came over Egypt who feared Israel, so he set taskmasters over the children of Abraham, and bondage became their lot. Moses receives his command to bring forth the children of Israel from the House of Bondage. Moses is seen on the stage, a dim figure, communing with God. The liberated people strike off their shackles and the dancing begins. There is a flash of lightning, a roar of thunder and the figures recoil. The people take up the shout, "We shall do; we have heard."

The third episode depicts the glory of Jerusalem, and the fourth the destruction of the Temple. The latter scene is especially well done. Roman soldiers invade the scene. Suddenly a flaming torch is hurled into the Temple. The smoke begins to swirl around the floor of the Temple and a groan arises from the multitude. Some take away the holy vessels, others utter their last declaration of faith, and the priests carry off the Scroll. The Temple is reduced to ruins and there is left standing the Walling Wall, the last remnant of a magnificent structure.

The fifth episode shows how fifteen (Concluded on Page 4)

## All Alone!

The time is any old Saturday night and the scene is the University library. The east is confined to one major character... the librarian. A few silent figures haunt the setting, gaze on a few pages of a text and hurriedly escape the depressing scene; it is like reading a mystery story in a cemetery.

There must be a reason for the barrenness of the library on Saturday evening, and perhaps, a legitimate one. Nobody has a yen for study and concentration after a week of classes. Saturday evening affords recreational time for everyone, except the lonely, unvisited librarian. The students are not to blame, the library is blameless and most surely the librarian is not to be reproached. There is only one other factor... the time. Saturday evening is a time to forget the worries of the week and enjoy the present.

In view of this unseemly evidence against Saturday night library hours, it appears logical that a Saturday afternoon library period would be more to the liking of the students than a Saturday evening study hour.

The disadvantages of Saturday evening library hours are these: 1. The university is operating the library at a financial loss on Saturday evening. 2. The students have certainly deserved an evening of recreation on Saturday evening and cannot be expected to spend those hours in the library. 3. The librarian wastes three hours in serving but three or four interested readers.

Likewise a Saturday afternoon period would offer the following advantages: 1. The library could be operated for three hours at a lower cost to the university. 2. The students would have ample opportunity to prepare Monday assignments without infringing upon their evening of freedom. 3. The librarian would be able to serve more students in the afternoon period.

S

## A Program for Peace

Selected

The confident prediction recently made by a leading Democratic senator that there would be a war between Japan and Russia before May 1, and that "if the United States were not in it before the end of the year we would be so close to it that it would make little difference," added to the unrest caused by Nazi activities in Austria, makes immediate action on the part of all peace advocates absolutely imperative. The time of crisis has arrived. We must act now or be swallowed up in the universal holocaust that another world war, surpassing all others in horror and bloodshed, would surely bring.

More protests and demonstrations against the futility of war will not longer be able to stem the militaristic wave that is spreading over the world. We are faced by stern reality; not by a theoretical conflict that might evacuate in the distant and hazy future. Reality demands constructive action, not words, and it is up to those who desire peace to offer a definite program. It is fitting that we, the college students and youth of America, who see our dreams and long cherished ambitions about to vanish in smoke and powder, we, who will have to bear the burden of another war, propose a clear and practicable course of action.

It is almost unbelievable that in our present state of civilization human misery and suffering should still be an exploitable commodity, yet the munitions ring has consistently and successfully balked all efforts to take the profits out of war. The vested interests—the private manufacturers of munitions and armaments—have wrecked more than one disarmament conference and have always been extremely active in circulating war rumors and fomenting war scares. Their propaganda has done much to prevent a settlement of the current conflict in South America between Paraguay and Bolivia. Although openly professing to be ardent patriots during the world war, these men sold arms indiscriminately to both the allies and central powers. British soldiers were shot down by bullets manufactured in their own country. The munitions ring knows no ethics and its only creed is that of monetary gain. Only a few weeks ago it was revealed that one company was realizing as much as eighty per cent profit

on the sale of supplies to the army. If the United States must have instruments of death and destruction, at least it should not allow anyone to amass a fortune by their manufacture and sale. As long as there are people who will profit by war, there can be no hope of even a temporary peace. The Roosevelt administration has not hesitated to regulate the banking and railroad industries, yet it has done nothing to check the insidious activities of the munitions ring. The ring must be destroyed at once by the immediate nationalization of the arms and munitions industry, and this step must be followed by an attempt to obtain some sort of international control of the manufacture and sale of the tools of war, if we are to have any hopes for peace.

In a recent speech, Dr. Nicholas Murray Butler, president of Columbia University, stated that "the future of any international accord lies in the hand of the collegiate youth of the country," and he urged that "they take the responsibility for the direction of public opinion." This then is the program of youth: (1) The immediate adherence of the United States to the covenant of the League of Nations. (2) Nationalization and international control of the manufacture and sale of armaments. (3) Severance of all commercial relations with belligerent nations, so far as compatible with the League Covenant. These preliminary moves in the campaign against war must be made at once. This is the foundation on which we must build our peace framework.

In matters relating to war the voice of youth should be supreme, for it is youth and youth alone that will have to carry the greatest load. By following this program which is neither unworkable nor utopian, the government would reassure us that it is willing to do everything in its power to prevent war. If the American government does nothing more than it has to date to stave off the impending catastrophe, it cannot and should not expect the cooperation of youth in any war that might arise from its criminal negligence.

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

If you've been listening to the Paul Whiteman 10-11 o'clock shows from WEAF on Thursday evenings, you may have been, as I was, amused by Deems Taylor's clever and witty mastering of ceremonies. If so, it might interest you to know more about him. Deems Taylor is quite a figure in modern music circles and has had two of his American operas, "The King's Henchman" and "Peter Ibbetson," produced at the Metropolitan. From 1921 to 1925, Mr. Taylor was music critic of the New York World. At the end of that time, he resigned to write operas. He has several orchestral works to his credit and among them are "The Siren Song," "Portrait of a Lady," and "Circus Day." This latter composition was arranged for jazz orchestra by Ferde Grafe, the symphonic arrangement was done by Mr. Taylor. In 1914, he wrote, for the Mac Dowell festival in Peterboro, two choral cantatas, "The Chambered Nautilus," and "The Highwayman."

- - -

Last Saturday, the Metropolitan Opera Company broadcast the tragic but beautiful "Lucia di Lammermoor," with Lily Pons as Lucia. The cast also included Nino Martini, the only Metropolitan star to come from radio. The act of broadcasting from the stage of the Metropolitan for three and a half hours every Saturday must be stupendous. Besides paying what must be an enormous sum to the opera company for the privilege, Lucky Strike, the sponsors of the broadcast, must, in addition, pay for the time on both the Blue and Red networks of NBC. Also, the large technical staff, announcers, engineers, etc., cost plenty, all of which shows that radio advertising must pay.

Since the last appearance of THE SUSQUEHANNA a week ago, I've noted the following new, or at least new-to-me tunes: "Bubbles in the Wine," which certainly has a unique title; "Homestead on the Hillside," whose tune reminds one of "Throw Another Log on the Fire;" "Cookie Book," another of the nursery rhyme type of popular songs; "When the Sun Comes Up;" "Carry Me Back to Green Pastures;" "One Love;" "Give Me a Heart to Sing to;" "Fly Down to Iowa;" "The Perfect Dream;" "Mister Magician," a tune with clever lyrics which should get somewhere; "Frosted Chocolate;" "Waltz Tropical;" "Our Love Will Still Go On;" "Charming;" "Perfect Paradise;" "I Feel Like a Million Dollars;" "It's Happened Again;" "You and Who Else;" "Ending With a Kiss," a tune that looks promising; "I'm Looking Forward to Going Back Home;" "Infatuation;" "The Champagne Waltz," a very beautiful three-quarter time tune; "So This is Heaven;" "Don't Do It Again;" "Singing to You." I wonder just how many of these twenty-five tunes will eventually become hits. Many of them will probably be heard only a few times and be forgotten. The writing of popular songs must be at best, a risky, unsure way of earning

a living.

"Arlene" is a comparatively new waltz-ballad on the musical horizon which is being quickly recognized as the pleasing melody that it is by the orchestras which enliven the evening air-waves. Arlene Jackson, a youthful "find" in radio's blues-singing realm, is credited with the writing of this appealing tune.

## AMUSEMENTS

Tonight is your last chance to see the inimitable Eddie Cantor in "Roman Scandals" at the Stanley. A galaxy of extravagant scenes and Cantor humor pieces make this the leader of the recent comedy films. Cantor makes you laugh all the way to old Rome and back to the present.

Noel Coward's amusing play "Design for Living" comes to the Stanley screen on Wednesday evening. Frederic March, Miriam Hopkins, and Gary Cooper present the action of this intricate love triangle in a very humorous manner. The producers showed Coward's play to a great advantage with these three well-knowns.

Jack Holt and Fay Wray present a powerful industrial drama on Thursday evening, "Master of Men" portrays a conflict between man's attraction for industry and his marital relations.

Friday evening the Stanley presents the "Kendal Murder Case," featuring William Powell. The "case" is intriguing and Powell, in his usual debonair manner, succeeds in solving the mystery single handed.

Joe E. Brown returns in another hilarious farce, entitled, "Son of a Sailor." The situations, produced by anyone but Joe, would not be mirth provoking, but with him, the film is a laugh from reel to finish.

"Fashion," a refreshing musical comedy, will be presented at the Stanley on Monday and Tuesday. The music and dancing is mediocre, but the costuming and scenery is exceptional.

- S -

## CHATTER

How, how, how, and how.

After reading a certain "advice" column on the women's page I wonder if it was not inspired by the late motion picture, "Hi Nellie."

Sprained ankles seem to be gaining in popularity at Seibert Hall this year. As the NRA is being blamed for everything else, we might as well place sprained ankles on the list, too.

According to the last report of the Statistical Bureau in Washington, fully half of the happily married people in the United States today are women. So, I did not read that in the Pathfinder.

Many of the Seibertarians were disappointed when the representative from Hershey's Chocolate Company did not pass out kisses after the motion picture, Candy, of course.

I see where our debaters spent a pleasant night at Seton Hill. Why shouldn't they?

Speaking of debating a team from a

woman's college. I am told that the reason our team won is that we got the last rebuttal. A woman can never win an argument unless she gets the last word.

PUCK II

## Y. M. C. A. NOTES

Jerome Guss was in charge of the regular Sunday Y. M. C. A. meeting held in the "Y" room at 1:30. The session was opened with the scripture lesson read by Charles Barnett, which was followed with a prayer by Jerome Guss. Such important questions as these were discussed: "What is prayer?" For what shall we pray? How must we pray? And How can a person pray to God at all times? There was a good number in attendance. The meeting was closed with the Lord's Prayer.

The "Y" is sponsoring a deputation team, which kept two engagements on Sunday, one in the Memorial Church at Richfield and the other one in the Lutheran Church at Mount Pleasant Mills. Harold Rowe and Ernest Huston made up the team that went to Richfield, while Robert Clark and Martin Bottiger made up the team which went to Mount Pleasant Mills.

On Friday evening of this week the "Y" will hold its monthly "Faculty Fireside" at the home of Dr. and Mrs. Kretschmann on University Heights.

## OASES!

Hello again:

With this salutation (it isn't original folks, I copied it from Jack Benny)—on well, as I was saying, "with this salutation, I greet you." The title of the little story which I present to you this week is "Fiction is Stranger Than Truth." I always do things backward, folks, as I am practicing for the time when I shall enter Congress. The plot of this little story is laid in Ypsilanti, Michigan. It seems that Mike Feeny, of Ypsilanti, surprised himself in the act of tearing off steps from a house that he had just robbed. His idea, according to one of his confidants, was to cover up his tracks and make it look like an inside job. In addition to being a clever thief, Feeny was also chief of police of Ypsilanti, and in his official capacity, was naturally forced to arrest himself.

Confronted with the difficulty of both making an arrest and escaping, he went to a neighboring soda fountain, and indulged in several Coca-colas. He then swung on himself, landing a neat right to the eye, and then wrenching himself out of his grasp, ran pell-mell down the street and hid in a Chinese laundry behind the main door, blown over. A rook policeman brought food to his superior while he was in hiding.

This little incident in real life is, I think as strange as anything in fiction, or in case you think of it as fiction, as strange as anything in real life. The point is they are pretty strange. And if you didn't like this little story, you don't have to read it.

Incidentally, while I am discussing the subject of fiction being stranger than Truth, or vice-versa, I might state that a certain water working off his food bill, and also getting an eye full, asked, Did you ever see a dream eating? Come to think of it, a wonderful field for character study lies open to an observant waiter in the dining hall. Successes and failures are unfolded before him in the conversations he hears. Love affairs; some just blossoming, some in full bloom—and others fading—all pass before his eyes. Sly glances, bold staring, and complete avoidance of eyes in the case of a boy or girl who has loved, not wisely, but too well. He hears the hopes and ambitions of his fellow students; their despairs and setbacks. What is it about a meal that makes us humans so confidential? To continue, the girl he thought carefree, faultless, and wonderful appears for breakfast with heavy unwashed eyes, and uncombed hair, and the illusion vanishes. Not that it matters to her perhaps, but news travels. (This should be good copy for the editor of the beauty hints column.)

Barring accidents, I will be back again with you next week, with more enlightening details.

## Basketball Captaincy Remains Undecided

Since one of the lettermen has withheld his ballot for the past three weeks, there has been no one elected as captain of basketball to date. The election, however, will no doubt be completed before the next issue of The Susquehanna goes to press, and the final result will be announced at that time.

## K. D. P. Utilizes Snow By Sledding Party

Girls Warm Fingers and Toes at Adams' House in Freeburg; Attractive Refreshments Served

"Whoa, January." Thus a team of horses drawing a sled was stopped in front of Seibert Hall around 7:00 Tuesday evening, February 27. Inside Seibert, a group of girls were gathering. Kappa Delta Phi was holding a sledding party to Freeburg.

One has rarely seen co-eds in such costumes before. The night was cold and the girls were prepared to keep warm. Seibert had been devastated of all the warm clothing it was possible for a sledding party to wear. One girl boasted "double of everything" from shoes up to hats. Many found the answer to "How would I look with twenty more pounds?" There were knickerbockers, and riding outfits, heavy coats and bathing suits (though not visible). In addition each girl carried a blanket.

Soon afterwards the sled was filled until there was no longer any room for the proverbial "one more." A "Giddyup, January" and they were off. For several hours, they rode under the starry winter sky, over cleared roads and through unbroken drifts. There were songs and stories to pass the time, bursts of laughter and occasional moans of "Won't you ever get settled?" "It's only a half hour home" and "Wish I had a hat that covered both ears." At last the lights of Freeburg were seen.

At the Adams' house, cold hands and feet were warmed and empty stomachs were filled. The girls danced and radioed. The sled came back, and the drive back home began after another period of careful packing and adjusting. There were more songs and cheering. Some time late, the lights of S. U. could be seen. The startling discovery that there were more lights burning in Seibert than in Hassinger was finally put down to the fact that the residents of Hassinger hadn't come back yet. So, with everybody well content and happy, except the horses, Seibert was reached. The girls alone were glad to hear the last, "Whoa, January," as everyone piled out, blankets and all to dream of more sledding parties in the future.

## Kappa Deltas Hostess At Informal Tea

Kappa Delta Phi girls entertained their honoraries and other friends on Saturday afternoon at an informal tea from three to five o'clock. The sorority room was attractively arranged with cut flowers, and the refreshments carried out the St. Patrick's Day idea. Misses Eleanor Brown, Ruth Nelson, and Ruth Cherrington were hostesses. Misses Ludlow Nichols and Naomi Stoneiser poured, while Misses Millie Hines, Dorothy Clegg, and Ruth Williamson served.

The following guests were present: Misses Naomi K. Hade, Agnes Schoch, Evelyn Allison, Alice Bickerstaff, Thelma Armagost, Helen Pawling, Beatrice Herman, Josephine Long, Mrs. R. W. Johnston, Mrs. G. M. Bogar, Mrs. Nan Pawling, Mrs. E. E. Pawling, Mrs. C. Gail Norris, Mrs. William Schuure, Mrs. Herold, Mrs. G. E. Barnes, Mrs. W. A. Hassinger, Mrs. Carrie Aikens, Mrs. John Bucher, Mrs. T. W. Kretschmann, Mrs. F. A. Eyer, Mrs. William Groce, Mrs. Herbert A. Allison, Mrs. William Ahl, Mrs. McGee, Mrs. E. M. Brungart, Mrs. Henry J. Mowles, and Mrs. Frederick C. Stevens.

## Famous Verse Writer Appeals to Womanhood

The poems of Edna St. Vincent Millay will always remain a delight to every woman; for in her verse this tiny, vibrant woman of thirty-nine advocates the person of impulses, the being who is not held down by conservatism and conventions. Secretly every person has at times wished to be like her; for who does not rebel against rules. She makes us think of the troubador, not tied down by prosaic matters, but merrily singing his way. She is audacious. Hers is the enjoy-life-while-you-may doctrine. But she never becomes gross. Her art, her deep honesty, her accurate transcription of woman's song has lifted her poems until no one cares about their moral influence on the younger generation.

"When you write a poem," said Miss Millay, "something begins to be a part of your thought and your life, and you become more and more conscious of it. After I've written off the first rush of what one may call inspiration, then I really begin working on it. I begin by picking it to pieces and say, 'this is awful. That's not so bad.' The rest, the final and inevitable shaping of the poem is just hard work."

The early life of Edna St. Vincent Millay was a suitable background for a singer of love, laughter, and tears. The eldest of three girls, she had a mother who realized that wealth isn't necessary for life, who let books, music, friendship, and shabby loveliness make her daughters' happiness. She respected her children's opinions and was not utterly shocked at Edna's suggestion that she be an actress. Miss Millay had two loves: music and writing, but, deciding in favor of a literary career, she struggled with verse forms and at eighteen began to write "Renascence" which was published in 1912. At twenty she found herself famous among critics. A wealthy woman, seeing her talents, sent her to Vassar, where she had difficulty in conforming to regulations. However, she graduated with her class after which she spent six adventurous years in Greenwich Village, New York. After struggling as an actress, playwright, and verse writer, she was successful. She left New York when she married Eugen Jan Boissevain and now lives on a farm near Austuritz.

Almost forty she is still a girl with her love of play, willfulness, and lovable impulses. Her later work has a more profound seriousness and wisdom.

## HI NELLIE!

(A column for ladies forlorn)

Dear Nellie:

When I was a child I used to pretend I was in college. I imagined it to be so different from what it actually is. I'm so tired of drabness, routine, and rules. I feel I should be happier at home or working. Tell me, Nellie, how can I make my parents see my point of view.—Discontented.

Dear Little Discontented: You say that when you were a child you played the game of "pretend," and yet that is what you seem to lack right now, that faculty of enjoying every incident, every person for what he or it is worth. As a child you had little difficulty in imagining a string of toy cars as a real train or a rug as a desert island. But now, instead of inventing wigwams from cornshocks, you must invent stories and meanings and dreams. Live by romance. "If outside you're up against things, live by your other world dreams inside." Of course things aren't ideal. "Romance isn't thinking people perfect. It is adventure. It is courage and laughter and beauty." The two things that make life worth living are desire and curiosity. Make your ideal high as the moon. Of course you won't reach it. As soon as you reach one goal, another will be waiting for you. You can't enjoy living if you're afraid to face it. The person who stays away from a party because of fear of people misses something which he can't gain for himself. The person who does not travel because of the fear of a fatal accident doesn't see much of the world.

You must not always imagine adventure in a foreign country or love many miles away. Even school teaching may be your adventure and love may be permitted in the Fuller Brush Man who wears dark-tinted glasses and has a gold tooth. Hunt for the meaning of things; it's there if you think about it. Robert Louis Stevenson and Charles Lamb had the art of living and both had troubles which would probably turn you and me into the worst of cynics.

Sophistication, weariness, and getting used to life take the fine edges off our emotions. Use them and maybe you like a certain high school girl can find these things lovely.

## Do You Know That?

(With apologies to Emily Post)  
Ethically the chaperone is the young girl's own sense of dignity and pride. The woman who is chic, is always a little different.

The real test of perfect table manners is never to offend the sensibilities of others.

A lady no longer leans upon a gentleman, unless to cross a very crowded thoroughfare, or to be helped over a rough piece of road.

In accompanying a lady anywhere at night, whether down the steps of a house, or from one building to another, or when walking a distance, a gentleman always offers his arm.

According to good form ladies should never be discussed in a man's club.

The ideal partner in bridge is one who never criticizes or even seems to be aware of your mistakes, but, on the contrary recognizes a good maneuver on your part.

He who says, "That does not interest me," or "That bores me," defines his own limitations.

Under ordinary circumstances, if a girl is "dancing," she must dance with everyone who asks her; if she is "not dancing," she must not make exceptions.

When a gentleman is introduced to a lady, she generally merely smiles, bows slightly, and says: "How do you do?" Strictly speaking, it is her place to offer her hand or not as she chooses.

Best society has only one phrase in acknowledgement of an introduction. "How do you do?" It literally accepts no other.

"Is it a judge you want to be, my good man?" said the judge to the man who had wandered up to the bench instead of the witness box.

"Your honor," replied the man, "it may turn out that that is all I'm fit for."

## Outstanding Facts—

disclosed by our financial statement as of December 31, 1933

## Summary of Growth—

	Insurance in force	Assets	Surplus
1918	\$675,500	\$6,735,000	\$1,321,47
1923	4,112,500	237,789,34	61,282,75
1928	26,370,928	1,285,817,79	158,209,94
1933	42,568,441	4,198,808,69	379,484,40

During the past five years—

Insurance in force increased	61%
Assets increased	226%
Surplus increased	140%

These should convince all that we are not only a very progressive but also a very conservative company as is evidenced by the exceptional growth in assets and surplus.

REVIEWS BOOK AT REGULAR  
PI GAMMA MU MEETING

Pi Gamma Mu held their regular monthly meeting last evening in Gustavus Adolphus Hall. Professor E. M. Brungart reviewed Leis' book, "The New Leisure Challenges the School." A good number was in attendance.

"THE ROMANCE OF A  
PEOPLE" DESCRIBED BY  
STAFF REPRESENTATIVE

(Continued from Page 1)  
hundred years after the destruction of the Temple, Israel is in Spain, enriching the land with poets, philosophers, scientists and statesmen. But here, too, intolerance raises its head.

The sixth episode is concerned with the birth of joy in humility. The scene

closes with the Star of David, representing the new hope that has arisen with the Age of Enlightenment.

The last episode is that of the liberation. It shows how the world events during the new age serve to lighten the burden of the wanderer. First and foremost, it was America that gave him opportunity to work and once more become free. The spirit of the new Palestine is interpreted by the dance of pioneers. As they wield their hammers and follow their plows, the Walling Wall, symbol of destruction and sorrow, vanishes, to be replaced by a vision of the future. A magnificently lighted sun appears in the background, while the foreground displays the entire cast of four thousand in gay costumes merrily performing their tasks. Then again is heard the symphony of the pioneers,

comprising a group of melodies and folk songs that have grown out of the new spirit of a rebuilt Zion.

Courses of Instruction for Teachers on the University campus on Friday evening and Saturday morning.

A Four-Year Public School Music Course with degree in Bachelor of Music is attracting young people who contemplate teaching Public School Music.

Susquehanna stands for a well-rounded education, clean sports, recreation for every student, earnestness in study, and above all, Character as the hall mark of culture.

For information write  
GEORGE F. DUNKELBERGER, Ph.D., Dean.

## SUSQUEHANNA INITIATES NEW METHOD OF SELECTING LANTHORN OFFICIALS

### Sophomore and Freshman Classes Vote Unanimously to Accept Constitution Drawn Up by Dr. Wilson; Lanthorn Remains Strictly Junior Publication

With next year's Lanthorn, Susquehanna will initiate a new method of publishing the college yearbook. Instead of having the publishing organization formed quickly, and without any training in this work, to function for only one issue, the new organization will be headed by students who have had two years training on the Lanthorn staff, and who have risen progressively on the basis of ability to the positions of Editor-in-Chief and Business Manager.

Many other colleges have taken steps to improve the quality of their respective yearbooks by having a continuing publishing organization, and in this respect Susquehanna has fallen in line with the most progressive ideas in publication. Dr. A. H. Wilson, editorial advisor of student publications on our campus has drawn up a constitution for the Lanthorn Publishing Association of Susquehanna University, drawn somewhat on the plan of those of other Pennsylvania universities who have such associations. This Constitution will be found printed in its entirety in this issue of The Susquehanna. It has been accepted unanimously both by the Sophomore and Freshman classes, the only classes affected by it. All students, particularly Sophomores and Freshmen, are urged to read this constitution, and become thoroughly familiar with the provisions of it, so as to avoid any possible misunderstanding through ignorance of its clauses.

Briefly, the plan of the association is this: The Lanthorn will remain strictly a publication of the Junior class. The Editor-in-Chief and Business Manager will be members of the Junior Class, as will any sub-editors and sub-managers who may be appointed by them. In this respect the existing system remains unchanged. But in addition to this there will be two associate editors and two associate managers chosen from the Sophomore class, and four assistants each for the business and editorial staffs, who will be chosen from the Freshman class. The two associate editors and associate managers shall be elected from the four assistants on each staff at the end of the Freshman year, and the Editor-in-Chief and Business Manager, shall be chosen from the two associate editors

and associate managers, at the end of the Sophomore year, much in the same manner as positions on the Susquehanna staff are filled.

To insure its being only a Junior publication, the names of the assistants and sub-assistants on the staff will not appear among the members of the staff of the Lanthorn, only Juniors being mentioned as staff members. Instead of having the Editor and Business Manager chosen by popular vote of the class, they will be elected by an Editorial Committee of five members, composed of the President, Secretary and Treasurer of the Sophomore Class, with the Editorial Advisor and the Business Advisor, both members of the Faculty at Susquehanna.

This committee will meet in the spring of the Sophomore year, and elect the Editor and Business Manager for the next year, from the two associate editors and two associate managers, who will have training in the arrangement and publication of the Lanthorn and will be chosen on the basis of ability; therefore, they will be able to produce a superior yearbook. The four assistants on the business and editorial staffs will be chosen from the Freshman class, by popular vote, at the beginning of the second semester of the Freshman year.

However, this Editorial Committee will not function in the coming election in the present Sophomore Class. The Editor and Business Manager for next year's Lanthorn will be elected by popular vote from the present Sophomore class as has been the custom in former years. The two prospective associate editors and managers will be elected by popular vote from members of the present Freshman class. With this coming Lanthorn, however, the constitution will go into effect. It is hoped that this Lanthorn Association will result in the publication of a better Lanthorn, with more experienced staff members. It should mean an increased interest in Lanthorn work as an extra-curricular activity for underclass men, and will relieve the Editor and Business Manager of the necessity of doing most of the work themselves, as is sometimes true when little cooperation is shown by members of the Junior class.

## BOND AND KEY WINS SCHOLASTIC CUP THREE CONSECUTIVE YEARS

Bond and Key social fraternity becomes the proud possessor of the Inter-fraternity Council Scholastic Award. A release from the Registrar's Office, late yesterday afternoon, awarded this fraternity an average of 1.65 for the second semester last year and the first semester of this school year.

By gaining the award this year, Bond and Key has for three consecutive years had the highest average of any university fraternity. It is also noteworthy that four of the five times that the cup has been awarded by the Inter-fraternity Council, it has become the possession of this group.

Closely following Bond and Key, Phi Lambda Theta stands second, with a yearly average of 1.53. Epsilon Sigma falls into third place with an average

of 1.46. Phi Mu Delta is last with an average of 1.22.

O. D. S. Leads for Second Time  
Omega Delta Sigma social sorority easily captured the Inter-sorority Scholastic Award for the second consecutive time. This group had an average of 2.005 for the two semesters. This is the highest average ever attained by any social group on our campus.

The sorority race was marked by keen competition. Sigma Alpha Iota, national music sorority, held second place with an average of 1.785. Kappa Delta Phi was a close third, averaging 1.77. Sigma Sigma Delta rated a very close fourth with an average of 1.74.

The trophies will be awarded to the winning groups at a chapel service in the near future.

baseball enthusiasts are joyously heralding the spring weather which they have impatiently awaited.

The innovation of pitching practice by Coach Ullery's hurlers in the girls' gymnasium last week excited considerable interest. Regular ball practice for the entire team will commence as soon as the diamond can be put into shape. The veterans remaining from last year's pitching staff are Yaros, Badger, and Gray. The staff will be augmented by Toomey and Howells, both Freshmen. Martinez, Maguire and Hess have experienced little difficulty in holding the deliveries of the pitchers. A comparatively successful season should be enjoyed by the Crusaders.

## University Acquires New Steinway Piano

New Instrument Was Purchased from the J. H. Troup Music House, of Harrisburg

An event of interest to music lovers took place on Tuesday, March sixth, when Susquehanna University purchased a Steinway grand piano from the J. H. Troup music house at Harrisburg. The piano was used for the concert that night. Both Dr. Maitland and Mr. Mannheimer stated that the piano had exceptional beauty of tone and very good action. This is indeed a cause for rejoicing, for the old Steiff piano was relatively poor in both these respects.

The conservatory students and faculty, to show their appreciation for the new piano, contributed the sum of thirty dollars to help defray the expense.

Prof. E. E. Sheldon stated that the piano will be given the utmost care. It will be kept locked and covered at all times, and students may use it only with special permission. It is only through extreme carefulness in handling the instrument that its beauty will be preserved. It is the students' duty to see that it is kept in the best possible condition.

## Glee Club Presents Concert Wednesday

Miss Margaret Keiser Directs Group of Thirty Four Voices in Annual Concert

The annual concert of the Girls' Glee Club of Susquehanna University will be given on Wednesday evening, March 14, at 8:15 o'clock in Seibert Chapel. The club, consisting of thirty-four voices, is under the capable direction of Miss Margaret E. Keiser. The music will be of a secular and sacred nature.

An operetta, "The Two Queens," by Charles Vincent, will be given, with solo roles being taken by the Misses Ruth Bair, Elizabeth Seiber, Alma Myers, and Mary Jane Kehler. The scene is laid in merry England at the time of Queen Elizabeth. The English dance was coached by Miss Dorothy W. Reed.

Admission fee for the concert is fifty cents for those other than the students of the Selingrove High School, who may be admitted for twenty-five cents.

## Members of Faculty Soloist at Milton

The Junior Music Federated Club of Milton gave an all MacDowell program on Thursday evening, March 8, in the Elks Hall. Miss Margaret E. Keiser, soprano, and Mr. Percy M. Linebaugh, pianist, were soloists of the evening, with Professor E. Edwin Sheldon as the guest speaker. Refreshments were served after the program.

## Wedding Bells Ring For College Senior

Mr. Ralph Rishel, of Northumberland, was married to Miss Wealthy Morgestern, also of Northumberland, by Dr. John B. Kneisey, pastor of St. John's Lutheran Church, of Northumberland, during the morning services last Sunday. Mr. Rishel is a member of the senior class of Susquehanna University.

The less one sees of church the more he looks it.  
—Describing a filthy book or show only popularizes it.

## Star Course Number Proves Exceptional

The recent concert given by Dr. Rollo F. Maitland and Mr. Frank Mannheimer was one of the most outstanding ever given in Seibert Chapel. The exceptional playing of both recitalists drew from the large audience a most enthusiastic ovation. The individual numbers and the two piano and organ compositions which they rendered were equally well done.

Mr. Mannheimer's recital was a brilliant one throughout. He displayed great technical skill as well as a rich interpretation of the numbers that he played. The "Homage a Rameau" of Debussy's and Ravel's "Toccata" seemed to be favored most by his audience, though his entire program was well received.

Dr. Maitland impressed his audience with his excellent technique, as well as his great variety of registration. However, the climax of his performance was reached in his improvisation on the themes given him by Professors E. Edwin Sheldon, Percy M. Linebaugh, and Elrose L. Allison. Most of the audience, having never heard anything of this sort before, were tremendously impressed by Dr. Maitland's fluent treatment of the three themes. His ability to create an extended composition in form in such a short time was amazing. Besides the improvisation, the "Allegretto" from the Sonata for Organ by Parker, Schumann's "Sketch in D Flat," and Franck's "Chorale No. 3" were resolved by the audience with more than the usual applause.

The concert was most inspiring, and it is hoped that the Star Course next year will contain one equally fine.

## Local High School Band Offers Annual Concert

The third annual concert of the Selingrove High School Band under the direction of Mr. Elrose L. Allison, was given Friday evening, March 9, at 8:15 o'clock in Seibert Chapel. The following program afforded much interest to the audience, being creditably performed.

A. SENIOR BAND  
1. Supremacy March ..... Vandercoole  
2. The Southland Medley ..... White  
3. Hungarian Dances No. 7 and 8—Brahms  
4. In Swiss Village—Rockwell-Barnard Suite  
a. Serenata  
b. Lovers Lament  
c. Scarf Dance

B. JUNIOR BAND  
1. America ..... Carey  
2. Waltz ..... Roeder  
3. Assembly—March ..... DeLamater  
C. SENIOR BAND  
1. Drum Dabs ..... Chenette  
2. Selection from "Stepping High"—White  
(Mythical Musical Comedy)  
3. Overture "Lustspiel" Op. 73—Keler-Bela  
4. S. H. S. Victory Song—F. R. Gelnet

## University Men Meet Interesting Alumni

Dr. John I. Woodruff and Professor L. D. Grossman visited with many successful Susquehannans during the week-end of March 2.

They visited with Reverend Park W. Huntington, '17, pastor of St. Stephen's Church in Wilmington, Delaware. Dr. Woodruff occupied the pulpit of this church on Sunday morning, March 4. Reverend Huntington, with a membership between seven hundred and eight hundred, erected a church edifice at a cost of \$165,000, during the first year of his pastorate. He is State Chaplain of the American Legion of Delaware and highly interested in many civic projects. Mrs. Huntington (nee Marie Romer '21), shares in his enthusiasm for his church and his community.

Mr. Samuel Stouffer, '17, Superintendent of Wilmington School, is now in the midst of a four-million dollar building program. The program includes the erection of a new two-million dollar high school and several additional grade and junior high schools. Mr. Luener M. Weaver, '15, is a teacher of bookkeeping and commercial education at Wilmington. Luther is sponsor for the largest class ever to graduate from the high school.

## Negative Debaters Repulse S. S. T. C.

Negative Team to Leave on Five-Day Trip to the Eastern Part of Pennsylvania

Susquehanna University's negative team of debaters defeated Shippensburg State Teachers College by a three to nothing decision in Seibert Hall Chapel on Thursday, March 8.

This was the negative team's second debate of the season, and the first time they used the Oregon plan of debating. Susquehanna's team was composed of Ralph Geigle and Henry Cassler, while the Shippensburg team was made up of two girls, Lee Taylor and Martha Schleicher. Henry Cassler was the first speaker, while Ralph Geigle made the cross examination and presented the rebuttal for the Susquehanna team.

The negative team has the following colleges to visit on its trip: March 19, Ursinus; March 20, Muhlenberg; March 21, Moravian; March 22, Temple; and March 23, Stroudsburg (pending).

## President Receives Important Position

President Smith is Appointed Chairman of Important Committee by Temple U. Head

President G. Morris Smith was recently appointed chairman of a committee to investigate methods concerning the solicitation of students, the awarding of scholarships, the granting of student aid, and the transferring of students from one college to another by Dr. Charles E. Beury, president of Temple University and of the Pennsylvania Association of College Presidents. Other appointments on this committee are Dean Arthur Hawk of Lafayette College and President William T. Tolley of Allegheny College.

## Glee Club Visits Port Royal Lutheran Church

The Girls' Glee Club of Susquehanna University under the direction of Miss Margaret E. Keiser, gave a concert of secular and sacred music in the Lutheran Church at Port Royal, on Wednesday evening, March 7, at 8 o'clock. The following program was attended by an appreciative audience.

I.  
Morning Hymn ..... G. Henschel  
Whip-poor-will ..... Hahn  
The Dew is Soft ..... Rubenstein-Douty  
The Club

II.  
Lullaby (Caprice Venois) ..... Kreiser  
Ma Lindy Lou ..... L. Strickland  
Miss Audra Martz

III.  
Songs ..... Brahms  
Was Once a Pretty, Tiny Birdie Flew In Wood, Embowered  
No there is no bearing with these Spiteful Neighbors  
Secret Nook

IV. The Club  
Arabesque (No. 1) ..... Debussy  
Soaring ..... Schumann

Asst. Accompanist, Miss Kathryn Deisher

PHI LAMBDA THETA  
PLEDGES ELECT KARSCHNER, SHAFER, BARNETT, LONG

At the first meeting of the pledges of Phi Lambda Theta, the following officers were elected: President, Lester Karschner; vice president, Henry Shaffer; secretary, Charles Barnett; treasurer, Chester Long. At the same time a number of committees was appointed, and some of the activities of the year were outlined.

—Be sure to praise your child as often as you find fault with it.  
—Strong men have strong features.  
A doll's features indicates a doll's mind.  
—Rest and change renew ambition.

## Outdoor Gymnasium Classes Continued

Because of the inclement weather during the past week, the physical education classes were forced temporarily to abandon their soccer and speedball activities, and turn to the board track for their sports events. In addition to the inter-class handball tournament now in progress, the Juniors also engaged in impromptu handball games during their period. The Sophomores and Freshmen participated in handball and in informal track meets on the outdoor board track.

The return of favorable weather will undoubtedly witness the return also of soccer and speedball. Hockey and

## Education Hurts!

A little boy with his first knife has an urge to carve his initials on trees that meet his sight. These amateurish efforts at sculpture always result in the cutting of said little boy's finger. The pain of the cut is not great and the tears soon cease, until a loving parent treats the wound with antiseptic. Then the pain is increased and the lad secretly determines never to attempt the carving of his initials again.

Education has effects, but the pain is less sharp—and, naturally, less noticeable.

A professor once stated to his high school class in problems of democracy that no person is really grown up until he is thirty-five years of age. Granting that his statement is true, the college student is still suffering from "growing pains."

The college student is similar to the small boy whose attempts to carve his initials caused him great pain. The first attempt of the college student to produce any introspective thinking is accompanied with mental pain, which we shall entitle "intellectual curiosity." This pain is soon dulled by time and continued use of the mind as an organ of thought production. Suddenly the rude awakening of education is stimulated by knowledge from the classroom from the texts, and from external experience. This awakening is known as "intellectual awakening."

"Intellectual awakening" plus "intellectual curiosity" can be classed as the "growing pains" of education. College men and women suffer from these educational growing pains, if they think and concentrate.

Some people never think introspectively and they escape "growing pains," but, sad to say, they never "grow up."

## Here and There

**Science**  
**Nellie**  
**Armaments**  
BELIEVE IT OR NOT: common salt may cause diabetes. Salt in water iodides to form hydrochloric acid and sodium hydroxide. The sodium hydroxide is absorbed while the acid converts starches into sugars. . . Our new end, deuterium, or heavy hydrogen has twice the atomic mass of the common light hydrogen. Deuterium may solve the riddle of water, providing marked effects in biological chemistry. For instance, yeast cells grow more rapidly in light hydrogen than they do in heavy hydrogen water. Ahem.

**HI NELLIE!** . . . did you know that modern chorus girls are serious and intelligent? They have been found teaching Sunday school, teaching elocution, writing novels (after journalism), training mannequins and one has even won five scholarships with her voice. McClelland Barclay thinks modern girls are lovely, smart, sophisticated, not flapperish, not boyish, but a rare combination of broad-mindedness and good sense. Wonder what is thought of the men? At least, Nellie warns the women not to marry men with flat heads. Dr. Ida Spellenman of the British Phenological Society claims that flat-headed men are conceited. . . Nellie, those eggs in the blue bowl . . . ostrich eggs?

**FRANCE AND ITALY**, in failing to renew their naval holiday precipitated another armament to the teeth. Although Italy made no provision for naval construction in the 1934 budget, she is reported building a huge vessel to counterbalance France's expenditure of 260 million for arms. Following this, Great Britain approved an outlay of 300 million for her navy; just a few hours later the United States Senate authorized an expenditure of 570 million dollars. Japan, a little slow two

dent of the house committee of Hasinger Hall will get all of Hasinger's votes. The day student men will hand their selections to the president of Hasinger's house committee or to the presidents of their fraternities.

With little cooperation this can be done quietly and quickly, and the picture of this popular lady will be placed in this column in a future issue.

May it be well understood that the writer of this column is an impartial party. No hidden motive in making this search is in my mind. A persistent effort will be made to get the slant of each of you men on this situation.

Please cooperate with me. PUCK II.

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

"When Your Heart's on Fire, Smoke Gets in Your Eyes"—so say the words of the song which is on everybody's lips and in everybody's ears at present. And it surely is a hit tune if there ever was one; from the musical pen of Jerome Kern into the score of "Roberto," and from there into the hearts of music-loving America has been the evolution of "Smoke Gets in Your Eyes." Somehow, the melodies of Jerome Kern reflect a greater effort to create than does the usual run of the popular type of composition. By some means they seem to approach nearer to originality than most. Kern's successes include the famous "Show Boat" with its "Old Man River," "Sunny," with its intriguing "Who," "Music in the Air" which gave us the lovely piece, "The Song is You," and now it is "Roberto," which serves as a medium for the popularizing of his music. This production also gives us a beautiful waltz hit, "The Touch of Your Hand," and a snappy fox trot called "You're Devastating." All of Jerome Kern's melodies, and especially "Smoke Gets in Your Eyes," deserve the popularity they have received.

"The Waltz You Saved for Me," of course, goes to mind the name of Wayne King, whose theme song it is. And the name of Wayne King in turn makes one think of waltzes in general. And, as far as I am concerned, waltzes should be thought of more than they are. The average dance orchestra plays entirely too few of the three-quarter time tunes and concentrates too much on the simpler and more mechanical rhythms of the fox trot. Not that I think every band should play waltz after waltz with only an occasional fox trot—leave that to Wayne King—but I do believe the waltz to be a pleasant relief from so many of the oversteered hot tunes which fill the air lanes. But maybe it just depends on the mood I happen to be in at the time.

Speaking of waltzes and moods, there's a "Champagne Waltz" going the rounds at present which will make one's thoughts drift far from studies and such . . .

Of the real old-time ballads which have stayed with us, one of the most appealing was and is "Sweet Little Blue Gown." I can't remember a time when this one wasn't being played and sung at least often enough to remain ever-popular and pleasing. It isn't often a good melody is granted this favor, however; the best of the melody pay the price of being good and are mercilessly played to a speedy death. If only there could be some way of preventing the really good pieces from being overdone. Some manage to remain in spite of their too-frequent repetition, but very few.

A comparatively new number which is very pleasing to the ear, both in melody and lyrics is "Little Grass Shack." For some reason this piece didn't impress itself on your tune-reporter until recently, after it had already been played a great deal. But it is still a good tune, and one worthy of its growing popularity.

## AMUSEMENTS

Tuesday evening the "Fashions of 1934" will be the entertainment at the Stanley. This is the first of three musical comedies which is to appear at this theater this week. An all star cast has been chosen.

A football epic, "Saturday's Millions," will be the Stanley attraction on Wednesday evening. Robert Young has the lead role and has excellent support.

Bing Crosby features in "Going Hollywood," the musical revue of the week. The dances are especially good. This appears at the Stanley on Thursday.

Friday night Otto Kruger is starred in "Women in His Life," a story of a

great lawyer and why he wished to win his last case.

Saturday matinee and evening brings Randolph Scott to the Stanley in "Thundering Herd," a great novel by Zane Grey.

The third musical revue will be "Flying Down to Rio" on Monday and Tuesday of next week. Dolores Del Rio will lead an all star cast of dancers and singers. Don't miss it.

## Y. M. C. A. NOTES

"Is It Right to Enslave and Kill Others?" was the problem for discussion in "Y" meeting on Sunday, March 11. Kenneth Anderson was in charge, and he brought out some very interesting points. Kenneth Anderson also had charge of the devotions.

On Friday evening, March 9, the "Y" held its monthly "Faculty Fireside" at the home of Dr. and Mrs. Kretschmann on University Heights. The topic for discussion was "Is Christianity the Final Religion?" Ralph Shockey was in charge of the devotions, while Marcin Bottiger was in charge of the discussion. Dr. Kretschmann helped to make the discussion a very lively one. Every one present had a profitable and a very enjoyable evening.

On the same evening of the "Faculty Fireside" the "Y" held its semi-monthly business meeting. At the next business session on Friday evening, March 16, the election of officers for next year will take place. Every member is urged to be present at this meeting.

## With Our Advertisers

Editor's Note: It is the policy of this paper to feature each week one of its advertisers. This is the thirteenth of the current series and features W. M. Valsing, popular local jeweler.

This article is dedicated to one of the newer advertisers in The Susquehanna. Last June Mr. Valsing opened an up-to-date jewelry store in Selingsrove at the location of the former Goodrich Shop.

In 1928 Mr. Valsing graduated from the Pennsylvania Technical School of Watchmaking in Lancaster. After graduating he gained much experience while working in large jewelry firms in Williamsport and Geneva, N. Y. In 1931 he opened a store of his own in Watsonville, which he operated until he saw the opportunity which was open here in Selingsrove.

Many people who have had their watches and other jewelry repaired by Mr. Valsing speak highly of the quality of his work and especially of the courteous service always received in Mr. Valsing's establishment.

Mr. Valsing also carries a fine stock of high-grade watches and jewelry and at this time is featuring an advance showing of suitable graduation gifts which he invites everyone to stop in and examine.

In closing we want to say that we are glad to number Mr. Valsing as one of our advertisers and wish him continued success here in our city for years to come.

## Probability Plus The Basketball Schedule

When one looks at Susquehanna's unfinished basket ball schedule, it would be a great thing if we could determine what might have happened. Here is one conception of how the Susquehanna five might have finished the season.

On Friday, January 12, the Crusader quintet lost an important game at the University of Delaware by a forfeit. Part of the squad stopped in Philadelphia to see Mae West in person at the "Earle" and the game was called off because of a lack of men.

On Saturday, January 13, the local cagers ran away with the Elizabethtown team at E-town after receiving a pep talk from Coach Ulery in "How to Withstand the Wiles of Women." The boys promised never to be late again at any game and everything proceeded very quietly.

On Wednesday, January 17, Susquehanna defeated the Blount quintet at home by a 28 to 26 score. The score was tied at the end of the game, but Spitznagel talked the opposition out of two points.

Journeying to La Salle on January 19, our boys again lost a good game because the referee did not like the angle at which the "Coach" was his hat.

At Haverford on January 20 the Crusaders came through in real Susquehanna style by a 22 to 20 score. All our men were banished from the floor on persons foul but four and the "Coach" ordered Manager D. T. McKelvey to go into the game at forward. With only several seconds to go and the score tied, McKelvey missed a

pass and the ball caromed off his head and bounced through the basket. Just as the whistle blew announcing the end of the game.

At Drexel the cry of Susquehanna was "Remember the Football Game." The object of this was to keep the Orange and Maroon from getting trounced in that last severe game for the year. But the Crusaders seemed to have forgotten about the first several minutes and we were beaten, anyway.

In the St. Joseph game, Jack Roach was the hero of the hour. With two men out, men on second and third, and the count of three and two, Jack whaled the ball—pardon me, what kind of a game is this? Well, we won, nevertheless.

The game with Moravian was cancelled because our Freshmen decided to have a party in the gymnasium that night.

Our last game was played at home with West Chester on Friday, February 23. What a game. What a game. Never will we forget how Captain Schlegel led his boys to victory in that game. The lights went out just after the second half started and lanterns were tied on the front of the baskets. Undaunted by any hardship, the local quintet held the West Chester leads to three first downs and won by a nose.

## Constitution of the Lanthorn Association

**Article I**  
This organization shall be called the Lanthorn Association of Susquehanna University.

**Article II—Object**  
The object of this organization shall be to publish The Lanthorn, a college annual book for the junior class, during the second semester.

**Article III—Membership**  
Any student designated by the college administration as a Junior or regular, admitted to attendance at classes shall be a member of this Association. Moving-up Day is the occasion when academically qualified sophomores become members of the Lanthorn Association.

**Article IV—Officers and Electoral Committee**

**Section 1**—The President, the Secretary and the Treasurer of the junior class shall serve as officers of this Association and as three members of the Electoral Committee. The Vice-President of the junior class shall serve as a member of the Electoral Committee only during the absence of the President. The President of the junior class shall be chairman of the Electoral Committee. The Faculty Advisor of the editorial staff and the Faculty Advisor of the business staff for The Lanthorn shall constitute the two other members of the Electoral Committee.

**Section 2**—(a) The Electoral Committee shall elect the following staff members: Editor-in-Chief, Business Manager, associate editors, and the Business Manager from two associate managers.

**Section 3**—(b) The Editorial Committee composed of the President, Secretary, Business Manager, and the Business Manager and the business advisor and editorial advisor, from the faculty shall elect two associate editors from four candidates on the editorial staff and two associate editors from four candidates on the business staff. The Vice-President of the sophomore class shall serve as a member of the committee on the absence of the President. The President of the junior class shall be chairman of the committee.

**Section 4**—The Editor-in-Chief and the Business Manager shall be members of the junior class. The two associate editors and the Business Manager shall be members of the sophomore class. The four editorial assistants and the four business assistants shall be members of the freshman class, duly elected by their classmates to the Lanthorn to train for the duties of the editorial staff and the two associate editors and the two associate managers, respectively.

**Section 5**—The names of the assistant editors, associate managers, editorial assistants and business assistants shall not appear in the published book, The Lanthorn, until after they have been elected and lost any of its identity as the junior class book.

**Section 6**—(a) The Electoral Committee shall have the power to remove from office any member of the staff who becomes inefficient, and shall fill any vacancy within three weeks of the time the removal is made.

**Section 7**—(b) The Electoral Committee shall have the power to remove from office any member of the staff who loses any of its identity as the junior class book.

**Article V—Faculty Advisors**  
**Section 1**—The Faculty Advisor, Faculty Advisor, one for the editorial staff and one for the business staff.

**Section 2**—It shall be the duty of the Editorial Advisor to supervise and criticize the editorial work. It shall be the duty of the Business Advisor to supervise and examine the accounts of the Business Manager.

**Section 3**—The Editorial Advisor shall be the faculty member who shall train the Business Manager. The Business Advisor shall be a member of the Business department.

**Section 4**—The Faculty Advisor shall be appointed by the President of the University.

**Article VI—Editorial Staff**  
**Section 1**—The Editorial Staff shall consist of the Editor-in-Chief, the two associate editors, the four editorial assistants and any additional members to the staff that the Editor-in-Chief may call to select for his work which are not provided for in Article IV.

**Section 2**—It shall be the duty of the Editor-in-Chief to supervise the editorial work of the publication.

**Article VII—Business Staff**  
**Section 1**—The Business Staff shall consist of the Business Manager, the two associate managers, the Business Manager, the Business Manager, and any additional members to the staff that the Business Manager may call to select for his work which are not provided for in Article IV.

**Section 2**—The Business Manager shall be the faculty member who shall train the Business Manager to solicit advertisements both local and national and to make all collections which are due to the Association.

**Article VIII—Amendments**  
**Section 1**—This Constitution may be amended by two-thirds vote of the membership. Amendments shall be made in writing and shall be made on the table one week prior to the taking of the final vote.

**Section 2**—Announcement of such a meeting shall be made in the Lanthorn. In advance on the official bulletin board or in the Susquehanna.

## Debits and Credits For Senior Co-Eds

How often have you been asked or heard this question—considered simply as a pecuniary investment, does a college education pay women and does it pay society which contributes to the support of the colleges?

Any logical and comprehensive answer to these questions, Marguerite Marshall says, must include an analysis of what the college-trained woman is and some survey of what she has done. A personal inventory after due allowance for individual variations from types, indicates certain assets and liabilities which bear directly on her ability to get a job, and some day to get a better one.

### Assets

Perhaps first among her assets should be listed the recent college graduate's physical fitness and her knowledge of how to maintain it. Her curriculum included admirable lectures on personal hygiene. Open windows and comfortable clothes and shoes were campus fashions. As the result of this physical training the girl being graduated from college is likely to feel well and strong enough to tackle any job and she understands how to take care of her health.

Another of the college girl's obvious assets is the trained mind. Intelligent employers say that they can take initiative and responsibility, because they have a furnished mind and it is valuable in "executive material."

Poise is a third asset which the well-bred man with wide contacts often has in mind when he says that he will have no one but a college woman for his private secretary. She has learned to meet people and to put them at ease.

Finally, in some manner and degree not clearly defined to herself, the young college graduate wants to serve. She hopes that the work she may do and the personality she may become will help others as well as herself; will reduce, if ever so little, the world's injustice or add to its store of useful accomplishment. She has, in short, the quality of idealism.

### Liabilities

On the liabilities side of the college girl's ledger we find that she is apt to overestimate her own capacities. A latent liability of many a young college graduate seems to be the notion that she can escape the usual beginner's grind and win prompt preferential treatment because of her diploma. As one vocational adviser said, "The college girl is too critical of detail and routine. She is eager to be one of those ten-thousand-dollar-a-year women about whom she has read, and she wants a big job without preparing for it by a succession of smaller jobs well done."

Not that she thinks she knows it all and is unwilling to learn. Some years ago when fewer college women entered the business world, they had a reputation for untouchability and standoffishness. Fairly or not, more than one employer paraphrased the famous line about the Harvard man to read: "You can always tell a college woman, but you can't tell her much."

One thing upon which most employers agree is that the values of college training come out not in the short but in the long run. The college woman is usually not ready for quick promotion during her first five working years. This is the period in which she is stumbling to find herself.

When graduation approaches many girls are vague about what they are to do afterward, but this is by no means always true. Not only do the vocation bureaus offer helpful suggestions, but college work often indicates to a girl her special aptitude.

Too many compliments and gifts are only traded. There are more words in a lie than in the truth.

Do it now, delays are dangerous. We pass this way but once.

## HI NELLIE!

(A column for ladies forlorn)

Dear Nellie: I was deeply hurt the other day when, as I walked down the hall, I heard two of my sorority sisters discussing me. All I heard were the words, "Jane's a grand kid, but she'll have to grow up." I want to be grown-up, but one doesn't decide to change, and " presto change." What does "grown-up" mean anyhow?—JANE.

Dear Jane: maturity is not a matter of years. A person who is thirty or forty may still be an adolescent. You've probably seen girls who thought they were adults paint their lips and cheeks extensively, frame their child-like faces in braids of hair, wear the most sophisticated frocks the town-shops offered, adapt all kinds of mannerisms to draw attention, try to be "fast." These girls are trying to be older and yet they don't realize that "grown-upness" comes mostly from the inside.

The process is begun by thinking. There are doubts, ambitions, hopes, and fears; probably the buying of a notebook labelled "My Philosophy." There are many little compartments in the mind and the growing person gradually tries to coordinate them to make a Junior-High from a motley grammar school. She forgets she is one of the most striking girls in Milton or Bonnyville, that she has always had her own way, and begins to realize that she is not even a dot on the map in population. She begins to feel that "life" isn't just waiting for her like a birthday surprise party, ready to pop up back all dapper with gifts and smiles; that it isn't like the book that ends "And they lived happily ever after." No, it all looks pretty grand and terrible, and she wonders how she's going to make a little piece for herself in the gigantic jig-saw puzzle. "Grown-upness" is a sense of responsibility; it's the acquirement of a sense of duty to one's neighbor and the world. It's having a purpose and going toward it. It's the refusal to let oneself be pulled this way and that like a drop of mercury. One forms a design of his own and doesn't add lumps here and there; it grows slowly; for it increases as a unit. "Grown-upness" is standing on your own two feet, with a true perspective, seeing things in their true relation to one another. It's a poised mind, a confident mind. It's the ability to do things for yourself and the use your own judgment; to pick your own friends, your books, spend your own allowance, and weigh your religion. It's a broad mindedness; it's toleration. It's swimming without your water-wings; it's balance.—NELLIE.

## Rev. Guss of Lewistown Guest Chapel Speaker

Rev. James H. Goss, pastor of the St. John's Lutheran Church at Lewistown, was speaker in chapel on Wednesday morning, March 7. He was graduated from Susquehanna University in the class of '21 and finished the seminary in '24.

The speaker's theme was "Learn to Think." He stressed the importance of thinking and its achievements. According to the thoughts presented by Rev. Goss, Americans of the twentieth century must learn to think in order to meet the numerous and various tasks that are presented. In brief, the speaker emphasized the fact that anyone can achieve what he sincerely thinks he can. It was a very interesting and inspiring address, and well received by the student body.

## Librarian Entertains Play Cast at Bridge

Mrs. Martha Dodson, librarian of Susquehanna University, entertained seven of the college girls at a St. Patrick's Day bridge party on Monday evening. The girls who were entertained were Miss Aberdeen Phillips, Miss Ruth Plummer, Miss Bessie Cole, Miss Daisy Reese, Miss Millie Hines, Miss Florence Hubler, and Miss Ruth Cherrington. These girls entertained the Women's Club of Susquehanna Valley with a one-act play entitled "A Dish of China Tea" at their monthly meeting in February.

## Bloomsburg Students Guests of Council

Miss Marguerite Kehr, Dean of Women at Bloomsburg State Teachers College, and a representative group from that student body will be the guests of Susquehanna Women's Student Council on Wednesday evening of this week.

They will arrive about four o'clock, at which time they will be entertained at tea in the Kappa Delta Phi sorority room. They will be guests at dinner at six o'clock, and informal conferences will be held immediately afterwards. At 8:15 they will attend the Girls' Glee Club concert in Seibert Chapel.

## Seibert Hall Echoes

Unaccustomed as I am to public-writing.

But weren't we all surprised at the appearance of female Henry Clays. At least the hearts of all Seibertarians who witnessed the contest were melted and they returned surprised that the judges had not been swayed by the fair contestants. O, for the life of a debater—

Gee, it's a shame the Star Course has come to a close, just when we do get some of Hassinger interested enough to come and sit back of Row M. Perhaps another number would have climaxed in some interesting matches (safety), the traditional brand made right here at Seibert.

A jolly bunch of co-eds packed into a bus and off to Port Royal on Wednesday night. Peace and quiet reigned supreme until eleven—then the fun began—and those of us who had thought of retiring changed our minds and politely listened to enthusiastic reports of the gala evening and all that went on "behind the scenes" so to speak.

Friday night and so many fair maidens waiting for the usual delayed phone call. If Hassinger would only call before 7:29½, for a change—and at ten o'clock inspiration to hear a soft and sweet "Good-Night" surely comes with a vengeance.

"After the Ball Is Over" "they just Couldn't Say Good-Bye" or would rather have waited until "One Minute to One" instead of twelve-thirty. Several seemed to be anxious and willing to try it—Nicht wahr?

In an attempt to prove that we can be intelligent as well as beautiful (?), we have turned to chess—or at least are trying to understand what to do and when and how to do it. Is there any hope for us, Dr. Boeder?

## Sports Announcement

The Athletic Board will meet this evening, Tuesday, March 13. It is expected that the basketball capital will be elected and the spring sports schedule approved.

This year's Sports Dinner will be held on Thursday, March 22, in Horton Dining Hall. The committee in charge of arrangements consists of Coach William W. Ulery, chairman; Miss Dorothy W. Reeder, Miss Lillian Diehl, Mr. Lee Rishel, and Mr. Savor Abbott.

Certificates of award will be presented to the lettermen and winners in the various sports, and the intramural trophies will be awarded to the winning classes.

## MATH CLUB DISCUSSES CHESS AT REGULAR MONTHLY MEETING

The regular monthly meeting of the Math Club was held in Steele Science Hall Monday evening, March 5, at 7:00. This meeting was devoted to the subject of chess with an aim to promote greater interest in this delightful game. Mr. Ralph Rishel, president of the Math Club, gave a brief history of the origin of the game. Dr. Boeder then introduced the characters of the game and showed their place at the beginning of the game. He then gave the rules as to how each character is permitted to move and gave some examples of moves. The Math Club was glad to have present other students from the campus and extends a cordial invitation to everyone interested to attend the meetings.

Don't demand public improvements and lower taxes in the same breath. Work is the yeast that raises the dough. Loose fellows are prone to get tight.

## Outstanding Facts—

disclosed by our financial statement as of December 31, 1933

## Summary of Growth—

	Insurance in force	Assets	Surplus
1918 .....	\$676,500	\$6,735.09	\$1,331.47
1923 .....	4,112,500	237,789.34	61,282.75
1928 .....	26,379,926	1,285,817.79	158,269.94
1933 .....	42,568,441	4,198,808.69	379,484.40

During the past five years—

Insurance in force increased .....	61%
Assets increased .....	226%
Surplus increased .....	140%

The above should convince all that we are not only a very progressive but also a very conservative company as is evidenced by the exceptional growth in assets and surplus.

## Fraternities Fete Pledges at Dances

Fraternity pledge dances were the center of attraction at Susquehanna University on Saturday evening, March 10. While the snow-flakes danced rapidly outside to nature's rhythm covering the campus with a soft blanket of whiteness and beauty the students were spending the evening in the respective fraternity houses dancing to music very efficiently supplied by the respective orchestras.

The Bond and Key Club was especially fortunate in having as their orchestra Phil Guinard's orchestra now located in Berwick. He has traveled quite extensively and at one time held a contract on the "Leviathan" steam-

er. His bass fiddler commanded considerable attention of the crowd by his skilled and unique performance.

Ivan Faux with his orchestra very cheerfully supplied the necessary rhythm for a successful evening at Phi Mu Delta. Ivan Faux is by no means a stranger on Susquehanna's Campus. His former appearances on the campus for similar occasions are not at all rare.

Upon further investigation it was found that Sunbury orchestras were doubly represented. Epsilon Sigma fraternity was entertained by The Blue Rhythm Orchestra from Sunbury.

When I crossed the lot to Phi Lambda Theta fraternity I learned that they were strutting to the rhythm coming from a section of Sam White's Radio Band from Harrisburg.

All in all, in spite of the falling snow, it was a very enjoyable and profitable evening for all.

### FRENCH CLUB PRESENTS MOVIES OF BASQUE LIFE

Le Cercle Francais held its regular meeting on Monday evening at 6:30 p. m. in the lecture room of Steele Science hall. The meeting was held one week prior to its usual time because the movie film which Miss Evelyn Allison obtained is one which is sent out and must be returned according to a scheduled time. This film showed scenes of

the Basque country of France and depicted the life of the inhabitants of that town. The country is situated both on the side of France and Spain and is truly in Navarre. The people of the Basque country speak a special idiom. The language has no connection whatever with the neighboring countries. The captions of the various scenes were written in French. The meeting was open to the public and an unusually large crowd was in attendance.

For information write

GEORGE F. DUNKELBERGER, Ph.D., Dean.

### 1935 LANTHORN DEDICATED TO PROFESSOR E. EDWIN SHELDON

Donald K. Henry, Editor-In-Chief, Makes Dedication Announcement, and Declares Himself Well Pleased With Art Theme of Indian Life

Donald K. Henry, editor-in-chief of the Lanthorn, has announced that this year's edition will be dedicated to Professor E. Edwin Sheldon, director of the Conservatory of Music.

Professor Sheldon has given his faithful service to Susquehanna University and its betterment for fourteen years and has made the Conservatory of Music one of the highest ranking in the state. With this in mind the Junior Class agreed unanimously to try to show, in a small way, the appreciation of the entire student body.

Other announcements have been made in regard to the publishing of the yearbook. It will go to press within the next several weeks at the Clark Publishing Company in Philadelphia. Practically all of the material has been gathered at this time, and every effort has been made to make this year's Lanthorn a book worthy of the class of '35. Students will receive their copies on May 15, as scheduled.

Editor Henry is especially well pleased with the art theme, which is dedicated to Chief Shikellamy, a great Indian leader and a staunch friend of the white men in the early history of this section. This theme has been worked out with great care and should appeal to the entire student body.

### Glee Club Concert Well Presented

Program Interspersed With Vocal and Piano Solos; Short Operetta Colorful and Amusing

The Girls' Glee Club, under the direction of Miss Margaret E. Keiser, presented an annual concert on March 14, in Seibert Chapel. The first part of the program consisted of three groups by the club. They were: (1) "Morning Hymn," Henschel; "Whispering Willow," and "The Dew is Soft," Rubenstein-Douty; (2) "Four Long Songs of Brahms"; and (3) "If My Song Had Wings," Hahn-Stickles; "The Night Has a Thousand Eyes," Rogers; and "Agnus Dei," Bizet. Miss Andra Martz also sang "Cradle Song," Kreisler, and Miss Kathryn Delisher played the First and Second Arpeggios of Debussy.

The second part of the program was an operetta, "The Two Queens," by Charles Vincent. Though the plot of the operetta was comparatively simple, the presentation as a whole was very colorful and amusing. The leading roles were sung by Misses Alma Myers, Elizabeth Shupe, Mary Jane Kehler, Ruth Bair, and Mary Barnes.

The entire program was very well received by the large audience. The performance of the Glee Club was due in a large measure to the skillful directing of Miss Keiser, as well as the fine spirit of co-operation which the girls displayed in preparing the program.

### DEUTSCHE VEREIN HOLDS MEETING IN HONOR OF GERMAN NOVELIST

On Monday evening, March 12, the "Deutsche Verein" meeting was held in honor of the seventieth birthday of Herman Stehn, a modern German novelist, in the Social Room of Seibert Hall.

Miss Katharine Stedler discussed the works and life of this great man. Foreign language notes by students of the University of Delaware who went to Germany to study the language were also discussed by Mr. Roy Leitze, Mr. Arthur Weber, Mr. and Mrs. Charles Skeloid.

### VACATION

An announcement from the Dean's office sets the following dates for Spring Vacation. Vacation begins Saturday, March 24, at noon and Wednesday, April 4 at eight o'clock.

### Athletic Council Prepares Program

Baseball Schedule Includes 3 Home Games With Delaware, Lebanon Valley and Dickinson

Last week the Athletic Association held its regular meeting, at which time the ballots for basketball captain were opened. The vote resulted in a tie between Steve Martinec and Albert Hess, which makes it necessary for another vote to be taken.

The baseball and track schedules were made known at the meeting. They are as follows:

Baseball		
April 18—Dickinson	.....	Away
April 21—Penn State	.....	Away
April 27—Delaware	.....	Away
April 28—Lebanon Valley	.....	Away
May 2—Delaware	.....	Home
May 10—Elizabethtown	.....	Away
May 16—Lebanon Valley	.....	Home
May 19—Dickinson	.....	Home
May 26—Elizabethtown	.....	Home

The dates of two games with Bucknell are pending.

Track		
April 12—Class Relays	.....	Home
April 19—Class Meet	.....	Home
April 20—Class Meet	.....	Home
April 28—Penn Relays	.....	Home
May 5—Osteopathy	.....	Away
May 5—Snyder Co. Interscholastics	.....	Home
May 15—Bucknell	.....	Away
May 19—C. P. C. T. C.	.....	Away

### Shockey Elected To Y. M. C. A. Presidency

George Phillips Selected as Editor of Hand Book. Guss Will Assist as Business Manager

Mr. Ralph Shockey was elected president of the Y. M. C. A. for the school year of 1934-35 at the business session held in the "Y" room on Friday evening, March 16. President G. Morris Smith and Dr. Paul J. Overbo were elected faculty advisors of the "Y." The other officers elected are as follows: Vice president, Mr. Robert Clark; secretary, Mr. Kenneth Anderson; treasurer, Mr. Luther Boyette; editor of the Hand Book, Mr. George Phillips; and manager of the Hand Book, Mr. Jerome Guss. There was a large turnout at this meeting, and every seat in the "Y" room was occupied. This coming Friday evening, the newly elected officers will be installed. This will make the close of two very successful years for Mr. Harold Rowe as president of the Y. M. C. A.

### Brevity Marks Annual Sports Dinner Confab

Susquehanna athletes will be feted at the annual Sports Banquet, in Horton Dining Hall, Thursday evening, March 22 at 6:00 p. m.

Coach William W. Ulery, chairman of the banquet committee, has announced that Mr. Alton Garman, captain of the 1930 football Crusaders, will be the toastmaster of the occasion. Mr. Garman is at present assistant coach of Sunbury High school teams, Sunbury, Pennsylvania.

"Brevity will be the keynote of the banquet," announces Coach Ulery. Miss Lillian Diehl, president of the Women's Athletic Club, and Mr. Savio Abbot, president of the Intra-mural Board, will make appropriate comments upon the activities of these groups during the past year.

Coach "Bill" Ulery and Miss Dorothy Reeder, director of women's athletics, and Professor Luther D. Grossman, athletic director, will present the various variety and intra-mural awards. Music for the occasion will be furnished by the Susquehanna University Band.

The chairman of the banquet issues the following invitation: All persons who in any way have assisted in the conduct of the past year's sports program are invited to attend. This includes the managers of all variety and intra-mural sports, the assistant and sub-assistant managers, any day students engaged in intra-mural sports, and the sports reporters and staff representatives.

—Subscribe for The Susquehanna.

### ART CLASS PLANS VACATION TRIP TO NEW YORK CITY ART MUSEUMS

Nine Students in Dr. Ahl's Classical Art Course To Leave Campus Sunday Morning for Thorough Examination of Cultural Exhibit

### Basketball Captaincy Remains Undecided

The election of Susquehanna's basketball captain, which resulted in a deadlock between Steve Martinec and Albert Hess on the first ballot, still remains unsettled, even though a second ballot has been taken. The election was first postponed because one of the letter men did not hand in his vote. When all the votes were finally received, a tie was declared and new ballots were given out. These ballots have all been handed in at present, but the result will not be announced until the meeting of the Athletic Board.

### COMPILES BOOK

DR. ARTHUR H. WILSON

### English Head Writes Theatre Compilation

Dr. Arthur H. Wilson, head of the English department, has recently been informed that the University of Pennsylvania plans to publish his book, "A History of the Philadelphia Theatre from 1835 to 1885." The book is one of a series of Philadelphia stage histories undertaken by a group of faculty members at the University of Pennsylvania. Dr. Wilson's volume will include the names of all the plays that were produced, the dates of the performances, the actors who took part, and the theatres in which the plays were produced, during that period of twenty years.

The publication is the result of two years of strenuous research and diligent thought, and is to be subsidized by the University of Pennsylvania and the American Council of Learned Societies.

Dr. Wilson previously taught at the University of Pennsylvania for four years, until 1931. Since that time he has been in the service of Susquehanna University as head of the English department.

### Bisons Trip Crusaders In Handball Battle

Six of Susquehanna's star handball players composed a team which was defeated by a sextet of Bucknellians at Lewisburg on Monday afternoon, March 12. Coach William Ulery was the only Crusader to win his match. The other members of the team were Dr. Boeder, Tice, Hanna, Boyer and Fredricks.

The individual scores were as follows: Coach Ulery, lost 21-17; Tice, 21-11, and won 21-12; Dr. Boeder, lost 21-6 and 21-12; Hanna, lost 21-9 and 21-8; Tice, lost 21-16 and 21-7; Boyer, lost 21-7 and 21-10; and Fredricks, won 21-11, lost 21-18, and lost 21-20. Fredricks' last game proved to be the most interesting game of the match. He and Stirskey, of Bucknell, played fifteen minutes for the last point before Stirskey finally slipped one past "Andy" for the final score.

Susquehanna's History of Art class will supplement its study by a trip to the Metropolitan Art Museum at New York, where they will have a first-hand examination of some of the great masterpieces of the world in that field. Besides great paintings and works of sculpture, they hope to see many of the utensils, parts of friezes, trinkets, furniture, ornaments, and other pieces of minor art from every period between the Prehistoric period and the present.

The group of nine will leave the campus at 5:00 A. M. Sunday, March 25, and go to New York by automobile. If time permits, they will worship in the morning at one of the churches along the way. After seeing part of the city during the afternoon, they will visit one of the outstanding Lutheran churches for the evening service. Monday is scheduled for a thorough visit to the museum.

The class has decided to set no definite time to return, but will leave New York, whenever they wish to see professor Dr. A. William Ahl, have decided that their mission has been fulfilled. Messrs. Edwin Clapper, Elmer Drumm, Penn Dively, Elwood Stahl, Martin Botter, Ernest Huston, Harold Rowe, and Robert Clark are members of the class.

### Fifth Annual Band Concert Wednesday

Varied Program Featured by Vocal Selections; Student Admission Guaranteed

The fifth annual concert of the Susquehanna Band, under the baton of Mr. Elrose L. Allison, will be given on Wednesday evening, March 21, at 8:15 o'clock in Seibert Chapel. Admission for the concert whose program appears to be interesting, if fifty cents for those other than the college students who have their subscriptions guaranteed.

6. Rienzli ..... Wagner

### PHI KAPPA HOLDS MEETING ON VITAL GREEK SUBJECTS

Phi Kappa held its regular monthly meeting on Friday evening, March 16, in Gustavus Adolphus, room No. 205.

President Robert Clark and program committee had arranged for a truly educational treatment of "The Greek Conception of God," by having Earnest Huston give a talk on "The Conceptions of God Held by Socrates, Plato, and Aristotle." Jerome Guss contributed to the general theme by offering a paper on "How the Greek Oracle Worked." Dr. A. William Ahl then summarized the material on both topics and supplemented their treatment by making some additional remarks of interest and value, as well as stimulating a general discussion by the club.

—S—

### CORRIGENDUM

The Susquehanna wishes to call attention to a mistake in the transcription of the Lanthorn Constitution, printed in the issue of last week. Article IV, Section 2, b, should read, in its last sentence, "The President of the Sophomore Class shall be chairman of the committee."

TUESDAY, MARCH 20, 1934

## Staff Elections

Staff elections for THE SUSQUEHANNA will be held during the first week in April, immediately following the return from Spring Vacation. This statement is made in connection with the ruling of the constitution of the Susquehanna Publishing Association.

## Senior Beauty

A few years ago the male students of Susquehanna had the privilege of aiding in the election of May Queen. The janitors and janitresses received more votes from the masculine group than did any of the eligible women and the privilege was removed. Now in recent years with the perverseness of human nature the men have been clamoring for another opportunity to have a part in the selection of the most beautiful and popular Senior woman on the campus, but it is doubtful whether these petitioners would make use of their privilege or make a "joke" of it again.

Recently THE SUSQUEHANNA, through the Chatter Column, has attempted to have the male students elect a Senior beauty. It was planned, as outlined in this column, that each fraternity and the non-fraternity group should submit the names of Senior women with the votes these women had received in the respective groups. Then the Senior who had the highest number of votes would be declared by Chatter as Senior Beauty and a picture of the winner was to be placed in the column. Then THE SUSQUEHANNA planned to present the Senior Beauty elected by the men along with the May Queen elected by the women at the annual Junior Prom.

The plan was presented in all seriousness, but was greeted with laughter as just an attempt at humor. Does not this almost prove that it would be useless to allow the men to vote for May Queen? However, we realize that perhaps the plan may have not seemed serious because it was presented in a humor column, and so THE SUSQUEHANNA offers another opportunity, hoping that the men will use this chance to show whether they are capable of voting intelligently for a Senior Beauty or not.

This week THE SUSQUEHANNA will make a definite attempt to have the above plan carried out.

## Exodus

With this edition the staff of the 1933-34 SUSQUEHANNA takes its leave of the campus and the newspaper files.

We set ourselves to the task of presenting news, features, and editorials. We have only succeeded in part. A college weekly cannot hope to present timely news, because of the long intervals between publishing dates. The features presented in our columns were more pleasing. The arrival of several humor columns and the "Moment Musical" has given the editorial page a refreshing spirit. In the line of editorials we have succeeded in doing two things. THE SUSQUEHANNA began a campaign for a more orderly condition of the tennis courts. This campaign resulted in the gymnasium office's purchasing a group of tennis racquets for student use, and designating certain playing hours for students. Another campaign successfully completed by SUSQUEHANNA editorials was the purchasing of bicycles for the use of the women students.

Of course, we can name innumerable failures, but that is the fate of most newspaper editorials. It seems only fair to count the "wins" and forget the "misses."

After reviewing what has passed—we can do nothing but pass the typewriters, the matrices, the "old morgue" over to the new editors and seek some satisfaction from the few victories and bitter defeats.

## Basketball Captain

At least a month ago the official basketball season for Susquehanna ended with the awarding of basketball letters, but a captain for the coming season has yet to be elected.

Are the players to blame for this delay? Are they not in-

terested enough in their team and their school to elect a Captain? Or has the Athletic Board failed to function?

Of course, basketball this year, in any way you take it, has been rather extraordinary with the burning of the gymnasium, but there seems no logical reason that a captain should not have been elected before this time.

## Moment Musical

Being the Non-Technical Ramblings of a Music Lover

So many people have said to me, "Oh, I like music, any kind, but I don't know anything about it." I used to doubt this statement but, upon further questioning, I find that the person to whom I am talking really is attracted by good music and poor music too by the way but actually does not know "anything" about it. To me, this condition of liking music but not having any knowledge of it is an impossible one; or, if not impossible, unnecessary. If this individual who likes music and gets pleasure from listening to it would spend a little time learning something about it, he would find the pleasure of listening almost doubled. By learning something about music, I do not mean necessarily going into the technicalities of form, harmony, composition, etc., but merely acquiring a general knowledge of music and composers to which he can add by subsequent intelligent listening. The whole subject is so full of possibilities and leads to so many interesting side-lights and leads to so many connected subjects that, once a musically inclined person begins at his leisure to learn more about it, his whole life may be changed. But, even if this is not so with the majority, one who likes to listen to music will learn to love it by getting a little knowledge of it and thus make his listening intelligent listening.

Since mentioning a tune last week to which I referred as "Little Grass Shack," I have learned its full title. It is "I Want to Take You to My Little Grass Shack in Honolulu, Hawaii." But personally, I prefer just "Little Grass Shack."

The screen presentation of Jerome Kern's operetta "The Cat and the Fiddle" which I would call a "swell" picture, has brought a welcome revival of such tunes as "The Love Parade" and "She Didn't Say Yes."

One of the most soothing musical experiences I can have is listening to "The Rosary" played by an organ. And speaking of organs and musical experiences, I am reminded to remark that of all the attempts to entertain on our campus with music, the organ-piano combination is the most pleasing to me. There are so many possibilities with such an arrangement and so many effects not possible on either instrument alone can be achieved by combining them. In my opinion, the addition of another piano would make for even greater entertaining power.

## Here and There

Temple  
 C. N. Y.  
 Short and Sweet

AT TEMPLE, new registration figures show that an increasingly larger number of high school students are coming to college. An 8 per cent increase in the Liberal Arts and a 1 per cent decrease in the Teachers College indicates a trend toward a cultural education and the professions, rather than toward commerce and business. M. E. Gladfield, university registrar, believes that this development may be due to the past depression.

AT C. N. Y., according to a recent poll, the average senior is 20½ years old, aspires mainly to intellectual success, smokes, drinks, does not gamble, is independent in politics and has been in love twice. This average senior chooses the following favorites: Novelists, Maugham; Poets, Shelley and Keats; Screen stars, Muriel and Helen Hayes; Dramatists, O'Neill. In literature, Andrea del Sarto reigns as the supreme classic poem, John Brown's body as the favorite modern poem, and the Bible as the greatest piece of classic prose. Roosevelt is the greatest living American, Einstein the greatest living man, and the five greatest living men of all time are: Aristotle, Leonardo da Vinci, Jesus, Einstein, Karl Marx.

SHORT AND SWEET . . . In Paris, French musicians cannot grasp the technique or lack of technique of American jazz. Rules restrict foreign bands so that one cannot trip the light American fantastic in Paris today . . . Ambrosia, a rare waxy substance composed from the stomachs of sperm whales, has started a "gold rush" in California.

Worth \$300 a pound, it is used in the manufacture of delicate perfumes. . . . A solution of hydrochloric acid is discovered as a possible cure for ether deaths. . . . Marconi is perfecting a micro wave "radio"—but the sending and receiving stations must be within sight of each other. . . . Have you an old family buggy? The Smithsonian Institute wants one. . . . Is it a relief to learn that the Japanese navy will not exceed ours in 1937? We shall be safe, even though we discard all the old "age limit" vessels. . . . I think that by 1938 or 1940 we ought to have all our battleships and air forces completed, and then we can start another war.

AMERICANISM: Priding ourselves on our "rugged individualism," and squabbling over and boycotting non-union business.

## CHATTER

We Gheats:

Last week when I ran an article for the selection of a Senior Beauty in my column, many of you men thought it was a joke. I will admit that serious material has been conspicuous by its absence in many of my former columns, but I did not intend that this selection by you men should be taken as a joke.

This week Editor Dively has consented to run an editorial in my behalf and has tried to explain to you the intention of this ballot. However, if the plan is not deemed seriously, it will be necessary to drop it entirely.

Puck II becomes your tattler once more:

The tinkling of silverware in the dining hall has upset the solemnity of the occasion. Should we suggest hand-cuffs? And why, pray, if we are going into the subject of noise, have we not heard of a notice regarding high-pitch laughter, commonly called by the less elite, giggling. Surely, the men need not alone be blamed for the so-called pandemonium.

It has been announced (not officially however) that a prominent state official is going to break the ground for the new gymnasium project. It will not be done with a golden shovel, however, because the owner of said spade has been pinched for hoarding.

Vacation coming, with much talk of good times, home cooking, and three some bus rides. Don't give fond parents much time to get over the effect of the six-week list, does it?

Until after Easter,

PUCK II.

## AMUSEMENTS

Tonight's showing of "Dinner at Eight" is the opening of a great show week at the Stanley. This picture, well known for its galaxy of Hollywood "well-knowns" can stand on its own feet. The story is original and presented an excellent opportunity for the producers to offer something new in the movie field. Ten feature stars are found in the cast of this film.

Wednesday evening the Stanley offers "House on 56th Street"—a marvelous story of an old home through a period of years. Kay Francis and George Raft are excellent in their portrayals. Imagine the sympathy and pathos connected with the renovation of an old home into a gambling house.

Another "racket" picture, by the title of "From Headquarters," is the Stanley attraction on Thursday evening. George Brent, a strong "he-man," becomes a trifle weak and falls for the charms of an attractive woman. Justice prevails, as usual, in this gangster film.

Rip-roaring comedy, afloat, with Slim Summerville and Zasu Pitts, will be at the Stanley on Friday. "Her First Mate" is a story of a honeymoon on the water, with Slim as a very, very poor sailor. A story well worth these original "comedy-masters."

Saturday, afternoon and evening, brings Tom Mix back to the screen in a two-fisted western. As a boxer and a rider, this picture presents Tom at his best. It is the best of his productions since his return to stardom. Of course, the wonder horse is featured.

The sparkling Dorothea Weir, aided by Baby LeRoy, returns to the Stanley screen on Monday. "Miss Fane's Baby Is Stolen" is a startling story which first received impetus from a long run in the Broadway Comedies. You remember Miss Weir in "Cradle Song."

## SKIPPY

Here I am back again. I was up a Bucknell last Monday at the handball games and boy, did S. U. take a shellacking! The Bisons lowered their horns and the Crusaders were forced to retreat.

Last Monday night the Wild Boys of Hasting held a committee meeting, which was pretty "hot." Result—padding committee for miscreants. Incidentally, the third floor is quiet to a change.

Some of the men in the dining hall were seriously contemplating buying certain co-eds alarm clocks so that they might appear at meal time a little earlier.

I see our common enemy, the Echo has rebounded with a vengeance. The town girls certainly "went to town" at the fraternity dances. Wasn't matter, Seibertarians, are you losing your popularity?

I dropped in on the Glee Club concert Wednesday evening and I never realized that there were so many warblers on the campus. By the way the Band is going to blast out its annual concert on Wednesday evening.

The new working plan has gone into effect Hasting has taken on a decided change in appearance in its interior. It has grown up as Nellie would say, and receives a bath every day except Sunday.

I hope that the new infirmary which is being contemplated will take care of teachers afflicted with bad livers. It's getting cold blind from gazing at yellow paper. The course of mankind according to the student is exams.

The peanut gallery at Hasting is in full swing during the spring weather. Among its victims are baseball enthusiasts and co-ed cyclists.

Next week—Prof. Umpezz of Tomaine.

That's all. SKIPPY.

## With Our Advertisers

Editor's Note—It is the policy of this paper to feature each week one of its advertisers. This is the nineteenth one of the series.

Another of the new advertisers in THE SUSQUEHANNA is Bob Mease, who is proprietor of the National Cafe on Market street. As soon as he started in business he recognized the value of placing his advertisement in the Susquehanna.

Since the opening of the restaurant about a year ago more and more of the S. U. students have found their way there. It is now one of the most popular places in town for that sandwich or cup of delicious coffee. Mr. Mease also serves delicious home cooked meals at very reasonable prices and all coffee is made by that ever-famous vacuum process which is now used by all of the better class restaurants and the outstanding feature of this system is that every cup is exactly the same.

This article would not be complete without mentioning the courteous service one receives when visiting the National, this helps to make it a truly home like restaurant.

We ask the students to try the National and then compare it with all others.

## Do You Have A Copy?

No doubt, alumni, students and friends of Susquehanna University will welcome the opportunity of securing in book form the history of our institution. Because of the biographies of those men who were intimately associated with her in those early years. Just such a book is "Father and Son," written by Dr. John A. M. Zeigler, now of Huntington Park, California. Twenty-five copies of this rare book have been secured to be sold by our University Bookstore at one dollar apiece. This price is considerably below the publisher's price and should make possible the placing of this book in many homes. The volume is clothbound with good binding and is printed in clear type on a good quality of paper.

The volume covers such an extensive period that it cannot but appeal to Lutherans generally irrespective of institutional affiliation. In content it is really a rather concise history of the General Synod from 1820 to 1890 and of the U. L. C. A. from 1918 to 1930, and generally constitutes a very important contribution to the history of Lutheranism in America. The outstanding personal characters in the volume are Dr. Henry Zeigler, the head of Missionary Institute for fifteen years from 1866 to 1881 and his son, Dr. John A. M. Zeigler, the author of the relationship of this "Father and Son" relationship. It is especially appropriate that the biography of the father is supplemented by the autobiography of the son. Better secure a copy of the book immediately. Order it from the University Bookstore, Selingsgrove, Pa.

## HI NELLIE!

(A column for ladies forlorn)

Dear Nellie:  
I am in a muddle. Jick, who happens to be my room mate, and I have had a silly quarrel. Whose fault it really is, I forget; but she won't unbend and I don't want to apologize; since I feel it's her fault as much as mine. What should I do? Life is simply awful this way.

SANDY.

Dear Sandy:  
Your little note brings before me the whole subject of "friendship." Friendship isn't entirely happiness and fun; it's discipline. You will never find a friend who has no faults, mannerisms, or ways which annoy you; and likewise you will never attain the ideal of yourself in your friend's mind. But that is no reason for giving up friendship altogether.

Nothing means so much in life as these contacts with "kindred spirits" as it were. As Emerson says, they are the sweetness of life. A friend gives us confidence for living; he makes the nicest moods of ours come to the surface; he helps us find new qualities in ourselves.

A friend may praise us and we don't feel silly or see sarcasm in his eyes. A friend may tell us a confiture looks "lousy," and we don't bristle with indignation. If he is silent, we don't thump him on the back and tell him to come out of it; we understand.

It takes a big person to be a friend. It costs much, but it's worth it. It demands time and patience. It demands affection and love.

One should be slow to make friends, but, having made them, should not let a lost pair of silk stockings, or a misunderstanding come between them.

One must be self-possessed in friendship. One must trust. Be true to your friend and he will be true to you. Friendship is something like a piece of wet soap in the bathtub, the more effort to hold, the greater the chance to lose it. Friendship cannot be tied.

Did you ever realize that it is only before a friend that you are yourself. Others see you in one mood; a friend sees you in all moods. With others we try to be nice; we are reserved. Before a friend we can shed tears and not feel childish.

There's still much that could be said about it. As Socrates said "Is it not strange that you and I are friends, and yet we know not what friendship is?"

Be big enough to forget your squabbles; forget your pride. If you've forgotten the reason of it all, make a joke of it.

NELLIE.

The Miracle  
Johnson was a keen amateur gardener of many years' experience, but he had never known such a thing to happen before. Throwing down the rake, he executed a fandango on the lawn, to the amusement of his more austere neighbors.

Then he rushed indoors to his astonished wife, and dragged her out to the garden. Pushing her up to a plant in a corner of the garden, he thrust before her eyes a little scrap of colored paper.

Then she understood the reason for her husband's delight. The plants he had grown from seed sown in the spring had blossomed, and were exactly like the picture on the front of the seed packet!

Just the One  
She: "The man I marry must be as brave as a lion, but not forward; handsome as Apollo, but not conceited; wise as Solomon, but meek as a lamb; a man who is kind to every woman, but loves only me."

He (enthusiastically): "By Jove! How lucky we met."

## S. A. I. Entertains At Recital and Tea

Sigma Omega chapter of Sigma Alpha Iota presented an informal afternoon recital on Saturday, March 17, in Selbert Chapel. Patronesses of the fraternity and members of the conservatory faculty were present for the recital and the tea which followed it. The informality of the occasion contributed much to the spirit of general good will which reigned over the guests. The program that was presented is as follows:

Trio: "Mistress Margarita" ..... Penn  
"Good-Night, Good-Night, Beloved" ..... Pinsuti  
"The Naughty Little Clock" ..... De Koven

Misses Betty Shippe, Marcella Chaya and Mary Jane Kehler  
Piano: "March Minnone" ..... Poldini  
Miss Elva Winkleblich

Song: "Blackbird's Song" ..... Scott  
Miss Betty Shippe  
Piano: "Amoretta" ..... Krogmann  
Miss Dorothy Eastep

Organ: "Pastorale" ..... Rogers  
Miss Ruth Bair  
Piano: "Improvisation" ..... Wilm

Song: "A Birthday" ..... Woodman  
"My Lover is a Fisherman" ..... Strickland  
Miss Mary Jane Kehler

Piano and Organ: "Grand Aria" ..... Demarest  
Misses Dorothy Turner and Marcella Chaya

## SORORITY NOTES

Miss Anna Gage Moody of the class of 1933 visited here on Friday.

Ruth Nelson spent the weekend at her home in Thompsonstown. Miss Lois Long entertained Miss Isabella Horn at her home in Port Royal over the week-end.

Miss Isabella Horn visited at Port Royal on Sunday at which time she spoke in the Lutheran Church of that town. Miss Horn also spoke at the Trinity Lutheran Church in Selinsgrove on Thursday evening.

Miss Ruth Bengtsson visited at the home of Miss Louise Mehning in Littlestown. Both girls returned on Sunday evening.

Miss Helen Hall visited Miss Enza Wilson, an alumna of the sorority, at her home in Lewistown.

Miss Mary Ann Cressman and Miss Mary Barnes visited their respective homes over the week-end.

Miss Eleanor Jones and Miss Margaret Corson entertained their families during the past week.

S. A. I.

Miss Margaret Williams and Miss Dorothy Hoffman spent the week-end at their respective homes.

Miss Alma Myers sang at the dedication of the new Lutheran Church in New Oxford, Penna., on Sunday, March 18.

## Selbert Hall Echoes

Don't you get a kick out of this temperamental March weather? At least it allows us to "air" our white shoes and other accessories for the moment.

We sorta "feel for" the Con students. You see our exams are almost over, and there's are just beginning. Did anyone remark about "leading a dog's life?"

Yes, the Glee Club Concert was a "howlin' success. (Ouch!) Seriously though we thought it of the performance—just another example of the versatility of our co-eds.

And here it is almost time for tables to change again—but maybe it's for the best. It sounds as if everybody is becoming a bit too sociable. Then, too, the six weeks' table romances are becoming stale—that says we have a change of atmosphere?

The casual observer might notice that quite a percentage of B. & K. men are Will Rogers fans—nicht wahr?

By the way—how are we progressing in the line of Lenten denials? It's an ill wind that blows nobody good because after all we do save some pennies on candy, movies and such.

We hear that the Hassinger inmates are turning their thoughts homeward about this time, and some of those treasured photographs are receiving much attention.

Now, little boys, don't you cry. You'll find your own home bye and bye. (Scuse the rhyme—it just wrote itself.)

## Kappa Delta Pledges Entertain Actives

The pledges of Kappa Delta Phi sorority entertained the active members at a party in the sorority room, Friday evening, March 16.

It was a Chinese party and everything was done backwards. The yellow and black invitations were written backwards. When the guests descended the stairs backwards, wearing their clothes backwards, as required, and had said "Goodbye" on entering, they were transported temporarily to Chinatown. Later, seated crosslegged at a Chinese table, and listening to the barbaric rhythms of Chinese music, they were served with a typical Chinese meal, including tea and rice, with of course, the dessert served first. After the "first" course was cleared away, they were introduced to a variety of Chinese games. When the 10:30 bell rang with a reluctant "Hello," everyone picked up chopsticks and retired.

## Bloomsburg Leaders Guests of Council

Six prominent young women from Bloomsburg State Teachers College, accompanied by their Dean, Dr. Margaret Kehr, and her assistant, Miss Ransom, paid a return visit to our campus Wednesday, March 14.

On their arrival at 4:00, they were escorted to the O. D. S. room for tea. The social committee of the Women's Co-Operative Council were in charge of serving. Miss Sara Ulrich poured. Faculty members who also attended were Miss Edna Bergwald, Miss Thelma Armagost, Miss Margaret Keiser, Miss Emily Swettman, and Miss Naomi K. Hade, our Dean.

After the tea the girls were shown through some of the more attractive rooms in the dormitory. They were then taken into the dining room for dinner. Two tastefully decorated tables headed by Miss Sara Ulrich and Miss Ruth Nelson were awaiting them. The motif of decoration was St. Patrick's Day. Two shamrocks were at each place. The place cards, which were clever sketches of a Scotty on a shamrock, were made by Josephine Pifer.

After dinner, they were taken to the sorority room, where they were divided into groups for playing bridge and dancing. Members of the Students' Co-Operative Council escorted them to the concert by the Girls' Glee Club at 8:00, after which they returned home.

## Outstanding Facts—

disclosed by our financial statement as of December 31, 1933

## Summary of Growth—

	Insurance in force	Assets	Surplus
1918	\$676,500	\$6,735.89	\$1,331.47
1923	4,112,500	237,789.34	61,282.75
1928	26,370,926	1,285,817.79	158,209.94
1933	42,568,441	4,196,808.69	379,484.40

During the past five years—

Insurance in force increased	61%
Assets increased	226%
Surplus increased	140%

The above should convince all that we are not only a very progressive but also a very conservative company as is evidenced by the exceptional growth in assets and surplus.

### Services Feature Musical Programs

The Vesper Committee of the Y. M. C. A. and Y. W. C. A. had charge of Vespers Sunday evening. The Vesper committee is composed of Ruth Bergstresser, Helen Keller, Edwin Clapper, and Horace Hutchison. They presented the following program:

Organ Prelude—"The Rosary"—Ehlerbert Nevin

Horace Hutchison

Hymn No. 342—"Day is Dying in the West"

Vocal Solo—"The Joyous Easterlude"—Dressler

Jeanne Hofford

Saxophone Solo—"The Swan"—Saint Saens

Allen Eyer

Hymn No. 64—"O Lamb of God Still Keep Me"

Scripture Reading—St. John XIII; 1-17

Prayer..... Helen Keller

Vocal Duet..... Selected

Ruth Bair and Josephine Pifer

Piano Solo—"First Arabesque"—C. Debussy

Kathryn Delisher

Easter Story..... Mrs. Dodson

Hymn No. 81—"The Day of Resurrection"

Benediction

Organ Postlude—"Hallelujah Chorus" (Messiah)..... Handel

The Choir of Trinity Lutheran Church, under the direction of Prof. E. Edwin Sheldon, presented a cantata at the Sunday evening service. The cantata was entitled "The Story of Calvary," and was composed by P. A. Schneckner. Miss Josephine Pifer and Miss Audra Martz also rendered vocal

solos. Mr. Lewis Howells sang the role of the Narrator in the cantata.

### Y. M. C. A. NOTES

Mr. Marlin Bottiger led the Y. M. C. A. in a very interesting discussion Sunday afternoon on the topic "Are Faith and Confidence in God Practical." Mr. James Grossman led in the afternoon prayer, while Mr. Bottiger read the

scripture lesson.

The "Y" sent out two deputation teams on Sunday, one to the Lutheran Church at Northumberland and the other to the United Brethren Church at Freeburg. The team that went to Northumberland consisted of Mr. Ernest Huston and Mr. Marlin Bottiger, while the team that went to Freeburg consisted of Mr. Edwin Clapper and Mr. Ralph Shockey.

In Defense

A prospective purchaser was looking over a piece of property which lay along the bank of the river. He remarked to the real estate agent: "Doesn't this river sometimes overflow this land?"

The agent retorted, with some heat: "Well, this river is not one of those poor streams that is always confined to its bed."
